2 125.07 (4) (e) 4., 125.07 (4) (e) 5., 125.085 (3) (bd), 343.30 (6) (b) (intro.), 343.30
3 (6) (b) 1., 2. and 3., 343.30 (6) (bm), 343.30 (6) (d), 938.344 (2) (a), (b) and (c),
4 938.344 (2b) (a), (b) and (c) and 938.344 (2d) (a), (b) and (c) of the statutes;
5 **relating to:** the operating privilege of an underage person convicted of certain
6 alcohol-related offenses.

Analysis by the Legislative Reference Bureau

Under current law, no person who has not attained the legal drinking age of 21 years of age (underage person) may: procure or attempt to procure alcohol beverages from a person licensed to sell alcohol beverages; enter, knowingly attempt to enter or be on licensed premises; falsely represent his or her age for the purpose of receiving alcohol beverages from a licensee or permittee; or, unless authorized by law, possess or consume alcohol beverages. The sentence for a violation of these prohibitions varies depending upon the number of prior violations the underage person has committed, and may include suspension or revocation of the underage person's operating privilege, a forfeiture of up to \$1,000, required participation in a supervised work program or other community service work or any combination of these penalties. The specified period of suspension or revocation of an underage person's operating privilege, if imposed, ranges from a minimum of 30 days to a maximum of 2 years. The suspension or revocation period commences immediately

ASSEMBLY BILL 518

unless the underage person does not possess a valid regular driver's license, in which case the suspension or revocation period commences on the date that a regular license would otherwise be reinstated or issued after the person applies and qualifies for issuance or 2 years from the date of disposition of the alcohol-related offense, whichever occurs first.

This bill changes the penalties for underage persons who commit certain alcohol-related offenses. In addition to other penalties that a court elects to impose, the bill requires that the operating privilege of an underage person convicted of certain alcohol-related offenses be acted upon as follows:

1. For a first violation, suspended for 90 days.
2. For a 2nd violation committed within 12 months, suspended for 180 days.
3. For a 3rd or subsequent violation committed within 12 months, revoked for 270 days.

The bill specifies that the period of suspension or revocation of the operating privilege of an underage person who does not possess a regular driver's license does not commence until the date that a regular license would otherwise be reinstated or issued after the person applies and qualifies for issuance. The bill also eliminates the authority of a court that ordered the suspension of an underage person's operating privilege to reinstate that person's operating privilege for completing an alcohol abuse treatment program or court-approved alcohol abuse education program.

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:
