DSPS may directly assess a forfeiture by issuing an order against any person who fails to register as required under the bill. The registration requirement does not apply to a person who engages in construction on his or her own property, to a state agency or local governmental unit, or to a person who engages in construction in the course of his or her employment by a state agency or local governmental unit.

For further information see the state and local fiscal estimate, which will be printed as an appendix to this bill.
