2           942.09 (3m) (b) 1.; and *to create* 942.09 (2) (bm) 2m. of the statutes; **relating**

***Analysis by the Legislative Reference Bureau***

Current law prohibits a person from photographing, videotaping, or otherwise capturing an image of a nude person without the depicted person's consent. A person who does so or who possesses, distributes, or exhibits the image, knowing the image was without the depicted person's consent, is guilty of a Class I felony. Current law generally excepts a parent, guardian, or legal custodian of a child who photographs, videotapes, or otherwise captures an image of the child nude or who distributes or exhibits an image of the child nude for noncommercial purposes. This bill limits the exception so that it excludes a parent, guardian, or legal custodian of a child who photographs, videotapes, or otherwise captures an image, or distributes or exhibits an image, of the child nude for the purpose of sexual arousal, gratification, humiliation, degradation, or monetary or commercial gain.
