July 23, 2013 - Introduced by Senators PETROWSKI, GROTHMAN, S. FITZGERALD, LASSA, LEHMAN, SCHULTZ and L. TAYLOR, cosponsored by Representatives BORN, JACQUE, BIES, MARKLEIN, A. OTT, PETRYK and RIPP. Referred to Committee on Transportation, Public Safety, and Veterans and Military Affairs.

1 **AN ACT** *to amend* 188.15 (3) and 188.25; and *to create* 188.15 (4) and (5) of the
2 statutes; **relating to:** corporate powers of Marine Corps League corporations.

Analysis by the Legislative Reference Bureau

Under current law, a department or detachment of a Marine Corps League may be organized as a corporate entity and, upon making the required filing with the Department of Financial Institutions (DFI), has full corporate power to transact business in this state and no personal liability may attach for its corporate acts. This filing with DFI must include a complete list of its duly elected officers. In executing any conveyance or encumbrance by a Marine Corps League corporation, the detachment or department commandant and the detachment or department adjutant, or similar officers, have the powers and duties granted to presidents and secretaries of private corporations.

Also under current law, by January 1 of each year, the state organization of a veterans' society that has an incorporated unit must file with DFI an annual report showing the elected officers of the state organization. If the veterans' society has no state organization, each incorporated unit must file with DFI by January 1 of each year an annual report of the elected officers.

This bill requires any department or detachment of the Marine Corps League in this state to be incorporated under state law. The bill specifies that any such corporation is subordinate to the national Marine Corps League. The bill also requires each detachment of the Marine Corps League in this state, including any unit, auxiliary, or affiliate of such a detachment, to file an annual report by October 1 of each year with the Marine Corps League, department of Wisconsin, showing the

elected officers of the detachment. The Marine Corps League, department of Wisconsin, must then file a consolidated annual report, by January 1 of each year, that includes information of the department and of each detachment. The bill also specifies that, in executing any conveyance or encumbrance by a Marine Corps League corporation, the detachment or department senior vice commandant has the same powers and duties granted for an adjutant.

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.
