2023 SENATE BILL 342

June 21, 2023 - Introduced by Senators QUINN and TOMCZYK, cosponsored by Representatives SAPIK, ARMSTRONG, DONOVAN, EDMING, GREEN, OHNSTAD and SCHMIDT. Referred to Committee on Housing, Rural Issues and Forestry.

1 **AN ACT** *to amend* 66.0615 (1m) (a); and *to create* 66.0615 (1m) (em), 229.425
2 and 229.46 (8) of the statutes; **relating to:** the creation of a local exposition
3 district by the City of Superior.

Analysis by the Legislative Reference Bureau

Generally, under current law, a political subdivision may create a local exposition district, either singly or with another political subdivision. A local exposition district is a unit of government that is separate from the political subdivision that creates it and has powers related to establishing and operating an exposition center.

This bill makes changes to the local exposition district law that apply only to future districts created by the City of Superior (Superior exposition districts). Under the bill, the primary uses of a Superior exposition district may include sporting tournaments, and the structures included in the district may include those intended for use by transient tourists. A Superior exposition district may impose and collect a food and beverage tax and may impose and collect a room tax at a maximum rate of 2 percent. The bill limits the maximum amount of bond proceeds that the district may issue for development and construction of an exposition center to \$20,300,000. Before an enabling resolution adopted by the City of Superior to create a Superior exposition district may take effect, it must be approved in a referendum by a majority of the electors in the city voting on the resolution.
