AN ACT **relating to:** repealing a rule of the Department of Transportation related to the purchase of school buses for school transportation.

Analysis by the Legislative Reference Bureau

Currently, a Department of Transportation rule prohibits the purchase for use in school transportation of a school bus previously titled and registered in another state or jurisdiction if the bus is more than five years old. This bill eliminates this prohibition.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

SECTION 1. Trans 300.13 (intro.) of the administrative code is repealed.

SECTION 2. Effective date.

(1) Notwithstanding section 227.265 of the statutes, this act takes effect on the day after publication.
