1 AN ACT *to create* 254.47 (2r) of the statutes; **relating to:** special event

2 campground permits issued by the department of health and family services.

Analysis by the Legislative Reference Bureau

Under current law, the department of health and family services (DHFS), or a local health department acting as an agent of DHFS, issues permits to and regulates campgrounds and camping resorts and recreational and educational camps.

Under this bill, a campground permit for a special event issued by DHFS, or by a local health department, is not valid if a necessary town or county permit for the special event is not obtained or if a condition of a necessary town or county permit is not met. Under the bill, "special event" is defined by DHFS by rule.

For further information see the *state and local* fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:
