Analysis by the Legislative Reference Bureau

This bill repeals the Unfair Sales Act, also known as the “minimum markup” law.

This state’s Unfair Sales Act 1) prohibits below-cost sales of any merchandise, if the sale is intended to induce the purchase of other merchandise or divert trade unfairly from a competitor; and 2) requires a “minimum markup” (a specified amount over the cost of the merchandise to the seller) to be added to sales of motor vehicle fuel, tobacco products, fermented malt beverages, liquor, or wine.

For further information see the state fiscal estimate, which will be printed as an appendix to this bill.
