# 1997 ASSEMBLY BILL 312

April 24, 1997 – Introduced by Representative BAUMGART. Referred to Committee on State Affairs.

AN ACT *to create* 84.02 (5) (d) of the statutes; **relating to:** placement of certain stamps or labels on folded state highway maps.

---

***Analysis by the Legislative Reference Bureau***

Currently, the department of transportation (DOT) periodically publishes folded state highway maps. DOT is required to distribute without charge 500 of these maps to each officer and member of the legislature. Any officer or member may request any number of additional maps, which DOT is required to provide without charge.

This bill prohibits any officer or member of the legislature from distributing or authorizing or causing the distribution of a folded state highway map that is stamped or labeled to identify the officer or member.

***The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:***

**SECTION 1.** 84.02 (5) (d) of the statutes is created to read:

84.02 **(5)** (d) No officer or member of the legislature may distribute or authorize or cause the distribution of any folded highway map obtained under par. (c) that is stamped or labeled to identify the officer or member.
