1 **AN ACT** *to amend* 71.05 (6) (a) 15. and 71.08 (1) (intro.); and *to create* 71.07 (5e)
2 and 71.10 (4) (gxx) of the statutes; **relating to:** creating an individual income
3 tax credit for personal property taxes paid on certain mobile homes and on
4 certain attachments to recreational mobile homes.

Analysis by the Legislative Reference Bureau

Under current law, a recreational mobile home is exempt from the imposition of personal property taxes. A recreational mobile home is a mobile home that is no larger than 400 square feet and used primarily as temporary living quarters for recreational, camping, travel, or seasonal purposes.

This bill creates an individual income tax credit for personal property taxes that an individual pays on any aftermarket addition, attachment, annex, foundation, or appurtenance adjoining or affixed to a recreational mobile home or on any mobile home that would have been exempt from personal property taxes as a recreational mobile home except that the mobile home exceeds 400 square feet because of an aftermarket addition, attachment, annex, foundation, or appurtenance that is adjoining or affixed to the mobile home.

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:
