

1995 ASSEMBLY BILL 309

April 8, 1995 - Introduced by Representatives HANDRICK, LADWIG, GROTHMAN, MUSSER, OTTE, OWENS, SILBAUGH, SKINDRUD, JENSEN, ALBERS and WALKER. Referred to Committee on Education.

1 **AN ACT to repeal** 115.38 and 121.02 (1) (o); and **to amend** 119.04 (1) of the
2 statutes; **relating to:** school district performance reports.

Analysis by the Legislative Reference Bureau

Under current law, annually each school board must distribute to the parent or guardian of each pupil enrolled in the school district a school and school district performance report. The report must include indicators of pupil achievement and of school and school district performance, including dropout, attendance, retention in grade and graduation rates; number of suspensions and expulsions; and percentage of habitual truants. The state superintendent of public instruction must publish and distribute to the legislature a summary of the reports. He or she must also identify those school districts that are low in performance and make recommendations regarding how the identified school districts may be improved.

This bill eliminates all of the above requirements.

For further information see the *state and local* fiscal estimate, which will be printed as an appendix to this bill.
