1 **AN ACT to amend** 15.405 (7) (b) 1. and 15.405 (7) (b) 3. of the statutes; **relating**
2 **to:** the Medical Examining Board.

Analysis by the Legislative Reference Bureau

Under current law, the Medical Examining Board consists of nine licensed doctors of medicine, one licensed doctor of osteopathy, three public members, and a nonvoting member who is the chairperson of the Injured Patients and Families Compensation Fund Peer Review Council. Each member is appointed for staggered four-year terms.

This bill changes the composition of the Medical Examining Board to include six licensed doctors of medicine, one licensed doctor of osteopathy, six public members, and the chairperson of the Injured Patients and Families Compensation Fund Peer Review Council. The bill specifies that no public member may be licensed, registered, permitted, or certified to provide health care services, items, or supplies in this state, or to provide insurance to any health care provider or health care facility.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

3 **SECTION 1.** 15.405 (7) (b) 1. of the statutes is amended to read:
4 15.405 (7) (b) 1. ~~Nine~~ Six licensed doctors of medicine.
