1995 ASSEMBLY BILL 451

June 20, 1995 - Introduced by Representatives ALBERS, BALDUS, OWENS and AINSWORTH, cosponsored by Senator DRZEWIECKI. Referred to Committee on Natural Resources.

AN ACT ***to repeal*** 23.09 (2) (b) 1. of the statutes; **relating to:** harvesting of geese at the Necedah refuge.

Analysis by the Legislative Reference Bureau

Current law limits the number of wild geese that may be harvested at the Necedah refuge to 40% of the federally set quota for the entire state. This bill repeals this limitation.

For further information see the ***state*** fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

SECTION 1. 23.09 (2) (b) 1. of the statutes is repealed.
