- 1 **AN ACT to create** 16.281 of the statutes; **relating to:** online clearinghouse of
2 information for small businesses in Wisconsin.

Analysis by the Legislative Reference Bureau

This bill requires the Department of Administration to establish on the Internet a clearinghouse of information for small businesses in Wisconsin. Under the bill, DOA must coordinate with the Wisconsin Economic Development Corporation, the Wisconsin Housing and Economic Development Authority, the Departments of Workforce Development and Revenue, local governments, local economic development organizations, and any other person DOA considers appropriate, to publish information relevant to small businesses on the clearinghouse, including information relating to all of the following:

1. Bidding opportunities for small businesses to participate in state and local government contracts.
2. Economic development programs, whether public or private, that may offer benefits to small businesses.
3. Courses of instruction, networking opportunities, and other events or opportunities encouraging the establishment, development, and expansion of small businesses.
4. Requirements for small businesses to obtain from the state or a local government any license, permit, or other authorization.
5. Requirements for small businesses to pay any tax, fee, assessment, or other charge imposed by the state or a local government.
