Hi Debora:

I need a Senate Amendment for outreach services. The requestor has asked that under section 46.48 we add a section for outreach services grants that requires DHFS to provide $84,000 GPR annually to community agencies to provide outreach services in south-central and southeastern Wisconsin relating to health, mental health, housing, assisted living, domestic violence, and other services.

Let me know if you need additional information or if I should direct my request to someone else.

Thanks!
Katie
