### ***Analysis by the Legislative Reference Bureau***

Under current law, as enacted in 1997 Wisconsin Act 27 (the budget bill), the principal and interest payments for the costs incurred by the state in financing the acquisition, construction, development, enlargement or improvement of veterans cemeteries are paid out of the veterans trust fund. This bill requires that those principal and interest payments be paid out of the general fund.

For further information see the **state** fiscal estimate, which will be printed as an appendix to this bill.
