1997 SENATE BILL 92

February 25, 1997 – Introduced by Senator GROBSCHMIDT, cosponsored by Representative KLUSMAN. Referred to Committee on Senate Organization.

AN ACT ***to repeal*** 20.923 (4) (a) 2n. of the statutes; **relating to:** the salary of the research director of the joint survey committee on retirement systems.

Analysis by the Legislative Reference Bureau

Under current law, the research director of the joint survey committee on retirement systems is employed in the classified service of the state and is assigned to executive salary group 1. In 1996–97, the annual salary range for a position assigned to executive salary group 1 is a minimum of $43,084 and a maximum of $64,342. This bill removes the research director from executive salary group 1. The annual salary of the research director will be established by the secretary of employment relations pursuant to his or her duty to assign pay ranges to classifications.

For further information see the ***state*** fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

SECTION 1. 20.923 (4) (a) 2n. of the statutes is repealed.
