2017 ASSEMBLY BILL 250

April 14, 2017 - Introduced by COMMITTEE ON EDUCATION. Referred to Committee on Education.

AN ACT ***to repeal*** 20.255 (2) (cf) and 115.366 of the statutes; **relating to:** alternative education grants.

Analysis by the Legislative Reference Bureau

This bill eliminates the requirement that the Department of Public Instruction award grants for alternative education programs and eliminates DPI's rules related to the administration of these grants. Under current law, DPI must award grants to school districts for alternative education programs. An alternative education program is an instructional program, approved by a school board, that includes alternative or adaptive school structures and teaching techniques and that is incorporated into regularly scheduled curricular programs or offered in place of regularly scheduled curriculum programs.

For further information see the ***state and local*** fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

SECTION 1. 20.255 (2) (cf) of the statutes is repealed.

SECTION 2. 115.366 of the statutes is repealed.

SECTION 3. Chapter PI 44 of the administrative code is repealed.
