### ***Analysis by the Legislative Reference Bureau***

Under current law, there are 11 members of the Milwaukee Metropolitan Sewerage District (MMSD) commission. Seven of the commissioners are appointed by the mayor of Milwaukee and 3 of those 7 must be elected officials. The other 4 commissioners are appointed by an executive council composed of the elected executive officer of each city, village and town that is wholly or partly within the boundaries of the district, except for Milwaukee.

Under this bill, the commission consists of 5 members. One member is appointed by the mayor of Milwaukee, one is appointed by an executive council that consists of the elected executive officers of each city, village or town that is wholly or partly within Milwaukee County, one is appointed by an executive council that consists of the elected executive officers of each city, village or town that is served by the district and is outside of Milwaukee County and 2 are appointed by the governor. No commissioners may be elected officials.
