ASSEMBLY SUBSTITUTE AMENDMENT 1,

TO 2003 SENATE BILL 8

November 25, 2003 – Offered by Representative JENSEN.

AN ACT *to create* 19.36 (13) of the statutes; **relating to:** withholding utility security system plans from public inspection.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

156m 14

SECTION 1. 19.36 (13) of the statutes is created to read:

19.36 **(13)** UTILITY SECURITY SYSTEM PLANS. (a) In this subsection:

1. "Security system plan" means a plan for the physical or electronic security of facilities or information technology systems owned or operated by a utility, including any information, photograph, audio or visual presentation, schematic diagram, survey, recommendation, consultation, or other communication related to such a plan, and including any threat assessment, vulnerability or capability assessment, or threat response plan or any emergency evacuation plan.

telecommunications systems

INSERT 2-1

2. "Utility" means a cooperative association organized under ch. 185 for the purpose of producing or furnishing heat, light, power, or water to its members only or a public utility, as defined in s. 196.01 (5).

(b) An authority may withhold access to any record containing a security system plan or a portion of a security system plan if the authority determines that a facility or system that is the subject of the plan is so vital to the state that the incapacity or destruction of the facility or system would have a debilitating impact on the physical or economic security of the state or on public health, safety, or welfare.
