

2017 SENATE JOINT RESOLUTION 117

March 22, 2018 - Introduced by Senator STROEBEL. Referred to Committee on Government Operations, Technology and Consumer Protection.

1 **To renumber** section 6 of article IV and section 2 of article V; and **to create** section
2 6 (2) of article IV and section 2 (2) of article V of the constitution; **relating to:**
3 limiting the number of terms permitted for members of the state legislature and
4 the governor and lieutenant governor (first consideration).

Analysis by the Legislative Reference Bureau

This proposed constitutional amendment, proposed to the 2017 legislature on first consideration, limits members of the legislature to 12 years of service in the same office and limits the governor and lieutenant governor to 12 years of service in the same office. Time served in an initial partial term in the same office, and time served in a different office, is not counted as part of the 12-year limits. Additionally, the term limits do not apply to a senator or representative to the assembly, or the governor or lieutenant governor, holding office on the date of ratification of the proposed constitutional amendment, with respect to that office.

A constitutional amendment requires adoption by two successive legislatures, and ratification by the people, before it can become effective.

5 **Resolved by the senate, the assembly concurring, That:**

7 apply to any senator or representative to the assembly holding office on the date of
8 ratification of this subsection, with respect to that office.

10 of article V.

22 sequencing and the numbering of the provisions whose numbers conflict.
