Analysis by the Legislative Reference Bureau

Under current law, a child of an eligible veteran that is between the ages of 17 and 26 may receive 128 credits or 8 semesters of tuition remission at University of Wisconsin System institutions or state technical colleges. This bill reduces the minimum age at which such an individual may receive the tuition remission from 17 to 15 years of age.

For further information see the state and local fiscal estimate, which will be printed as an appendix to this bill.
