1 **AN ACT to create** 121.78 (5) of the statutes; **relating to:** the payment of tuition

Analysis by the Legislative Reference Bureau

Under current law, the state pays tuition for a pupil attending a public school if the pupil is in a foster home, treatment foster home or group home that is located outside the school district in which the pupil's parent or guardian resides and is exempted from property taxation.

This bill provides that if a pupil is placed in a foster, treatment foster or group home that is located outside the school district in which the pupil's parent or guardian resides and that is not exempted from property taxation, the school board of the school district in which the pupil resided immediately prior to the placement must pay public school tuition for the pupil. The latter school district counts the pupil in enrollment for state aid purposes.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:
