1 At the locations indicated, amend the substitute amendment as follows:

2 **1.** Page 3, line 2: after that line insert:

3 “2m. The equipment or software is designed and installed to capture or monitor  
4 only activity on school property and may not be used to intentionally capture or  
5 monitor activity on private property.

6 2p. The equipment or software is designed to detect only an actual or potential  
7 weapon that poses an imminent threat to the bodily security of a person and, to the  
8 extent possible, to ignore items that are not actual or potential weapons that pose an  
9 imminent threat.”.

10 **2.** Page 3, line 10: after that line insert:

11 “(cm) An activity captured or monitored by the equipment or software acquired  
12 with grant funds under this subsection may not be reported to an end user if the

1 activity does not involve an actual or potential weapon or pose an imminent threat  
2 to the bodily security of a person on or near school property. An activity captured or  
3 monitored by the equipment or software that is not reportable to an end user may  
4 not be used as a basis for a citation, arrest, or prosecution or as evidence in an action  
5 or proceeding.”.
