State of Wisconsin
1999 - 2000 LEGISLATURE

LRB-4229/1
PG:cjs:km

1999 SENATE BILL 374

February 8, 2000 – Introduced by Senators BURKE, DARLING, ERPENBACH, FITZGERALD, GROBSCHMIDT, JAUCH, PLACHE, RISSER, ROSENZWEIG, SHIBILSKI and WELCH, cosponsored by Representatives BLACK, ALBERS, BERCEAU, HUNDERTMARK, JOHNSRUD, KAUFERT, KLUSMAN, LA FAVE, MILLER, MUSSER, OLSEN, REYNOLDS, TURNER, WALKER and WASSERMAN. Referred to Committee on Education.

AN ACT **relating to:** requiring the department of public instruction to study funding options for Science World.

Analysis by the Legislative Reference Bureau

This bill directs the department of public instruction to study the options for funding Science World, a summer science enrichment program, and to report its findings and recommendations to the legislature by July 1, 2000.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

SECTION 1. Nonstatutory provisions; department of public instruction.

(1) The department of public instruction shall study the options for funding Science World, a summer science enrichment program, including private sources of funds. The department shall report its findings and recommendations to the legislature, in the manner provided under section 13.172 (2) of the statutes, by July 1, 2000.

(END)
