1     **AN ACT to amend** 20.525 (1) (gm), 25.40 (1) (a) 17. and 341.14 (6r) (bg) 3. b. of the

3             commemorative registration plates and making an appropriation.

### *Analysis by the Legislative Reference Bureau*

Under current law, the department of transportation (DOT) sells special license plates commemorating this state's sesquicentennial anniversary of statehood. Vehicle owners may purchase the plates for \$15, in addition to the regular registration fee, for display on their vehicles. After deducting its costs to produce and distribute the plates, DOT deposits the net proceeds from the sale of these plates with the sesquicentennial commission. The sesquicentennial commission uses the net proceeds from the sale of the plates to plan and administer this state's sesquicentennial celebration.

This bill requires DOT to deposit with the sesquicentennial commission \$10 from the sale of each set of the commemorative plates, regardless of the cost to DOT to produce and distribute the plates. The bill also requires the secretary of transportation to determine the amount, if any, by which the sum of payments already made by DOT to the sesquicentennial commission is less than \$10 for each set of the commemorative plates issued and to pay that amount, if any, to the commission.
