4 loan servicers, creating an office of the student loan ombudsman in the
5 Department of Financial Institutions, and granting rule-making authority.

Analysis by the Legislative Reference Bureau

This bill creates an Office of the Student Loan Ombudsman (office) in the Department of Financial Institutions and requires student loan servicers to be licensed by this office. The bill contains a variety of provisions governing student education loans, student loan borrowers, and student loan servicers. Under the bill, a “student education loan” means a loan that is extended to a student loan borrower expressly for postsecondary education expenses or related expenses. A “student loan borrower” means a resident of this state who has received or agreed to pay a student education loan or a person who shares legal responsibility for repaying the loan. A “student loan servicer” means a person responsible for the servicing of a student education loan, but excludes certain state-regulated financial service providers. “Servicing” means receiving scheduled periodic payments from a student loan borrower; applying payments received from a student loan borrower; and performing other administrative services with respect to a student education loan.

The bill requires a student loan servicer, wherever located, to be licensed by the office before directly or indirectly engaging in servicing student education loans in

SENATE BILL 859

this state. A student loan servicer must hold a separate license for each of its places of business and the student loan servicer may not act under any name or at any place of business that is not identified in the license.

The bill imposes numerous requirements on student loan servicers, including requirements relating to all of the following:

1. Responding to written inquiries from student loan borrowers.
2. Handling and applying “nonconforming payments,” defined as payments on student education loans that are different from the required payments.
3. Responsibilities if there is a sale, assignment, or other transfer of the servicing of a student education loan.
4. Maintaining and making available to the office records related to student education loan transactions.

The bill also prohibits a student loan servicer from engaging in certain conduct or activity, including the following:

1. Defrauding or misleading a student loan borrower.
2. Engaging in an unfair or deceptive practice or misrepresenting or omitting material information in connection with the servicing of a student education loan.
3. Misapplying student education loan payments.
4. Providing inaccurate information to a credit bureau related to a student loan borrower’s creditworthiness.
5. Refusing to communicate with an authorized representative of a student loan borrower.
6. Failing to evaluate a student loan borrower for an income-based repayment program prior to placing the student loan borrower in default.

The bill also specifies the authority of the office to conduct investigations and examinations and take administrative action and also provides a private right of action for violations of the requirements or prohibitions under the bill.

The bill requires the office to perform certain functions, including: 1) assisting student loan borrowers; 2) receiving and attempting to resolve complaints from student loan borrowers and others; 3) compiling and analyzing data about these complaints; 4) assisting student loan borrowers in various ways; 5) providing information to the public and others regarding the problems and concerns of student loan borrowers; and 6) analyzing and monitoring the development and implementation of laws and policies relating to student loan borrowers.

Although the bill exempts certain state-regulated financial service providers, primarily state-chartered financial institutions, from licensing and most other requirements applicable to student loan servicers, the bill requires these exempt organizations to cooperate with the office and provide information requested by the office necessary to investigate and resolve student loan borrower complaints.

For further information see the state fiscal estimate, which will be printed as an appendix to this bill.

12 any reason, including a business decision to terminate operations in this state,
13 license revocation, bankruptcy, or voluntary dissolution, the licensee shall provide
14 written notice of surrender to the office and shall surrender to the office its license

3 the office on or before the date the license expires, the license continues in effect until
4 the issuance by the office of the renewal license applied for or until the office has
5 notified the licensee in writing of the office's refusal to issue the renewal license
6 together with the grounds on which the refusal is based. The office may refuse to
7 issue a renewal license on any ground on which the office may refuse to issue an
8 initial license.

9 (7) An applicant or licensee under this section shall notify the office, in writing,
10 of any change in the information provided in the initial application for a license or
11 the most recent renewal application for a license, as applicable, not later than 10
12 business days after the occurrence of the event that results in the change.

13 (8) The office may consider an application for a license under this section
14 abandoned if the applicant fails to respond to any request for information required
15 under this subchapter or any rule promulgated under this subchapter, as long as the
16 office notifies the applicant, in writing, that the application will be considered
17 abandoned if the applicant fails to submit the information within 60 days after the
18 date on which the request for information is made. An application filing fee paid
19 prior to the date an application is abandoned under this subsection may not be
20 refunded. Abandonment of an application under this subsection does not preclude
21 the applicant from submitting a new application for a license under this section.

22 (9) A licensee may not act within this state as a student loan servicer under any
23 name or at any place of business other than that identified in the license. A licensee

5 student education loan transaction. Except as otherwise required by federal law, a
6 federal student loan education agreement, or a contract between the federal

8 these records for not less than 2 years following the final payment on the student
9 education loan or the assignment of the student education loan, whichever occurs
10 first.

11 (b) Upon request by the office, a student loan servicer shall make the records
12 under par. (a) available or shall send these records to the office by registered or
13 certified mail, return receipt requested, or by any express delivery carrier that
14 provides a dated delivery receipt, not later than 5 business days after requested by
15 the office to do so. The office may grant a licensee additional time to make these
16 records available or to send the records to the office.

17 **(11)** (a) The office may suspend, revoke, or refuse to renew a license issued
18 under this section if the office finds any of the following:

19 1. That the licensee has violated any provision of this subchapter, any rule
20 promulgated thereunder, or any lawful order of the office made thereunder.

21 2. That any fact or condition exists that, if it had existed at the time of the
22 original application for the license, clearly would have warranted a denial of the
23 license.

24 3. That the licensee made a material misstatement in an application for a
25 license or in information furnished to the office.

SENATE BILL 859**SECTION 4**

1 4. That the licensee has failed to pay any fee required under this section.

2 (b) The office shall suspend a license issued under this section if the office finds
3 that the licensee is an individual who fails to comply, after appropriate notice, with
4 a subpoena or warrant issued by the department of workforce development or a
5 county child support agency under s. 59.53 (5) and related to paternity or child
6 support proceedings or who is delinquent in making court-ordered payments of child
7 or family support, maintenance, birth expenses, medical expenses, or other expenses
8 related to the support of a child or former spouse, as provided in a memorandum of
9 understanding entered into under s. 49.857. A licensee whose license is suspended
10 under this paragraph is entitled to a notice and hearing only as provided in a
11 memorandum of understanding entered into under s. 49.857 and is not entitled to
12 any other notice or hearing under this section.

13 (c) The office shall revoke a license issued under this section if the department
14 of revenue certifies under s. 73.0301 that the licensee is liable for delinquent taxes.
15 A licensee whose license is revoked under this paragraph for delinquent taxes is
16 entitled to a notice under s. 73.0301 (2) (b) 1. b. and a hearing under s. 73.0301 (5)
17 (a) but is not entitled to any other notice or hearing under this section.

18 (d) The office shall revoke a license issued under this section if the department
19 of workforce development certifies under s. 108.227 that the licensee is liable for
20 delinquent unemployment insurance contributions. A licensee whose license is
21 revoked under this paragraph for delinquent unemployment insurance
22 contributions is entitled to a notice under s. 108.227 (2) (b) 1. b. and a hearing under
23 s. 108.227 (5) (a) but is not entitled to any other notice or hearing under this section.

24 (e) A person whose license has been suspended, revoked, or refused renewal
25 under this subsection may request a hearing under s. 227.44 within 30 days after the

SENATE BILL 859

1 date of suspension, revocation, or refusal. The office may appoint a hearing examiner
2 under s. 227.46 to conduct the hearing. This paragraph does not apply to a
3 suspension or revocation under pars. (b) to (d).

4 (f) An abatement of the license fee may not be made if the license is suspended
5 or revoked under this subsection or surrendered in connection with a suspension or
6 revocation proceeding.

7 (12) All fees received by the office under this section shall be credited to the
8 appropriation account under s. 20.144 (1) (g).

9 **224.106 Student loan servicers.** (1) In this section, “nonconforming
10 payment” means a payment on a student education loan that is different from the
11 required payment.

12 (2) (a) Except as otherwise provided in federal law, a federal student education

6 (d) If there is a sale, assignment, or other transfer of the servicing of a student
7 education loan that results in a change in the identity of the person to whom a
8 student loan borrower is required to send payments or direct any communication
9 concerning the student education loan, all of the following apply:

10 1. As a condition of the sale, assignment, or transfer, the student loan servicer
11 shall require the new student loan servicer to honor all benefits originally
12 represented as available to the student loan borrower during the repayment of the
13 student education loan and preserve the availability of these benefits, including any
14 benefits for which the student loan borrower has not yet qualified.

15 2. Within 45 days after the sale, assignment, or transfer, the student loan
16 servicer shall transfer to the new student loan servicer all information regarding the
17 student loan borrower, the account of the student loan borrower, and the student
18 education loan of the student loan borrower, including the repayment status of the
19 student loan borrower and any benefits associated with the student education loan.
