

2003 SENATE BILL 90

April 2, 2003 – Introduced by Senators CARPENTER and RISSER, cosponsored by Representatives MILLER, YOUNG, POCAN, BERCEAU, PLOUFF and COGGS. Referred to Committee on Health, Children, Families, Aging and Long Term Care.

1 **AN ACT to amend** 15.01 (4) and 59.17 (2) (c); and **to create** 15.07 (1) (a) 8., 15.07
2 (2) (m), 15.07 (5) (z), 15.07 (5m) (c), 15.20, 15.207, 20.430, 59.53 (24), 62.09 (8)
3 (cm) and chapter 152 of the statutes; **relating to:** establishing a publicly
4 financed health care system for residents of this state, creating the Department
5 of Health Planning and Finance, Health Policy Board, and regional health
6 councils, granting rule-making authority, and making appropriations.

Analysis by the Legislative Reference Bureau

Under current law, payment for medical services received by residents of this state is made from a combination of federal moneys (such as under the Medicare, Medical Assistance (commonly referred to as “Medicaid”), and various block grant programs), general purpose revenues (such as the “state share” of the joint federal-state Medical Assistance Program, the Badger Care Program, state contributions to relief block grants for health care services, and moneys appropriated for specific medical purposes, such as cancer control grants), local moneys (such as funding for medical relief health care services and county nursing homes and hospitals), private health insurance coverage purchased by individuals or provided, in part, as employee benefits, and out-of-pocket payments by health care consumers.

This bill establishes a universal health plan for Wisconsin, under which, beginning July 1, 2006, each state resident, with certain specified exceptions, shall

SENATE BILL 90

receive reasonable medical services necessary to maintain health, enable diagnosis, or provide treatment or rehabilitation for an injury, disability, or disease. Specified persons who are excepted from the July 1, 2006, beginning date are phased in for eligibility that begins July 1, 2007.

To administer the universal health plan, the bill creates a Department of Health Planning and Finance (DHPF), with six regional offices, that is directed and supervised by an 11-member Health Policy Board that is also created in the bill. The Health Policy Board appoints the secretary of health planning and finance and is required to review that appointment after 36 months. The bill also creates six regional health councils that are attached to DHPF and that report at least twice a year to the Health Policy Board on the health care needs, problems, and concerns of the region. The bill requires appropriation of general purpose revenues to DHPF for operation of the Health Policy Board for the 2003–05 fiscal biennium and requires that the Health Policy Board consider numerous specified issues related to the formation of a universal health plan in this state.

Under the bill, by July 1, 2005, DHPF must begin implementation of processes, in light of policies determined by the Health Policy Board, to effect numerous matters, including specifying the amounts and sources of funds to finance payment to providers under the universal health plan, applying for waivers to federal Medicaid statutes and rules, and establishing a listing of approved medicinal substances and formulae. The secretary of health planning and finance and the secretary of administration must, until September 1, 2005, meet at least semimonthly to formulate decisions on issues concerning the universal health plan and DHPF and how the scope and functions of DHPF affect the scope and functions of the Department of Health and Family Services, the Office of the Commissioner of Insurance, the Board on Aging and Long-Term care, and the duties or powers of any other state agency. The Health Policy Board must convey the decisions to the Legislative Reference Bureau for drafting of necessary proposed legislation for introduction in the legislature in 2006. The Legislative Reference Bureau must prepare, in proper form for introduction, the proposed legislation that relates to the decisions.

For further information see the *state and local* fiscal estimate, which will be printed as an appendix to this bill.
