

2001 SENATE BILL 150

April 18, 2001 - Introduced by Senators RISSER, DECKER, BAUMGART, BURKE, GEORGE and PLACHE, cosponsored by Representatives MUSSER, POCAN, BOYLE, BOCK, FREESE, RICHARDS, KREUSER and MILLER. Referred to Committee on Universities, Housing, and Government Operations.

1 **AN ACT to amend** 71.10 (3) (a), 71.10 (3) (b) and 71.10 (3) (c) of the statutes;
2 **relating to:** the election campaign fund designation on individual income tax
3 returns.

Analysis by the Legislative Reference Bureau

Under current law, an individual who files an income tax return and who either owes taxes or is entitled to a refund may designate \$1 to the state election campaign fund. Individuals who file a joint return may designate \$1 each to the state election campaign fund.

Under this bill, an individual who files an income tax return and who either owes taxes or is entitled to a refund may indicate on the return that the individual does not wish \$5 to be transferred from the state general fund to the state election campaign fund. If two individuals file a joint return each individual may separately indicate on the return that the individual does not wish \$5 to be transferred from the state general fund to the state election campaign fund. For each such return filed upon which no indication is made, an amount equal to \$5 per individual is transferred from the state general fund to the state election campaign fund.

Under current law, the department of revenue (DOR) must provide a place on the individual income tax return for designations to the election campaign fund, along with a statement that a designation to the election campaign fund does not increase an individual's tax liability.

Under the bill, DOR must provide a statement on the individual income tax return that an indication will not affect the amount of the individual's tax liability or refund.
