1     **AN ACT** *to create* 753.0605 of the statutes; **relating to:** adding 12 circuit court  
2           branches to be allocated by the director of state courts.

---

### *Analysis by the Legislative Reference Bureau*

This bill adds 12 additional circuit court branches to be allocated by the director of state courts as follows: four circuit court branches in 2020, four circuit court branches in 2021, and four circuit court branches in 2022. The director of state courts may allocate the branches to any county the director of state courts determines is in need of an additional circuit court branch if the county has passed a resolution requesting an additional circuit court branch and if the county has established or will have established by May 31 of the year in which the circuit court branch becomes effective the appropriate infrastructure to support the additional circuit court branch. The director of state courts may require any county, as a condition for receiving a circuit court branch allocation, to have established or to apply for a grant to establish a drug court.

For further information see the *state and local* fiscal estimate, which will be printed as an appendix to this bill.
