

2019 ASSEMBLY BILL 818

January 29, 2020 - Introduced by Representatives STAFSHOLT, MAGNAFICI and ZIMMERMAN, cosponsored by Senators PETROWSKI and SCHACHTNER. Referred to Committee on Transportation.

1 **AN ACT** *to renumber and amend* 348.27 (9r); and *to create* 348.27 (9r) (b) of
2 the statutes; **relating to:** permits for the overweight transport of the residue
3 material resulting from treatment of municipal sewage.

Analysis by the Legislative Reference Bureau

Under current law, no person may operate on a highway any vehicle that exceeds statutory limits on size or weight. However, the Department of Transportation may issue permits authorizing the transportation of metallic or nonmetallic scrap for the purpose of recycling or processing on a vehicle or combination of vehicles that exceeds statutory weight or length limitations and for the return of the vehicle or combination of vehicles when empty. Under this permit currently, DOT authorizes the transportation for processing of the residue material resulting from treatment of municipal sewage.

This bill explicitly provides that these permits may include the transportation for processing of the residue material resulting from treatment of municipal sewage on a vehicle or combination of vehicles that exceeds maximum gross weight limitations by not more than 20,000 pounds and expands the permit to also allow the return of the vehicle or combination of vehicles to the municipal sewage treatment facility while transporting the liquid removed from the residue material during dewatering, including any chemical treatment added to the liquid.

ASSEMBLY BILL 818

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

1 **SECTION 1.** 348.27 (9r) of the statutes is renumbered 348.27 (9r) (intro.) and
2 amended to read:

3 348.27 (9r) TRANSPORTATION OF SCRAP AND MUNICIPAL SEWAGE RESIDUE. (intro.)
4 The department may issue an annual or consecutive month permit for the
5 transportation of ~~metallie~~ any of the following:

6 (a) Metallic or nonmetallic scrap for the purpose of recycling or processing on
7 a vehicle or combination of vehicles which exceeds statutory weight or length
8 limitations and for the return of the vehicle or combination of vehicles when empty.
9 This ~~subsection~~ paragraph does not apply to the transportation of scrap on highways
10 designated as part of the national system of interstate and defense highways, except
11 for the I 39 corridor and the I 41 corridor.

12 **SECTION 2.** 348.27 (9r) (b) of the statutes is created to read:

13 348.27 (9r) (b) The residue material resulting from treatment of municipal
14 sewage for the purpose of processing on a vehicle or combination of vehicles that
15 exceeds the maximum gross weight limitations under s. 348.15 (3) (c) by not more
16 than 20,000 pounds and for the return of the vehicle or combination of vehicles to the
17 municipal sewage treatment facility while transporting the liquid removed from the
18 residue material during processing, including any chemical treatment added to the
19 liquid. This paragraph does not apply to the transportation of municipal sewage
20 residue material or liquid removed from municipal sewage residue material on

ASSEMBLY BILL 818

1 highways designated as part of the national system of interstate and defense
2 highways.

3 **SECTION 3. Nonstatutory provisions.**

4 (1) Notwithstanding s. 13.096 (2), the department of transportation may not
5 prepare a report on this bill under s. 13.096 (2) and (3).

6 (END)
