

2023 SENATE BILL 95

March 1, 2023 - Introduced by Senator CABRAL-GUEVARA, cosponsored by Representatives SORTWELL, ALLEN, ARMSTRONG, BEHNKE, EDMING, GUSTAFSON and ROZAR. Referred to Committee on Universities and Revenue.

1 **AN ACT to create** 36.28, 38.25 and 39.55 of the statutes; **relating to:** permissible
2 financial aid reductions in higher education.

Analysis by the Legislative Reference Bureau

This bill prohibits higher education institutions (University of Wisconsin System institutions, Wisconsin technical colleges, and private, nonprofit institutions that are members of the Wisconsin Association of Independent Colleges and Universities) from reducing gift aid that the higher education institution has offered to a student because the student has received a private or external “last-dollar scholarship” from a Wisconsin-based entity unless certain circumstances apply. “Gift aid” is defined in the bill as all financial aid that is not a loan or work-study program and includes grants, scholarships, tuition waivers, and third-party payments. “Last-dollar scholarship” is defined as gift aid awarded to a student to meet any of the student’s financial need not met by federal, state, or institutional gift aid.

Under this bill, a higher education institution may reduce the amount of a student’s offered gift aid in order to comply with the individual or team financial aid restrictions of a governing national intercollegiate athletic association. Additionally, under the bill a higher education institution may reduce the amount of offered gift aid if the student’s total gift aid from all sources exceeds the student’s financial need, and the higher education institution may further reduce a student’s offered gift aid if the higher education institution receives approval to do so from the organization that has awarded the private or external scholarship that triggered the student’s total gift aid exceeding the student’s financial need.

4 of the student’s financial need amount not met by federal gift aid, state gift aid, or
5 institutional gift aid.

6 (g) “Private scholarship” means a last-dollar scholarship awarded by a
7 Wisconsin-based company, private foundation, nonprofit organization, or service
8 group. “Private scholarship” does not include an award funded by a private
9 organization that is affiliated with the board, a district board, or a technical college
10 and that requests that the board, a district board, or a technical college provide
11 assistance in selecting recipients.

12 **(2) FINANCIAL AID REDUCTION RESTRICTIONS.** A technical college may reduce a
13 student’s institutional gift aid offer as a result of a private scholarship award only
14 as described in one or more of the following manners:

15 (a) If a student’s total gift aid from all sources exceeds the student’s financial
16 need, a technical college may reduce the student’s institutional gift aid until the
17 student’s total gift aid no longer exceeds the student’s financial need.

18 (b) In addition to the reduction authorized under par. (a), a technical college
19 may further reduce a student’s institutional gift aid if the technical college receives
20 approval from the company, private foundation, nonprofit organization, or service
21 group that awarded the private scholarship that triggered the reduction authorized
22 under par. (a).

23 (c) A technical college may reduce a student athlete’s institutional gift aid in
24 order to comply with a governing national intercollegiate athletic association’s
