May 8, 2015 – Introduced by Senators MOULTON, BEWLEY, HARSDORF and OLSEN, cosponsored by Representatives BERNIER, MILROY, T. LARSON, A. OTT, MURSAU, SWEARINGEN and BERCEAU. Referred to Committee on Sporting Heritage, Mining, and Forestry.

1 **AN ACT** *to amend* 29.324 (2) (intro.); and *to create* 29.324 (1) (c) and (d) and
2 29.324 (4) of the statutes; **relating to:** restrictions on hunting antlerless deer
3 by members of a group hunting party.

Analysis by the Legislative Reference Bureau

Current rules promulgated by the Department of Natural Resources (DNR) provide that with each license that DNR issues to a person who is under 18 years of age that authorizes deer hunting with a firearm, DNR must also issue a carcass tag that authorizes the taking of one antlerless deer in specified locations in this state (youth carcass tag). Current law also authorizes a person who is a member of a group hunting party to kill a deer for another member of the party if the person who kills the deer is in contact with the person for whom the deer is killed and the person for whom the deer is killed possess a current unused deer carcass tag.

This bill prohibits a member of a group deer hunting party from using a youth carcass tag issued to another member of the party in order to kill an antlerless deer for the member of the party holding the youth carcass tag.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:
