Analysis by the Legislative Reference Bureau

Prevailing wage

This bill requires that laborers, workers, mechanics, and truck drivers employed on the site of certain projects of public works be paid the prevailing wage and not be required or allowed to work a greater number of hours per day and per week than the prevailing hours of labor unless they are paid overtime for all hours worked in excess of the prevailing hours of labor. Projects subject to the bill include state and local projects of public works, including state highway projects, with

ASSEMBLY BILL 509

exceptions including projects below certain cost thresholds, minor service or maintenance work, and certain residential projects. Under the bill, “prevailing wage rate” is defined as the hourly basic rate of pay, plus the hourly contribution for bona fide economic benefits, paid for a majority of the hours worked in a trade or occupation in the area in which the project is located, except that, if there is no rate at which a majority of those hours is paid, “prevailing wage rate” means the average hourly basic rate of pay, plus the average hourly contribution for bona fide economic benefits, paid for the highest-paid 51 percent of hours worked in a trade or occupation in the area. “Prevailing hours of labor” is defined as 10 hours per day and 40 hours per week, excluding weekends and holidays. The bill requires the Department of Workforce Development to conduct investigations and hold public hearings as necessary to define the trades or occupations that are commonly employed on projects that are subject to the prevailing wage law and to inform itself of the prevailing wage rates in all areas of the state for those trades or occupations, in order to determine the prevailing wage rate for each trade or occupation. The bill contains certain other provisions regarding the calculation of prevailing wage rates by DWD, including provisions allowing persons to request recalculations or reviews of the prevailing wage rates determined by DWD.

The bill requires contracts and notices for bids for projects subject to the bill to include and incorporate provisions ensuring compliance with the requirements. The bill also establishes a requirement that state agencies and local governments post prevailing wage rates and hours of labor in areas readily accessible to persons employed on the project or in sites regularly used for posting notices.

The bill makes a contractor that fails to pay the prevailing wage rate or overtime pay to an employee as required under the prevailing wage law liable to the affected employee for not only the amount of unpaid wages and overtime pay, but also for liquidated damages in an amount equal to 100 percent of the unpaid wages and overtime pay.

Finally, the bill includes, for both state and local projects of public works, provisions regarding coverage, compliance, enforcement, and penalties, including 1) requirements for affidavits to be filed by contractors affirming compliance with the prevailing wage law; 2) record retention requirements for contractors regarding wages paid to workers and provisions allowing for the inspection of those records by DWD; 3) liability and penalty provisions for certain violations, including criminal penalties; and 4) provisions prohibiting contracts from being awarded to persons who have failed to comply with the prevailing wage law.

Transportation projects

Under current law, for certain highway projects for which the Department of Transportation spends federal money, federal money must make up at least 70 percent of the funding for those projects. DOT is required to notify political subdivisions receiving aid for local projects whether the aid includes federal moneys and how those moneys must be spent. For certain projects that receive no federal money, DOT may not require political subdivisions to comply with any portion of DOT’s facilities development manual other than design standards. Any local project funded with state funds under the surface transportation program or the local bridge

ASSEMBLY BILL 509

program must be let through competitive bidding and by contract to the lowest responsible bidder. The bill repeals all of these requirements.

Because this bill creates a new crime or revises a penalty for an existing crime, the Joint Review Committee on Criminal Penalties may be requested to prepare a report.

For further information see the state and local fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

24 or maintenance by the local governmental unit.

ASSEMBLY BILL 509

1 **(3) PREVAILING WAGE RATES AND HOURS OF LABOR.** (am) A local governmental unit,
2 before making a contract by direct negotiation or soliciting bids on a contract for the
3 erection, construction, remodeling, repairing, or demolition of any project of public
4 works, shall apply to the department to determine the prevailing wage rate for each
5 trade or occupation required in the work contemplated. The department shall
6 conduct investigations and hold public hearings as necessary to define the trades or
7 occupations that are commonly employed on projects of public works that are subject
8 to this section and to inform itself of the prevailing wage rates in all areas of the state
9 for those trades or occupations, in order to determine the prevailing wage rate for
10 each trade or occupation. The department shall issue its determination within 30
11 days after receiving the request and shall file the determination with the requesting

13 (ar) The department shall, by January 1 of each year, compile the prevailing
14 wage rates for each trade or occupation in each area. The compilation shall, in

16 when those prevailing wage rates can be determined for any trade or occupation in
17 any area and shall specify the effective date of those future prevailing wage rates.
18 If a project of public works extends into more than one area, the department shall

23 insufficient wage data in the area to determine those prevailing wage rates, in which
24 case the department may use data from projects that are subject to this section, s.
25 103.49 or 103.50, or 40 USC 3142. In determining prevailing wage rates under par.

ASSEMBLY BILL 509**SECTION 9**

4 determination within 30 days after the initial determination date if the person
5 submits evidence with the request showing that the prevailing wage rate for any
6 given trade or occupation included in the initial determination does not represent the
7 prevailing wage rate for that trade or occupation in the area. The evidence shall
8 include wage rate information reflecting work performed by individuals working in
9 the contested trade or occupation in the area during the current survey period. The
10 department shall affirm or modify the initial determination within 15 days after the
11 date on which the department receives the request for recalculation.

12 (br) In addition to the recalculation under par. (bm), the local governmental
13 unit that requested the determination under this subsection may request a review
14 of any portion of a determination within 30 days after the date of issuance of the
15 determination if the local governmental unit submits evidence with the request
16 showing that the prevailing wage rate for any given trade or occupation included in
17 the determination does not represent the prevailing wage rate for that trade or
18 occupation in the city, village, or town in which the proposed project of public works
19 is located. That evidence shall include wage rate information for the contested trade
20 or occupation on at least 3 similar projects located in the city, village, or town where
21 the proposed project of public works is located and on which some work has been
22 performed during the current survey period and which were considered by the
23 department in issuing its most recent compilation under par. (ar). The department
24 shall affirm or modify the determination within 15 days after the date on which the
25 department receives the request for review.

ASSEMBLY BILL 509

1 (dm) A local governmental unit that is subject to this section shall include a
2 reference to the prevailing wage rates determined by the department and to the
3 prevailing hours of labor in the notice published for the purpose of securing bids for
4 the project of public works. Except as otherwise provided in this paragraph, if any
5 contract or subcontract for a project of public works is entered into, the prevailing
6 wage rates determined by the department and the prevailing hours of labor shall be
7 physically incorporated into and made a part of the contract or subcontract. For a
8 minor subcontract, as determined by the department, the department shall
9 prescribe by rule the method of notifying the minor subcontractor of the prevailing
10 wage rates and prevailing hours of labor applicable to the minor subcontract. The
11 prevailing wage rates and prevailing hours of labor applicable to a contract or
12 subcontract may not be changed during the time that the contract or subcontract is
13 in force.

14 (e) No contractor, subcontractor, or contractor's or subcontractor's agent that

11 a contractor, subcontractor, agent, or other person performing any work on the site
12 of the project.

13 (b) A laborer, worker, mechanic, or truck driver who is employed to process,
14 manufacture, pick up, or deliver materials or products from a commercial

21 1. The laborer, worker, mechanic, or truck driver is employed to go to the source
22 of mineral aggregate such as sand, gravel, or stone and deliver that mineral
23 aggregate to the site of a project of public works that is subject to this section by

25 through spreaders from the transporting vehicle.

ASSEMBLY BILL 509

1 2. The laborer, worker, mechanic, or truck driver is employed to go to the site
2 of a project of public works that is subject to this section, pick up excavated material
3 or spoil from the site of the project, and transport that excavated material or spoil
4 away from the site of the project.

5 (c) A person subject to this section shall pay a truck driver who is an
6 owner-operator of a truck separately for his or her work and for the use of his or her
7 truck.

8 **(5) NONAPPLICABILITY.** This section does not apply to any of the following:

9 (a) A single-trade project of public works for which the estimated project cost
10 of completion is less than \$48,000, a multiple-trade project of public works for which
11 the estimated project cost of completion is less than \$100,000, or, in the case of a
12 multiple-trade project of public works erected, constructed, repaired, remodeled, or
13 demolished by a private contractor for a city or village having a population of less
14 than 2,500 or for a town, a multiple-trade project of public works for which the
15 estimated project cost of completion is less than \$234,000.

16 (b) Work performed on a project of public works for which the local

21 and installation contract.

22 (f) A project of public works involving the erection, construction, repair,
23 remodeling, or demolition of a residential property containing 2 dwelling units or

ASSEMBLY BILL 509**SECTION 9**

1 (g) A road, street, bridge, sanitary sewer, or water main project that is a part
2 of a development in which not less than 90 percent of the lots contain or will contain
3 2 dwelling units or less, as determined by the local governmental unit at the time of
4 approval of the development, and that, on completion, is acquired by, or dedicated to,
5 a local governmental unit, including under s. 236.13 (2), for ownership or
6 maintenance by the local governmental unit.

7 **(8) POSTING.** A local governmental unit that has contracted for a project of
8 public works shall post the prevailing wage rates determined by the department, the
9 prevailing hours of labor, and the provisions of subs. (10) (a) and (11) (a) in at least
10 one conspicuous place on the site of the project that is easily accessible by employees
11 working on the project, or, if there is no common site on the project, at the place
12 normally used by the local governmental unit to post public notices.

13 **(9) COMPLIANCE.** (a) When the department finds that a local governmental unit
14 has not requested a determination under sub. (3) (am) or that a local governmental
15 unit, contractor, or subcontractor has not physically incorporated a determination
16 into a contract or subcontract as required under this section or has not notified a
17 minor subcontractor of a determination in the manner prescribed by the department
18 by rule promulgated under sub. (3) (dm), the department shall notify the local
19 governmental unit, contractor, or subcontractor of the noncompliance and shall file
20 the determination with the local governmental unit, contractor, or subcontractor
21 within 30 days after the notice.

22 (b) Upon completion of a project of public works and before receiving final
23 payment for his or her work on the project, each agent or subcontractor shall furnish
24 the contractor with an affidavit stating that the agent or subcontractor has complied

ASSEMBLY BILL 509

1 fully with the requirements of this section. A contractor may not authorize final

3 (c) Upon completion of a project of public works and before receiving final
4 payment for his or her work on the project, each contractor shall file with the local
5 governmental unit authorizing the work an affidavit stating that the contractor has
6 complied fully with the requirements of this section and that the contractor has
7 received an affidavit under par. (b) from each of the contractor's agents and
8 subcontractors. A local governmental unit may not authorize a final payment until
9 the affidavit is filed in proper form and order. If a local governmental unit authorizes
10 a final payment before an affidavit is filed in proper form and order or if the
11 department determines, based on the greater weight of the credible evidence, that
12 any person performing the work specified in sub. (4) has been or may have been paid
13 less than the prevailing wage rate or less than 1.5 times the hourly basic rate of pay
14 for all hours worked in excess of the prevailing hours of labor and requests that the

25 and examine, and every contractor, subcontractor, and contractor's or

ASSEMBLY BILL 509**SECTION 9**

1 subcontractor's agent shall keep, and furnish upon request by the department or
2 local governmental unit, copies of payrolls and other records and information
3 relating to the wages paid to individuals performing the work described in sub. (4)
4 for work to which this section applies. The department may inspect records in the
5 manner provided in ch. 103. Every contractor, subcontractor, or agent performing
6 work on a project of public works that is subject to this section is subject to the
7 requirements of ch. 103 relating to the examination of records.

8 (c) If requested by any person, the department shall inspect the payroll records
9 of any contractor, subcontractor, or agent performing work on a project of public
10 works that is subject to this section as provided in this paragraph to ensure
11 compliance with this section. On receipt of such a request, the department shall
12 request that the contractor, subcontractor, or agent submit to the department a
13 certified record of the information specified in par. (a), other than personally
14 identifiable information relating to an employee of the contractor, subcontractor, or
15 agent, for no longer than a 4-week period. The department may request that a
16 contractor, subcontractor, or agent submit those records no more than once per
17 calendar quarter for each project of public works on which the contractor,
18 subcontractor, or agent is performing work. The department may not charge a
19 requester a fee for obtaining that information. Certified records submitted to the
20 department under this paragraph are open for public inspection and copying under
21 s. 19.35 (1).

22 (d) Section 103.005 (5) (f), (11), (12), and (13) applies to this section, except that
23 s. 103.005 (12) (a) does not apply to a person who fails to provide any information to
24 the department to assist the department in determining prevailing wage rates under
25 sub. (3) (am) or (ar). Section 111.322 (2m) applies to discharge and other

ASSEMBLY BILL 509

1 discriminatory acts arising in connection with any proceeding under this section,
2 including proceedings under sub. (11) (a).

3 **(11) LIABILITY AND PENALTIES.** (a) 1. A contractor, subcontractor, or contractor's
4 or subcontractor's agent who fails to pay the prevailing wage rate determined by the
5 department under sub. (3) or who pays less than 1.5 times the hourly basic rate of
6 pay for all hours worked in excess of the prevailing hours of labor is liable to any
7 affected employee in the amount of his or her unpaid wages or his or her unpaid
8 overtime compensation and in an additional amount as liquidated damages as
9 provided under subd. 2. or 3., whichever is applicable.

10 2. If the department determines upon inspection under sub. (10) (b) or (c) that
11 a contractor, subcontractor, or contractor's or subcontractor's agent has failed to pay
12 the prevailing wage rate determined by the department under sub. (3) or has paid
13 less than 1.5 times the hourly basic rate of pay for all hours worked in excess of the
14 prevailing hours of labor, the department shall order the contractor to pay to any
15 affected employee the amount of his or her unpaid wages or his or her unpaid

4 with each name the address of the person and shall specify when the person failed
5 to pay the prevailing wage rate and when the person paid less than 1.5 times the

7 A local governmental unit may not award any contract to the person unless otherwise
8 recommended by the department or unless 3 years have elapsed from the date the
9 department issued its findings or the date of final determination by a court of
10 competent jurisdiction, whichever is later.

11 (b) The department may not include in a notification under par. (a) the name
12 of any person on the basis of having subcontracted a contract for a project of public
13 works to a person that the department has found to have failed to pay the prevailing
14 wage rate determined under sub. (3) or has found to have paid less than 1.5 times
15 the hourly basic rate of pay for all hours worked in excess of the prevailing hours of
16 labor.

17 (c) This subsection does not apply to any contractor, subcontractor, or agent
18 who in good faith commits a minor violation of this section, as determined on a
19 case-by-case basis through administrative hearings with all rights to due process
20 afforded to all parties or who has not exhausted or waived all appeals.

21 (d) Any person submitting a bid or negotiating a contract on a project of public
22 works that is subject to this section shall, on the date the person submits the bid or
23 negotiates the contract, identify any construction business in which the person, or

2 person submits the bid or negotiates the contract, if the business has been found to
3 have failed to pay the prevailing wage rate determined under sub. (3) or to have paid
4 less than 1.5 times the hourly basic rate of pay for all hours worked in excess of the
5 prevailing hours of labor.

6 (e) The department shall promulgate rules to administer this subsection.

11 Where applicable, the federal wages and hours law known as the Davis-Bacon act
12 shall apply.

13 **SECTION 11.** 84.54 of the statutes is repealed.

19 specifically provided, or fails, neglects or refuses to obey any lawful order given or
20 made by the department or any judgment or decree made by any court in connection
21 with chs. 103 to 106, for each such violation, failure or refusal, the employer,

23 2. All laborers, workers, mechanics, and truck drivers employed in the
24 manufacturing or furnishing of materials, articles, supplies, or equipment on the site
25 of a project of public works that is subject to this section or from a facility dedicated

ASSEMBLY BILL 509

1 exclusively, or nearly so, to a project of public works that is subject to this section by

16 through spreaders from the transporting vehicle.

17 2. The laborer, worker, mechanic, or truck driver is employed to go to the site

19 the site of the project of public works, and transport that excavated material or spoil
20 away from the site of the project.

21 (c) A person that is subject to this section shall pay a truck driver who is an
22 owner-operator of a truck separately for his or her work and for the use of his or her
23 truck.

24 **(3) INVESTIGATION; DETERMINATION.** (a) Before a state agency issues a request
25 for bids for any work to which this section applies, the state agency having the

ASSEMBLY BILL 509**SECTION 14**

1 authority to prescribe the specifications shall apply to the department to determine
2 the prevailing wage rate for each trade or occupation required in the work under
3 contemplation in the area in which the work is to be done. The department shall
4 conduct investigations and hold public hearings as necessary to define the trades or
5 occupations that are commonly employed on projects that are subject to this section
6 and to inform itself of the prevailing wage rates in all areas of the state for those
7 trades or occupations, in order to determine the prevailing wage rate for each trade
8 or occupation. The department shall issue its determination within 30 days after
9 receiving the request and shall file the determination with the requesting state
10 agency. A state agency that has contracted for a project of public works subject to this
11 section shall post the prevailing wage rates determined by the department, the
12 prevailing hours of labor, and the provisions of subs. (2) and (6m) in at least one
13 conspicuous place on the site of the project that is easily accessible by employees
14 working on the project.

15 (am) The department shall, by January 1 of each year, compile the prevailing
16 wage rates for each trade or occupation in each area. The compilation shall, in
17 addition to the current prevailing wage rates, include future prevailing wage rates
18 when those prevailing wage rates can be determined for any trade or occupation in
19 any area and shall specify the effective date of those future prevailing wage rates.
20 If a project of public works extends into more than one area, the department shall
21 determine only one standard of prevailing wage rates for the entire project.

22 (ar) In determining prevailing wage rates under par. (a) or (am), the
23 department may not use data from projects that are subject to this section, s. 66.0903,
24 103.50, or 229.8275, or 40 USC 3142 unless the department determines that there
25 is insufficient wage data in the area to determine those prevailing wage rates, in

ASSEMBLY BILL 509

1 which case the department may use data from projects that are subject to this
2 section, s. 66.0903, 103.50, or 229.8275, or 40 USC 3142. In determining prevailing
3 wage rates under par. (a) or (am), the department may not use data from any
4 construction work performed by a state agency or a local governmental unit, as
5 defined in s. 66.0903 (1) (d).

6 (b) Any person may request a recalculation of any portion of an initial
7 determination within 30 days after the initial determination date if the person
8 submits evidence with the request showing that the prevailing wage rate for any
9 given trade or occupation included in the initial determination does not represent the
10 prevailing wage rate for that trade or occupation in the area. The evidence shall
11 include wage rate information reflecting work performed by individuals working in
12 the contested trade or occupation in the area during the current survey period. The
13 department shall affirm or modify the initial determination within 15 days after the
14 date on which the department receives the request for recalculation.

15 (c) In addition to the recalculation under par. (b), the state agency that
16 requested the determination under this subsection may request a review of any
17 portion of a determination within 30 days after the date of issuance of the
18 determination if the state agency submits evidence with the request showing that
19 the prevailing wage rate for any given trade or occupation included in the
20 determination does not represent the prevailing wage rate for that trade or
21 occupation in the city, village, or town in which the proposed project of public works
22 is located. That evidence shall include wage rate information for the contested trade
23 or occupation on at least 3 similar projects located in the city, village, or town where
24 the proposed project of public works is located on which some work has been
25 performed during the current survey period and that were considered by the

ASSEMBLY BILL 509**SECTION 14**

1 department in issuing its most recent compilation under par. (am). The department
2 shall affirm or modify the determination within 15 days after the date on which the
3 department receives the request for review.

4 **(3g) NONAPPLICABILITY.** This section does not apply to any of the following:

5 (a) A single-trade project of public works for which the estimated project cost
6 of completion is less than \$48,000 or a multiple-trade project of public works for
7 which the estimated project cost of completion is less than \$100,000.

8 (b) Work performed on a project of public works for which the state or the state
9 agency contracting for the project is not required to compensate any contractor,
10 subcontractor, contractor's or subcontractor's agent, or individual for performing the
11 work.

12 (c) Minor service or maintenance work, warranty work, or work under a supply
13 and installation contract.

14 (f) A public highway, street, or bridge project.

15 (g) A project of public works involving the erection, construction, repair,
16 remodeling, or demolition of a residential property containing 2 dwelling units or
17 less.

18 (h) A road, street, bridge, sanitary sewer, or water main project that is a part
19 of a development in which not less than 90 percent of the lots contain or will contain
20 2 dwelling units or less, as determined by the local governmental unit at the time of
21 approval of the development, and that, on completion, is acquired by, or dedicated to,
22 the state for ownership or maintenance by the state.

23 **(4r) COMPLIANCE.** (a) When the department finds that a state agency has not
24 requested a determination under sub. (3) (a) or that a state agency, contractor, or
25 subcontractor has not physically incorporated a determination into a contract or

ASSEMBLY BILL 509

1 subcontract as required under sub. (2) or has not notified a minor subcontractor of
2 a determination in the manner prescribed by the department by rule promulgated
3 under sub. (2), the department shall notify the state agency, contractor, or
4 subcontractor of the noncompliance and shall file the determination with the state
5 agency, contractor, or subcontractor within 30 days after the notice.

6 (b) Upon completion of a project of public works and before receiving final
7 payment for his or her work on the project, each agent or subcontractor shall furnish
8 the contractor with an affidavit stating that the agent or subcontractor has complied
9 fully with the requirements of this section. A contractor may not authorize final
10 payment until the affidavit is filed in proper form and order.

11 (c) Upon completion of a project of public works and before receiving final
12 payment for his or her work on the project, each contractor shall file with the state
13 agency authorizing the work an affidavit stating that the contractor has complied
14 fully with the requirements of this section and that the contractor has received an
15 affidavit under par. (b) from each of the contractor's agents and subcontractors. A
16 state agency may not authorize a final payment until the affidavit is filed in proper
17 form and order. If a state agency authorizes a final payment before an affidavit is
18 filed in proper form and order or if the department determines, based on the greater
19 weight of the credible evidence, that any person performing the work specified in sub.
20 (2m) has been or may have been paid less than the prevailing wage rate or less than
21 1.5 times the hourly basic rate of pay for all hours worked in excess of the prevailing
22 hours of labor and requests that the state agency withhold all or part of the final
23 payment, but the state agency fails to do so, the state agency is liable for all back
24 wages payable up to the amount of the final payment.

ASSEMBLY BILL 509**SECTION 14**

1 **(5) RECORDS; INSPECTION; ENFORCEMENT.** (a) Each contractor, subcontractor, or
2 contractor's or subcontractor's agent that performs work on a project of public works
3 that is subject to this section shall keep full and accurate records clearly indicating
4 the name and trade or occupation of every individual performing the work described
5 in sub. (2m) and an accurate record of the number of hours worked by each of those
6 individuals and the actual wages paid for the hours worked.

7 (b) The department shall enforce this section. The department may demand
8 and examine, and every contractor, subcontractor, and contractor's and
9 subcontractor's agent shall keep, and furnish upon request by the department,
10 copies of payrolls and other records and information relating to the wages paid to
11 individuals performing the work described in sub. (2m) for work to which this section
12 applies. The department may inspect records in the manner provided in this chapter.
13 Every contractor, subcontractor, or agent performing work on a project of public
14 works that is subject to this section is subject to the requirements of this chapter
15 relating to the examination of records. Section 111.322 (2m) applies to discharge and
16 other discriminatory acts arising in connection with any proceeding under this
17 section.

18 (c) If requested by any person, the department shall inspect the payroll records
19 of any contractor, subcontractor, or agent performing work on a project of public
20 works that is subject to this section as provided in this paragraph to ensure
21 compliance with this section. On receipt of such a request, the department shall
22 request that the contractor, subcontractor, or agent submit to the department a
23 certified record of the information specified in par. (a), other than personally
24 identifiable information relating to an employee of the contractor, subcontractor, or
25 agent, for no longer than a 4-week period. The department may request a contractor,

ASSEMBLY BILL 509

1 subcontractor, or agent to submit those records no more than once per calendar
2 quarter for each project of public works on which the contractor, subcontractor, or
3 agent is performing work. The department may not charge a requester a fee for
4 obtaining that information. Certified records submitted to the department under
5 this paragraph are open for public inspection and copying under s. 19.35 (1).
