Subject: License and Credential Fees for 2015-2017

Dear Co-Chair Darling and Co-Chair Nygren:

The Department of Safety and Professional Services, as required by Wisconsin State Statute 440.03(9)(a), has recalculated the administrative and enforcement costs of the department that are attributable to the regulation of each professional occupation or business.

Consistent with the Department's goals to help stimulate job creation and the business environment in the state, the department will freeze fees at the current 2013-2015 level. The following changes will be made to the fee schedule:

1. Set the new and renewal fees for the Barbering Advisory Committee – Barber Establishment, Barbering Manager, Barber, Barbering Instructor, and Barbering School at $75 (new) and $82 (renewal). Set the fee for Barber Apprentice at $10.

2. Set the new and renewal fee for the Anesthesiologist Assistant, at $75 (new) and $82 (renewal).

3. Correct the fee for Cemetery Board – Cemetery Authority Registered to $10. The fee of $20 that was submitted in 2013-2015 was incorrect. According to s. 440.08(2)(21m), *"Cemetery authority, registered: December 15 of each even-*

numbered year; $10." The Department has been charging the correct fee of $10. The list of approved fees should reflect the same.

The revenue produced by the current fees will be sufficient to cover the operating expenses of the agency.

The 2015-2017 fee report is attached.

Sincerely,

Dave Ross
Secretary

Enclosure
