1 **AN ACT** *to create* 70.11 (40) and 74.485 of the statutes; **relating to:** creating a
2 property tax exemption for wetlands.

Analysis by the Legislative Reference Bureau

This bill creates a property tax exemption for lands zoned as wetlands by a county and not used for agricultural purposes. If that land becomes taxable, except as a result of remapping by the department of natural resources, the owner is required to pay the equivalent of the property taxes that were saved on the lands, based on an indexing of the most recent assessment before the wetlands became exempt, plus interest at the rate of 6% per year for each year's taxes.

This bill will be referred to the joint survey committee on tax exemptions for a detailed analysis, which will be printed as an appendix to the bill.

For further information see the *state and local* fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:
