State of Wisconsin
2017 - 2018 LEGISLATURE

LRB–2019/3
ZDW:emw

2017 ASSEMBLY BILL 711

December 4, 2017 – Introduced by Representatives STAFSHOLT, JARCHOW, KLEEFISCH, BRANDTJEN, R. BROOKS, RIPP and TITTL, cosponsored by Senator TESTIN. Referred to Committee on Natural Resources and Sporting Heritage.

AN ACT ***to repeal*** 29.184 (4) (b) and 29.185 (6) (c) 3. of the statutes; **relating to:** required tags for a dog hunting bear or wolf.

Analysis by the Legislative Reference Bureau

This bill eliminates the requirement that a person hunting bear or wolf with a dog carry certain tags for the dog.

Under current law, the owner of a dog is required to have the dog vaccinated against rabies. The owner is required to attach a rabies vaccination tag to a collar that, subject to exceptions, must be worn by the dog at all times. One exception provides that this requirement does not apply to a dog while hunting.

Under current law, while a person is using a dog to hunt bear or wolf, the person is required to keep on his or her person tags indicating that the person has been issued a license for the dog and the dog has been vaccinated against rabies. This bill eliminates these requirements.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

SECTION 1. 29.184 (4) (b) of the statutes is repealed.

SECTION 2. 29.185 (6) (c) 3. of the statutes is repealed.

(END)
