1 **AN ACT to amend** 446.028 of the statutes; **relating to:** continuing education
2 program sponsors for chiropractors, chiropractic technicians, and chiropractic
3 radiological technicians.

Analysis by the Legislative Reference Bureau

Under current law, a program sponsor for continuing education for chiropractors is required to submit its program to the Chiropractic Examining Board for approval. This bill requires that a program sponsor for continuing education for chiropractors, chiropractic technicians, or chiropractic radiological technicians must submit its program to the Chiropractic Examining Board for approval. The bill also adds the Chiropractic Society of Wisconsin, the American Chiropractic Association, and the Federation of Chiropractic Licensing Boards to the list of chiropractic continuing education program sponsors acceptable for license renewal.
