- 1     **AN ACT to amend** 801.02 (7) (d) and 814.29 (1m) (c) (intro.) of the statutes;  
2     **relating to:** denial of prisoner's request to bring an action.

---

***Analysis by the Legislative Reference Bureau***

Under current law, if a prisoner asks a court for permission to bring an action without the payment of any service or fee because of his or her indigence, the court may dismiss that request if the prisoner has, on three or more occasions, while a prisoner, brought an action that was dismissed because the action was frivolous. This bill also allows the court to deny the request to bring an action without the payment of any service or fee because of his or her indigence if the prisoner has, on three or more occasions, while a prisoner, sought leave to bring an action without the payment of any service or fee because of his or her indigence that was denied because the action was frivolous. These prohibitions do not apply if the court determines that the prisoner is in imminent danger of serious physical injury.

For further information see the ***state and local*** fiscal estimate, which will be printed as an appendix to this bill.
