Analysis by the Legislative Reference Bureau

Currently, the governor, on behalf of the state, is authorized to negotiate and enter into gaming compacts to regulate the operation of Indian gaming facilities. These compacts are governed by the federal Indian Gaming Regulatory Act (IGRA) and provide for locating gaming establishments on Indian lands that existed on or before the enactment date of IGRA, which was October 17, 1988, and Indian lands acquired by the U.S. secretary of the interior in trust for the benefit of an Indian tribe after October 17, 1988. This bill prohibits the governor from entering into, amending, extending, or renewing any compact containing terms that:

1. Authorize a gaming establishment on lands acquired by the U.S. secretary of the interior in trust for the benefit of an Indian tribe after October 17, 1988, until the legislature approves the proposed compact by joint resolution.

2. Are for a period longer than ten years, with a renewal provision of more than five years, if any, until the legislature approves the proposed compact by joint resolution.

3. In any way condition which gaming activities may be conducted under the compact based on gaming activities that are conducted in Canada.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:
