1 **AN ACT to create** 948.105 of the statutes; **relating to:** attendance of children at
2 public events with groups of nude adults and providing a penalty.

Analysis by the Legislative Reference Bureau

This bill prohibits a person from causing a person who is under the age of 18 to attend an event at which a group of adult participants intentionally expose their genitals, buttocks, or other intimate parts in a public area. The bill also prohibits taking a picture or other representation of a child at such an event if the representation depicts the child's intentionally exposed genitals, buttocks, or other intimate parts. The bill provides an exception to the second prohibition for a person who takes the picture or other representation with the intention to report to law enforcement a violation that is created under the bill as long as the person reports the violation within 24 hours of taking the picture or representation.

Because this bill creates a new crime or revises a penalty for an existing crime, the Joint Review Committee on Criminal Penalties may be requested to prepare a report.
