2023 SENATE BILL 929

January 19, 2024 - Introduced by Senator WANGGAARD, cosponsored by Representative CALLAHAN. Referred to Committee on Judiciary and Public Safety.

1 **AN ACT relating to:** appropriating money for grants to schools to acquire
2 proactive threat detection equipment and software and making an
3 appropriation.

Analysis by the Legislative Reference Bureau

This bill appropriates \$4,000,000 in the 2023-25 fiscal biennium to the Department of Justice so that DOJ may award grants to school boards or governing bodies of private schools to acquire proactive metallic and nonmetallic threat detection equipment and software. The bill provides that if a 2023 bill creating the grant program is not enacted into law, the appropriation of the money for the grant program by this bill is void.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

4 **SECTION 1. Nonstatutory provisions.**

5 (1) RECONCILIATION PROVISION. If 2023 Assembly Bill 542, as shown by Assembly
6 Substitute Amendment 1, or 2023 Senate Bill 523, as shown by Senate Substitute
7 Amendment (LRBs0192/1), is not enacted into law, then SECTION 2 of this act is void.
