1 **AN ACT to create** 20.115 (4) (av) and 93.65 of the statutes; **relating to:**
2 value-added agricultural practices, granting rule-making authority, and
3 making an appropriation.

Analysis by the Legislative Reference Bureau

The bill allows the Department of Agriculture, Trade and Consumer Protection to provide education and technical assistance related to producing value-added agricultural products. Under the bill, DATCP may provide education and assistance related to organic farming practices; collaborate with organic producers, industry participants, and local organizations that coordinate organic farming; and stimulate interest and investment in organic production. The bill also allows DATCP to provide grants to organic producers, industry participants, and local organizations, which may be used to provide education and technical assistance related to organic farming, to help create organic farming plans, and to assist farmers in transitioning to organic farming. The bill also authorizes DATCP to provide grants to entities to provide education and training to farmers about best practices related to grazing. DATCP is also authorized under the bill to help farmers market value-added agricultural products.

For further information see the state fiscal estimate, which will be printed as an appendix to this bill.
