AN ACT ***to amend*** 231.01 (4m) of the statutes; **relating to:** authorizing the Wisconsin Health and Educational Facilities Authority to issue bonds to finance a project undertaken for a facility used for education by a private, tax–exempt institution.

Analysis by the Legislative Reference Bureau

Under current law, the Wisconsin Health and Educational Facilities Authority (WHEFA) may issue bonds to finance certain projects undertaken for educational facilities. Projects that may be financed include, among others, the construction, remodeling, furnishing, or equipping of an educational facility or related structure. An educational facility is defined as a regionally accredited, private, nonprofit postsecondary educational institution. This bill redefines an educational facility as a facility used for education by a regionally accredited, private, nonprofit institution so that the education–related projects for which WHEFA may issue bonds are not limited to facilities and related structures for postsecondary education purposes.
