Mike,

Senate Bills 10, 11, 12 and 13. If they printed out OK, without the "by request of by request of....", then we're fine.

Thanks.

Jeff

Jeff ... do you know which bills had the error. I looked at most of the AB's we introduced yesterday and they looked OK.

Mike,

I know it's probably too late, and I tried calling you, but there's an error on all those JCRAR bills that had "by request of 2003-2004 Rule Objection" on them. The words "by request of" came in twice. Hopefully you noticed them when you did your proofing and corrected it. Is there any way we can stop those? I already made the changes in the database so any merging of documents should be fixed now. I'll talk to you tomorrow. Thanks.
