Analysis by the Legislative Reference Bureau

This proposal is introduced under section 111.92 (1) of the statutes. The proposal ratifies the collective bargaining contract for state employes in the professional research, statistics and analysis collective bargaining unit negotiated for the 1999-2001 biennium under the state employment labor relations act. Currently, statutory program supplement appropriations fund the costs of collective bargaining agreements to the extent that they exceed budgeted costs. The proposal authorizes expenditure of moneys from those appropriations to fund the cost of this agreement.
