SUBCHAPTER II

LEGAL STATUS; ORGANIZATION

59.01 Body corporate; status. Each county in this state is a body corporate, authorized to sue and be sued, to acquire and hold, lease or rent real and personal estate for public uses or purposes, including lands acquired under ch. 75, to sell, lease and convey the same, including the authority to enter into leases or contracts with the state for a period of years for the uses and purposes specified in s. 23.09 (2) (d), to make such contracts and to do such other acts as are necessary and proper to the exercise of the powers and privileges granted and the performance of the legal duties charged upon it.

History: 1987 a. 378; 1995 a. 201.

Cross-reference: See ss. 75.35 and 75.69 for restrictions on the sale of tax deeded land.

Discussing civil rights actions against municipalities. *Starstead v. City of Superior*, 533 F. Supp. 1365 (1982).

59.02 Powers, how exercised; quorum. (1) The powers of a county as a body corporate can only be exercised by the board, or in pursuance of a resolution adopted or ordinance enacted by the board.

(2) Ordinances may be enacted and resolutions may be adopted by a majority vote of a quorum or by such larger vote as may be required by law. Ordinances shall commence as follows: “The county board of supervisors of the county of does ordain as follows”.

(3) A majority of the supervisors who are entitled to a seat on the board shall constitute a quorum. All questions shall be determined by a majority of the supervisors who are present unless otherwise provided.

History: 1977 c. 447; 1995 a. 201.

The county board’s failure to use the prescribed language of sub. (2) did not invalidate an ordinance. *Cross v. Soderbeck*, 94 Wis. 2d 331, 288 N.W.2d 779 (1980).

A supervisor who is required to abstain is not “present” for calculating the number of votes required for passage. *Ballenger v. Door County*, 131 Wis. 2d 422, 388 N.W.2d 624 (Ct. App. 1986).

59.03 Home rule. (1) ADMINISTRATIVE HOME RULE. Every county may exercise any organizational or administrative power, subject only to the constitution and to any enactment of the legislature which is of statewide concern and which uniformly affects every county.

(2) CONSOLIDATION OF MUNICIPAL SERVICES, HOME RULE, METROPOLITAN DISTRICT. (a) Subject to s. 59.794 (2) and (3) and except as elsewhere specifically provided in these statutes, the board of any county is vested with all powers of a local, legislative and administrative character, including without limitation because of enumeration, the subject matter of water, sewers, streets and highways, fire, police, and health, and to carry out these powers in districts which it may create for different purposes, or throughout the county, and for such purposes to levy county taxes, to issue bonds, assessment certificates and improvement bonds, or any other evidence of indebtedness. The powers hereby conferred may be exercised by the board in any municipality, or part thereof located in the county upon the request of any such municipality, evidenced by a resolution adopted by a majority vote of the members—elect of its governing body, designating the particular function, duty or act, and the terms, if any, upon which the powers shall be exercised by the board or by a similar resolution adopted by direct legislation in the municipality in the manner provided in s. 9.20. The resolution shall further provide whether the authority or function is to be exercised exclusively by the county or jointly by the county and the municipality, and shall also find that the exercise of such power by the county would be in the public interest. Upon the receipt of the resolution, the board may, by a resolution adopted by a majority vote of its membership, elect to assume the exercise of the function, upon the terms and conditions set forth in the resolution presented by the municipality.

(b) The board of any county may, by a resolution adopted by a majority of its membership, propose to any of the municipalities located in the county that it offers to exercise such powers and functions therein in order to consolidate municipal services and functions in the county. Such resolution shall designate the particular function, duty or act and the terms and conditions, if any, upon which the board will perform the function, duty or act. The powers conferred in par. (a) and designated in such resolution may thereafter be exercised by the board in each municipality which accepts the proposal by the adoption of a resolution by a majority vote of the members—elect of its governing body or by direct legislation in the manner provided in s. 9.20.

(c) Whenever the request under par. (a) or acceptance under par. (b) of a municipality is by resolution of its governing board, the request or acceptance shall not go into effect until the expiration of 60 days from the adoption of the resolution or, in the case of county law enforcement services provided to a city as described in s. 62.13 (2s), as provided in s. 62.13 (2s) (d). If a petition under s. 9.20 for direct legislation on the request or acceptance is filed before the expiration of said 60 days, the resolution of the governing board is of no effect but the request or acceptance of such municipality shall be determined by direct legislation, except that no petition for direct legislation under s. 9.20 may be filed to approve or reject a contract entered into by a city and a county under s. 62.13 (2s).

(d) After and upon the adoption of resolutions by the board and subject to par. (c) by one or more municipalities either as provided in par. (a) or (b) the board shall have full power to legislate upon and administer the entire subject matter committed to it, and among other things, to determine, where not otherwise provided by law, the manner of exercising the power thus assumed.

(e) The municipality concerned may enter into necessary contracts with the county, and appropriate money to pay to the county the reasonable expenses incurred by it in rendering the services assumed. Such expenses may be certified, returned and paid as are other county charges, and in the case of services performed under a proposal for the consolidation thereof initiated by the board and made available to each municipality in the county on the same terms, the expenses thereof shall be certified, returned and paid as county charges; but in the event that every municipality in the county accepts the proposal of the board, the expenses thereof shall be paid by county taxes to be levied and collected as are other taxes for county purposes. The municipalities are vested with all necessary power to do the things herein required, and to do all things and to exercise or relinquish any of the powers herein provided or contemplated. The procedure provided in this subsection for the request or acceptance of the exercise of the powers conferred on the board in cities and villages is hereby prescribed as a special method of determining the local affairs and government of such cities and villages under article XI, section 3, of the constitution.

(f) The powers conferred by this subsection shall be in addition to all other grants of power and shall be limited only by express language.

History: 1995 a. 201 ss. 97, 99, 243; 2005 a. 40; 2013 a. 14.

Sub. (2) provides a unique procedure that may be used in specific fact situations to levy a property tax for a county service, but it is not the only authorization for a county to levy such a tax. *Town of Grant v. Portage County*, 2017 WI App 69, 378 Wis. 2d 289, 903 N.W.2d 152, 16–2435.

County home rule under sub. (1) allows every county to “exercise any organizational or administrative power, subject only to the constitution and to any enactment of the legislature.” The language of s. 60.565 authorizing towns to provide ambulance service acknowledges that another person can provide the ambulance service instead of a town and withdraws the mandate when another person provides ambulance services. The absence of a command from the legislature that towns provide an ambulance service in all situations causes the argument that county home rule prevents counties from providing ambulance service to miss the mark. *Town of Grant v. Portage County*, 2017 WI App 69, 378 Wis. 2d 289, 903 N.W.2d 152, 16–2435.

In a county that does not have a county executive or administrator, the personnel committee of the county board does not possess the statutory authority to remove the county social services director. The county board may not, under s. 59.025 [now sub. (1)], transfer the authority to appoint. 81 Atty. Gen. 145.

59.04 Construction of powers. To give counties the largest measure of self–government under the administrative home rule authority granted to counties in s. 59.03 (1), this chapter shall be liberally construed in favor of the rights, powers and privileges of counties to exercise any organizational or administrative power.

History: 1985 a. 29; 1995 a. 201 s. 98; Stats. 1995 s. 59.04.

59.05 County seat; change. (1) The county seat shall be fixed and designated by the board at the first regular meeting after the organization of any county; and no county seat shall be changed except as provided in this section.

(2) If a petition conforming to the requirements of s. 8.40 is filed with the board by at least two–fifths of the legal voters of any county, to be determined by the registration list for the last previous general election held in the county at the time of filing, the names of which voters shall appear on the registration list for such election, asking for a change of the county seat to some other place designated in the petition, the board shall submit the question of removal of the county seat to a vote of the qualified voters of the county. The board shall file the question as provided in s. 8.37. The election shall be held only on the day of the general election, notice of the election shall be given and the election shall be conducted as in the case of the election of officers on that day, and the votes shall be canvassed, certified and returned in the same manner as other votes at that election. The question to be submitted shall be “Shall the county seat of county be removed to?”.

(3) If a majority of the votes cast at the election are in favor of the proposed change, the chairperson of the board shall certify the same, with the attestation of the county clerk, to the governor, who shall issue a proclamation to that effect and publish it in the official state paper. From the date of publication the place designated shall be the county seat. The board may not again submit the question of removal within 5 years.

(4) Notwithstanding subs. (2) and (3), no election to change a county seat may be held for a period of 5 years after the year in which a courthouse or other county building costing \$3,000 or more was built at the county seat and occupied for county purposes.

History: 1977 c. 427; 1983 a. 192, 484; 1989 a. 192; 1995 a. 201 s. 247; Stats. 1995 s. 59.05; 1997 a. 35; 1999 a. 182; 2003 a. 265.

When 40 percent of registered voters were denied ballots in an election to remove a county seat, the election was set aside even though the outcome probably was not affected. *McNally v. Tollander*, 100 Wis. 2d 490, 302 N.W.2d 440 (1981).

59.06 County property. (1) HOW HELD. County property shall be held by the clerk in the name of the county. All property, real or personal, conveyed to the county or to its inhabitants or to any person for the use of the county or its inhabitants is county property. Such conveyances have the same effect as if made directly to the county by name.

(2) **EFFECT OF TRANSFER.** All deeds, contracts and agreements made on behalf of the county under the directions of the board under s. 59.52 (6), or by a county executive acting under s. 59.17 (2) (b) 3., when signed and acknowledged by the clerk and the county seal is attached, are valid and binding on the county to the extent of the terms of the instrument and the right, title and interest which the county has in the property.

Cross–reference: See ss. 75.35 and 75.69 for restrictions on the sale of tax deeded land.

59.07 Claims against counties; actions on. (1) No action may be brought or maintained against a county upon a claim or upon a cause of action unless the claimant complies with s. 893.80. This subsection does not apply to actions commenced under s. 19.37, 19.97 or 281.99.

(2) No action may be brought or maintained against a county, for disclosure of information that is received under s. 30.572 (4) and maintained under s. 30.572 (5).

History: 1977 c. 285; 1979 c. 323 s. 33; 1981 c. 20; 1991 a. 39; 1995 a. 158; 1995 a. 201 s. 426; Stats. 1995 s. 59.07; 1997 a. 27, 35; 2013 a. 163.

59.08 Consolidation of counties; procedure; referendum. (1) Any 2 or more adjoining counties may consolidate into a single county by complying with the requirements and procedure herein specified.

(2) The boards of any 2 or more adjoining counties desiring to consolidate their respective counties into a single county may enter into a joint agreement for the consolidation of the counties, setting forth in the consolidation agreement all of the following:

(a) The names of the several counties which they propose to be consolidated.

(b) The name under which it is proposed to consolidate the counties, which name shall be such as to distinguish it from the name of any other county in Wisconsin, other than the consolidating counties.

(c) The property, real and personal, belonging to each county, and the current fair market value thereof.

(d) The indebtedness, bonded and otherwise, of each county.

(e) The proposed name and location of the county seat of the consolidated county.

(f) If the counties have different forms of county organization and government, the proposed form of county organization and government of the consolidated county.

(3) The board of each county may appoint an advisory committee composed of 3 persons to assist the board in the preparation of the agreement.

(4) The original of the consolidation agreement, together with a petition on behalf of the several boards, signed by the chairperson of each of the boards, asking that a referendum on the question of consolidation of the several counties be ordered, shall be filed with the clerk of the circuit court of one of the counties and a copy of the consolidation agreement and of the petition shall be filed with the clerk of the circuit court of each of the other counties.

(5) The qualified electors of each county involved in the consolidation proposal whose board has not taken the initiative under sub. (2) may, by filing with the board a petition conforming to the requirements of s. 8.40, signed by not less than 20 percent of the qualified electors of the county, based on the total vote cast for governor at the last general election, asking the board to effect a consolidation agreement with the county or counties named in the petition, and asking for a referendum on the question, require the board to so proceed. A copy of the petition of the electors shall also be filed with the clerk of the circuit court of the county. If the board is able within 6 months thereafter to effect the consolidation agreement, the procedure shall be the same as set forth in this section. If the board within that period of time is unable or for any reason fails to perfect the consolidation agreement, then the judge of the circuit court of the county shall appoint a committee of 5 representative citizens of the county, to act for and in lieu of the board in perfecting the consolidation agreement and in petitioning for a referendum.

(6) The board shall publish the consolidation agreement as a class 1 notice under ch. 985. The owner–editor or manager of each newspaper publishing the notice shall issue a certificate of the publication to the judge of the circuit court for each affected county, which shall be proof of publication.

(7) (a) When publication of the consolidation agreement in each of the counties included in the agreement is completed, the judges of the circuit courts of those counties shall, by order entered of record in each of the counties, require the clerks of each of the counties to submit the question of the consolidation of the counties to a vote of the qualified electors of the counties.

(b) The question of the consolidation of the counties shall be submitted to the voters at the next election to be held on the first Tuesday in April, or the next regular election, or at a special election to be held on the day fixed in the order issued under par. (a), which day shall be the same in each of the counties proposing to

consolidate. A copy of the order shall be filed with the county clerk of each of the counties as provided in s. 8.37. If the question of consolidation is submitted at a special election, it shall be held not less than 70 days nor more than 88 days from the completion of the consolidation agreement, but not within 60 days of any spring or general election.

(8) The clerk shall notice such election as other elections. The ballots shall be provided by the clerk and shall be in substantially the following form:

OFFICIAL REFERENDUM BALLOT

If you desire to vote for the consolidation of (insert names of counties proposing to consolidate) counties under a consolidation agreement, make a cross (X) in the square after the word “Yes”, underneath the question; if you desire to vote against consolidation, make a cross (X) in the square after the word “No”, underneath the question.

Shall (here insert names of counties proposing to consolidate) counties consolidate under a consolidation agreement?

YES NO

(9) The ballot shall have on the back or reverse side the endorsements provided by law for ballots for general elections and shall be marked by the elector and counted and canvassed as other ballots cast on questions in the county are counted and canvassed. The election shall be conducted by the same officers and in the same manner as are other elections in the county. The results of the election shall be certified to the judges of the circuit courts for the counties.

(10) If a majority of the votes cast in each county upon the question of consolidation are in favor of the consolidation of the counties, the judge of the circuit court shall enter that fact of record in each county. If in any one of the counties less than a majority of the votes cast upon the question of consolidation are in favor of the proposed consolidation, the consolidation shall be declared to have failed for all purposes. If a majority of the votes cast upon the question of consolidation in any county are opposed to consolidation, the question of consolidation shall not be again submitted to the electors of that county for a period of 2 years.

(11) At the next succeeding regular November election, held at least 60 days after the election at which consolidation is approved by the voters, there shall be elected for the consolidated county all county officers provided for by law and the officers shall be nominated as provided in ch. 6. Their terms shall begin on the first Monday of January next succeeding their election, at which time they shall replace all elective county officers of the counties that are consolidated into the consolidated county whose terms shall on that day terminate. All appointive county officers shall be appointed by the person, board or authority upon whom the power to appoint such officers in other counties is conferred. The terms of the officers shall commence on the first Monday of January next succeeding the first election of officers for the consolidated county, and shall continue, unless otherwise removed, until their successors have been appointed and qualified. The successors of all officers whose first election or appointment is provided for in this subsection shall thereafter be elected or appointed at the time, in the manner and for the terms provided by law.

(13) Upon the first Monday of January following the first election of county officers for the consolidated county, the several counties shall thereafter for all purposes be treated and considered as one county, under the name and upon the terms and conditions set forth in the consolidation agreement. All rights, privileges, and franchises of each of the several counties, and all records, books, and documents, and all property, real and personal, and all debts due on whatever account, as well as other things in action, belonging to each of the counties, shall be considered transferred to and vested in the consolidated county, without further act or deed. All property, all rights-of-way, and all and every other interest shall be as effectually the property of the consolidated county as they were of the several counties before the consolidation. The title to real estate, either by deed or otherwise, under the

laws of this state vested in any of the counties, shall not be considered to revert or be in any way impaired by reason of this consolidation. The rights of creditors and all liens upon the property of any of the counties shall be preserved unimpaired, and the respective counties shall be considered to continue in existence to preserve the same and all debts, liabilities and duties of any of the counties shall attach to the consolidated county and be enforced against it to the same extent as if the debts, liabilities and duties had been incurred or contracted by it, unless by the terms of the agreement the outstanding bonded indebtedness of the counties shall not be transferred and attached to the consolidated county, but shall remain as obligations of the counties which for such purpose shall be considered to continue in existence.

(14) Suits may be brought and maintained against the consolidated county in any of the courts of this state in the same manner as against any other county. Any action or proceeding pending by or against any of the counties consolidated may be prosecuted to judgment as if the consolidation had not taken place, or the consolidated county may be substituted in its place. The towns, school districts, election districts and voting places in the consolidated county shall continue as in the several counties before consolidation, unless and until changed in accordance with law.

(15) Until changed by law, the same circuit courts shall continue, though it may result in the consolidated county being a part of 2 or more circuits. All such courts shall, however, be held at the place designated as the county seat of the consolidated county, and each such court and the judge of that court shall continue to have and exercise the same jurisdiction as the court or the judge had and exercised before the consolidation. If 2 or more judges have jurisdiction in any consolidated county they or a majority of them shall exercise the power to appoint officers and fill vacancies as is vested in judges of circuit courts of other counties.

(16) For the purpose of representation in congress and in the legislature the existing congressional, senatorial and assembly districts shall continue until changed in accordance with law. The consolidated county shall in all respects, except as otherwise provided in this section, be subject to all the obligations and liabilities imposed, and shall possess all the rights, powers and privileges vested by law in other counties.

(17) The provisions of this section shall be considered cumulative and the authority granted in this section to counties shall not be limited or made inoperative by any existing statute.

The boards of the several counties shall be composed of representatives from within the county who are elected and compensated as provided in this section. Each board shall act under sub. (2), (3) or (5), unless the board enacts an ordinance, by a majority vote of the entire membership, to act under sub. (1). If a board enacts such ordinance, a certified copy shall be filed with the secretary of state.

(1) SELF-ORGANIZED COUNTIES. (a) *Number of supervisors and apportionment of supervisory districts.* In each county with a population of at least 750,000, sub. (2) (a) and (b) applies. In counties with a population of less than 750,000 and more than one town, sub. (3) (a) to (c) applies. In counties with one town only, sub. (5) applies.

(b) *Terms.* The term of office of supervisors is 2 years. A board may determine whether the terms shall be concurrent or staggered. Supervisors shall be elected at the election to be held on the first Tuesday in April next preceding the expiration of their respective terms and shall take office on the 3rd Tuesday in April following their election. If the board determines that supervisors

shall serve staggered terms, the board shall, by ordinance, provide for a division of supervisors into 2 classes, one class to be elected for one-half of a full term and the other class for a full term and thereafter the supervisors shall be elected for a full term. The board shall publish the ordinance as a class 1 notice, under ch. 985, or as a notice, as described under s. 59.14 (1m) (b), before publication of the notice of the election at which supervisors are to be elected.

(c) *Compensation.* The method of compensation for supervisors shall be determined by the board.

(d) *Vacancies.* A board may determine the procedure for filling a vacancy.

(2) **MILWAUKEE COUNTY.** In each county with a population of at least 750,000:

(a) *Composition; supervisory districts.* Within 60 days after the population count by census block, established in the decennial federal census of population, and maps showing the location and numbering of census blocks become available in printed form from the federal government or are published for distribution by an agency of this state, but no later than July 1 following the year of each decennial census, the board shall adopt and transmit to the governing body of each city and village wholly or partially contained within the county a tentative county supervisory district plan to be considered by the cities and villages when dividing into wards. The tentative plan shall specify the number of supervisors to be elected and shall divide the county into a number of districts equal to the number of supervisors, with each district substantially equal in population and consisting of contiguous whole wards or municipalities, except as authorized in sub. (3) (b) 2. Except as otherwise provided in this paragraph, the board shall develop and adopt the tentative plan in accordance with sub. (3) (b) 1. The tentative plan shall not include provision for division of any census block, as utilized by the U.S. bureau of the census in the most recent federal decennial census, unless the block is bisected by a municipal boundary or unless a division is required to enable creation of supervisory districts that are substantially equal in population. The board shall adopt a final plan by enacting an ordinance in accordance with sub. (3) (b) 2. to 4. Changes to the final plan shall be governed by par. (d) and sub. (3) (c).

(b) *Election; term.* For an election that is held before 2016, supervisors shall be elected for 4-year terms at the election to be held on the first Tuesday in April next preceding the expiration of their respective terms, and shall take office on the 3rd Monday in April following their election. For an election that is held in 2016 and thereafter, supervisors shall be elected for 2-year terms at the election to be held on the first Tuesday in April next preceding the expiration of their respective terms, and shall take office on the 3rd Monday in April following their election.

(c) *Compensation.* 1. Each supervisor shall be paid by the county an annual salary set by the board. The board may provide additional compensation for the chairperson, such that his or her salary may be an amount of up to 150 percent of the salary of a supervisor, and for the chairperson of the board's finance committee, such that his or her salary may be an amount of up to 125 percent of the salary of a supervisor. Beginning with the term that commences in April 2016, the total dollar value of the annual salary and benefits that may be paid to a supervisor, other than the board chairperson and finance committee chairperson, may not exceed the annual per capita income of Milwaukee County as most recently determined by the U.S. bureau of the census and may be increased for a new term as provided in subs. 2. and 3., subject to the limit specified in subd. 4. Section 66.0505 applies to this paragraph.

2. The board may increase the salary specified in subd. 1., or as otherwise adjusted under this paragraph, by an amount that does not exceed the percentage increase in the U.S. consumer price index for all urban consumers, U.S. city average, for the period between the time that a supervisor's salary was last set

under subd. 1. or by the board, and the year before the year in which the salary increase is to take effect.

3. The board may increase the salary specified in subd. 1., or as otherwise adjusted under this paragraph, by an amount that exceeds the percentage increase in the U.S. consumer price index for all urban consumers, U.S. city average, for the period between the time that a supervisor's salary was last set under subd. 1. or by the board, and the year before the year in which the salary increase is to take effect, except that such an increase may not take effect unless it is ratified by a majority vote of the electors in the county voting in a referendum on the proposed salary increase.

4. A supervisor may not receive any other benefits or compensation, including health insurance and pension benefits, not specifically authorized or required by law. The maximum total dollar value of the salary and benefits that a supervisor, other than the chairperson of the board and the chairperson of the finance committee, receives in any year may not exceed the annual per capita income of Milwaukee County as most recently determined by the U.S. bureau of the census.

(d) *Changes during decade.* 1. 'Number of supervisors; redistricting.' The board may, not more than once prior to November 15, 2010, decrease the number of supervisors after the enactment of a supervisory district plan under par. (a). In that case, the board shall redistrict, readjust, and change the boundaries of supervisory districts, so that the number of districts equals the number of supervisors, the districts are substantially equal in population according to the most recent countywide federal census, the districts are in as compact a form as possible, and the districts consist of contiguous municipalities or contiguous whole wards in existence at the time at which the amended redistricting plan is adopted, except as authorized in sub. (3) (b) 2. In the amended plan, the board shall adhere to the requirements under sub. (3) (b) 2. with regard to contiguity and shall, to the extent possible, place whole contiguous municipalities or contiguous parts of the same municipality within the same district. In the amended plan, the original numbers of the districts in their geographic outlines, to the extent possible, shall be retained. The chairperson of the board shall file a certified copy of any amended plan adopted under this subdivision with the secretary of state.

2. 'Election; term.' Any amended plan enacted under subd. 1. becomes effective on the first November 15 following its enactment, and first applies to the spring election following the plan's effective date. Any amended plan enacted under subd. 1. shall remain in effect until the effective date of a redistricting plan subsequently enacted under par. (a). Supervisors elected from the districts created under subd. 1. shall serve for 4-year terms and shall take office on the 3rd Monday in April following their election.

(3) **OTHER COUNTIES.** (a) *Classification; maximum number of supervisors.* Counties with a population of less than 750,000 and more than one town are classified and entitled to a maximum number of supervisors as follows:

1. Counties with a population of less than 750,000 but at least 100,000 shall have no more than 47 supervisors.

2. Counties with a population of less than 100,000 but at least 50,000 shall have no more than 39 supervisors.

3. Counties with a population of less than 50,000 but at least 25,000 shall have no more than 31 supervisors.

4. Counties with a population of less than 25,000 and containing more than one town shall have no more than 21 supervisors.

5. If the population of any county is within 2 percent of the minimum population for the next most populous grouping under this paragraph, the board thereof, in establishing supervisory districts, may employ the maximum number for such districts set for such next most populous grouping.

(b) *Creation of supervisory districts.* 1. Within 60 days after the population count by census block, established in the decennial federal census of population, and maps showing the location and

numbering of census blocks become available in printed form from the federal government or are published for distribution by an agency of this state, but no later than July 1 following the year of each decennial census, each board shall propose a tentative county supervisory district plan setting forth the number of supervisory districts proposed by the board and tentative boundaries or a description of boundary requirements, hold a public hearing on the proposed plan and adopt a tentative plan. The proposed plan may be amended after the public hearing. The tentative plan shall divide the county into a number of districts equal to the number of supervisors, with each district substantially equal in population. The board shall solicit suggestions from municipalities concerning the development of an appropriate plan. Except as authorized in this subdivision, each district shall consist of whole wards or municipalities. Territory within each supervisory district to be created under the tentative plan shall be contiguous, except as authorized in subd. 2. In the tentative plan, the board shall, whenever possible, place whole contiguous municipalities or contiguous parts of the same municipality within the same district. If the division of a municipality is sought by the board, the board shall provide with the plan a written statement to the municipality affected by each proposed division specifying the approximate location of the territory from which a ward is sought to be created for contiguity purposes and the approximate population of the ward proposed to effectuate the division. The tentative plan shall not include provision for division of any census block unless the block is bisected by a municipal boundary or unless a division is required to enable creation of supervisory districts that are substantially equal in population. The board shall transmit a copy of the tentative plan that is adopted to each municipal governing body in the county.

2. Within 60 days after every municipality in the county adjusts its wards under s. 5.15, the board shall hold a public hearing and shall then adopt a final supervisory district plan, numbering each district. Territory within each supervisory district created by the plan shall be contiguous, except that one or more wards located within a city or village which is wholly surrounded by another city or water, or both, may be combined with one or more noncontiguous wards, or one or more wards consisting of island territory as defined in s. 5.15 (2) (f) 3. may be combined with one or more noncontiguous wards within the same municipality, to form a supervisory district.

3. The populations of supervisory districts under the tentative plan shall be determined on the basis of the federal decennial census and any official corrections to the census issued on or before the date that the tentative plan is adopted to reflect the correct population of the county and municipalities and blocks within the county on April 1 of the year of the census. The populations of supervisory districts under the final plan shall be determined on the basis of the federal decennial census and any official corrections to the census to reflect the correct populations of the county and the municipalities and blocks within the county on April 1 of the year of the census, if the corrections as they affect any municipality are issued prior to division of the municipality into wards under s. 5.15, or if a municipality is not divided into wards, prior to adoption of the final plan.

4. The chairperson of the board shall file a certified copy of the final districting plan with the secretary of state. Unless otherwise ordered under sub. (6), a plan enacted and filed under this paragraph, together with any authorized amendment that is enacted and filed under this section, remains in effect until the plan is superseded by a subsequent plan enacted under this subsection and a certified copy of that plan is filed with the secretary of state.

(c) *Changes during decade; municipal boundary adjustments.*

1. After the enactment of a plan of supervisory districts under par. (b), the board may amend the plan to reflect a municipal incorporation, annexation, detachment or consolidation. The number of supervisory districts in the county shall not be changed by any action under this subdivision.

2. Within 60 days after enactment or adoption of a revised division ordinance or resolution under s. 5.15 (4) (a), the board shall amend the county supervisory district plan under par. (b) to reflect any renumbering of the wards specified in the plan.

3. The districts under the amended plan shall be substantially equal in population according to the most recent countywide federal census and shall be in as compact a form as possible. The board shall adhere to the requirements of par. (b) 2. with regard to contiguity and shall, to the extent possible, place whole contiguous municipalities or contiguous parts of the same municipality within the same district. In the amended plan, the original numbers of the districts in their geographic outlines, to the extent possible, shall be retained. An amended plan becomes effective on the first November 15 following its enactment.

4. The chairperson of the board shall file a certified copy of any amended plan under this paragraph with the secretary of state.

(cm) *Changes during decade; reduction in size.* 1. ‘Number of supervisors; redistricting.’ Except as provided in subd. 3., following the enactment of a decennial supervisory district plan under par. (b), the board may decrease the number of supervisors. In that case, the board shall redistrict, readjust, and change the boundaries of supervisory districts, so that the number of districts equals the number of supervisors, the districts are substantially equal in population according to the most recent countywide federal census, the districts are in as compact a form as possible, and the districts consist of contiguous municipalities or contiguous whole wards in existence at the time at which the redistricting plan is adopted, except as authorized in par. (b) 1. In the redistricting plan, the board shall adhere to the requirements under par. (b) 2. with regard to contiguity and shall, to the extent possible, place whole contiguous municipalities or contiguous parts of the same municipality within the same district. In redistricting under this subdivision, the original numbers of the districts in their geographic outlines, to the extent possible, shall be retained. No plan may be enacted under this subdivision during review of the sufficiency of a petition filed under subd. 2. nor after a referendum is scheduled on such a petition. However, if the electors of the county reject a change in the number of supervisory districts under subd. 2., the board may then take action under this subdivision except as provided in subd. 3. The county clerk shall file a certified copy of any redistricting plan enacted under this subdivision with the secretary of state.

2. ‘Petition and referendum.’ Except as provided in subd. 3., the electors of a county may, by petition and referendum, decrease the number of supervisors at any time after the first election is held following enactment of a decennial supervisory district plan under par. (b). A petition for a change in the number of supervisors may be filed with the county clerk. Prior to circulating a petition to decrease the number of supervisors in any county, a petitioner shall register with the county clerk, giving the petitioner’s name and address and indicating the petitioner’s intent to file such a petition. No signature on a petition is valid unless the signature is obtained within the 60-day period following such registration. The petition shall specify the proposed number of supervisors to be elected. Within 14 days after the last day for filing an original petition, any other petitioner may file an alternative petition with the county clerk proposing a different number of supervisors to be elected, and, if the petition is valid, the alternative proposed in the petition shall be submitted for approval at the same referendum. An alternative petition is subject to the same registration and signature requirements as an original petition. Each petition shall be in the form specified in s. 8.40 and shall contain a number of signatures of electors of the county equal to at least 25 percent of the total votes cast in the county for the office of supervisor at the most recent spring election preceding the date of filing. The county clerk shall promptly determine the sufficiency of a petition filed under this subdivision. Upon determination that a petition is sufficient, or if one or more valid alternative petitions are filed, upon determination that the petitions are sufficient, the county clerk

shall call a referendum concurrently with the next spring or general election in the county that is held not earlier than 70 days after the determination is made. The question proposed at the referendum shall be: “Shall the board of supervisors of County be decreased from members to members?”. If one or more alternative valid petitions are filed within 14 days after the last day that an original petition may be filed, the question relating to the number of supervisors shall appear separately. The first question shall be: “Shall the size of the county board of supervisors of County be decreased from its current membership of members?”. Any subsequent question shall be: “If so, shall the size of the board be decreased to members?”. Each elector may vote in the affirmative or negative on the first question and may then vote in the affirmative on one of the remaining questions. If the first question is not approved by a majority of the electors voting on the question, any subsequent question is of no effect. If the question is approved by a majority of the electors voting on the question, or, if more than one question is submitted, if the first question is approved by a majority of the electors voting on the question, the board shall enact an ordinance prescribing revised boundaries for the supervisory districts in the county. The ordinance shall be enacted in accordance with the approved question or, if more than one question is submitted, in accordance with the choice receiving a plurality of the votes cast. The districts are subject to the same requirements that apply to districts in any plan enacted by the board under subd. 1. If the board has determined under sub. (1) (b) to adopt staggered terms for the office of supervisor, the board may change the expiration date of the term of any supervisor to an earlier date than the date provided under current ordinance if required to implement the redistricting or to maintain classes of members. The county clerk shall file a certified copy of any redistricting plan enacted under this subdivision with the secretary of state.

3. ‘Limitation.’ If the number of supervisors in a county is decreased by the board or by petition under this paragraph, no further action may be taken by the board or by petition under this paragraph in that county until after enactment of the next decennial supervisory district plan by the board under par. (b).

4. ‘Election; term.’ Any redistricting plan enacted under subd. 1. takes effect on November 15 following its enactment and first applies to the election of supervisors at the next spring election following the effective date that immediately precedes the expiration of the terms of office of supervisors in the county. Any reduction in the number of supervisory districts under subd. 2. that is approved at a spring election shall be enacted in the form of a redistricting plan no later than November 15 following that election and shall first apply to the election of supervisors at the next spring election immediately preceding the expiration of the terms of office of supervisors in the county, and any reduction in the number of supervisory districts under subd. 2. that is approved at a general election shall be enacted in the form of a redistricting plan no later than the 2nd succeeding November 15 following that election and shall first apply to the election of supervisors at the next spring election following that November 15 immediately preceding the expiration of the terms of office of supervisors in the county. Any redistricting plan enacted under subd. 1. or 2. shall remain in effect until the effective date of any subsequent redistricting plan enacted under sub. (3) (c) or until the effective date of a redistricting plan subsequently enacted under par. (b). Supervisors elected from the districts created under subd. 1. or 2. shall serve for 2-year terms and shall take office on the 3rd Tuesday in April following their election.

(d) *Election and term of supervisors.* Supervisors are county officers, shall be elected for 2-year terms at the election to be held on the first Tuesday in April in even-numbered years and shall take office on the 3rd Tuesday in April of that year.

(e) *Vacancies.* If a vacancy occurs on the board, the board chairperson, with the approval of the board, shall appoint a person who is a qualified elector and resident of the supervisory district to fill the vacancy. The successor shall serve for the unexpired

portion of the term to which the person is appointed, unless the board orders a special election to fill the vacancy, in which case the person appointed shall serve until his or her successor is elected and qualified. The board may, if a vacancy occurs before June 1 in the year preceding expiration of the term of office, order a special election to fill the vacancy. If the board orders a special election during the period beginning on June 1 and ending on November 30 of any year, the special election shall be held concurrently with the succeeding spring election. If the board orders a special election during the period beginning on December 1 and ending on May 31 of the succeeding year, the special election shall be held on the Tuesday after the first Monday in November following the date of the order. A person so elected shall serve for the residue of the unexpired term.

(f) *Compensation.* Each supervisor shall be paid a per diem by the county for each day that he or she attends a meeting of the board. Any board may, at its annual meeting, by a two-thirds vote of all the members, fix the compensation of the board members to be next elected. Any board may also provide additional compensation for the chairperson.

(g) *Mileage.* Each supervisor shall, for each day that he or she attends a meeting of the board, receive mileage for each mile traveled in going to and returning from the meetings by the most usual traveled route at the rate established by the board under s. 59.22 as the standard mileage allowance for all county employees and officers.

(h) *Limitation on compensation.* Except for services as a member of a committee as provided in s. 59.13 no supervisor shall be paid for more days’ attendance on the board in any year than is set out in this schedule: in counties having a population of less than 25,000, 20 days; at least 25,000 but less than 100,000, 25 days; at least 100,000 but less than 750,000, 30 days.

(i) *Alternative compensation.* As an alternative method of compensation, in counties having a population of less than 750,000, including counties containing only one town, the board may at its annual meeting, by a two-thirds vote of the members entitled to a seat, fix the compensation of the supervisors to be next elected at an annual salary for the county including all committee services, except the per diem allowance for services in acquiring highway rights-of-way set forth in s. 84.09 (4). The board may, in like manner, allow additional salary for the members of the highway committee and for the chairperson of the board. In addition to the salary, the supervisors shall receive mileage as provided in par. (g) for each day’s attendance at board meetings or for attendance at not to exceed 2 committee meetings in any one day.

(j) *Supplementary compensation.* The board, in establishing an annual salary, may enact an ordinance providing for a per diem for all committee meetings attended in excess of 40 committee and board meetings.

(4) **COMPATIBILITY.** No county officer or employee is eligible for election or appointment to the office of supervisor, but a supervisor may also be a member of a committee, board or commission appointed by the county executive or county administrator or appointed or created by the county board, a town board, a mosquito control district, the common council of his or her city, the board of trustees of his or her village or the board of trustees of a county institution appointed under s. 46.18.

(5) **COUNTIES HAVING ONLY ONE TOWN.** In all counties containing one town only, the board shall consist of the members of the town board and one supervisor from every village. A supervisor from a village shall be elected at the time the other village officers are elected. A majority of the members shall constitute a quorum of the county board. Each supervisor shall receive compensation and mileage as provided in sub. (3) (f) and (g). The chairperson of the board elected under s. 59.12 (1) may be, but need not be, the same person who is elected chairperson of the town board under s. 60.21 (3) (a).

(6) ENFORCEMENT OF DIVISION REQUIREMENT. If a county fails to comply with sub. (2) (a) or (3) (b), any municipality located in whole or in part within the county or any elector of the county may submit to the circuit court for the county within 14 days from the expiration of either 60–day period under sub. (2) (a) or (3) (b) a proposed tentative supervisory district plan or a final plan for creation of supervisory districts in compliance with this section. If the court finds that the existing division of the county into supervisory districts fails to comply with this section, it shall review the plan submitted by the petitioner and after reasonable notice to the county may promulgate the plan, or any other plan in compliance with this section, and the plan shall be in effect until superseded by a plan adopted by the board in compliance with this section.

The board at the time of the election of the chairperson may also elect a member 2nd vice chairperson, for the same term, who in case of the absence or disability of the chairperson and vice chairperson shall perform the duties of the chairperson. Except for the board of a county with a population of

750,000 or more, the board may provide for the payment of additional compensation to the vice chairpersons.

(3) In case of the absence of a chairperson for any meeting the members present shall choose another member to be temporary chairperson.

History: 1977 c. 259; 1983 a. 192 ss. 120, 303 (1); 1985 a. 29; 1995 a. 201 s. 106; Stats. 1995 s. 59.12; 2013 a. 14.

A county board cannot adopt a resolution that infringes on the power of a succeeding board to elect its chairperson and vice chairperson. 61 Atty. Gen. 108.

Removal of the chairperson of a county board may be at the will of a simple majority of the board under this section. Section 17.10 is inapplicable. Nothing in this section requires the county board to have any particular reason for removing its chairperson. An incumbent chairperson may be removed at will by the county board simply by voting to elect someone else to that position. OAG 1–07.

59.13 Committees; appointment; compensation.

(1) The board may, by resolution designating the purposes and prescribing the duties thereof and manner of reporting, authorize their chairperson to appoint before June 1 in any year committees from the members of the board, and the committees so appointed shall perform the duties and report as prescribed in the resolution.

(2) Except as provided under sub. (3), committee members shall receive such compensation for their services as the board allows, not exceeding the per diem and mileage allowed to members of the board and the committee members shall receive such compensation, mileage and reimbursement for other expenses as the board allows for their attendance at any school, institute or meeting which the board directs them to attend. No supervisor shall be allowed pay for committee service while the board is in session, nor for mileage except in connection with services performed within the time limited under this subsection. The number of days for which compensation and mileage may be paid a committee member in any year, except members of committees appointed to have charge of the erection of any county building, and except as otherwise provided by law, are limited as follows:

(a) In counties containing less than 25,000 population, to 20 days, not more than 10 of which shall be for services on any one committee, except that the board may increase the number of committee meetings under par. (b) and similarly fix the compensation of the members for the additional meetings.

(b) In counties with a population of 25,000 or more, to 30 days for services on committees, except that the board may, by a two-thirds vote of the members present, increase the number of days for which compensation and mileage may be paid in any year and fix the compensation for each additional day.

(3) A supervisor in a county with a population of 750,000 or more may not accept any compensation in addition to his or her regular salary for serving as a member of any committee, board or commission appointed by the county board or by the county executive.

History: 1983 a. 192 s. 303 (1); 1985 a. 29; 1995 a. 201 s. 107; Stats. 1995 s. 59.13; 2017 a. 207 s. 5.

A county board may not delegate appointment of committee members to a committee of the board. 61 Atty. Gen. 214.

Section 59.06 (2) (intro.) [now sub. (2) (intro.)] does not prohibit payment of additional mileage under s. 59.03 (3) (g) [now s. 59.10 (3) (g)]. 68 Atty. Gen. 73.

County board resolutions creating special or standing committees under this section or creating rules of procedure relative to executive matters or the administration of law are subject to veto in counties under 500,000 [now 750,000]. 68 Atty. Gen. 182.

Except in self-organized counties under s. 59.03 (1) [now s. 59.10 (1)], a county board may not establish multiple per diem compensation for attendance at more than one committee meeting on the same day on days when the county board is not in session. 79 Atty. Gen. 122.

59.14 Publication of ordinances and proceedings.

(1) Whenever a board enacts an ordinance under this chapter the clerk shall immediately publish the ordinance either in its entirety, as a class 1 notice, under ch. 985, or as a notice, as described under sub. (1m) (b); and the clerk shall procure and distribute copies of the ordinance to the several town clerks, who shall file it in their respective offices.

(1m) (a) In this subsection, “summary” means a brief, precise, and plain-language description that can be easily understood.

(b) A notice of an ordinance that may be published under this subsection shall be published as a class 1 notice under ch. 985 and shall contain at least all of the following:

1. The number and title of the ordinance.
2. The date of enactment.
3. A summary of the subject matter and main points of the ordinance.
4. Information as to where the full text of the ordinance may be obtained, including the phone number of the county clerk, a street address where the full text of the ordinance may be viewed, and a website, if any, at which the ordinance may be accessed.

(2) The board shall, by ordinance or resolution, provide for publication in one or more newspapers in the county as a class 1 notice, under ch. 985, a certified copy of all its proceedings had at any meeting, regular or special; said publication to be completed within 60 days after the adjournment of each session.

(3) The board may at any meeting, regular or special, provide by resolution for the publication in pamphlet form by the lowest and best bidder therefor, of a sufficient and designated number of copies of its duly certified proceedings, for general distribution.

(4) The board may order public notices relating to tax redemption and other affairs of the county to be published in a newspaper printed in any other than the English language, to be designated in such order, whenever the board considers it necessary for the better information of the inhabitants of the county, and it shall appear from the last previous census that one-fourth or more of the adult population of the county is of a nationality not speaking the English language, and that there shall have been a newspaper published in the county continuously for one year or more in the language spoken by that nationality; but all of the notices shall also be published in a newspaper published in the English language as provided by law. The compensation for all of the publications shall be paid by the county ordering the publications, and shall be the same as that prescribed by law for publication in the English language; and no extra charge shall be allowed for translation in any case. No irregularity, mistake or informality in any such publication shall affect the validity or regularity of any tax redemptions or other legal proceedings.

History: 1987 a. 378; 1995 a. 201 s. 244; Stats. 1995 s. 59.14; 2007 a. 72; 2017 a. 365 s. 112.

A county with a population of less than 250,000 is not required to designate an official newspaper. A county is not required to seek bids for the publication of legal notices. Even if a county does not competitively bid the publication of its own proceedings as provided in sub. (3), it may print its own proceedings or post them on its website. A county may not, in lieu of publication in a printed newspaper or posting on a physical bulletin board, post its legal notices on its official website. OAG 2–08.

59.15 Neglect of duty. Any supervisor who refuses or neglects to perform any of the duties which are required of the supervisor by law as a member of the board, without just cause therefor, shall for each such refusal or neglect forfeit not less than \$50 nor more than \$200.

History: 1991 a. 316; 1995 a. 201 s. 246; Stats. 1995 s. 59.15; 1995 a. 225 s. 136; 1997 a. 35.

A county board may provide for a penalty in the nature of a forfeiture for the violation of a code of ethics ordinance but may not bar violators from running for office. A violation is not a neglect of duties under this section or ipso facto cause for removal under s. 17.09 (1). 66 Atty. Gen. 148. See also 67 Atty. Gen. 164.

SUBCHAPTER IV

COUNTY OFFICERS

59.17 County executive. (1) ELECTION AND TERM OF OFFICE. (a) In each county with a population of 750,000 or more, a county executive shall be elected for a 4-year term at the election

to be held on the first Tuesday in April of each year in which county supervisors are elected, and shall take office on the first Monday in May following the election. The county executive shall be elected from residents of the county at large by a majority vote of all qualified electors in the county voting in the election. In any county which attains a population of 750,000 or more, the first election under this paragraph shall be held on the first Tuesday in April in the year following the official announcement of the federal census.

(b) Counties with a population of less than 750,000 may by resolution of the board or by petition and referendum create the office of county executive or abolish it by petition and referendum. If the office of county executive is abolished, the person serving in the office shall complete the term to which elected. The county executive shall be elected the same as a county executive is elected under par. (a) for a term of 4 years commencing with the first spring election occurring at least 120 days after the creation of the office and shall take office on the 3rd Tuesday in April of that year. Such petition and election shall follow the procedure provided in s. 9.20 (1) to (6), except that in case of conflict this subsection shall control.

(2) DUTIES AND POWERS. The county executive shall be the chief executive officer of the county. The county executive shall take care that every county ordinance and state or federal law is observed, enforced and administered within his or her county if the ordinance or law is subject to enforcement by the county executive or any person supervised by the county executive. The duties and powers of the county executive shall be, without limitation because of enumeration, to:

(a) Coordinate and direct all administrative and management functions of the county government not otherwise vested by law in other elected officers.

(b) In any county with a population of 750,000 or more:

1. Appoint and supervise the heads of all departments except where the statutes provide that the appointment shall be made by a board or commission or by other elected officers. Notwithstanding any statutory provision that a board or commission or the county board or county board chairperson appoint a department head, except ss. 17.21 and 59.47 (3), the county executive shall appoint and supervise the department head. Except for a statutory provision which specifies that a board or commission or the county board shall supervise the administration of a department, the county executive shall administer, supervise, and direct all county departments, including any person who negotiates on behalf of the county, and the county board, other board, or commission shall perform any advisory or policy-making function authorized by statute. Any appointment by the county executive under this subdivision requires the confirmation of the county board unless the county board, by ordinance, elects to waive confirmation. An appointee of the county executive may assume his or her duties immediately, pending board action which shall take place within 60 days after the county executive submits the appointment to the board for confirmation. Any department head appointed by a county executive under this subsection may be removed at the pleasure of the county executive. The county executive shall comply with hiring policies set by the board when making appointments under this paragraph.

2. Establish departments in county government, and sections and divisions within those departments, that the county executive believes are necessary for the efficient administration of the county. Any department or subunit of a department that the county executive creates under this subdivision may not be established unless its creation and funding are approved by a vote of the board. The county executive shall administer, supervise, and direct any department or subunit of a department that is created under this subdivision, and those departments and subunits shall report to the county executive.

3. Exercise the authority under s. 59.52 (6) that would otherwise be exercised by a county board, except that the county board may continue to exercise the authority under s. 59.52 (6) with regard to land that is zoned as a park on or after July 14, 2015, other than land zoned as a park in the city of Milwaukee that is located within the area west of Lincoln Memorial Drive, south of E. Michigan Street, east of N. Van Buren Street, and north of E. Clybourn Avenue. With regard to the sale, acquisition, or lease as landlord or tenant of property, other than certain park land as described in this subdivision, the county executive's action need not be consistent with established county board policy and may take effect without submission to or approval by the county board. The proceeds of the sale of property as authorized under this subdivision shall first be applied to any debt attached to the property. Before the county executive's sale of county land may take effect, a majority of the following must sign a document, a copy of which will be attached to the bill of sale and a copy of which will be retained by the county, certifying that they believe the sale is in the best interests of the county:

a. The county executive or his or her designee.

b. The county comptroller or his or her designee.

c. An individual who is a resident of the city, village, or town where the property is located, who shall be appointed, at least biennially, by the executive council, as defined in s. 59.794 (1) (d). The individual appointed under this subd. 3. c. may not be an elective official, and he or she must have demonstrable experience in real estate law or real estate sales or development.

4. Sign all contracts, conveyances, and evidences of indebtedness on behalf of the county, to the extent that no other county officer or employee is specifically required to sign such contracts, conveyances, and evidences of indebtedness, and countersign all other contracts, conveyances, and evidences of indebtedness. No contract with the county is valid unless it is signed or countersigned by the county executive and, as provided in ss. 59.255 (2) (e) and 59.42 (2) (b) 5., by the comptroller and corporation counsel.

5. Introduce proposed ordinances and resolutions for consideration by the board.

6. Hire and supervise the number of employees that the county executive reasonably believes are necessary for him or her to carry out the duties of the county executive's office, subject to board approval of the county executive department budget.

7. Together with the commissioner of the opportunity schools and partnership program under subch. II of ch. 119, solicit private gifts and grants for use by the commissioner to further the purposes of the opportunity schools and partnership program under subch. II of ch. 119 and without oversight or approval of the county board.

(bm) 1. In any county with a population of 750,000 or more, appoint the following persons:

a. The director of parks, recreation and culture under s. 27.03 (2).

b. The director of the county department of human services under s. 46.21 (1m) (a).

c. The director of the county department of administration under s. 59.52 (1) (a).

d. The director of personnel of the county civil service commission under s. 63.02 (2).

e. The director of transportation under s. 83.01 (1).

2. Each appointment under subd. 1. is subject to the confirmation of the county board and is in the unclassified service, serving at the pleasure of the county executive and holding office until a new appointment is made by the county executive and confirmed by the board. An appointee of the county executive may assume his or her duties immediately, pending board action which shall take place within 60 days after the county executive submits the

appointment to the board for confirmation. No prior appointee may serve longer than 6 months after the term for which he or she was appointed and confirmed expires, unless reappointed and reconfirmed. The term of each appointment is 4 years or less. The county executive shall comply with hiring policies set by the board when making appointments under subd. 1.

(br) In any county with a population of less than 750,000, appoint and supervise the heads of all county departments except those elected by the people and except where the statutes provide that the appointment shall be made by other elected officers. Notwithstanding any statutory provision that a board or commission or the county board or county board chairperson appoint a department head, except s. 17.21, the county executive shall appoint and supervise the department head. Notwithstanding any statutory provision that a board or commission supervise the administration of a department, the department head shall supervise the administration of the department and the board or commission shall perform any advisory or policy-making function authorized by statute. An appointment by the county executive under this subsection requires the confirmation of the board unless the board, by ordinance, elects to waive confirmation or unless the appointment is made under a civil service system competitive examination procedure established under s. 59.52 (8) or ch. 63. Any department head appointed by a county executive under this subsection may be removed at the pleasure of the county executive unless the department head is appointed under a civil service system competitive examination procedure established under s. 59.52 (8) or ch. 63.

(c) Appoint the members of all boards and commissions where appointments are required and where the statutes provide that the appointments are made by the county board or by the chairperson of the county board. All appointments to boards and commissions by the county executive are subject to confirmation by the county board.

(3) ADMINISTRATIVE SECRETARIES TO COUNTY EXECUTIVE; STAFF. The county executive may appoint administrative secretaries using hiring procedures which shall be exempt from county civil service competitive examination procedures and such additional staff assistants as the board provides.

(4) COMPENSATION OF COUNTY EXECUTIVE, DEPUTY, AND STAFF ASSISTANTS. The board shall fix the compensation of the county executive, the county executive's administrative secretary and the county executive's staff assistants, provided that the salary of the county executive shall be established at least 90 days prior to any election held to fill the office.

(5) MESSAGE TO THE BOARD; SUBMISSION OF ANNUAL BUDGET. The county executive shall annually, and otherwise as may be necessary, communicate to the board the condition of the county, and shall recommend such matters to the board for its consideration as he or she considers expedient. Notwithstanding any other provision of the law, he or she shall be responsible for the submission of the annual budget to the board and may exercise the power to veto any increases or decreases in the budget under sub. (6).

(6) COUNTY EXECUTIVE TO APPROVE OR VETO RESOLUTIONS OR ORDINANCES; PROCEEDINGS ON VETO. Every resolution adopted or ordinance enacted by the board shall, before it becomes effective, be presented to the county executive. If the county executive approves, the county executive shall sign it; if not, the county executive shall return it with his or her objections, which objections shall be entered at large upon the journal and the board shall proceed to reconsider the matter. Appropriations may be approved in whole or in part by the county executive and the part approved shall become law, and the part objected to shall be returned in the same manner as provided for in other resolutions or ordinances. If, after such reconsideration, two-thirds of the members-elect of the board agree to adopt the resolution or enact the ordinance or the part of the resolution or ordinance objected to, it shall become effective on the date prescribed but not earlier than the date of passage following reconsideration. In all such cases, the votes of the members of the board shall be determined

by ayes and nays and the names of the members voting for or against the resolution or ordinance or the part thereof objected to shall be entered on the journal. If any resolution or ordinance is not returned by the county executive to the board at its first meeting occurring not less than 6 days, Sundays excepted, after it has been presented to the county executive, it shall become effective unless the board has recessed or adjourned for a period in excess of 60 days, in which case it shall not be effective without the county executive's approval.

(7) REMOVAL FROM OFFICE; VACANCY, HOW FILLED. The county executive may be removed from office by the governor for cause under s. 17.16. A vacancy in the office of county executive shall be filled temporarily, within 30 days of the date of the vacancy, by appointment by the chairperson of the board, subject to confirmation by the board, from among electors of the county. Within 7 days following the occurrence of the vacancy, the clerk shall order a special election to be held under s. 8.50 to fill the vacancy. If the vacancy occurs after October 31 but not later than 49 days before the day of the spring primary, the special election shall be held concurrently with the spring primary and election.

(8) SUCCESSION IN OFFICE. (a) In the event of the inability of the county executive to serve because of mental or physical disease, the powers and duties of the office shall devolve upon the chairperson of the board until such time as the disability shall cease.

(b) In the event that a vacancy in the office of county executive occurs, the chairperson of the board shall immediately succeed to the office and assume the duties and responsibilities thereof until the board has confirmed an appointment to the office under sub. (7).

History: 1975 c. 264; 1977 c. 257, 259; 1979 c. 260; 1981 c. 217, 314, 329; 1981 c. 391 s. 210; 1983 a. 148; 1983 a. 192 ss. 116, 303 (2); 1983 a. 239, 484; 1985 a. 29 ss. 1150 to 1158, 1160, 3200 (56), 3202 (56); 1985 a. 135 s. 85; 1985 a. 176; 1989 a. 273; 1991 a. 269, 274, 316; 1995 a. 16 s. 2; 1995 a. 201 s. 101; Stats. 1995 s. 59.17; 2013 a. 14; 2015 a. 55; 2017 a. 207 s. 5.

A county executive's partial-veto power is similar to the governor's power. 73 Atty. Gen. 92.

Discussing the powers of an elected county executive. 77 Atty. Gen. 113.

A county board may adopt an ordinance creating the office of county executive and make the ordinance contingent upon approval in a countywide referendum. The office of county executive is created at the time the results of the referendum become final. The first election for the office occurs at least 120 days after the creation becomes effective. The county executive takes office on the third Tuesday in April of the election year. 78 Atty. Gen. 227.

The veto of an appropriation under sub. (5) does not restore the appropriation to its level in the county executive's proposed budget. 80 Atty. Gen. 214.

Section 33.28 (2) (a) provides that the county representative upon a public inland lake protection and rehabilitation board is to be a person appointed by the county board. By operation of sub. (2) (c), the power of appointing the county representative to a public inland lake protection and rehabilitation district is therefore transferred from the county board to the county executive once the office of county executive is created, subject to confirmation by the board. OAG 2–09.

A county board may require a county executive to clarify that he or she is not representing the position of the county when engaging in lobbying activities on behalf of a position that is not the position adopted by the county. A county board may require county department heads to submit reports to the county board, but it cannot require county department heads appointed and supervised by the county executive to report to the board in a supervisory sense. A county board is not authorized to demote, suspend, or discharge a department head or employee not appointed by the board unless that power is specifically conferred by statute. OAG 6–13.

The Milwaukee County Board may require confirmation of the county executive's appointments to any position in the unclassified service that is a department head. The board may not require confirmation of the executive's or other administrators' appointments to positions in the unclassified service that are not department heads. OAG 7–13.

A county executive has the authority to reduce a line item budget appropriation from one specific dollar figure to another through the use of his or her partial veto. Constitutional amendments limiting the governor's veto authority in article V, section 10 (1) (c), of the Wisconsin Constitution impose no corresponding limit upon the veto authority of the county executive under article IV, section 23a, of the Wisconsin Constitution. OAG 6–14.

59.18 County administrator. (1) APPOINTMENT. Counties having a population of less than 750,000 may by resolution of the board or by petition and referendum create the office of county administrator. The county administrator shall be appointed by majority vote of the board. Such petition and election shall follow the procedure provided in s. 9.20 (1) to (6). If any member of the board is appointed as county administrator, his or her status as a member of the board is thereby terminated, except that in the case of a vacancy in the office of county administrator by reason of

removal, resignation or other cause, the board may appoint any member of the board as acting county administrator to serve for a period of 15 days while the board is considering the selection of a county administrator.

(2) DUTIES AND POWERS. The county administrator shall be the chief administrative officer of the county. The county administrator shall take care that every county ordinance and state or federal law is observed, enforced and administered within his or her county if the ordinance or law is subject to enforcement by the county administrator or any other person supervised by the county administrator. The duties and powers of the county administrator shall be, without limitation because of enumeration, to:

(a) Coordinate and direct all administrative and management functions of the county government not otherwise vested by law in boards or commissions, or in other elected officers.

(b) Appoint and supervise the heads of all departments of the county except those elected by the people and except where the statutes provide that the appointment shall be made by elected officers; but the county administrator shall also appoint and supervise all department heads where the law provides that the appointment shall be made by a board or commission, by the chairperson of the county board or by the county board. Notwithstanding any statutory provision that a board or commission supervise the administration of a department, the department head shall supervise the administration of the department and the board or commission shall perform any advisory or policy-making function authorized by statute. Any appointment by the county administrator under this paragraph requires the confirmation of the county board unless the board, by ordinance, elects to waive confirmation or unless the appointment is made under a civil service system competitive examination procedure established under s. 59.52 (8) or ch. 63. Any department head appointed by a county administrator under this paragraph may be removed at the pleasure of the county administrator unless the department head is appointed under a civil service system competitive examination procedure established under s. 59.52 (8) or ch. 63.

(c) Appoint the members of all boards and commissions where the statutes provide that such appointment shall be made by the county board or by the chairperson of the county board. All appointments to boards and commissions by the county administrator shall be subject to the confirmation of the county board.

(3) ADMINISTRATIVE SECRETARY TO COUNTY ADMINISTRATOR; STAFF. The county administrator may appoint an administrative secretary, and additional staff assistants, as necessary.

(4) COMPENSATION OF COUNTY ADMINISTRATOR AND STAFF. The board shall fix the compensation of the county administrator, the county administrator's administrative secretary and the county administrator's staff assistants.

(5) MESSAGE TO THE BOARD; SUBMISSION OF ANNUAL BUDGET. The county administrator shall annually, and otherwise as necessary, communicate to the board the condition of the county, and recommend such matters to the board for its consideration as the county administrator considers expedient. Notwithstanding any other provision of the law, the county administrator shall be responsible for the submission of the annual budget to the board.

(6) QUALIFICATIONS FOR APPOINTMENT. The county administrator shall be appointed solely on merit. In appointing the county administrator, the board shall give due regard to training, experience, administrative ability and general qualifications and fitness for performing the duties of the office, and no person shall be eligible to the office of county administrator, who is not by training, experience, ability and efficiency qualified and generally fit to perform the duties of such office. No weight or consideration shall be given by the board to residence, to nationality, or to political or religious affiliations.

(7) REMOVAL. The board may remove the county administrator at any time that the county administrator's conduct of the county administration becomes unsatisfactory, and engage a suc-

cessor. The action of the board in removing the county administrator shall be final.

(8) VACANCY, HOW FILLED. A vacancy in the office of the county administrator by reason of removal, resignation or other cause, shall be filled by appointment by majority vote of the board.

History: 1983 a. 192 ss. 118, 303 (2); 1985 a. 29, 176; 1989 a. 273; 1991 a. 316; 1995 a. 201 s. 102; Stats. 1995 s. 59.18; 2017 a. 207 s. 5.

A county board can abolish the office of county administrator by majority vote. 61 Atty. Gen. 322.

Sub. (2) (b) transfers the authority to supervise the administration of county departments from boards and commissions to department heads appointed by the county administrator. Sub. (2) therefore entirely negates s. 59.70 (2) insofar as it provides that the board may "employ" a system manager. In a county with a county administrator, the solid waste management board is purely an advisory body to the county administrator and to the county board and a policy-making body for the solid waste management department as a whole. OAG 1-12.

59.19 Administrative coordinator. In any county which has not created the office of county executive or county administrator, the board shall designate, no later than January 1, 1987, an elected or appointed official to serve as administrative coordinator of the county. The administrative coordinator shall be responsible for coordinating all administrative and management functions of the county government not otherwise vested by law in boards or commissions, or in other elected officers.

History: 1985 a. 29; 1995 a. 201 s. 103; Stats. s. 59.19.

A sitting member of a county board must resign the office of supervisor before being appointed to the permanent position of county administrative coordinator under this section. OAG 1-11.

59.20 County offices and officers. **(1) ELIGIBILITY FOR COUNTY OFFICE.** No person may file nomination papers as a candidate for, have his or her name placed on a ballot for election to, or hold a county elective office who is not an elector of the county. No person may file nomination papers as a candidate for, have his or her name placed on a ballot for election to, or hold the office of county supervisor who is not an elector of the supervisory district from which he or she is chosen.

(2) COUNTY OFFICERS; TERMS. (a) Beginning in 2008 and quadrennially thereafter, a register of deeds, county clerk, and county treasurer shall be chosen at the general election by the electors of each county for the term of 4 years. Except as provided in this paragraph, beginning in 2008 and quadrennially thereafter, a surveyor shall be chosen at the general election by the electors of each county in which the office of surveyor is filled by election, for the term of 4 years. No surveyor shall be elected in counties having a population of 750,000 or more. The regular term of office of each register of deeds, county clerk, county treasurer, and county surveyor shall commence on the first Monday of January next succeeding his or her election and shall continue 4 years and until his or her successor qualifies.

(am) Beginning in 2012 and quadrennially thereafter, a comptroller shall be chosen at the spring election by the electors of each county having a population of 750,000 or more for the term of 4 years. The regular term of office of each comptroller shall commence on the 3rd Tuesday in April next succeeding his or her election and shall continue 4 years and until his or her successor qualifies.

(b) Beginning in 2006 and quadrennially thereafter, a sheriff shall be chosen at the general election by the electors of each county for the term of 4 years. Except as provided in this paragraph, beginning in 2006 and quadrennially thereafter, a coroner shall be chosen at the general election by the electors of each county in which there is a coroner, for the term of 4 years. No coroner shall be elected in counties having a population of 750,000 or more or in counties in which a medical examiner system is instituted. The regular term of office of each sheriff and coroner shall commence on the first Monday in January next succeeding his or her election and shall continue 4 years and until his or her successor qualifies.

(bm) Beginning in 2006 and quadrennially thereafter, a clerk of circuit court shall be chosen at the general election for the term of 4 years by the electors of each county, subject to removal as pro-

vided by law. The regular term of office of each clerk of circuit court shall commence on the first Monday of January next succeeding his or her election and shall continue 4 years and until his or her successor qualifies.

(c) In counties that elect a surveyor, the surveyor shall be a professional land surveyor. In lieu of electing a surveyor in any county having a population of less than 750,000, the board may, by resolution, designate that the duties under ss. 59.45 (1) and 59.74 (2) be performed by any professional land surveyor employed by the county. Any surveyor employed by a county having a population of 750,000 or more shall be a professional land surveyor.

(d) Except as provided in par. (b), in any county containing one town only, the county board may, by resolution, designate any county office a part-time position, combine 2 or more county offices, and, if concurred in by the town board, combine the offices of county clerk and town clerk and any other county and town offices, provided that the offices combined are not incompatible and the combination is not expressly forbidden by law. If the town board so concurs, the election may be for the combined office and no separate election for the town office shall be held until after the county board has by resolution decided to abandon the combination and the town board has concurred by resolution.

(3) OFFICES WHERE KEPT; WHEN OPEN. (a) Every sheriff, clerk of the circuit court, register of deeds, treasurer, comptroller, register of probate, clerk, and county surveyor shall keep his or her office at the county seat in the offices provided by the county or by special provision of law; or if there is none, then at such place as the board directs. The board may also require any elective or appointive county official to keep his or her office at the county seat in an office to be provided by the county. All such officers shall keep their offices open during the usual business hours of any day except Sunday, as the board directs. With proper care, the officers shall open to the examination of any person all books and papers required to be kept in his or her office and permit any person so examining to take notes and copies of such books, records, papers, or minutes therefrom except as authorized in par. (c) and ss. 19.36 (10) and (11) and 19.59 (3) (d) or under ch. 69.

(b) If any officer described in par. (a) neglects or refuses to comply with any of the provisions of this subsection, the officer shall forfeit \$5 for each day that the noncompliance continues. Actions for the collection of a forfeiture under this paragraph may be brought upon the complaint of the district attorney of the proper county or of any party aggrieved by the officer's refusal or neglect.

(c) Any board may, by ordinance, provide that the cutoff reception time for the filing and recording of documents shall be advanced by one hour in any official business day during which time the register of deeds office is open to the public, in order to complete the processing, recording, and indexing to conform to the day of reception. Any register of deeds may provide in his or her notice under s. 19.34 (1) that requests for inspection or copying of the records of his or her office may be made only during a specified period of not less than 35 hours per week. For all other purposes, the register of deeds office shall remain open to the public during usual business hours.

(d) Any register of deeds who in good faith makes an erroneous determination as to the accessibility of a portion of a record, to members of the public under s. 19.36 (6), is not subject to any penalty for denial of access to the record under s. 19.37 (4).

NOTE: 2003 Wis. Act 47, which affects this section, contains extensive explanatory notes.

Section 59.14 [now sub. (3)] is a legislative declaration granting those persons who come under its coverage an absolute right of inspection subject only to reasonable administrative regulations. State ex rel. Bilder v. Town of Delavan, 112 Wis. 2d 539, 334 N.W.2d 252 (1983).

A newspaper had the right to intervene to protect its right to examine sealed court files. State ex rel. Bilder v. Town of Delavan, 112 Wis. 2d 539, 334 N.W.2d 252 (1983).

Courts must apply the open records balancing test to questions involving disclosure of court records. Under the test, the party seeking nondisclosure must show that

public interests favoring secrecy outweigh those favoring disclosure. C.L. v. Edson, 140 Wis. 2d 168, 409 N.W.2d 417 (Ct. App. 1987).

The appointment of a county surveyor under this section is constitutional. Ripley v. Brown, 143 Wis. 2d 686, 422 N.W.2d 608 (1988).

"Books and papers required to be kept" are not all those that the custodian is obliged merely to retain or preserve; rather they are only those that the custodian is obliged to maintain or engender. The requester has the burden of showing the authority requiring that the record be maintained or engendered. State ex rel. Schultz v. Bruendl, 168 Wis. 2d 101, 483 N.W.2d 238 (Ct. App. 1992).

To overcome the legislatively mandated policy favoring open records and to persuade the circuit court to exercise its inherent authority, the party seeking to close court records bears the burden of demonstrating, with particularity, that the administration of justice requires that the records be closed. Once documents are filed in the court they become a judicial record subject to the access accorded such records. Even the possibility that the parties may attempt to rescind a settlement agreement if the record is unsealed does not outweigh the public's right to inspect public documents. There are no requirements of a showing of harm to the public or that the inquiry must have indicia of public concern. Krier v. EOG Environmental, Inc., 2005 WI App 256, 288 Wis. 2d 623, 707 N.W.2d 915, 04–2670.

Notwithstanding sub. (3) (a), when the administration of justice requires it, a court may employ its inherent power under the constitution to preserve and protect the exercise of its judicial function of presiding over the conduct of judicial proceedings, which is not limited to public records requests. The inherent authority of courts also reaches other interests implicated by the openness of judicial proceedings, including the potential for threats and harassment of litigants. In this case, the circuit court did not erroneously exercise its discretion by requiring disclosure of the plaintiff parents' identities to opposing attorneys, while allowing the parents to keep their names sealed and confidential as to the public and the defendant school district. Doe v. Madison Metropolitan School District, 2022 WI 65, 403 Wis. 2d 369, 976 N.W.2d 584, 20–1032.

After a transcript of a court proceedings is filed with the clerk of court, any person may examine or copy the transcript. 68 Atty. Gen. 313.

A sheriff's criminal investigation files are not covered by a blanket exemption from the public records law. Denial of access may be justified on a case-by-case basis. 77 Atty. Gen. 42.

59.21 Official oaths and bonds. (1) Each county officer named in this chapter, except county supervisors, shall execute and file an official bond and take and file the official oath within 20 days after receiving official notice of election or appointment, or if not officially notified, within 20 days after the commencement of the term for which the officer is elected or appointed, or the board may provide a schedule or blanket bond that includes any or all of these officials, except county supervisors, and a blanket bond may also include members of a county veterans service commission under s. 45.81 (1) and a county veterans service officer under s. 45.81 (2). Every county supervisor shall take and file the official oath within 20 days after receiving official notice of election or appointment, or if not officially notified, within 20 days after the commencement of the term for which he or she is elected or appointed. Every deputy appointed by any such officer shall take and file the official oath and if the deputy neglects to do so, he or she shall forfeit \$100. If the board does not provide a schedule or blanket bond, the official bonds shall be in sums and with sureties, as follows:

(a) Clerk, not less than \$2,000.

(b) Treasurer, if the bond is furnished by individual sureties, not less than the amount nor exceeding twice the amount of all taxes directed by the board to be levied therein and to be received by the treasurer during the ensuing year, with 3 or more sureties; or, if the bond is furnished by a surety company in an amount not less than 10 percent of all taxes directed by the board to be levied therein, and to be received by the treasurer during the ensuing year, or \$500,000, whichever is smaller.

(c) Sheriff, not less than \$5,000 nor more than \$25,000, with not less than 3 sureties.

(d) Coroner, not less than \$500 nor more than \$10,000, with not less than 2 sureties.

(e) Clerk of the circuit court, not less than \$5,000, with 2 or more sureties.

(g) Register of deeds, in counties containing less than 150,000 population, \$3,000, with 2 or more sureties. In counties containing 150,000 or more population, not less than \$3,000, with 2 or more sureties, conditioned for the accuracy of the register's work and the faithful, correct and impartial performance of the register's duties, and in addition thereto a bond of not less than \$10,000, with 2 or more sureties, conditioned for the faithful accounting for and paying over to the treasurer all moneys which may come into

the register's hands as register of deeds, or into the hands of the register's deputy or assistants.

(h) Surveyor, \$5,000.

(i) County abstractor, \$5,000, with 2 or more sureties.

(j) Comptroller, not less than \$5,000 nor more than \$20,000 with not less than 3 sureties.

(2) Each official bond described in sub. (1) shall be in a sum fixed by law; or if not fixed by law, in a sum fixed by resolution of the board, within the limitations prescribed by law, if any, at the annual meeting in November prior to the commencement of the term of office of the particular officer. Both the bond and the sufficiency of the sureties thereto shall be approved by a committee consisting of the chairperson and not less than 2 other members of the board who shall report in writing their action on all bonds.

(3) Each bond described in sub. (1) shall be guaranteed by the number of personal sureties prescribed by law, or if not prescribed, by the number fixed by the board within the limitations, if any, prescribed by law, or by a surety company as provided by s. 632.17 (2). In the case of the clerk, treasurer and county abstractor the board may by resolution require them to furnish bonds guaranteed by surety companies and direct that the premiums be paid as provided in s. 19.01 (8).

(4) If it considers the bond of any officer insufficient, the board may by resolution require the officer to furnish additional bond in a sum to be named in the resolution, not exceeding \$10,000 for the register of deeds of any county with a population of less than 150,000, and not exceeding the maximum sum, if any, fixed by law for additional bonds for other officers.

59.22 Compensation, fees, salaries and traveling expenses of officials and employees. (1) ELECTIVE OFFICIALS.

(a) 1. The board shall, before the earliest time for filing nomination papers for any elective office to be voted on in the county, other than supervisors and circuit judges, which officer is paid in whole or part from the county treasury, establish the total annual compensation for services to be paid to the officer exclusive of reimbursements for expenses out-of-pocket provided for in sub. (3). Except as provided in subd. 2., the annual compensation may be established by resolution or ordinance, on a basis of straight salary, fees, or part salary and part fees, and if the compensation established is a salary, or part salary and part fees, it shall be in lieu of all fees, including per diem and other forms of compensation for services rendered, except those specifically reserved to the officer in the resolution or ordinance. The compensation established shall not be increased nor diminished during the officer's term and shall remain for ensuing terms unless changed by the board. Court fees shall not be used for compensation for county officers.

2. The board shall establish the annual compensation of the sheriff as straight salary. No portion of that salary may include or be based on retention of fees by the sheriff. No portion of that salary may be based on providing food to prisoners under s. 302.37 (1). This subdivision does not prohibit the reimbursement of a sheriff for actual and necessary expenses.

(b) Any officer authorized or required to collect fees appertaining to his or her office shall keep a complete record of all fees received in the form prescribed by the board and shall file a record of the total annual receipts in the clerk's office within 20 days of the close of the calendar year or at such other times as the board requires. Any officer on a salary basis or part fees and part salary shall collect all fees authorized by law appertaining to his or her office and shall remit all fees not specifically reserved to the officer by enumeration in the compensation established by the board under par. (a) to the treasurer at the end of each month unless a shorter period for remittance is otherwise provided.

(2) APPOINTIVE OFFICIALS; DEPUTY OFFICERS; AND EMPLOYEES. (a) Except for elective offices included under sub. (1), supervisors and circuit judges, and subject to s. 59.794 (3), the board has the powers set forth in this subsection, sub. (3) and s. 59.03 (1) as to any office, department, board, commission, committee, position or employee in county service created under any statute, the salary or compensation for which is paid in whole or in part by the county, and the jurisdiction and duties of which lie within the county or any portion thereof and the powers conferred by this section shall be in addition to all other grants of power and shall be limited only by express language.

(c) 1. Except as provided in subd. 2. and par. (d), the board may do any of the following:

a. Provide, fix or change the salary or compensation of any office, board, commission, committee, position, employee or deputies to elective officers that is subject to sub. (1) without regard to the tenure of the incumbent.

b. Establish the number of employees in any department or office including deputies to elective officers.

c. Establish regulations of employment for any person paid from the county treasury.

2. No action of the board may be contrary to or in derogation of the rules of the department of children and families under s. 49.78 (4) to (7) relating to employees administering old-age assistance, aid to families with dependent children, aid to the blind, or aid to totally and permanently disabled persons or ss. 63.01 to 63.17.

(d) The board or any board, commission, committee or agency to which the board or statutes has delegated the authority to manage and control any institution or department of the county government may contract for the services of employees, setting up the hours, wages, duties and terms of employment for periods not to exceed 2 years.

(e) The board may provide and appropriate money for an employee awards program to encourage and to reward unusual and meritorious suggestions and accomplishments by county employees.

(3) REIMBURSEMENT FOR EXPENSE. The board may provide for reimbursement to any elective officer, deputy officer, appointive officer or employee for any out-of-pocket expense incurred in the discharge of that person's duty in addition to that person's salary or compensation, including without limitation because of enumeration, traveling expenses, tuition costs incurred in attending courses of instruction clearly related to that person's employment, and the board may establish standard allowances for mileage, room and meals, the purposes for which allowances may be made, and determine the reasonableness and necessity for such reimbursements, and also establish in advance a fair rate of compensation to be paid to the sheriff for the board and care of prisoners in the county jail at county expense. Any reimbursement paid under this subsection to an officer or employee of a county with a population of 750,000 or more is subject to the budget limitation described in s. 59.60 (7e).

(3a) COMMISSION ON AGING. The board may provide for the payment of expenses and a per diem to persons appointed to a county commission on aging under s. 59.53 (11).

(4) INTERPRETATION. In the event of conflict between this section and any other statute, this section to the extent of the conflict shall prevail.

History: 1973 c. 118; 1977 c. 372; 1981 c. 317; 1987 a. 181; 1989 a. 48, 107; 1991 a. 316; 1995 a. 27 ss. 3287, 9126 (19); 1995 a. 201 ss. 257 to 260; Stats. 1995 s. 59.22; 1995 a. 225 s. 146; 1997 a. 35; 1999 a. 83; 2003 a. 33; 2007 a. 20; 2013 a. 14.

Sub. (1) (a) 1.'s prohibition of increasing or diminishing certain elected county officials' compensation during their terms of office does not preclude adjustments to fringe benefits. The statute expressly protects only salaries and fees. Cramer v. Eau Claire County, 2013 WI App 67, 348 Wis. 2d 154, 833 N.W.2d 172, 12–1796.

The sheriff does not have unilateral statutory authority under s. 59.26 (2) to determine the total number of deputies to be appointed. This section plainly provides that a county board may establish the number of employees in any department or office including deputies to elective officers, and this section prevails over s. 59.26 (2). Thus, the county board, and not the sheriff, has the authority to regulate the number of law enforcement officers employed by the county. Milwaukee Deputy Sheriffs'

Ass'n v. Milwaukee County, 2016 WI App 56, 370 Wis. 2d 644, 883 N.W.2d 154, 15–1577.

The only reasonable interpretation of the phrase “created under any statute” under sub. (2) (a) is that the phrase modifies the string of nouns that comes before the word “employee,” namely, “office, department, board, commission, committee, and position.” What must be “created under any statute” are the various kinds of offices and positions, not employees. Lipscomb v. Abele, 2018 WI App 58, 384 Wis. 2d 1, 918 N.W.2d 434, 17–1023.

The verbs “provide, fix, or change” under sub. (2) (c) 1. a. establish a broad power for county boards to determine compensation levels for all unclassified county positions. However, under sub. (2) (a), the power is controlled by the power of the Milwaukee County Executive under s. 59.794 (3) to exercise day-to-day control of any county department or subunit of a department. In other words, the Milwaukee County Board of Supervisors can provide, fix, or change the pay of unclassified employees, unless and until board action interferes with the Milwaukee County Executive’s day-to-day control of a county department or subunit. Lipscomb v. Abele, 2018 WI App 58, 384 Wis. 2d 1, 918 N.W.2d 434, 17–1023.

The Milwaukee County Executive’s day-to-day control power under s. 59.794 (3) (a) has the express intent of removing and clarifying some authority of the Milwaukee County Board of Supervisors (Board) under sub. (2) and increasing and clarifying the authority of the Milwaukee County Executive. The Milwaukee County Executive’s day-to-day control power prevents the Board from taking actions that effectively direct what duties may or must be accomplished by employees or officers or how they may or must perform those duties, even when a Board action may result in a compensation change. Lipscomb v. Abele, 2018 WI App 58, 384 Wis. 2d 1, 918 N.W.2d 434, 17–1023.

A county ordinance implementing a collective bargaining agreement providing for the payment to county employees, upon their leaving government employment, compensation for accumulated sick leave, earned both before and after the effective date of the ordinance, is valid. 59 Atty. Gen. 209.

A county board may not adopt a step-salary plan for elective offices related to experience of the officeholder as compensation is for the office, not the officer, and the officer is entitled to the compensation as an incident of the office. 61 Atty. Gen. 165, 403.

When it is the duty of a county traffic officer to testify or assist in the prosecution of county traffic offenses, the officer is not entitled to witness fees but may be paid additional compensation if a court appearance takes place outside regular working hours. 62 Atty. Gen. 93.

A county board may not deny a salary to an elected official during a period of sickness. A board does not have power to establish sick leave and vacation benefits for elected county officials. 65 Atty. Gen. 62.

The authority to establish salaries for the staff employed by a county’s 51.42/51.437 board lies with that board, subject to the general budgetary control of the county board. 65 Atty. Gen. 105.

Discretionary authority to grant increases to elected county officials based upon performance or length of service may not be delegated to a committee of the county board because the board itself lacks the authority to establish such a compensation scheme. 80 Atty. Gen. 258.

59.23 Clerk. (1) DEPUTIES; SALARIES; VACANCIES. (a) Every clerk shall appoint in writing one or more deputies and file the appointment in the clerk’s office. The deputy or deputies shall aid in the performance of the duties of the clerk under the clerk’s direction, and in case of the absence or disability of the clerk or of a vacancy in the clerk’s office, unless another is appointed therefor as provided in par. (c), shall perform all of the duties of the clerk during the absence or until the vacancy is filled. The board may, at its annual meeting or at any special meeting, provide a salary for the deputy or deputies.

(b) In each county the clerk may also appoint the number of assistants that the board authorizes and prescribes, and the assistants shall receive salaries that the board provides and fixes.

(c) If a clerk is incapable of discharging the duties of office the board shall appoint an acting clerk within 90 days after the board adopts a resolution finding that the clerk is incapable of discharging the duties of the office. The acting clerk shall serve until the disability is removed. If the board is not in session at the time of the incapacity, the chairperson of the board may appoint an acting clerk, whose term shall not extend beyond the next regular or special meeting of the board. A person appointed as acting clerk or appointed to fill a vacancy in the office of clerk, upon giving an official bond with sureties as required of a clerk, shall perform all of the duties of the office; and thereupon the powers and duties of the deputy of the last clerk shall cease.

(2) DUTIES. The clerk shall:

(a) *Board proceedings.* Act as clerk of the board at all of the board’s regular, special, limited term, and standing committee meetings; under the direction of the county board chairperson or committee chairperson, create the agenda for board meetings; keep and record true minutes of all the proceedings of the board in a format chosen by the clerk, including all committee meetings, either personally or through the clerk’s appointee; file in the

clerk’s office copies of agendas and minutes of board meetings and committee meetings; make regular entries of the board’s resolutions and decisions upon all questions; record the vote of each supervisor on any question submitted to the board, if required by any member present; publish ordinances as provided in s. 59.14 (1); and perform all duties prescribed by law or required by the board in connection with its meetings and transactions.

(cm) *Apportionment of taxes.* Apportion taxes and carry out other responsibilities as specified in s. 70.63 (1).

(di) *Marriage licenses, domestic partnerships.* Administer the program for issuing marriage licenses as provided in ch. 765 and the program for forming and terminating domestic partnerships as provided in ch. 770.

(e) *Reports of receipts and disbursements.* Record the reports of the treasurer of the receipts and disbursements of the county.

(f) *Recording receipts and disbursements.* Keep a true and accurate account of all money which comes into the clerk’s hands by virtue of the clerk’s office, specifying the date of every receipt or payment, the person from or to whom the receipt or payment was received or paid, and the purpose of each particular receipt or disbursement, and keep the book at all times open to the inspection of the county board or any member of the board.

(g) *Payments to treasurer.* Keep in the manner prescribed in par. (f) a separate account of all moneys paid the treasurer by the clerk.

(h) *Books of account.* Keep all of the accounts of the county and all books of account in a manner that the board directs. Books of account shall be maintained on a calendar year basis, which shall be the fiscal year in every county.

(i) *Chief election officer, election duties.* As the chief election officer of the county, perform all duties that are imposed on the clerk in relation to the preparation and distribution of ballots and the canvass and return of votes at general, judicial, and special elections.

(L) *Duplicate receipts.* Make out and deliver to the treasurer duplicate receipts of all money received by the clerk as clerk, and countersign and file in the clerk’s office the duplicate receipts delivered to the clerk by the treasurer of money received by the treasurer.

(m) *Certified copies; oaths and bonds; signatures.* 1. Make and deliver to any person, for a fee that is set by the board under s. 19.35 (3), a certified copy or transcript of any book, record,

account, file or paper in his or her office or any certificate which by law is declared to be evidence.

2. Except as otherwise provided, receive and file the official oaths and bonds of all county officers and upon request shall certify under the clerk's signature and seal the official capacity and authority of any county officer so filing and charge the statutory fee. Upon the commencement of each term every clerk shall file the clerk's signature and the impression of the clerk's official seal in the office of the secretary of state.

(n) *Taxes.* Perform all duties that are imposed on the clerk in relation to the assessment and collection of taxes.

Such lists shall be placed on file for the information of the public. (b) The comptroller shall appoint one deputy to aid the comptroller, under the comptroller's direction, in the discharge of the duties of the office of comptroller. The appointment shall be in writing and shall be filed and recorded in the comptroller's office. Such deputy, in the absence of the comptroller from the comptroller's office or in case of a vacancy in said office or any disability of the comptroller to perform the duties of the office of comptroller, unless another is appointed therefor as provided in par. (c), shall perform all of the duties of the office of comptroller until such vacancy is filled or such disability is removed. The person so appointed shall take and file the official oath. The person

shall file his or her appointment with the clerk. The board may, at its annual meeting or at any special meeting, provide a salary for the deputy.

59.26 Sheriff; undersheriff; deputies. (1) Within 10 days after entering upon the duties of the office of sheriff, the sheriff shall appoint some proper person, who is a resident of the county, undersheriff. However, in counties with a population of 750,000 or more the appointment of an undersheriff is optional. In counties where the sheriff's department is under civil service, the sheriff, in conformity with county ordinance, may, at the request of the affected deputy, grant a leave of absence to a deputy sheriff who the sheriff has appointed undersheriff, or to any other position in the sheriff's department, upon the deputy's acceptance of the appointment. Any deputy in a county under civil service granted leave of absence under this subsection upon completion of the

appointive position shall immediately be returned to the position of deputy sheriff and shall continue therein without loss of any rights under the civil service law. The sheriff, however, may not grant such leave of absence to a deputy sheriff until the sheriff first secures the consent of the board by resolution duly adopted by the board. Within 10 days after entering upon the duties of the office of sheriff, the sheriff shall also appoint, subject to sub. (10), deputy sheriffs for the county as follows:

(a) One for each city and village in the county that has 1,000 or more inhabitants.

(b) One for each assembly district in the county, except the district in which the undersheriff resides, which contains a village having less than 1,000 inhabitants and does not contain a city or village having more than 1,000 inhabitants.

(2) Subject to sub. (10), the sheriff may appoint as many other deputies as the sheriff considers proper.

(3) Subject to sub. (10), the sheriff may fill vacancies in the office of any such appointee, and he or she may appoint a person to take the place of any undersheriff or deputy who becomes incapable of executing the duties of that office.

(4) A person who is appointed undersheriff or deputy for a regular term or to fill a vacancy or otherwise shall hold office during the pleasure of the sheriff.

(4m) (a) The sheriff or undersheriff may depute in writing security officers employed by the department of military affairs, subject to the approval of the adjutant general or his or her designee, for the purpose of conducting routine external security checks around military installations in this state. The sheriff or undersheriff shall specify in writing the jurisdiction of an officer deputed under this paragraph. In this paragraph, "external security checks" means a security check of areas immediately adjacent to a military installation, or of critical concern to the installation's commander as determined by the commander, for the sole purpose of protecting the installation's state and federal personnel, assets, and equipment.

(b) The provisions of sub. (8) (b) do not apply to an individual deputed under par. (a), and such a person shall serve at the pleasure of the deputing authority.

(c) An individual deputed under par. (a) remains a state employee for all purposes.

(5) The sheriff or the undersheriff may also depute in writing other persons to perform particular acts.

(6) Every appointment of an undersheriff or deputy, except deputations to perform a particular act, and every revocation of such appointment shall be in writing and be filed and recorded in the office of the clerk of the circuit court.

(7) In case of a vacancy in the office of sheriff, the undersheriff shall in all things and with like liabilities and penalties execute the duties of the office of sheriff until the vacancy is filled as provided by law.

(8) (a) In any county with a population of less than 750,000, the board, by ordinance, may fix the number of deputy sheriffs to be appointed in that county at not less than that number required by sub. (1) (a) and (b) and may set the salary of those deputies. Subject to sub. (10), the board may provide by ordinance that deputy sheriff positions be filled by appointment by the sheriff from a list of all persons with the 3 highest scores for each position based on a competitive examination. Such competitive examinations may be by a county civil service commission or by the bureau of merit recruitment and selection in the department of administration at the option of the board and it shall so provide by ordinance. The bureau of merit recruitment and selection shall, upon request of the board, conduct such examination according to the methods used in examinations for the state civil service and shall certify an eligible list of the names of all persons with the 3 highest scores on that examination for each position to the sheriff of that county who shall, subject to sub. (10), make an appointment from that list to fill the position within 10 days after he or she receives the eligible list. The county for which such examination

is conducted shall pay the cost of that examination. If a civil service commission is decided upon for the selection of deputy sheriffs, then ss. 63.01 to 63.17 shall apply so far as consistent with this subsection, except ss. 63.03, 63.04 and 63.15 and except the provision governing minimum compensation of the commissioners. The ordinance or an amending ordinance may provide for employee grievance procedures and disciplinary actions, for hours of work, for tours of duty according to seniority and for other administrative regulations. Any board provision consistent with this paragraph and existing on July 25, 1951, is validated. If the sheriff fills a deputy sheriff position by promotion, the sheriff shall, subject to sub. (10), make the appointment to the position from a list of 3 deputy sheriffs who receive the highest scores in a competitive examination. Such competitive examinations may be by a county civil service commission or by the bureau of merit recruitment and selection at the option of the board and it shall so provide by ordinance.

(b) 1. The persons appointed shall hold the office of deputy sheriff on good behavior. In any county operating under this subsection, but not under s. 59.52 (8), whenever the sheriff or undersheriff or a majority of the members of a civil service commission for the selection of deputy sheriffs believes that a deputy has acted so as to show the deputy to be incompetent to perform the duties of deputy sheriff or to have merited suspension, demotion or dismissal, the sheriff, undersheriff or civil service commission shall report in writing to the grievance committee setting forth specifically the complaint against the deputy, and, when the party filing the complaint is a sheriff or undersheriff, may suspend or demote the officer at the time such complaint is filed. The grievance committee shall be appointed in the same manner and at the same time as standing committees of the board are appointed. The committee may be made up of members of the board or other electors of the county, or both. Such members shall be paid in the same manner as members of other board committees.

2. The grievance committee shall immediately notify the accused officer of the filing of the charges and on request furnish the accused officer with a copy of the same.

3. The grievance committee shall, if the officer requests a hearing, appoint a time and place for the hearing of the charges, the time to be within 3 weeks after the filing of such request for a hearing and the committee shall notify the sheriff or undersheriff or the members of the civil service commission, whichever filed the complaint with the committee, and the accused of the time and place of such hearing. If the accused officer makes no request to the grievance committee, then the committee may take whatever action it considers justifiable on the basis of the charges filed and shall issue an order in writing as provided in subd. 5. The committee may take testimony at the hearing, and any testimony taken shall be transcribed. The chairperson of the committee shall issue subpoenas for the attendance of such witnesses as may be requested by the accused.

4. At the hearing the chairperson of the committee may maintain order and enforce obedience to the chairperson's lawful requirements. If a person at the hearing acts in a disorderly manner and persists after notice from the chairperson, the chairperson may order the person to leave the hearing. If the order is refused the chairperson may order the sheriff or other person to take the disorderly person into custody until the hearing is adjourned for that day.

5. At the termination of the hearing the grievance committee shall determine in writing whether or not the charge is well-founded and shall take such action by way of suspension, demotion, discharge or reinstatement as it considers requisite and proper under the circumstances and file the same with the secretary of the committee.

5m. No deputy may be suspended, demoted or discharged by the grievance committee under subd. 3. or 5., based on charges filed by the sheriff, undersheriff or a majority of the members of the civil service commission for the selection of deputies unless the committee determines whether there is just cause, as described

in this subdivision, to sustain the charges. In making its determination, the committee shall apply the following standards, to the extent applicable:

a. Whether the deputy could reasonably be expected to have had knowledge of the probable consequences of the alleged conduct.

b. Whether the rule or order that the deputy allegedly violated is reasonable.

c. Whether the sheriff, before filing the charge against the deputy, made a reasonable effort to discover whether the deputy did in fact violate a rule or order.

d. Whether the effort described under subd. 5m. c. was fair and objective.

e. Whether the sheriff discovered substantial evidence that the deputy violated the rule or order as described in the charges filed against the deputy.

f. Whether the sheriff is applying the rule or order fairly and without discrimination to the deputy.

g. Whether the proposed discipline reasonably relates to the seriousness of the alleged violation and to the deputy's record of service with the sheriff's department.

6. The accused may appeal from the order to the circuit court by serving written notice of the appeal on the secretary of the committee within 10 days after the order is filed. Within 5 days after receiving written notice of the appeal, the board shall certify to the clerk of the circuit court the record of the proceedings, including all documents, testimony and minutes. The action shall then be at issue and shall have precedence over any other cause of a different nature pending in the court, which shall always be open to the trial thereof. The court shall upon application of the accused or of the board fix a date of trial, which shall not be later than 15 days after such application except by agreement. The trial shall be by the court and upon the return of the board, except that the court may require further return or the taking and return of further evidence by the board. The question to be determined by the court shall be: "Upon the evidence is there just cause, as described under subd. 5m., to sustain the charges against the accused?" No costs shall be allowed either party and the clerk's fees shall be paid by the county. If the order of the committee is reversed, the accused shall be forthwith reinstated and entitled to pay as though in continuous service. If the order of the committee is sustained it shall be final and conclusive.

(c) The board of any county enacting the ordinance provided for in this subsection may provide that any deputy sheriff acting as such at the time of the enactment shall be eligible to such appointment without examination.

(cm) Any board may by a majority vote establish, by ordinance in connection with the enactment of an ordinance providing for civil service selection and tenure of deputy sheriffs under pars. (a) and (b) or by amendment to such an ordinance previously enacted, a traffic division of the sheriff's department and fix the number of deputy sheriffs as traffic patrolmen and other employees in said division in which case s. 83.016 shall become inoperative as to that county. The board in such ordinance shall further provide that the personnel in such traffic division of the sheriff's department shall be appointed and hold their positions in the manner and under the conditions set forth in pars. (a) and (b). The board may also provide that traffic patrolmen who have been appointed under s. 83.016 and who are employed by the county at the time of the enactment of the ordinance under this subsection establishing a traffic division in the sheriff's department and providing civil service therefor shall be appointed to positions in such traffic division without examination.

(d) Enactment of the ordinances provided for by this subsection shall not preclude the board from thereafter amending or repealing such ordinances, but such amendment or repeal shall not be effective unless voted by the affirmative vote of three-fourths of the members-elect of such board. The civil service provisions of this section shall apply only to such deputies or traffic patrol-

men who are regularly employed by the county or sheriff and shall not apply to honorary deputies. Notwithstanding the provisions of this subsection the board may enact a civil service ordinance for county employees under s. 59.52 (8) which civil service ordinance may include deputy sheriffs or traffic patrolmen, or both.

(9) (a) A deputy sheriff in any county may not be suspended or dismissed under sub. (8) or s. 59.52 (8) or 63.10 without pay or benefits, for any action taken that is within the scope of the deputy's employment, until the matter that is the subject of the suspension or dismissal is disposed of by the grievance committee or civil service commission or the time for appeal of that matter passes without an appeal being made.

(b) An ordinance of any county or a collective bargaining agreement may not diminish or abridge a right of a deputy sheriff that is granted under par. (a). An ordinance of such a county or a collective bargaining agreement may supplement and expand such a right in a manner that is not inconsistent with par. (a).

(c) If the matter that is the subject of the suspension or dismissal is decided adversely to the deputy sheriff by the grievance committee or the civil service commission, the time for appeal passes without an appeal being made or the deputy's appeal to the circuit court is decided adversely to the deputy, all pay and benefits received by the deputy sheriff between the time of his or her suspension or dismissal and the latest of an adverse ruling by the committee, the commission or the court or the time for appeal passes shall be returned to the county.

(10) (a) Notwithstanding the provisions in subs. (1) (intro.), (2), (3), and (8) (a), and subject to par. (b), if a county provides law enforcement services to a city or village under ss. 59.03 (2) (e) and 62.13 (2s) and if the sheriff appoints additional deputies under sub. (2) to provide the services, the sheriff shall, to the greatest extent possible, fill the additional deputy positions from the ranks of former police officers who lost their positions when their department was abolished under s. 62.13 (2s) (a). With regard to each contract that is entered into under s. 59.03 (2) (e), this provision does not apply on or after the first day of the 25th month beginning after the contract takes effect in the county.

(b) Paragraph (a) applies only to the extent that it is not inconsistent with any collective bargaining agreement that is in effect between a county and its employees.

History: 1975 c. 198; 1977 c. 26; 1983 a. 27; 1983 a. 192 ss. 125, 303 (1); 1989 a. 221; 1991 a. 39, 316; 1993 a. 53; 1995 a. 201 s. 273; Stats. 1995 s. 59.26; 1995 a. 225 ss. 154, 155; 2001 a. 9, 107; 2003 a. 33 ss. 1523, 9160; 2005 a. 40; 2009 a. 154; 2013 a. 20; 2015 a. 55; 2017 a. 207 s. 5.

Upon reinstatement of an unreasonably suspended deputy sheriff, the amount of pay due is to be reduced by amounts earned in other employment during the period of suspension. State ex rel. Klingler v. Baird, 56 Wis. 2d 460, 202 N.W.2d 31 (1972).

The burden of establishing a lack of reasonable and diligent efforts by suspended deputy sheriffs to seek other employment and the availability of employment is on the employer. State ex rel. Schilling v. Baird, 65 Wis. 2d 394, 222 N.W.2d 666 (1974).

A sheriff's assignment of a deputy to an undercover drug investigation falls within the constitutionally protected powers of the sheriff and could not be limited by a collective bargaining agreement. Manitowoc County v. Local 986B, 168 Wis. 2d 819, 484 N.W.2d 534 (1992).

Under s. 59.21 (8) (b) [now sub. (8) (b)] deputies have civil service protections and tenure beyond their initial term of appointment under sub. (4) and also have protections under collective bargaining agreements not in conflict with the statutes. Heitkemper v. Wirsing, 194 Wis. 2d 182, 533 N.W.2d 770 (1995). See also Brown County Sheriff Department v. Employees Ass'n, 194 Wis. 2d 266, 533 N.W.2d 766 (1995).

Section 165.85 (4) (b) governs the terms of employment of a probationary sheriff's deputy so that the discipline procedures under s. 59.21 (8) (b) [now sub. (8) (b)] do not apply and an applicable collective bargaining agreement controls. Hussey v. Outagamie County, 201 Wis. 2d 14, 548 N.W.2d 848 (Ct. App. 1996), 95–2948.

The court of appeals lacks jurisdiction to hear an appeal of a circuit court order under sub. (8) (b) 6. Public Safety & Justice Committee v. Erickson, 220 Wis. 2d 175, 582 N.W.2d 742 (Ct. App. 1998), 97–1621.

Under the Wisconsin Constitution, the sheriff has certain powers and prerogatives derived from the common law that cannot be limited by collective bargaining agreements. If a duty is one of those immemorial principal and important duties that characterized the office of sheriff at common law, the sheriff may choose the ways and means of performing the duty and cannot be limited by a collective bargaining agreement. Internal management and administrative duties fall within the "mundane and commonplace" duties not preserved at common law. Dunn County v. WERC, 2006 WI App 120, 293 Wis. 2d 637, 718 N.W.2d 138, 05–1917.

A collective bargaining agreement provision confining the powers of deputies serving as court security officers to the county judicial center and giving the clerk of courts priority over the sheriff in the scheduling, directing, and supervision of those deputies interferes with the sheriff's duty of attendance on the court, which is a duty preserved for the sheriff by the constitution. Dunn County v. WERC, 2006 WI App 120, 293 Wis. 2d 637, 718 N.W.2d 138, 05–1917.

The power to hire does not give character and distinction to the office of sheriff; it is not a power peculiar to the office. Certain duties of the sheriff at common law that are peculiar to the office and that characterize and distinguish the office are constitutionally protected from legislative interference, but the constitution does not prohibit all legislative change in the powers and duties of a sheriff as they existed at common law. Internal management and administrative duties that neither give character nor distinction to the office fall within the mundane and common administrative duties that may be regulated by the legislature. Hiring and firing personnel to provide food to inmates is subject to legislative regulation, including collective bargaining under s. 111.70. Kocken v. Wisconsin Council 40 AFSCME, 2007 WI 72, 301 Wis. 2d 266, 732 N.W.2d 828, 05–2742.

The assignment of deputies to transport federal and state prisoners to and from a county jail pursuant to a contract for the rental of bed space is not a constitutionally protected duty of the sheriff's office and is thus subject to the restrictions of a collective bargaining agreement. Ozaukee County v. Labor Ass'n of Wisconsin, 2008 WI App 174, 315 Wis. 2d 102, 763 N.W.2d 140, 07–1615.

A sheriff may not be restricted in whom the sheriff assigns to carry out the sheriff's constitutional duties if the sheriff is performing immemorial, principal, and important duties characterized as belonging to the sheriff at common law. Attending on the courts is one of the duties preserved for the sheriff by the constitution. When a sheriff effects the delivery of prisoners pursuant to court-issued writs, the sheriff is attending on the court and can contract with a private entity for the transportation of prisoners, rather than utilizing deputies employed by the sheriff's department. Brown County Sheriff's Department Non-Supervisory Labor Ass'n v. Brown County, 2009 WI App 75, 318 Wis. 2d 774, 767 N.W.2d 600, 08–2069.

When a collective bargaining agreement (CBA) provided a grievance procedure and stated that "in cases for proper cause, this [grievance] procedure shall be followed insofar as it is consistent with [sub.] (8) (b)," and the court found that use of the grievance procedure in the CBA was "consistent with" sub. (8) (b), sub. (8) (b) allowed a dismissed deputy to choose to appeal the order of the grievance committee to circuit court or utilize the grievance procedure in the CBA. Waukesha County v. WERC, 2014 WI App 20, 352 Wis. 2d 707, 844 N.W.2d 385, 13–0375.

The sheriff does not have unilateral statutory authority under sub. (2) to determine the total number of deputies to be appointed. Section 59.22 plainly provides that a county board may establish the number of employees in any department or office including deputies to elective officers, and that section prevails over sub. (2). Thus, the county board, and not the sheriff, has the authority to regulate the number of law enforcement officers employed by the county. Milwaukee Deputy Sheriffs' Ass'n v. Milwaukee County, 2016 WI App 56, 370 Wis. 2d 644, 883 N.W.2d 154, 15–1577.

When a county has a civil service plan for deputy sheriffs, transfers may result in promotion, and such vacancies should be filled by examination and certification of three eligibles to the sheriff for appointment. 61 Atty. Gen. 10.

In counties where deputy sheriffs are under civil service under s. 59.21 (8) [now sub. (8)], the county board may provide job classifications for deputy sheriff positions that would form the basis of selection of competent personnel who could, on appointment by the sheriff, be assigned to perform duties on a felony squad on a countywide basis. By reason of s. 59.24 (1) [now s. 59.28 (1)], or by means of a posse comitatus, the sheriff could on a case-by-case basis assert leadership, direction, and control over the investigation of a crime in an area that has a police department, and it is the duty of local police to cooperate. 61 Atty. Gen. 79.

Section 63.065 is incorporated by reference into s. 59.21 (8) (a) [now sub. (8) (a)]. 68 Atty. Gen. 124.

This section does not affect a sheriff's power to call a posse comitatus. 68 Atty. Gen. 334.

In counties that have imposed no local residency requirement, only deputy sheriffs or undersheriffs appointed under s. 59.21 (1) [now sub. (1)] are required to be county residents at the time of initial employment. 80 Atty. Gen. 119.

A sheriff represents the county when enforcing the law. Sovereign immunity for state officials under the 11th amendment to the U.S. Constitution does not apply. Abraham v. Piechowski, 13 F. Supp. 2d 870 (1998).

59.27 Sheriff; duties. The sheriff of a county shall do all of the following:

(1) Take the charge and custody of the jail maintained by the county and the persons in the jail, and keep the persons in the jail personally or by a deputy or jailer.

(2) Keep a true and exact register of all prisoners committed to any jail under the sheriff's charge, in a book for that purpose, which shall contain the names of all persons who are committed to any such jail, their residence, the time when committed and cause of commitment, and the authority by which they were committed; and if for a criminal offense, a description of the person; and when any prisoner is liberated, state the time when and the authority by which the prisoner was liberated; and if any person escapes, state the particulars of the time and manner of such escape.

(3) Attend upon the circuit court held in the sheriff's county during its session, and at the request of the court file with the clerk thereof a list of deputies for attendance on the court. The court may by special order authorize additional deputies to attend when the court is engaged in the trial of any person charged with a crime. Except as otherwise provided in this section, the board shall establish the rate of compensation and the level of services to be provided. The sheriff or one or more deputies shall attend the court of appeals when it is in session in the sheriff's county. The state shall reimburse the county from the appropriation under s. 20.660

(1) for the actual salary paid to the sheriff or deputies for the service provided for the court of appeals.

(4) Personally, or by the undersheriff or deputies, serve or execute all processes, writs, precepts and orders issued or made by lawful authority and delivered to the sheriff.

(5) Deliver on demand to the sheriff's successor in office, when the sheriff's successor has qualified according to law, the jail and other property of the county and all prisoners in the jail, and all books, records, writs, processes, orders and other papers belonging to the sheriff's office and in the possession of the sheriff, undersheriff, jailer or deputies, except as provided in s. 59.33, and upon the delivery of these items the successor in office shall execute a receipt to the sheriff therefor.

(6) In counties having a population of 300,000 or more, assign one deputy, to be mutually agreed upon by the sheriff and the district attorney, to the office of the district attorney.

(7) Perform all other duties required of the sheriff by law.

(8) The sheriff is authorized to destroy all sheriff's dockets, daily jail records and cash books dated prior to 1901. It shall be the duty of the sheriff to retain and safely keep all such records for a period of 8 years, or a shorter period authorized by the public records board under s. 16.61 (3) (b), after which the records may be destroyed.

(9) When the sheriff is required to serve or execute a summons, order or judgment, or to do any other act, the sheriff shall be bound to do so in like manner as upon process issued to the sheriff, and shall be equally liable in all respects for neglect of duty; and if the sheriff is a party the coroner shall perform the service and all statutes relating to sheriffs shall apply to coroners where the sheriff is a party.

(10) To enforce in the county all general orders of the department of safety and professional services relating to the sale, transportation and storage of explosives.

(11) Conduct operations within the county and, when the board so provides, in waters of which the county has jurisdiction under s. 2.04 for the rescue of human beings and for the recovery of human bodies.

(12) Before conducting a sale of foreclosed property, contact the clerk of the federal bankruptcy court to determine whether the court has granted a stay of relief on that property.

(13) Enforce all city, or village, ordinances in a city, or village, in which the sheriff provides law enforcement services under a contract described under s. 62.13 (2s) (a).

Staffing an x-ray and metal detector security screening station is not one of those "certain immemorial, principal, and important duties of the sheriff at common law that are peculiar to the office of sheriff" and is not part of the sheriff's constitutionally protected powers that cannot be limited by a collective bargaining agreement. *Washington County v. Washington County Deputy Sheriff's Ass'n*, 2009 WI App 116, 320 Wis. 2d 570, 772 N.W.2d 697, 08–1210.

The transport of individuals in conjunction with the service or execution of all processes, writs, precepts, and orders constitute immemorial, principal, and important duties that characterize and distinguish the office of sheriff and fall within the sheriff's constitutional powers, rights, and duties. As such, the sheriff has the constitutional authority to determine how to carry out those duties and can elect to privatize those duties. That sub. (4) specifically directs that the sheriff must act personally or by means of his undersheriff or deputies is not persuasive. The simple fact that the legislature codified a duty and responsibility of the sheriff, like providing food for jail inmates, does not strip sheriffs of any constitutional protections they may have regarding this duty. *Milwaukee Deputy Sheriff's Ass'n v. Clarke*, 2009 WI App 123, 320 Wis. 2d 486, 772 N.W.2d 216, 08–2290.

A sheriff has authority to aid in a rescue on ice on Lake Michigan. 60 Atty. Gen. 62.

Neither a sheriff nor a deputy can solicit or receive compensation not provided by law for official duties, but a deputy, while off duty, can be employed as a private security officer. 61 Atty. Gen. 256.

Neither the sheriff nor the county board may "privatize" the jailer function under sub. (1). 77 Atty. Gen. 94.

Neither a county nor a county sheriff possesses statutory authority to use county funds to establish a revolving bail fund for the purpose of making loans to persons allowing them to post bail for certain kinds of offenses for which they are booked into the county jail. OAG 1–09.

59.28 Peace maintenance; powers and duties of peace officers, cooperation.

(1) Sheriffs and their undersheriffs and deputies shall keep and preserve the peace in their respective counties and quiet and suppress all affrays, routs, riots, unlawful assemblies and insurrections; for which purpose, and for the service of processes in civil or criminal cases and in the apprehending or securing any person for felony or breach of the peace they and every coroner and constable may call to their aid such persons or power of their county as they consider necessary.

(2) County law enforcement agencies may request the assistance of law enforcement personnel or may assist other law enforcement agencies as provided in ss. 66.0313 and 66.0513.

History: 1995 a. 201 s. 282; Stats. 1995 s. 59.28; 1999 a. 150 s. 672.

Suppression of evidence is not required when a law enforcement officer obtains evidence outside of the officer's jurisdiction. Any jurisdictional transgression violates the appropriate jurisdiction's authority not the defendant's rights. *State v. Mieritz*, 193 Wis. 2d 571, 534 N.W.2d 632 (Ct. App. 1995).

A state traffic patrol officer should not, except in extreme emergencies, be impressed into service as part of a posse comitatus under sub. (1). If so impressed, the officer is entitled to worker's compensation, if injured, from the county or municipality but would not be entitled to regular pay from the state and probably would not be entitled to worker's compensation from the state. 62 Atty. Gen. 38.

The statutes do not permit the creation of a separate regional law enforcement agency, and neither the sheriff nor the county board has power to delegate supervisory or law enforcement powers to such an agency. 63 Atty. Gen. 596.

A sheriff may not unilaterally withdraw investigative services provided to one urbanized town within the county because the town maintains its own police department. 81 Atty. Gen. 24.

59.29 Transportation, apprehension of criminals.

(1) TRANSPORTATION OF CRIMINALS THROUGH OTHER COUNTIES; REWARDS FOR THEIR APPREHENSION. (a) Any sheriff or other officer who has legally arrested any person in any county may pass across and through such parts of any other county or counties as are in the ordinary route of travel from the place where such person was arrested to the place where the person is to be conveyed, according to the command of the process by which such arrest was made; and such conveyance of such prisoner shall not be considered an escape, nor shall the prisoner so conveyed or the officers having the prisoner in custody be liable to arrest on any civil process while passing through such other county or counties.

(b) Whenever a person convicted of, or charged with, any felony, the punishment for which is not less than 5 years' imprisonment, shall escape, or whenever any such felony shall be committed by any unknown person or persons the sheriff of the county from which such escape was made or in which such felony was committed may, with the consent of the chairperson of the board of such county when such board is not in session, and with the consent of the board when it is in session, offer such reward for the apprehension and delivery of such escaped person, or the apprehension or conviction of the perpetrator of such felony as the sheriff considers necessary, not exceeding \$1,000 in any one case; but no such reward or any part thereof shall be paid to any such sheriff, undersheriff or any deputy. The right to any such reward shall be determined finally by such sheriff; and if more than one person claims the reward the sheriff shall determine what portion, if any, the claimants are entitled to, and shall certify the determination to the treasurer, and such certificate shall be the treasurer's authority for paying the sum so certified.

(2) COMPENSATION FOR APPREHENSIONS IN OTHER STATES; CONDITIONS. (a) In all cases where by the laws of this state the governor is authorized to demand of the executive authority of any other state any fugitive from justice or any person charged with a crime in this state and to appoint an agent to receive such person, and such person is apprehended in any other state by the sheriff or deputy sheriff of the county in this state where the warrant for such fugitive from justice is properly issued, or such crime was committed, and such person voluntarily returns with said sheriff to this state without requisition, such sheriff shall be entitled to \$8 per day for the time necessarily expended in traveling to, apprehending and returning with such person and the sheriff's actual and necessary expenses for such time, which compensation and expenses shall be allowed by the board of such county upon the presentation thereto of an itemized and verified account, stating the number of days that the sheriff was engaged, the number of miles traveled and each item of expense incurred in rendering such services, including the transportation and board of the person in custody. No allowance whatever shall be made to the sheriff as mileage.

(b) The sheriff of any county having less than 300,000 population shall not receive the compensation provided under par. (a), unless the apprehension was duly authorized in writing by the district attorney or by the circuit judge for the county where the crime was committed. The written authority shall certify that the ends of justice will be served by the apprehension and return of the person, and the sheriff shall attach the certificate to and file it with his or her itemized account of such services.

(c) If the district attorney certifies in writing that it is necessary or desirable, the sheriff or deputy sheriff may be accompanied and assisted in retaining custody of any such prisoner, by one or more other deputy sheriffs, who shall be entitled to compensation for such services at the rate of \$5 per day, unless a different rate is established by resolution of the board, and to their necessary and actual expenses. Such compensation and expenses shall be claimed and allowed in the manner provided in par. (a) and the said certificate of the district attorney shall be attached to the verified account of such deputy for such services.

History: 1977 c. 449; 1991 a. 316; 1995 a. 201 ss. 285, 289, 290; 1995 a. 225; 1997 a. 35.

The authority of county officials to offer rewards for the arrest or conviction of persons violating the criminal law is limited to the circumstances set forth in s. 59.25 (2) [now sub. (1) (b)]. 63 Atty. Gen. 555.

59.30 Not to act as attorney. No sheriff, undersheriff, deputy, coroner or medical examiner shall appear or practice as an attorney in any court, draw or fill up any writ, pleading or proceeding for a party in any action, nor, with the intent to be employed in the collection of any demand or the service of any process, advise or counsel any person to commence an action or proceeding; and for violation of this section every such officer shall forfeit not more than \$50.

History: 1973 c. 272; 1995 a. 201 s. 286; Stats. 1995 s. 59.30; 1997 a. 35.

59.31 Service on sheriff; how made. Every writ, notice or other paper required to be delivered to or served on any sheriff may be served by leaving the same at the sheriff's office during the hours it is required to be kept open; but if there is any person belonging to such office therein, such writ, notice or other paper shall be delivered to such person; and every such service shall be considered equivalent to a personal delivery to or service on such sheriff.

History: 1991 a. 316; 1995 a. 201 s. 287; Stats. 1995 s. 59.31.

59.32 Fees received by sheriff. (1) SHERIFF; FEES. The sheriff shall collect the fees prescribed in s. 814.70, unless a higher fee is applicable under s. 814.705 (1) (a) or (2), and remit them to the treasurer as provided in s. 59.22 (1) (b).

(2) FEES, HOW COLLECTED. All fees allowed to the sheriff upon the service of an execution or a writ for the collection of money or judgment for the sale of real estate and advertising thereon shall be collected by virtue of the execution, writ or judgment in the same manner as the sum therein directed to be collected.

(3) FEES, HOW PAID. All fees to which sheriffs or their deputies are entitled for attendance required by law upon any court of record shall be paid out of the treasury of the county in which the services were rendered in the manner that fees of jurors attending such courts are paid; and whenever any such officer is required to perform any service for the state, which is not chargeable to the officer's county or some officer or person, that officer's account therefor shall be paid out of the state treasury.

(4) EXCESSIVE FEES. No sheriff, undersheriff or deputy shall directly or indirectly ask, demand or receive for any services or acts to be performed by that officer in the discharge of any of that officer's official duties any greater fees than are allowed by law; and for the violation of any of the provisions of this subsection every such officer shall be liable in treble damages to the party aggrieved and shall forfeit not less than \$25 nor more than \$250.

History: 1991 a. 316; 1995 a. 201 ss. 288, 291 to 294; 1995 a. 225; 1997 a. 27.

Because fingerprinting is not one of the items that is mentioned in s. 814.70, fingerprinting persons that have been arrested or taken into custody is not an item for which the sheriff may charge a fee. Further, a sheriff cannot impose a charge for fingerprinting persons who need to submit fingerprints to the Department of Justice in order to be eligible for certain occupations or certain kinds of employment, as a county or a county officer has only such power as is conferred by statute, either expressly or by clear implication. OAG 6–09.

59.33 Powers after term. (1) Every undersheriff and deputy sheriff, compensated for services by fees or by part salary and part fees, may execute and return all writs, processes and orders in their hands at the expiration of the sheriff's term of office and which the undersheriff or deputy sheriff has, before that time, begun to execute by service, levy, advertisement or the collection of money thereon.

(2) In counties where the compensation of sheriffs, undersheriffs and deputies has been changed from the fee to the salary system, the sheriff, immediately upon the expiration of the sheriff's term, shall turn over to the sheriff's successor all writs, processes and orders in the hands of the sheriff, or in the hands of the undersheriff or deputies, whether or not such writs, processes and orders have been partly or fully executed or returned, and such successor shall execute and return or complete the execution and return of such writs, processes and orders.

(3) In case of a vacancy in the office of sheriff, of any county, the undersheriff and deputies then in office having then any writ, process or order in their hands shall have the same authority and be under the same obligation to serve, execute and return the same as if the sheriff had continued in office.

History: 1987 a. 181; 1991 a. 316; 1995 a. 201 s. 295.

59.34 Coroner, medical examiner duties; coroner, medical examiner compatibility. (1) CORONER; MEDICAL EXAMINER; DUTIES. The coroner shall do all of the following:

(a) Participate in inquest proceedings when required by law, except that in any county with a population of 750,000 or more and all counties which have instituted the medical examiner sys-

tem this duty and the powers incident thereto shall be vested exclusively in the office of the medical examiner. Except as provided under s. 59.38 (5), the board shall appoint the medical examiner. The office may be occupied on a full-time or part-time basis and the officeholder shall be paid compensation as the board by ordinance provides. The duties performed by the county coroner and not vested in the medical examiner shall be performed by the clerk. The medical examiner may appoint such assistants as the board authorizes. Whenever requested by the court or district attorney, the medical examiner shall testify to facts and conclusions disclosed by autopsies performed by him or her, at his or her direction or in his or her presence; shall make physical examinations and tests incident to any matter of a criminal nature up for consideration before either the court or district attorney upon request; shall testify as an expert for either the court or the state in all matters where the examinations or tests have been made; and shall perform such other duties of a pathological or medicolegal nature as may be required.

(b) When there is no sheriff or undersheriff in any county organized for judicial purposes, exercise all the powers and duties of sheriff of that county until a sheriff is elected or appointed and qualified; and when the sheriff for any cause is committed to the jail of that county, be keeper thereof during the time that the sheriff remains a prisoner therein.

When a clerk of court customarily supplied an affidavit form to persons claiming witness fees, the statutes, as well as custom and common sense, required the clerk to furnish the form affidavit for signing, and entitled the petitioner to expect that the service, routinely furnished others, would be available to him. *State ex rel. Hurley v. Schmidley*, 48 Wis. 2d 659, 180 N.W.2d 605 (1970).

Under s. 59.42 (1) [now sub. (3) (a)], a clerk retains discretion to refuse to file documents unless the fee is tendered, even though the standard may result in inconsistent policies among the counties. *Giese v. LIRC*, 153 Wis. 2d 212, 450 N.W.2d 489 (Ct. App. 1989).

The payment to a county under s. 59.42 (2) [now sub. (3) (b)] of interest earned on a condemnation award deposited with the clerk is not an unconstitutional taking. *Brongman v. Douglas County*, 164 Wis. 2d 718, 476 N.W.2d 611 (Ct. App. 1991).

The express powers to appoint and discharge deputies under this section are separate from those of the county and are not subject to a collective bargaining agreement entered into by the county. *Crawford County v. WERC*, 177 Wis. 2d 66, 501 N.W.2d 836 (Ct. App. 1993).

Crawford County, 177 Wis. 2d 66 (1993), is restricted to its facts. Deputized employees, apart from a chief deputy, are exempt from the terms of collective bargaining agreements only to the extent that they are managerial or supervisory employees. *Eau Claire County v. AFSCME Local 2223*, 190 Wis. 2d 298, 526 N.W.2d 802 (Ct. App. 1994).

Removal by the clerk of court of an employee with dual employment status as deputy court clerk and judicial assistant from the judicial assistant position was not authorized by sub. (1). The removal was subject to the terms of a collective bargaining agreement. *Winnebago County v. Courthouse Employees Ass’n*, 196 Wis. 2d 733, 540 N.W.2d 240 (Ct. App. 1995), 94–2504.

For a paper to be filed, it must be properly deposited with the clerk under sub. (2). “Properly” connotes complying with formality or correctness, but is not susceptible to exact definition. Delivery of papers to the clerk at his home after business hours was too far removed from legislative guidelines to be considered “properly deposited.” *Granado v. Sentry Insurance*, 228 Wis. 2d 794, 599 N.W.2d 62 (Ct. App. 1999), 98–3675.

Except for their elected superior’s power to appoint and discharge, chief deputies are subject to the Municipal Employment Relations Act, ss. 111.70 to 111.77, and are not excluded from a collective bargaining unit as a matter of law. *Oneida County v. WERC*, 2000 WI App 191, 238 Wis. 2d 763, 618 N.W.2d 891, 00–0466.

When read in conjunction with s. 32.05 (7) (d), sub. (3) (c) empowers a circuit judge to veto the clerk’s authority to invest a condemnation award and to direct the clerk to transfer the award from the clerk’s control into a private account for the benefit of the persons named in the award or to otherwise invest the funds for the benefit of those persons. Sub. (3) (c) empowers a circuit judge not only to veto the clerk’s authority to invest and control the interest on condemnation awards but also to veto the clerk’s authority over “certain” other funds deposited with the clerk, so long as

the funds relate to a case before the judge’s court. *HSBC Realty Credit Corp. v. City of Glendale*, 2007 WI 94, 303 Wis. 2d 1, 735 N.W.2d 77, 05–1042.

Granado, 228 Wis. 2d 794 (1999), holds that the court clerk as a constitutional officer has the discretion to adopt a policy, as long as the policy complies with the statutory guidelines indicating when and where the clerk’s duties should be performed. A register of deeds does not have authority to correct an original recording of a deed made by a predecessor. 61 Atty. Gen. 189.

In a county maintaining a tract index system, the register of deeds must enter into the index any deed, mortgage, or other recorded instrument that affects title to or mentions an indexed tract or any part thereof. 63 Atty. Gen. 254.

Section 59.513 [now sub. (5)] does not apply unless the instrument affects real estate in the manner described in the statute. 63 Atty. Gen. 594.

Registers of deeds have no obligation to file or record "common-law liens" or "common-law writs of attachment." 69 Atty. Gen. 58.

Registers of deeds entering into contracts under sub. (2) (c) may insist on provisions protecting the identity and integrity of records obtained under the contracts and protecting the public. Authority to require provisions directly prohibiting the contracting party from selling or disseminating copies of the records is not prohibited and may reasonably be implied from the general contracting authority under sub. (2) (c). OAG 1-03.

The fee requirements of sub. (2) (b), not those of s. 19.35 (3), apply to electronic copies of records obtained pursuant sub. (4), unless the requester has entered into a contract authorized by sub. (2) (c). OAG 1-03.

Under s. 706.05 (1), only instruments that affect an interest in land are entitled to be recorded. A land patent is the instrument by which the government conveys title to portions of the public domain to private individuals. "Land patents," "updates of land patent," and other similarly-titled documents filed by private individuals that purport to be grants of private land from private individuals to themselves or other private individuals are not true land patents and are invalid on their face and not entitled to recording under s. 706.05 (1). OAG 4-12.

59.44 County abstractor; appointment; duties; fees.

(1) (a) Except as provided under par. (b), whenever any county adopts a tract index system or any recognized chain of title system, the board may create a department to be known as an abstract department, either in connection with or independent of the office of the register of deeds, as the board considers advisable. The board may appoint a competent person for a term of 2 years, who shall be known as the county abstractor, and shall have charge of and operate the abstract department. The board shall furnish a seal for the abstractor, who shall place the seal on every abstract issued by the abstractor.

(b) In any county with a county executive or a county administrator, if the county creates an abstract department under par. (a), the county executive or county administrator shall appoint and supervise the county abstractor. Such appointment shall be subject to confirmation by the board unless the board, by ordinance, elects to waive confirmation or unless the appointment is made under a civil service system competitive examination procedure established under s. 59.52 (8) or ch. 63.

(2) The register of deeds shall be eligible to hold the office of county abstractor and may hold both offices at the same time.

(3) The county abstractor shall make and deliver to any person an abstract of title to any land in the county, upon the payment of the required fee.

(4) The board shall fix the salary of said abstractor, provide such clerical assistance as may be necessary and fix their compensation and shall fix the fees to be received for the compiling and furnishing of abstracts and may at any time prescribe regulations for the operation and conduct of said department. All fees received for the compiling and furnishing of abstracts shall be paid into the county treasury.

(5) The board may by two-thirds vote of all the members of the board discontinue furnishing abstracts.

Within 60 days after completing any survey, the county surveyor shall make a true and correct copy of the foregoing record, in record books or on reproducible papers to be furnished by the county and kept in files in the office of the county surveyor to be provided by the county. In a county with a population of 750,000 or more where there is no county surveyor, a copy of the record shall also be filed in the office of the regional planning commission which acts in the capacity of county surveyor for the county.

3. Furnish a copy of any record, plat or paper in the office to any person on demand and upon payment to the county of the required fees.

59.46 Penalty for nonfeasance. Any county surveyor, any city, village, or town engineer, or any professional land surveyor who fails or refuses to perform any duty required of that person by law shall forfeit not less than \$25 nor more than \$50 for each such failure or refusal.

59.47 County auditors; powers; duties. (1) In every county, except as provided in s. 59.255 (2) (i), the clerk shall act as auditor, unless a separate office of county auditor is created as provided in sub. (2), and, when directed by resolution of the board, shall examine the books and accounts of any county officer, board, commission, committee, trustees or other officer or employee entrusted with the receipt, custody or expenditure of money, or by

or on whose certificate any funds appropriated by the board are authorized to be expended, whether compensated for services by fees or by salary, and all original bills and vouchers on which moneys have been paid out and all receipts of moneys received by them. The clerk shall have free access to such books, accounts, bills, vouchers and receipts as often as may be necessary to perform the duties required under this subsection and he or she shall report in writing the results of the examinations to the board.

(2) The board by resolution may create a separate office of county auditor and may fix the compensation of the auditor. The auditor shall perform the duties and have all of the powers conferred upon the clerk as auditor by sub. (1), and shall perform such additional duties and shall have such additional powers as are imposed and conferred upon him or her from time to time by resolution adopted by the board.

(3) If a county auditor's office is created under sub. (2), the chairperson of the board shall appoint a person known to be skilled in matters of public finance and accounting to act as county auditor. The appointment shall be made under ss. 63.01 to 63.17 and shall be subject to confirmation by the board. The auditor shall direct the keeping of all of the accounts of the county, in all of its offices, departments and institutions, and shall keep books of account necessary to properly perform the duties of the office. The auditor's salary and the amount of the official bond shall be fixed by the board. The auditor shall perform all duties pertaining to the office, have all of the powers and perform the duties in sub.

(1) and perform other duties imposed by the board.

(4) The board by resolution may authorize a county auditor appointed under sub. (3) to appoint a deputy auditor under ss. 63.01 to 63.17 to aid him or her in the discharge of the duties of his or her office, and who, in the absence or disability of the county auditor, or in case of a vacancy in said office, shall perform all the duties of the office of county auditor until such vacancy is filled, or disability is removed. Such deputy shall execute and file an official bond in the same amount as that given by the county auditor.

The statutory duties of the county clerk under ch. 70 may not be transferred to the county auditor, but the county auditor may be granted supervisory authority over the manner in which such duties are exercised. OAG 6–08.

The removal of the county auditor is subject to the specific civil service provisions established by ordinance or resolution of the county board under ss. 63.01 to 63.17 and is not governed by the more general removal provision contained in s. 17.10 (3). Rather than creating the separate office of county auditor pursuant under sub. (2), a county board could create a department of administration under s. 59.52 (1) (b) and assign administrative audit functions to that department under that statute. If the administrative function is under the jurisdiction of the county auditor the function may be assigned to the department of administration. A person in the department of administration who performs audit functions therefore need not be appointed using civil service procedures. OAG 6–08.

59.48 County assessor. The county executive elected under s. 59.17 or the county administrator elected or appointed under s. 59.18 shall appoint a county assessor as prescribed in and subject to the limitations of s. 70.99, approve the hiring of the assessor's staff as prescribed in that section and otherwise comply with that section. In counties with neither a county executive nor a county administrator the appointment of the county assessor shall be the duty of the chairperson of the board subject to the approval of the board and subject to the limitations of s. 70.99. The hiring of the assessor's staff shall be the duty of the county assessor subject to the limitations of s. 70.99.

Any organizational or administrative power conferred under this subchapter shall be in addition to all other grants. A county board may exercise any organizational or administrative power under this subchapter without limitation because of enumeration, and these powers shall be broadly and liberally construed and limited only by express language.

No such function shall be assigned to the department where the performance of the same by some other county office, department or commission is required by any provision of the constitution or statutes of this state, except that administrative functions under the jurisdiction of the county civil service commission or the county auditor may be so assigned notwithstanding sub. (8) and ss. 59.47, 59.60 and 63.01 to 63.17. Such director shall be appointed by the county executive in the unclassified civil service and is subject to confirmation by the county board, as provided in s. 59.17 (2) (bm).

(b) Any county with a population of less than 750,000 may create a department of administration and assign any administrative function to the department as it considers appropriate, except that no administrative function may be assigned to the department if any other provision of state law requires the performance of the function by any other county office, department or commission unless the administrative function is under the jurisdiction of the county civil service commission or the county auditor, in which case, the function may be assigned to the department notwithstanding sub. (8) and ss. 59.47, 59.60 and 63.01 to 63.17. Except as provided under par. (a), in any county with a county executive or county administrator, the county executive or county administrator shall have the authority to appoint and supervise the head of a department of administration; and except as provided under par. If the order is to rebind such book, record or plat, the rebinding must be done under the direction of the officer in charge of the book, record or plat, and in that officer's office. If the order is to transcribe such

book, record or plat, the officer having charge of the same shall provide a suitable book for that purpose; and thereupon such officer shall transcribe the same in the book so provided and carefully compare the transcript with the originals, and make the same a correct copy thereof, and shall attach to the transcript a certificate over that officer's official signature that that officer has carefully compared the matter therein contained with, and that the same is a correct and literal copy of the book, record or plat from which the same was transcribed, naming such book. The certified copy of the book, record or plat shall have the same effect in all respects as the original, and the original book, record or plat shall be deposited with the treasurer and carefully preserved, except that in counties having a population of 750,000 or more where a book containing a tract index is rewritten or transcribed the original book may be destroyed. The order of the board directing the transcribing of any book, record or plat duly certified by the clerk shall, with such certificate, be recorded in each copy of the book, record or plat transcribed. The fee of the officer for such service shall be fixed by the board, not exceeding 10 cents per folio, or if such books or any part thereof consist of printed forms, not to exceed 5 cents per folio for such books or records, to be paid by the county.

Finance such projects, including necessary sites, by the issuance of revenue bonds under s. 66.0621, and payable solely from the income, revenues and rentals and fees derived from the operation of the project financed from the proceeds of the bonds. If any such project is constructed on a site owned by the county before the issuance of the bonds, the county shall be reimbursed from the proceeds of the bonds in the amount of not less than the reasonable value of the site. The reasonable value of the site shall be determined by the board after having obtained written appraisals of value by 2 general appraisers, as defined in s. 458.01 (11), in the county having a reputation for skill and experience in appraising real estate values. Any bonds issued under this subsection shall not be included in arriving at the constitutional debt limitation.

3. Operate or lease such projects in their entirety or in part, and impose fees or charges for the use of or admission to such projects. Such projects may include space designed for leasing to others if such space is incidental to the purposes thereof.

(e) *Leases to department of natural resources.* Lease lands owned by the county to the department of natural resources for game management purposes. Lands so leased shall not be eligible for entry under s. 28.11. Of the rental paid by the state to the county for lands so leased, 60 percent shall be retained by the county and 40 percent shall be paid by the county to the town in which the lands are located and of the amount received by the town, 40 percent shall be paid by the town to the school district in which the lands are located. The amount so paid by a town to a joint school district shall be credited against the amount of taxes certified for assessment in that town by the clerk of the joint school district under s. 120.17 (8), and the assessment shall be reduced by such amount. In case any leased land is located in more than one town or school district the amounts paid to them shall be apportioned on the basis of area. This paragraph shall not affect the distribution of rental moneys received on leases executed before June 22, 1955.

(7) **JOINT COOPERATION.** The board may join with the state, other counties and municipalities in a cooperative arrangement as provided by s. 66.0301, including the acquisition, development, remodeling, construction, equipment, operation and maintenance of land, buildings and facilities for regional projects, whether or not such projects are located within the county. If a county is required to establish or maintain an agency, department, commission, or any other office or position to carry out a county responsibility, and the county joins with another county or municipality by entering into an intergovernmental cooperation contract under s. 66.0301 (2) to jointly carry out the responsibility, the jointly established or maintained agency, department, commission, or any other office or position to which the contract applies fulfills the county’s obligation to establish or maintain such entities or positions until the contract entered into under s. 66.0301 (2) expires

or is terminated by the parties. In addition, if 2 or more counties enter into an intergovernmental cooperation contract and create a commission under s. 66.0301 (2) to jointly or regionally administer a function or project, the commission shall be considered to be a single entity that represents, and may act on behalf of, the joint interests of the signatories to the contract entered into under s. 66.0301 (2).

(8) CIVIL SERVICE SYSTEM. (a) The board may establish a civil service system of selection, tenure and status, and the system may be made applicable to all county personnel, except the members of the board, constitutional officers and members of boards and commissions. The system may also include uniform provisions in respect to classification of positions and salary ranges, payroll certification, attendance, vacations, sick leave, competitive examinations, hours of work, tours of duty or assignments according to earned seniority, employee grievance procedure, disciplinary actions, layoffs and separations for just cause, as described in par. (b), subject to approval of a civil service commission or the board. The board may request the assistance of the department of administration and pay for such services, under s. 16.58.

(b) A law enforcement employee of the county may not be suspended, demoted, dismissed or suspended and demoted by the civil service commission or by the board, based either on its own investigation or on charges filed by the sheriff, unless the commission or board determines whether there is just cause, as described in this paragraph, to sustain the charges. In making its determination, the commission or the board shall apply the following standards, to the extent applicable:

1. Whether the employee could reasonably be expected to have had knowledge of the probable consequences of his or her alleged conduct.
2. Whether the rule or order that the employee allegedly violated is reasonable.
3. Whether the sheriff, before filing a charge against the employee, made a reasonable effort to discover whether the employee did in fact violate a rule or order.
4. Whether the effort described under subd. 3. was fair and objective.
5. Whether the sheriff discovered substantial evidence that the employee violated the rule or order as described in the charges filed against the employee.
6. Whether the sheriff is applying the rule or order fairly and without discrimination to the employee.
7. Whether the proposed discipline reasonably relates to the seriousness of the alleged violation and to the employee's record of service with the sheriff's department.

(c) If a law enforcement employee of the county is dismissed, demoted, suspended or suspended and demoted by the civil service commission or the board under the system established under par. (a), the person dismissed, demoted, suspended or suspended and demoted may appeal from the order of the civil service commission or the board to the circuit court by serving written notice of the appeal on the secretary of the commission or the board within 10 days after the order is filed. Within 5 days after receiving written notice of the appeal, the commission or the board shall certify to the clerk of the circuit court the record of the proceedings, including all documents, testimony and minutes. The action shall then be at issue and shall have precedence over any other cause of a different nature pending in the court, which shall always be open to the trial thereof. The court shall upon application of the accused or of the board or the commission fix a date of trial which shall not be later than 15 days after the application except by agreement. The trial shall be by the court and upon the return of the board or the commission, except that the court may require further return or the taking and return of further evidence by the board or the commission. The question to be determined by the court shall be: Upon the evidence is there just cause, as described in par. (b), to sustain the charges against the employee? No cost shall be allowed either party and the clerk's fees shall be paid by the

county. If the order of the board or the commission is reversed, the accused shall be immediately reinstated and entitled to pay as though in continuous service. If the order of the board or the commission is sustained, it shall be final and conclusive.

(8m) EMPLOYMENT OF COUNTY JAILERS. (a) The board of an employer that did not classify county jailers as protective occupation participants on January 1, 2024, shall provide to an individual who is employed as a county jailer the irrevocable option to elect not to be a protective occupation participant under s. 40.02 (48) (b) 5. when hired after January 1, 2024, as a county jailer for the employer. An individual shall make an election under this paragraph within 60 days of being hired, in writing and on a form provided by the board.

(b) The board of an employer that classified county jailers as protective occupation participants on January 1, 2024, and that subsequent to that date determines to classify county jailers as general participating employees shall provide to an individual who is employed as a county jailer on the date the board of the employer determines to classify county jailers as general participating employees the irrevocable option to not be a protective occupation participant under s. 40.02 (48) (b) 5. Such a board shall provide notice to county jailers of the board's determination and a jailer's opportunity to remain a protective occupation participant in writing, in a manner that the employer typically uses to provide notices to employees, and shall post such a notice where notices to employees are customarily posted. An individual shall make an election under this paragraph within 60 days after the determination by the board of the employer to classify county jailers as general participating employees, in writing and on a form provided by the board.

(c) The board of an employer that classified county jailers as protective occupation participants on January 1, 2024, and that subsequent to that date determines to classify county jailers as general participating employees shall provide to an individual who is hired as a county jailer after the date the board of the employer determines to classify county jailers as general participating employees the irrevocable option to elect to not become a protective occupation participant under s. 40.02 (48) (b) 5. An individual shall make an election under this paragraph within 60 days after being hired, in writing and on a form provided by the board.

(9) PURCHASING AGENT. The board may appoint a person or committee as county purchasing agent, and provide compensation for their services. Any county officer or supervisor may be the agent or a committee member. The purchasing agent shall provide all supplies and equipment for the various county offices and the board chairperson shall promptly sign orders in payment therefor. The board may require that all purchases be made in the manner determined by it.

(10) SALARIES AND AUTOMOBILE ALLOWANCE; WHEN PAYABLE. Salaries of county officers and employees shall be paid at the end of each month, but the board of any county may authorize the payment of such salaries semimonthly or once in every 2 weeks in such manner as it may determine. Payment for automobile allowance to officers and employees, duly authorized to use privately owned automobiles in their work for the county, shall be made upon certification of the respective department heads in a manner similar to that in which salaries are paid, provided such method of payment of automobile allowance is authorized by ordinance specifically stating the departments to which it applies.

(11) INSURANCE. The board may:

(a) *Liability and property damage.* Provide public liability and property damage insurance, either in commercial companies or by self-insurance created by setting up an annual fund for such purpose or by a combination thereof, covering without limitation because of enumeration motor vehicles, malfeasance of professional employees, maintenance and operation of county highways, parks, parkways and airports and any other county activities involving the possibility of damage to the general public.

(b) *Fire and casualty.* Provide for fire and casualty insurance for all county property.

(c) *Employee insurance.* Provide for individual or group hospital, surgical, and life insurance for county officers and employees and for payment of premiums for county officers and employees. A county with at least 100 employees may elect to provide health care benefits on a self-insured basis to its officers and employees. A county and one or more cities, villages, towns, other counties, county housing authorities, or school districts that together have at least 100 employees may jointly provide health care benefits to their officers and employees on a self-insured basis. Counties that elect to provide health care benefits on a self-insured basis to their officers and employees shall be subject to the requirements set forth under s. 120.13 (2) (c) to (e) and (g).

(d) *Bonds of officers and employees.* Provide for the protection of the county and public against loss or damage resulting from the act, neglect or default of county officers, department heads and employees and may contract for and procure bonds or contracts of insurance to accomplish that purpose either from commercial companies or by self-insurance created by setting up an annual fund for such purpose or by a combination thereof. Any number of officers, department heads or employees not otherwise required by statute to furnish an official bond may be combined in a schedule or blanket bond or contract of insurance. So far as applicable ss. 19.01 (2), (2m), (3), (4) (d) and (dm) and (4m) and 19.07 shall apply to the bonds or contracts of insurance. The bond shall be for a definite period. Each renewal of the bond shall constitute a new bond for the principal amount covering the renewal period.

Cross-reference: See also s. Ins 8.11, Wis. adm. code.

(12) ACCOUNTS AND CLAIMS; SETTLEMENT. The board may:

(a) Examine and settle all accounts of the county and all claims, demands or causes of action against the county and issue county orders therefor. In counties with a population of less than 50,000, the board may delegate its power in regard to current accounts, claims, demands or causes of action against the county to a standing committee where the amount does not exceed \$5,000. In counties with a population of 50,000 or more, the board may delegate its power in regard to current accounts, claims, demands or causes of action against the county to a standing committee if the amount does not exceed \$10,000. Instead of delegating its power under this paragraph to a standing committee, the board may, by resolution adopted by majority vote, delegate such power to the chairperson of a standing committee. Such a resolution remains in effect for one year after its effective date or until rescinded, whichever occurs first.

(b) Delegate its power in regard to any claim, demand or cause of action not exceeding \$500 to the corporation counsel. If the corporation counsel finds that payment of the claim to a claimant is justified, the corporation counsel may order the claim paid. The claim shall be paid upon certification of the corporation counsel and shall be annually reported to the board.

(13) INJURED COUNTY WORKERS. The board may, in addition to any payments made under ch. 102, make further payment in such amounts as the board determines to any county employee injured at any time before January 1, 1937, while performing services for the county, in cases in which such further payments were made over a period of time following the injury and were based on a moral obligation to such employee.

(14) OPTICAL DISC AND ELECTRONIC STORAGE. (a) Upon request of any office, department, commission, board, or agency of the county, the board may authorize any county record that is in the custody of the office, department, commission, board, or agency to be transferred to, or maintained in, optical disc or electronic storage in accordance with rules of the department of administration under s. 16.612. The board may thereafter authorize destruction of the original record, if appropriate, in accordance with sub. (4) and ss. 16.61 (3) (e) and 19.21 (5) unless preservation is required by law.

(b) Any copy of a county record generated from optical imaging or electronic formatting of an original record is considered an original record if all of the following conditions are met:

1. The devices used to transform the record to optical disc or electronic format and to generate a copy of the record from optical disc or electronic format are ones that accurately reproduce the content of the original.

2. The optical disc or electronic copy and the copy generated from optical disc or electronic format comply with the minimum standards of quality for such copies, as established by the rule of the department of administration under s. 16.612.

3. The record is arranged, identified, and indexed so that any individual document or component of the record can be located with the use of proper equipment.

4. The legal custodian of the record executes a statement of intent and purpose describing the record to be transferred to optical disc or electronic format and the disposition of the original record, and executes a certificate verifying that the record was received or created and transferred to optical disc or electronic format in the normal course of business and that the statement of intent and purpose is properly recorded in his or her office.

(c) The statement of intent and purpose executed under par. (b) 4. is presumptive evidence of compliance with all conditions and standards prescribed under par. (b).

(d) A copy of a record generated from an original record stored on an optical disc or in electronic format that conforms with the standards prescribed under par. (b) shall be taken as, stand in lieu of, and have all of the effect of the original record and shall be admissible in evidence in all courts and all other tribunals or agencies, administrative or otherwise, in all cases where the original document is admissible. A transcript, exemplification, or certified copy of such a record so generated, for the purposes specified in this paragraph, is deemed to be a transcript, exemplification, or certified copy of the original. An enlarged copy of any record so generated, made in accordance with the standards prescribed under par. (b) and certified by the custodian as provided in s. 889.18 (2), has the same effect as an actual-size copy.

(15) PRINTING IN LOCAL TAX ROLLS, ETC. The board may provide for the printing in assessment rolls and tax rolls and on data cards for local municipal officials, the descriptions of properties and the names of the owners thereof, but no municipality shall be subject to any tax levied to effect these functions where the municipality provides its own printing for the functions.

(16) PAYMENTS IN LIEU OF TAX. The board may:

(a) *Institutions, state farms, airports.* Appropriate each year to any municipality and school district in which a county farm, hospital, charitable or penal institution or state hospital, charitable or penal institution or state-owned lands used for agricultural purposes or county or municipally owned airport is located, an amount of money equal to the amount which would have been paid in municipal and school tax upon the lands without buildings, if those lands were privately owned. The valuation of the lands, without buildings, and computation of the tax shall be made by the board. In making the computation under this paragraph, lands on which a courthouse or jail are located and unimproved county lands shall not be included.

(b) *County veterans housing.* 1. If a county has acquired land and erected on that land housing facilities for rent by honorably discharged U.S. veterans of any war and the land and housing facilities are exempt from general taxation, appropriate money and pay to any school district or joint school district wherein the land and housing facilities are located a sum of money which shall be computed by obtaining the product of the following factors:

a. The tax rate for school district purposes of the school years for which the payment is made.

b. The ratio of the assessed valuation to the equalized valuation of the municipality in which the school district lies, multiplied

by the actual cost incurred by the county for the acquisition of the land and improvements on the land used for such purposes.

2. In case of a joint school district, computation shall be made on the basis of the valuation of the several municipalities in which the school district lies. If school buildings are inadequate to accommodate the additional school population resulting from the county veterans housing program, and the school district cannot legally finance the necessary increased facilities, the board may appropriate money and grant assistance to the school district but the assistance shall be used solely to finance the purchase of land and the erection and equipment of the necessary additional facilities.

(17) RETURN OF RENTS TO MUNICIPALITIES. The board may return to municipalities all or any part of rent moneys received by the county under leases of county-owned lands.

(18) RETURN OF FOREST INCOME TO TOWNS. The board may return and distribute to the several towns in the county all or any part of any money received by the county from the sale of any product from county-owned lands which are not entered under the county forest law under s. 28.11.

(19) DONATIONS, GIFTS AND GRANTS. The board may accept donations, gifts or grants for any public governmental purpose within the powers of the county.

(20) SHERIFF'S FAMILY PENSION. The board may appropriate money to the family of any sheriff or sheriff's deputies killed while in the discharge of official duties.

(21) COUNTY COMMISSIONS. Except in counties having a population of 750,000 or more, the board may fix and pay the compensation of members of the county park commission and the county planning and zoning commission for attendance at meetings at a rate not to exceed the compensation permitted supervisors.

(22) COUNTY BOARDS' ASSOCIATION. By a two-thirds vote, the board may purchase membership in an association of county boards for the protection of county interests and the furtherance of better county government.

(23) PURCHASE OF PUBLICATIONS. The board may purchase publications dealing with governmental problems and furnish copies thereof to supervisors, officers and employees.

(24) PARKING AREAS. The board may enact ordinances establishing areas for parking of vehicles on lands owned or leased by the county; for regulating or prohibiting parking of vehicles on such areas or parts of such areas, including, but not limited to, provision for parking in such areas or parts thereof for only certain purposes or by only certain personnel; for forfeitures for violations thereof, but not to exceed \$50 for each offense; and for the enforcement of such ordinances.

(25) ADVISORY AND CONTINGENT REFERENDA. The board may conduct a countywide referendum for the purpose of ratifying or validating a resolution adopted or ordinance enacted by the board contingent upon approval in the referendum. The board may not conduct a referendum for advisory purposes, except as provided under s. 66.0305 (6) or for an advisory referendum regarding capital expenditures proposed to be funded by the county property tax levy.

(26) TRANSCRIPTS. The board may procure transcripts or abstracts of the records of any other county affecting the title to real estate in such county, and such transcripts or abstracts shall be prima facie evidence of title.

(27) BAIL BONDS. The authority of the board to remit forfeited bond moneys to the bondsmen or their heirs or legal representatives, where such forfeiture arises as a result of failure of a defendant to appear and where such failure to appear is occasioned by a justifiable cause, is hereby confirmed.

(28) COLLECTION OF COURT IMPOSED PENALTIES. The board may adopt a resolution authorizing the clerk of circuit court, under s. 59.40 (4), to contract with a debt collector, as defined in s. 427.103 (3), or enter into an agreement with the department of revenue under s. 71.93 (8) for the collection of debt.

(29) PUBLIC WORK, HOW DONE; PUBLIC EMERGENCIES. (a) All public work, including any contract for the construction, repair, remodeling or improvement of any public work, building, or furnishing of supplies or material of any kind where the estimated cost of such work will exceed \$25,000 shall be let by contract to the lowest responsible bidder. Any public work, the estimated cost of which does not exceed \$25,000, shall be let as the board may direct. If the estimated cost of any public work is between \$5,000 and \$25,000, the board shall give a class 1 notice under ch. 985 before it contracts for the work or shall contract with a person qualified as a bidder under s. 66.0901 (2). A contract, the estimated cost of which exceeds \$25,000, shall be let and entered into under s. 66.0901, except that the board may by a three-fourths vote of all the members entitled to a seat provide that any class of public work or any part thereof may be done directly by the county without submitting the same for bids. This subsection does not apply to public construction if the materials for such a project are donated or if the labor for such a project is provided by volunteers. This subsection does not apply to highway contracts which the county highway committee or the county highway commissioner is authorized by law to let or make.

(b) The provisions of par. (a) are not mandatory for the repair or reconstruction of public facilities when damage or threatened damage thereto creates an emergency, as determined by resolution of the board, in which the public health or welfare of the county is endangered. Whenever the board by majority vote at a regular or special meeting determines that an emergency no longer exists, this paragraph no longer applies.

(30) LIMITATION ON PERFORMANCE OF HIGHWAY WORK. Notwithstanding ss. 66.0131, 66.0301, and 83.035, a county may not use its own workforce to perform a highway improvement project on a highway under the jurisdiction of another county or a municipality that is located in a different county unless one of the following applies:

(a) A portion of the project lies within the county performing the work and no portion of the project extends beyond an adjoining county.

(b) The project lies, wholly or in part, within a municipality that lies partially within the county performing the work.

(31) PUBLIC CONTRACTS, POPULOUS COUNTIES. (a) In this subsection, "county" means any county with a population of 750,000 or more.

(b) 1. Any contract with a value of at least \$100,000, but not more than \$300,000, to which a county is a party and which satisfies any other statutory requirements, may take effect only if the board's finance committee does not vote to approve or reject the contract within 14 days after the contract is signed or countersigned by the county executive, or as described in subd. 2.

2. If a board's finance committee votes to approve a contract described under subd. 1., the contract may take effect. If a board's finance committee votes to reject a contract described under subd. 1., the contract may take effect only if the contract is approved by a vote of the board within 30 days after the board's finance committee votes to reject the contract.

(c) Any single contract, or group of contracts between the same parties which generally relate to the same transaction, with a value or aggregate value of more than \$300,000, to which a county is a party and which satisfies any other statutory requirements, may take effect only if it is approved by a vote of the board.

(d) With regard to any contract to which a county is a party and which is subject to review by the board or by a committee of the board under this subsection, the board's finance committee is the only committee which has jurisdiction over the contract.

(e) With regard to any transaction to which s. 59.17 (2) (b) 3. applies, such a transaction is not subject to the provisions of pars. (b), (c), and (d).

(32) RESEARCH DEPARTMENT. In any county with a population of 750,000 or more, the board may enact an ordinance creating a department in county government to provide independent and

nonpartisan research services for the board and the county executive. The department may not consist of more than 4.0 full-time equivalent positions. Employees of the department shall be hired and supervised by the comptroller, and shall serve at the pleasure of the comptroller. Such a department shall respond to requests for services from the board and the county executive. The authority to create a department under this subsection may not be exercised after the county board enacts its budget for the 2017 fiscal year.

A county can contract with employees for special reserved parking privileges in a county ramp. *Dane County v. McManus*, 55 Wis. 2d 413, 198 N.W.2d 667 (1972).

Section 59.08 [now sub. (29)] does not compel the purchase of equipment from the lowest bidder. *Joyce v. Dunn County*, 192 Wis. 2d 699, 531 N.W.2d 628 (Ct. App. 1995).

Sub. (8) (c) does not provide the exclusive appeal remedy for discipline and termination of deputy sheriffs. A collective bargaining agreement providing for arbitration of disputes is enforceable. An employee may not pursue both a statutory appeal and arbitration however. *Eau Claire County v. General Teamsters Union Local No. 662*, 2000 WI 57, 235 Wis. 2d 385, 611 N.W.2d 744, 98–3197.

A county rule that allowed the imposition of a reevaluation period after suspension of a law enforcement employee did not conflict with sub. (8) (b) or s. 63.10 (2). The legislative decision in s. 63.10 (2) to permit a local government to impose discipline as its rules provide was dispositive in this case. When there had been a just cause determination and hearing for the conduct at issue, the county could impose a reevaluation period with consequences for another instance of that conduct without running afoul of the requirements of the statutes. However, the reevaluation period was required to conform to the county rule's requirements for specificity and relationship to the employee's violations. *Miller v. Milwaukee County Personnel Review Board*, 2016 WI App 83, 372 Wis. 2d 440, 887 N.W.2d 919, 15–2118.

Counties are without power to furnish equipment or supplies for, or to contract to do repair work on, private roads and driveways. 61 Atty. Gen. 304.

A county board is without authority to establish an alternative retirement system. 61 Atty. Gen. 371.

A county civil service ordinance enacted under s. 59.07 (20) [now sub. (8)], or a collective bargaining agreement under s. 111.70, establishing a procedure to be followed prior to the discharge of a classified employee, supersedes and modifies s. 59.38 (1) [now s. 59.40 (1) (a)]. 63 Atty. Gen. 147.

Section 59.07 (1) [now sub. (6)] is not sufficiently broad to permit a county to furnish housing for elderly and low-income persons when specific statutes provide for furnishing such housing. 63 Atty. Gen. 297.

Under s. 59.07 (1) (d) 1. [now sub. (6) (d) 1.], counties have authority to establish a hospital outpatient health facility to be used to train general practitioners of medicine as part of a program with the Medical College of Wisconsin. 65 Atty. Gen. 172.

Under s. 59.07 (1) (c) [now sub. (6) (c)], counties may make gifts of land or interests in lands only to enumerated public entities. 67 Atty. Gen. 236.

Under s. 59.07 (3) [now sub. (12)], a county board may require that all bills and claims be examined by it. 68 Atty. Gen. 38.

A county may enact an ordinance requiring its contractors to agree to a policy of nondiscrimination in employment, even though the ordinance provides broader protection than state and federal laws. 70 Atty. Gen. 64.

Section 59.08 (1) [now sub. (29) (a)] does not apply to architectural services. 76 Atty. Gen. 182.

A county has no statutory authority to award contracts only to unionized contractors. Federal preemption rules probably foreclose the exercise of such authority in any event. Federal preemption rules foreclose denying contracts to employers engaged in labor disputes. 79 Atty. Gen. 86.

A county may not acquire land specifically for the purpose of leasing it to a private entity to operate a racetrack; it may lease land initially acquired for a public purpose to such private entity, unless the land has become surplus. 80 Atty. Gen. 80.

A county board may not give land to a private corporation; the adequacy of a promise to build a factory on the land as consideration for the conveyance of land involves the application of the public purpose doctrine to the specific facts of the conveyance. 80 Atty. Gen. 341.

A county with a population of less than 250,000 is not required to designate an official newspaper. A county is not required to seek bids for the publication of legal notices. Even if a county does not competitively bid the publication of its own proceedings as provided in s. 59.14 (3), it may print its own proceedings or post them on its website. A county may not, in lieu of publication in a printed newspaper or posting on a physical bulletin board, post its legal notices on its official website. OAG 2–08.

The removal of the county auditor is subject to the specific civil service provisions established by ordinance or resolution of the county board under ss. 63.01 to 63.17 and is not governed by the more general removal provision contained in s. 17.10 (3). Rather than creating the separate office of county auditor pursuant under s. 59.47 (2), a county board could create a department of administration under sub. (1) (b) and assign administrative audit functions to that department under that statute. If the administrative function is under the jurisdiction of the county auditor the function

may be assigned to the department of administration. A person in the department of administration who performs audit functions therefore need not be appointed using civil service procedures. OAG 6–08.

Municipal competitive bidding statutes do not apply to projects undertaken by intergovernmental agreement or when the municipalities that will perform the work have made a determination under sub. (29) to do the work themselves with their own employees. OAG 5–09.

A sale or lease under sub. (6) (c) of property rights for adequate consideration generally would suffice for purposes of the constitutional public purpose doctrine. History: 1995 a. 201 ss. 151, 153, 169, 413, 188, 192, 198, 201 to 206, 208, 217, 229, 234, 237, 241, 334, 362, 364, 436, 453; 1995 a. 225 ss. 164, 170; 1995 a. 279 s. 7; 1995 a. 289 s. 217; 1995 a. 404 ss. 184, 186; 1997 a. 3, 27, 35, 41, 191, 252; 1999 a. 150 s. 672; 2001 a. 61; 2003 a. 33, 318; 2005 a. 443 s. 265; 2007 a. 20; 2009 a. 75, 334; 2013 a. 14, 203; 2017 a. 185; 2019 a. 42.

A county cannot use its funds and employees to improve, reconstruct, or repair homes of private citizens who do not qualify for aid under ch. 49 without utilizing a county housing authority. 64 Atty. Gen. 106.

A county may not, in a manner consistent with federal and state statutes and regulations prohibiting supplementation, contractually obligate itself to pay visiting nurse association funds in addition to those received by such a home health care provider through the Medicaid program. 77 Atty. Gen. 287.

A county board's powers with respect to health and human services are enumerated in this section, which does not authorize appropriations to private nonprofit food pantries. County boards may establish and operate programs to serve residents of the county who need assistance in securing adequate food, but the statute does not grant authority to make appropriations to nonprofits to perform this task. Because the statute specifically addresses a county board's authority in this area without granting the authority to make appropriations to nonprofits, county boards do not have the authority, either express or implied, to make such appropriations. OAG 1-17.

The legislature has given city councils, town boards that adopt a resolution to exercise the powers of village board, and village boards the police power to legislate for the purposes of the health, safety, and welfare of the public. County boards do not have a similarly broad grant of police power. Instead, county boards have the power to appropriate money to carry into effect any of the board's powers and duties specifically enumerated in this chapter. OAG 1-17.

1. The charges for violating the state statute are dismissed or the district attorney declines to prosecute the case.

2. Either the city, village, or town with jurisdiction over the action has no ordinance enacted under s. 66.0107 (1) (bm) in effect or the city, village, or town with jurisdiction over the action has declined to prosecute or has dismissed the charges for the violation of the ordinance enacted under s. 66.0107 (1) (bm).

(27) RELIGIOUS ORGANIZATIONS; CONTRACT POWERS. (a) *Definition.* In this subsection, “board” includes any department, as defined in s. 59.60 (2) (as).

(b) *General purpose and authority.* The purpose of this subsection is to allow the board to contract with, or award grants to, religious organizations, under any program administered by the county dealing with delinquency and crime prevention or the rehabilitation of offenders, on the same basis as any other nongovernmental provider, without impairing the religious character of such organizations and without diminishing the religious freedom of beneficiaries of assistance funded under such program.

(c) *Nondiscrimination against religious organizations.* If the board is authorized to contract with a nongovernmental entity, or is authorized to award grants to a nongovernmental entity, religious organizations are eligible, on the same basis as any other private organization, to be contractors and grantees under any program administered by the board so long as the programs are implemented consistently with the first amendment to the U.S. Constitution and article I, section 18, of the Wisconsin constitution. Except as provided in par. (L), the board may not discriminate against an organization that is or applies to be a contractor or grantee on the basis that the organization does or does not have a religious character or because of the specific religious nature of the organization.

(d) *Religious character and freedom.* 1. The board shall allow a religious organization with which the board contracts or to which the board awards a grant to retain its independence from government, including the organization’s control over the definition, development, practice, and expression of its religious beliefs.

2. The board may not require a religious organization to alter its form of internal governance or to remove religious art, icons, scripture, or other symbols to be eligible for a contract or grant.

(e) *Rights of beneficiaries of assistance.* 1. If the board contracts with, or awards grants to, a religious organization for the provision of crime prevention or offender rehabilitation assistance under a program administered by the board, an individual who is eligible for this assistance shall be informed in writing that

assistance of equal value and accessibility is available from a non-religious provider upon request.

2. The board shall provide an individual who is otherwise eligible for assistance from an organization described under subd. 1. with assistance of equal value from a nonreligious provider if the individual objects to the religious character of the organization described under subd. 1. and requests assistance from a nonreligious provider. The board shall provide such assistance within a reasonable period of time after the date of the objection and shall ensure that it is accessible to the individual.

(g) *Nondiscrimination against beneficiaries.* A religious organization may not discriminate against an individual in regard to rendering assistance that is funded under any program administered by the board on the basis of religion, a religious belief or non-belief, or a refusal to actively participate in a religious practice.

(h) *Fiscal accountability.* 1. Except as provided in subd. 2., any religious organization that contracts with or receives a grant from the board is subject to the same laws and rules as other contractors and grantees regarding accounting, in accord with generally accepted auditing principles, for the use of the funds provided under such programs.

2. If the religious organization segregates funds provided under programs administered by the board into separate accounts, only the financial assistance provided with those funds shall be subject to audit.

(k) *Certification of compliance.* Every religious organization that contracts with or receives a grant from the county board to provide delinquency and crime prevention or offender rehabilitation services to eligible recipients shall certify in writing that it has complied with the requirements of pars. 2. “Crime board” means a crime prevention funding board that is created under this subsection.

3. “Municipality” means a city, village, or town.

(b) A county may create a crime board. In a county that creates a crime board, the treasurer shall receive moneys and deposit them as described in s. 59.25 (3) (gm). The funds in such an account may be distributed upon the direction of the crime board under par. (d). The crime board shall meet, and its members may receive no compensation, other than reimbursement for actual and reasonable expenses incurred in the performance of their duties. Members shall serve for the terms that are determined by the crime board.

(c) A county crime board shall consist of the following members:

1. The presiding judge of the circuit court, or his or her designee.
2. The district attorney, or his or her designee.
3. The sheriff, or his or her designee.

4. One of the following county officials, or his or her designee:

- b. If the county does not have a county executive, the county administrator.

c. The chairperson of the county board of supervisors if the county does not have a county executive or a county administrator.

5. The chief elected official of the largest municipality in the county, as determined by population, or his or her designee.

6. A person chosen by a majority vote of the sheriff and all of the chiefs of police departments that are located wholly or partly within the county.

The crime board may direct the treasurer to distribute grants to any of the following entities, in amounts determined by the crime board:

b. A law enforcement agency within the county that has a crime prevention fund, if the contribution is credited to the crime prevention fund and is used for crime prevention purposes.

2. Not less than 50 percent of the payments made under subd. 1. shall be made to one or more organizations described in subd. 1. a., except that if no organization described in subd. 1. a. exists within the county, all of the payments may be made to a law enforcement agency under subd. 1. b.

(e) Annually, the crime board shall submit a report on its activities to the clerk of court for the county that distributed the funds, to the county board, and to the legislative bodies of each municipality that is located wholly or partly within the county. A town has initial authority to name town roads under s. 82.03 (7). However, the town's authority is subject to the county's discretionary authority under sub. (4) to establish a road naming and numbering system for the specific purpose of aiding in fire protection, emergency services, and civil defense. A county may cooperate with a town regarding road name changes, but ultimately a county has authority to implement name changes, even if a town does not consent, when the name changes are

made under sub. (4). *Liberty Grove Town Board v. Door County Board of Supervisors*, 2005 WI App 166, 284 Wis. 2d 814, 702 N.W.2d 33, 04–2358.

County home rule under s. 59.03 (1) allows every county to “exercise any organizational or administrative power, subject only to the constitution and to any enactment of the legislature.” The language of s. 60.565 authorizing towns to enact ambulance service acknowledges that another person can provide the ambulance service instead of a town and withdraws the mandate when another person provides ambulance services. The absence of a command from the legislature that towns provide an ambulance service in all situations causes the argument that county home rule prevents counties from providing ambulance service to miss the mark. *Town of Grant v. Portage County*, 2017 WI App 69, 378 Wis. 2d 289, 903 N.W.2d 152, 16–2435.

A county may establish a rural naming or numbering system in towns, and subs. (4) and (4m) do not restrict this exercise of authority to only rural areas within towns. The word “rural” in subs. (4) and (4m) describes the “naming or numbering system”; it does not modify the territorial scope of “in towns.” *Town of Rib Mountain v. Marathon County*, 2019 WI 50, 386 Wis. 2d 632, 926 N.W.2d 731, 17–2021.

The uniform addressing system ordinance adopted by the county in this case did not exceed the authority conferred by sub. (4). Therefore, under the ordinance, the county properly named the defendants' road and assigned addresses to the defendants' residence and rental cabins. *Vilas County v. Bowler*, 2019 WI App 43, 388 Wis. 2d 395, 933 N.W.2d 120, 18–0837.

A carefully drawn county ordinance prohibiting the sale of “disposable” bottles and cans would not, on its face, exceed the police power granted in s. 59.07 (64) [now sub. (6)], and would not constitute an unreasonable burden on interstate commerce, although a careful consideration of relevant factors may result in a finding of unreasonableness on both counts. 60 Atty. Gen. 158.

The authority of county officials to offer rewards for the arrest or conviction of persons violating the criminal law is limited to the circumstances set forth in s. 59.25 (2) [now s. 59.29 (1) (b)]. 63 Atty. Gen. 555.

Discussing the power of a county to provide limited rescue functions in connection with an ambulance service and to make reasonable charges. 65 Atty. Gen. 87.

Section 59.07 (64) [now sub. (6)] does not authorize county boards to proscribe deer shining. 68 Atty. Gen. 81.

A county board has authority under s. 59.07 (64) [now sub. (6)] to enact an ordinance prohibiting trespass that is similar to and consistent with s. 943.13. 69 Atty. Gen. 92.

A local emergency planning committee created by a county board pursuant to s. 59.07 (146) [now sub. (8)] is in many respects treated like other county committees. The county board has authority to appropriate funds for the committee and the county's relationship to the committee is the same as the county's relationship to other county bodies created under this section, with the exception that the county must be consistent with the authority exercised by the state emergency response commission. The county corporation counsel should provide legal advice and assistance to a LEPC. If a LEPC or its members are sued, the attorney general represents them, and the state would pay the judgment if the requirements of s. 895.46 have been satisfied. 78 Atty. Gen. 27.

Local Emergency Planning Committee subcommittee members appointed by a county board under s. 59.07 (146) [now sub. (8)] are entitled to indemnity for damage liability under s. 895.46 and legal representation by the attorney general under s. 165.25. 81 Atty. Gen. 17.

(5) **SECONDHAND CAR DEALERS, JUNKING CARS.** The board may license and regulate dealers in secondhand motor vehicles, wreckers of motor vehicles, or the conduct of motor vehicle junking. Such regulation shall not apply to any municipality which enacts an ordinance governing the same subject.

A county may bring an action for a violation of the ordinance regardless of whether the attorney general has determined under s. 165.25 (3m) that an action may be brought. The ordinance may provide for a forfeiture not to exceed \$10,000 for each violation.

History: 1995 a. 201 ss. 130, 131, 152, 178, 240, 368, 452; 2017 a. 207 s. 5.

(c) Notwithstanding pars. (a) and (b), in counties having a population of 750,000 or more the board may contribute funds toward the operation of a public museum owned by a 1st class city in such county, as partial reimbursement for museum services rendered to persons residing outside such city and in a manner similar to the annual appropriation of funds by the board under s. 43.57 toward the operation of the central library in such city.

59.57 Economic and industrial development.

(1) COUNTY INDUSTRIAL DEVELOPMENT AGENCY. (a) Subject to par. (b), the board may appropriate money for and create a county industrial development agency or to any nonprofit agency organized to engage or engaging in activities described in this paragraph, appoint an executive officer and provide a staff and facili-

ties to promote and develop the resources of the county and of its component municipalities. To this end the agency may, without limitation because of enumeration, develop data regarding the industrial needs, advantages and sites in the county, acquaint the purchaser with the products of the county by promotional activities, coordinate its work with that of the county planning commission, the Wisconsin Economic Development Corporation, and private credit development corporations, and do all things necessary to provide for the continued improvement of the industrial climate of the county.

(b) If a county with a population of 750,000 or more appropriates money under par. (a) to fund nonprofit agencies, the county shall have a goal of expending 20 percent of the money appropriated for this purpose to fund a nonprofit agency that is actively managed by minority group members, as defined in s. 16.287 (1) (f), and that principally serves minority group members.

(2) INDUSTRIAL DEVELOPMENT AGENCIES. (a) *Short title.* This subsection shall be known and may be cited as the “Industrial Development Law”.

(b) *Findings.* It is found and declared that industries located in this state have been induced to move their operations in whole or in part to, or to expand their operations in, other states to the detriment of state, county and municipal revenue arising through the loss or reduction of income and franchise taxes, real estate and other local taxes, and thereby causing an increase in unemployment; that such conditions now exist in certain areas of the state and may well arise in other areas; that economic insecurity due to unemployment is a serious menace to the general welfare of not only the people of the affected areas but of the people of the entire state; that such unemployment results in obligations to grant public assistance and in the payment of unemployment insurance; that the absence of new economic opportunities has caused workers and their families to migrate elsewhere to find work and establish homes, which has resulted in a reduction of the tax base of counties, cities and other local governmental jurisdictions impairing their financial ability to support education and other local governmental services; that security against unemployment and the preservation and enhancement of the tax base can best be provided by the promotion, attraction, stimulation, rehabilitation and revitalization of commerce, industry and manufacturing; that there is a need to stimulate a larger flow of private investment funds from banks, investment houses, insurers and other financial institutions; that means are necessary under which counties so desiring may create instrumentalities to promote industrial development and such purpose requires and deserves support from counties as a means of preserving the tax base and preventing unemployment. It is therefore declared to be the policy of this state to promote the right to gainful employment, business opportunities and general welfare of the inhabitants thereof and to preserve and enhance the tax base in counties and municipalities by the creation of bodies, corporate and politic, which shall exist and operate for the purpose of fulfilling the aims of this subsection and such purposes are hereby declared to be public purposes for which public money may be spent and the necessity in the public interest for the provisions herein enacted is declared a matter of legislative determination.

(c) *Definitions.* In this subsection, unless the context clearly indicates otherwise:

1. “Federal agency” includes the United States, the president of the United States and any department of or corporation, agency or instrumentality that is created, designated or established by the United States.

agribusiness, or service–related enterprise established or to be established by an industrial development agency.

(d) *Formation of industrial development agencies.* 1. Any county upon a finding by the board that there is a need therefor may cause to be formed an agency. Except as provided under s. 59.82, the agency shall be the sole agency and instrumentality of the county for the purposes stated in this subsection.

2. Any adjoining counties upon a finding by their boards that there is need therefor may jointly cause to be formed an agency which shall be the sole agency and instrumentality of the counties for the purposes stated in this subsection.

The articles of incorporation shall specifically state that the agency is a public instrumentality created under the industrial development law and organized in accordance with the requirements of ch. 181 and that the agency shall be subject to ch. 181 to the extent that said chapter is not inconsistent with this subsection.

4. The articles of incorporation shall provide for 2 classes of members who shall be designated as county members and public members and shall fix the number of each class, but the county members, at all times, shall constitute not less than a majority of the total authorized members. (h) *Limitation of powers.* 1. An industrial development agency shall not enter into any transaction which entails moving an industrial plant or facility from a municipality within the county to another location outside the municipality if the common council or the village board of the municipality where the plant or

facility is then situated, within 45 days after receipt of written notice from the agency that it proposes to enter into such transaction, objects thereto by resolution adopted by a two-thirds vote of its council or board and approved by its mayor or president.

2. FINANCE AND BUDGET

59.60 Budgetary procedure in certain counties.

(1) APPLICATION. The provisions of this section shall apply to all counties with a population of 750,000 or more. Except as provided in sub. (13), any county with a county executive or county administrator may elect to be subject to the provisions of this section.

(2) DEFINITIONS. In this section:

(ae) "Budget period" means 2 consecutive fiscal years covered by a biennial budget adopted by a county that has acted under sub. (3s), or one fiscal year covered by an annual budget for any other county that has not acted to adopt a biennial budget under sub. (3s).

(as) "Department" includes all county departments, boards, commissions, institutions, offices, and other agencies of the county government for which funds may be legally appropriated.

(b) "Director" means the director of the county department of administration.

(3) FISCAL YEAR. The fiscal year in every county is the calendar year.

(3m) ACCOUNTING AND BUDGETING PROCEDURE. Every accounting and budgeting procedure that is applied under this section shall comply with generally accepted accounting principles for government as promulgated by the governmental accounting standards board or its successor bodies or other authoritative sources.

(3s) BIENNIAL BUDGET PROCEDURES. (a) A county with a population of 750,000 or more may adopt a biennial budget by implementing the procedures under this subsection and using the procedures under this section. If a county chooses to adopt a biennial budget, it shall adopt such a budget in an odd-numbered year for the next 2 fiscal years that follow immediately the year in which the budget is adopted.

(b) For a county to proceed under this subsection, the board shall adopt a resolution or enact an ordinance stating its intent to adopt a biennial budget. Once a resolution is adopted or an ordinance is enacted, such an action takes effect and may not be reconsidered or repealed, except as provided in par. (c).

(c) A board that has adopted a biennial budget procedure as provided in this subsection may return to the use of an annual budget procedure if the board, by a two-thirds majority vote, adopts a resolution or enacts an ordinance stating its intent to adopt an annual budget.

(d) A board or a committee authorized by the board may, at any time, decrease appropriation amounts in a biennial budget.

(e) In October or November of an even-numbered year, the board may change any appropriation or revenue amount in relation to the 2nd year of the biennial budget by a simple majority vote of the members—elect.

(4) SUBMISSION OF BUDGET REQUESTS. On or before the date that the director specifies, but not later than July 15, each department shall submit to the director in the form that the director specifies:

(a) The department's estimated revenues and expenditures for the fiscal year for the ensuing budget period.

(b) The estimated cost of any capital improvements pending or proposed for the ensuing fiscal year and for the next 5 fiscal years.

(c) Any other information that the director requests.

(5) COMPILATION OF BUDGET REQUESTS. Not later than August 15 of the year in which the budget is enacted, the director shall submit to the county executive or county administrator and to the board:

(a) The budget estimates of each department.

(b) A statement of principal and interest becoming due on outstanding bonds and on other financial obligations.

(c) An estimate of all other expenditures, including proposed expenditures on capital improvements that are not financed by bonds.

(d) An estimate of anticipated issues of new bond obligations during the ensuing fiscal year, plus a statement of the funds required for maturities and interest payments on these issues.

(e) An estimate of funds required as an appropriation for contingencies.

(f) An estimate of revenue from all other sources.

(g) A complete summary of all the budget estimates and a statement of the property tax levy required if funds were appropriated on the basis of these estimates. In determining the property tax levy required, the director shall deduct from the total estimated expenditures the estimated amount of revenue from sources other than the property tax levy and shall deduct the amount of any surplus at the close of the preceding fiscal year not yet appropriated. The board, by two-thirds vote, may adopt a resolution before the adoption of the tax levy authorizing the use of the surplus fund in

whole or in part as a sinking fund for the redemption or repurchase of bonds or to provide funds for emergency needs under sub. (9), but for no other purposes, except as provided in sub. (13).

(6) HEARINGS ON ESTIMATES; SUBMISSION TO BOARD. (a) The county executive or county administrator shall review the estimates of expenditures and revenues and hold public hearings on such estimates at which the head or a representative of every county department shall appear and give information with regard to the appropriations requested, including work programs, other justification of expenditures, and other data that the county executive or county administrator requests. The county executive or county administrator shall make changes in the proposed budget that in the executive's or administrator's discretion are considered desirable or proper.

(b) On or before October 1, and after the hearings required under par. (a), the county executive or county administrator shall submit the amended proposed budget to the board. The amended proposed budget shall be the executive's or administrator's budget and shall include all of the following:

1. A simple, clear, general summary of the detailed contents of the budget.

2. A comparative statement by organization unit and principal object of expenditure showing the actual expenditures of the preceding fiscal year, the appropriations and estimated expenditures for the fiscal year currently ending, and the recommended appropriations for the budget period next succeeding.

3. A comparative statement of the actual revenues from all sources including property taxes during the preceding fiscal year, the anticipated revenues and the estimated revenues for the fiscal year currently ending, and the anticipated revenues for the budget period next succeeding including any surplus from the preceding fiscal year not otherwise appropriated under sub. (9).

(c) The anticipated revenues for the budget period next succeeding shall be equal in amount to the recommended appropriations.

(d) The executive's or administrator's budget shall be accompanied by a message prepared by the county executive or county administrator which shall outline the important features of the budget plan and indicate any major changes in policy or in recommended appropriations or revenues as compared with the fiscal year currently ending, and shall set forth the reasons for such changes.

(7) PUBLICATION OF BUDGET AND PUBLIC HEARING. The board shall refer the executive's or administrator's budget to the finance committee and such committee shall publish as a class 1 notice, under ch. 985, a summary of the executive's or administrator's budget and comparative figures together with a statement of the county's bonded indebtedness, in the 2 daily newspapers having the largest circulation in the county, and shall make available to the general public reprinted copies of the summary as published. The publication shall also state the date, hour, and place of the public hearing to be held by the board on such executive's or administrator's budget. The board shall, not fewer than 14 days after publication of the summary of the executive's or administrator's budget, but not later than the first Monday in November of each budget period and prior to the adoption of the property tax levy, hold a public hearing on such executive's or administrator's budget, at which time citizens may appear and express their opinions. After such public hearing, the finance committee shall submit to the board its recommendations for amendments to the executive's or administrator's budget, if any, and the board shall adopt the budget with such changes as it considers proper and advisable. Subject to sub. (7e), the board of a county with a population of at least 750,000 may not adopt a budget in which the total amount of budgeted expenditures related to the compensation of county board members, and to any other costs that are directly related to the operation and functioning of the county board, including staff, is greater than 0.4 percent of the county portion of the tax levy for that year to which the budget applies. When so adopted, the sums

provided shall, subject to the provisions of sub. (8), constitute legal appropriations and anticipated revenues for the ensuing year.

(7e) MILWAUKEE COUNTY BUDGET CAP. The 0.4 percent budget limitation for a county with a population of at least 750,000 that is described in sub. (7) does not apply to any of the following elements of the county's budget:

(a) Any costs related to pension and health care payments for retired county officers, employees, and their families.

(b) The costs for the salary, health benefits, and pension benefits of county board supervisors and the county board chairperson for any term that begins before April 2016.

(c) Any costs associated with duties performed by the county clerk under s. 59.23 (2).

(d) Any costs associated with a department created under s. 59.52 (32).

(e) Space rental that is attributable to the county board.

(7m) PUBLICATION OF BUDGET SUMMARY. Notwithstanding sub. (1), this subsection applies to all counties with a population of 750,000 or more. Any such county shall publish, in the same manner as the summary that may be published under sub. (7), a summary that includes all of the following:

(a) The total amount of budgeted expenditures for the current year.

(b) The proposed amount of total expenditures and the percentage change compared to the amount in par. (a).

(c) The property tax levy for the current year.

(d) The proposed property tax levy and the percentage change compared to the amount in par. (c).

(8) TRANSFERS OF APPROPRIATIONS. (a) At the request of the head of any department, and after receiving the recommendation of the county executive or county administrator, the finance committee may, at any time during the budget period, transfer any unencumbered appropriation balance or portion thereof between principal objects of expenditures within a department; but no transfers shall be made of appropriations originating from bond funds unless the purpose for which the bonds were issued has been fulfilled or abandoned. If the county executive or county administrator fails to make a recommendation within 10 days after the submission of a request for transfer, the finance committee may act upon the request without his or her recommendation. If more than one department is under the jurisdiction of the same board or commission or under the same general management, the group of departments may be considered as though they were a single unit with respect to transfers of appropriations within the group.

(b) Except as provided under sub. (9), the board, upon the recommendation of the finance committee and by resolution adopted by a majority of the members present and voting at any meeting, may transfer any unencumbered appropriation balance or portion thereof from one department or account to another at any time during the following:

1. The first 9 months of the fiscal year, if another unit of government fails to appropriate moneys which the board anticipated and appropriated to that department or account when the board adopted the budget. The amount of money transferred under this subdivision may not exceed the amount of money which that other unit of government fails to appropriate.

2. The last 3 months of the fiscal year.

(c) Paragraph (b) does not apply to an appropriation which is irrepealable by law.

(9) APPROPRIATIONS, SUPPLEMENTAL AND EMERGENCY. (a) At the request of the head of any department and after review and recommendation by the finance committee, the board, by resolution adopted by a vote of two-thirds of the members-elect of the board, may transfer from the contingency appropriation into any other appropriation or create a new appropriation for any legal county purpose if any unforeseen condition requires an appropriation of funds during the budget year. The board may make supplemental appropriations for the year up to the amount of the addi-

tional revenue and surplus so certified to meet a public emergency affecting life, health, property or the public welfare, if the director certifies that any of the following funds are available for appropriation:

1. Revenues that are received from sources not anticipated in the budget that year.
2. Revenues that are received that exceed budget estimates.
3. Unappropriated surplus funds from the preceding fiscal year.

(b) An appropriation under par. (a) may be made only by resolution adopted by a vote of two-thirds of the members-elect of the board. To the extent that unappropriated funds or realized revenues in excess of anticipated revenues are unavailable to meet the emergency, the board may, by resolution adopted by three-fourths of the members-elect, issue tax anticipation notes under s. 67.12. Notice of intent to make supplemental appropriations from revenues or surplus or to issue tax anticipation notes shall be published as a class 1 notice, under ch. 985, in the 2 daily newspapers having the largest circulation in the county, not less than 6 days prior to the hearings before the finance committee of the board in regard to these matters.

(10) ORDINANCE INCREASING SALARIES; NEW POSITIONS; WHEN EFFECTIVE. No ordinance or resolution authorizing the creation of new or additional positions or increasing salaries shall become effective in any budget period until an appropriation of funds for such purpose is made or the ordinance or resolution contains a provision for the transfer of funds if required. All such ordinances or resolutions which do not require an appropriation or transfer of funds shall state therein the specific account or accounts in which funds are available for such purposes.

(11) LAPSE OF APPROPRIATIONS. Every appropriation excepting an appropriation for a capital expenditure, or a major repair, shall lapse at the close of the fiscal year to the extent that it has not been expended or encumbered. An appropriation for a capital expenditure or a major repair shall continue in force until the purpose for which it was made has been accomplished or abandoned. The purpose of such appropriation for any capital expenditure or a major repair shall be considered abandoned if 3 years pass without any expenditure from, or encumbrance of, the appropriation concerned.

(12) PAYMENTS AND OBLIGATIONS PROHIBITED; CERTIFICATIONS; PENALTIES. No payment may be authorized or made and no obligation incurred against the county unless the county has sufficient appropriations for payment. No payment may be made or obligation incurred against an appropriation unless the director first certifies that a sufficient unencumbered balance is or will be available in the appropriation to make the payment or to meet the obligation when it becomes due and payable. An obligation incurred and an authorization of payment in violation of this subsection is void. A county officer who knowingly violates this subsection is jointly and severally liable to the county for the full amount paid. A county employee who knowingly violates this subsection may be removed for cause. This subsection does not prohibit contracting for capital improvements being financed wholly or partly by the issuance of bonds or prevent the making of a contract or lease providing for the payment of funds at a time beyond the end of the fiscal year in which the contract or lease is made. The board shall make or approve by resolution each contract, lease or other obligation requiring the payment of funds from the appropriations of a later fiscal year or of more than one fiscal year.

(13) TAX STABILIZATION FUND. (a) Notwithstanding sub. (1), only a county with a population of at least 750,000 may create a tax stabilization fund under this subsection.

(b) The board of a county described in par. (a) may enact an ordinance creating a tax stabilization fund in the county. If such fund is created under this paragraph, the following amounts, if positive, shall be deposited into the tax stabilization fund:

1. The amount determined by subtracting the estimated non-property tax revenues collected by the county in the prior year

from the corresponding actual receipts for the prior year, as determined by the comptroller not later than April 15 of each year.

2. The amount determined by subtracting total adjusted operating budget appropriations for the prior year from total expenditures, commitments, and reserves for the prior year, as determined by the comptroller not later than April 15 of each year.

3. Any general surplus balance as of December 31 of the prior year, as determined by the comptroller not later than April 15 of each year.

4. Any amounts included in the county's property tax levy that are designated for deposit in the fund.

(c) Subject to par. (d), the board may withdraw amounts from the tax stabilization fund, by a three-quarters vote of the members-elect, or by a majority vote of the members-elect if the county's total levy rate, as defined in s. 59.605 (1) (g), is projected by the board to increase by more than 3 percent in the current fiscal year and the withdrawn funds would prevent an increase of more than 3 percent.

(d) The tax stabilization fund may not be used to offset any of the following:

1. Any deficit that occurs between the board's total estimated nonproperty tax revenue, and the total actual nonproperty tax revenue.

2. Any deficit that occurs between total appropriations and total expenditures.

(e) If the uncommitted balance in the tax stabilization fund exceeds 5 percent of the current year's budget that is under the board's control, as of June 1 of the current year, any amount that exceeds that 5 percent shall be used to reduce the county's next property tax levy.

Cross-reference: See s. 65.90 for budget procedure in counties other than Milwaukee.

59.605 Tax levy rate limit. (1) DEFINITIONS. In this section:

(a) "Debt levy" means the county purpose levy for debt service on loans under subch. II of ch. 24, bonds issued under s. 67.05, promissory notes issued under s. 67.12 (12), and appropriation bonds issued under s. 59.85, less any revenues that abate the levy.

(b) "Debt levy rate" means the debt levy divided by the equalized value of the county exclusive of any tax incremental district value increment.

(c) "Excess over the limit" means the amount of revenue received by a county that results from the county exceeding the limit under sub. (2).

(d) "Operating levy" means the county purpose levy, less the debt levy.

(e) "Operating levy rate" means the total levy rate minus the debt levy rate.

(f) "Penalized excess" means the excess over the limit for the county.

(g) "Total levy rate" means the county purpose levy divided by the equalized value of the county exclusive of any tax incremental district value increment.

(2) LIMIT. Except as provided in sub. (3), no county may impose an operating levy at an operating levy rate that exceeds .001 or the operating levy rate in 1992, whichever is greater.

(3) REFERENDUM, RESPONSIBILITY TRANSFERS. (a) 1. If the governing body of a county wishes to exceed the operating levy rate limit otherwise applicable to the county under this section, it shall adopt a resolution to that effect. The resolution shall specify either the operating levy rate or the operating levy that the governing body wishes to impose for either a specified number of years or an indefinite period. The governing body shall call a special referendum for the purpose of submitting the resolution to the electors of the county for approval or rejection. In lieu of a special referendum, the governing body may specify that the referendum

be held at the next succeeding spring primary or election or partisan primary or general election to be held not earlier than 70 days after the adoption of the resolution of the governing body. The governing body shall file the resolution to be submitted to the electors as provided in s. 8.37.

2. The clerk of the county shall publish type A, B, C, D and E notices of the referendum under s. 10.01 (2). Section 5.01 (1) applies in the event of failure to comply with the notice requirements of this subdivision.

3. The referendum shall be held in accordance with chs. 5 to 12. The governing body shall provide the election officials with all necessary election supplies. The form of the ballot shall correspond substantially with the standard form for referendum ballots prescribed by the elections commission under ss. 5.64 (2) and 7.08 (1) (a). If the resolution under subd. 1. specifies the operating levy rate, the question shall be submitted as follows: “Under state law, the operating levy rate for the (name of county), for the tax to be imposed for the year (year), is limited to \$.... per \$1,000 of equalized value. Shall the (name of county) be allowed to exceed this rate limit for (a specified number of years) (an indefinite period) by \$.... per \$1,000 of equalized value that results in an operating levy rate of \$.... per \$1,000 of equalized value?” If the resolution under subd. 1. specifies the operating levy, the question shall be submitted as follows: “Under state law, the operating levy rate for the (name of county), for the tax to be imposed for the year (year), is limited to \$.... per \$1,000 of equalized value. Notwithstanding the operating levy rate limit, shall the (name of county) be allowed to levy an amount not to exceed \$.... (operating levy) for operating purposes for the year (year), which may increase the operating levy rate for (a specified number of years) (an indefinite period)? This would allow a% increase above the levy of \$.... (preceding year operating levy) for the year (preceding year).”

4. Within 14 days after the referendum, the clerk of the county shall certify the results of the referendum to the department of revenue. A county may exceed the operating levy rate limit otherwise applicable to it under this section in that year by an amount not exceeding the amount approved by a majority of those voting on the question.

(b) 1. If an increased operating levy rate is approved by a referendum under par. (a) for a specified number of years, the increased operating levy rate shall be the operating levy rate limit for that number of years for purposes of this section. If an increased operating levy rate is approved by a referendum under par. (a) for an indefinite period, the increased operating levy rate shall be the operating levy rate limit for purposes of this section.

2. If an increased operating levy is approved by a referendum under par. (a), the increased operating levy shall be used to calculate the operating levy rate limit for the approved year for purposes of this section. After the approved year, the operating levy rate limit in the approved year or the operating levy rate limit that would have been applicable if there had been no referendum, whichever is greater, shall be the limit for the specified number of years or for an indefinite period for purposes of this section.

(c) 1. If a county transfers to another governmental unit responsibility for providing any service that the county provided in the preceding year, the levy rate limit otherwise applicable under this section to the county in the current year is decreased to reflect the cost that the county would have incurred to provide that service, as determined by the department of revenue. The levy rate limit adjustment under this subdivision applies only if the county and transferee governmental unit file a notice of service transfer with the department of revenue.

2. If a county increases the services that it provides by adding responsibility for providing a service transferred to it from another governmental unit in any year, the levy rate limit otherwise applicable under this section to the county in the current year is increased to reflect the cost of that service, as determined by the department of revenue. The levy rate limit adjustment under this

subdivision applies only if the county and transferor governmental unit file a notice of service transfer with the department of revenue.

NOTE: Par. (c) is shown as amended eff. 7–1–24 by 2023 Wis. Act 12. Prior to 7–1–24 it reads:

1. If a county transfers to another governmental unit responsibility for providing any service that the county provided in the preceding year, the levy rate limit otherwise applicable under this section to the county in the current year is decreased to reflect the cost that the county would have incurred to provide that service, as determined by the department of revenue.

2. If a county increases the services that it provides by adding responsibility for providing a service transferred to it from another governmental unit in any year, the levy rate limit otherwise applicable under this section to the county in the current year is increased to reflect the cost of that service, as determined by the department of revenue.

(4) PENALTIES. If the department of revenue determines that a county has a penalized excess in any year, the department of revenue shall do all of the following:

(a) Reduce the amount of the shared revenue payments to the county under subch. I of ch. 79 in the following year by an amount equal to the amount of the penalized excess.

(b) If the amount of the reduction made under par. (a) is insufficient to recover fully the amount of the penalized excess, request the department of transportation to reduce the aids paid in that following year to the county under s. 86.30 (2) (e) by the amount needed to recover as much of the remainder as is possible.

(c) Ensure that the amount of any reductions in shared revenue payments under par. (a) lapses to the general fund.

(d) Ensure that the amount of the penalized excess is not included in determining the limit described under sub. (2) for the county for the following year.

(5) RATE COMPARISON. Annually, the department of revenue shall compare the operating levy rate limit of each county under this section to the actual operating levy rate imposed by the county.

(6) SUNSET OF THE LIMIT. This section does not apply to a county's levy that is imposed in December 2011 or any year thereafter.

59.61 Financial transactions. (1) RECEIPTS AND DEPOSITS OF MONEY; ACCOUNTS. Every county officer and employee and every board, commission or other body that collects or receives money for or in behalf of the county shall:

(a) Give such receipts therefor and file such duplicates thereof with the clerk and treasurer as the board directs.

(b) Keep books of account and enter accurately in the books from day to day with ample description, the items of that person's or that body's official service, and the fees therefor.

(c) Pay all such money into the county treasury at the time that is prescribed by law, or if not so prescribed daily or at the intervals that are prescribed by the board.

(d) Perform all other duties in connection therewith that are required by law.

(2) DEPOSITORIES; DESIGNATION. (a) The board of each county having a population of 200,000 or more shall designate 2 or more, and in other counties the board, or when the occasion arises and the board is not in session, then a committee of the board which has been authorized to do so shall designate one or more credit unions, banks, savings banks, savings and loan associations, or trust companies organized and doing business under the laws of this state or federal law, located in this state, as county depositories, one or more of which shall be designated as working credit unions, savings banks, savings and loan associations or banks, all deposits in which shall be active deposits.

(b) In addition to the depositories specified in par. (a), the local government pooled–investment fund may be designated as a depository for investment purposes.

(3) FUNDS TO BE PLACED IN DEPOSITORIES; REPORTS; CASH BALANCE. (a) Whenever a board has designated a county depository

under sub. (2), the treasurer shall deposit therein as soon as received all funds that come to the treasurer's hands in that capacity in excess of the sum the treasurer is authorized by the board to retain. Any sum on deposit shall be considered to be in the county treasury, and the treasurer shall not be liable for any loss thereon resulting from the failure or default of such depository. The board, a committee of the board designated by it or the treasurer acting under s. 59.25 (3) (s) may invest any funds that come into the county treasurer's hands in excess of the sum the treasurer is authorized by the board to retain for immediate use in the name of the county in the local government pooled–investment fund, in interest–bearing bonds of the United States or of any county or municipality in the state or in any other investment authorized by statute. The board, committee or the county treasurer acting under s. 59.25 (3) (s) may sell such securities when considered advisable.

(b) Every such depository shall on the first business day of each month, and more often when required, file with the clerk a statement of the amount of county money deposited with it during the preceding month, and the treasurer shall at the same time file with such clerk a statement showing the amount of moneys received and disbursed by the treasurer during the previous month.

(c) The board may fix the amount of money which may be retained by the treasurer but in no case shall the sum exceed \$3,000; provided, that in all counties having a population of 200,000 or more inhabitants, the treasurer may retain such sum as may be fixed by the board.

(d) Such treasurer and clerk, whenever the cash balance does not amount to the sum authorized by the board to be retained, may increase it to such amount by their check on the county depository or depositories in favor of such treasurer.

One who deals with a municipality does so at his or her own risk and may be subject to any provisions of law that might prevent him or her from being paid by a municipality even though the services are rendered. Unless the power to bind the municipality financially has been specifically delegated, the only entity with the statutory authority to contract is the municipality. *Holzbauer v. Safway Steel Products, Inc.*, 2005 WI App 240, 288 Wis. 2d 250, 712 N.W.2d 35, 04–2058.

Based on the plain meaning of the word “investment,” the exchange of surplus county funds for U.S. gold coins would be an investment within the meaning of sub. (3). Section 66.0603 provides the authorized list of investments that a county can make with county funds, and the statute does not authorize an investment in U.S. gold coins. OAG 2–13.

59.62 Investment authority delegation. (1) The board may delegate to any officer or employee any authority assigned by law to the board to invest county funds. The delegation shall provide that the officer or employee be bonded.

(2) The board may impose any restriction on the delegation or exercise of authority delegated under this section considered desirable by the board. If the board delegates authority under this section, the board shall periodically review the exercise of the delegated authority by the officer or employee.

59.64 Claims against county. (1) CLAIMS, HOW MADE; PROCEDURE. (a) *In general.* Every person, except jurors, witnesses and interpreters, and except physicians or other persons who are entitled to receive from the county fees for reporting to the register of deeds births or deaths, which have occurred under their care, having any claim against any county shall comply with s. 893.80. This paragraph does not apply to actions commenced under s. 19.37, 19.97 or 281.99.

(b) *Of court officers, certified by district attorney.* No claim for official services, in any criminal action or proceeding before

a judge, shall be allowed by any board until the same has been examined and a written report made thereon by the district attorney of the proper county as required by par. (d); nor shall the claim of any sheriff, undersheriff, deputy sheriff, constable or other such officer for the services or expenses of an assistant in making an arrest or commitment be allowed unless the judge before whom the prisoner is brought certifies that there was a necessity for such assistance because of the dangerous character of the defendant or because 2 or more persons were arrested at the same time.

(c) *Of circuit and supplemental court commissioners.* 1. Circuit and supplemental court commissioners shall, on or before the first Monday of November in each year, forward to the clerk of their respective counties a correct statement of all actions or proceedings had before them, during the immediately preceding year, in which the county became liable for costs. The statement shall include all of the following:

- a. The names of the parties in each action or proceeding.
- b. The nature and result of each action or proceeding.
- c. The amount of costs in detail in each action or proceeding.
- d. The items of costs awarded, if any, which have been paid and the amount of each payment.

2. The clerk shall file the statements described in subd. 1. in his or her office. Any circuit or supplemental court commissioner who neglects to make and return the statements within the time prescribed in subd. 1. shall not receive any compensation from the county for any service rendered by him or her in any criminal case or proceeding during the year next preceding the time when the statement is required to be made and returned.

(d) *Of court officers; certification; audit by district attorney; waiver.* Fees of officers, in any action or proceeding before a circuit or supplemental court commissioner, shall be certified to and allowed by the board in the following manner:

1. The statement shall include all of the following:

Dated this day of, (year)

2. a. The clerk shall deliver the statement filed under subd. 1. to the district attorney, who shall examine the statement and make a report in writing thereon to the board, specifying the items in each for which the county is or is not liable, and the extent of its liability if it is liable for a part only of any item. The statement and report shall be laid before the board by the clerk and insofar as the items charged in the statement are approved by the district attorney the statement shall be prima facie evidence of the claims of the persons named in the statement.

b. The board shall examine the statement, allow the fees that are legal, and direct that orders be drawn for the amount allowed to each person named therein. If any person in whose favor any order is drawn under this subdivision shall not call for the fees within 2 years from the time the claim is allowed, the person's right to any compensation for services shall be considered waived and the board shall cancel the order.

(c) *Fees for statements and certificates.* Every circuit or supplemental court commissioner shall receive from the treasurer \$1 per page for making statements and returns required by par. (c) and \$1 for making each certificate required by par. (d). All such statements and certificates shall be transmitted to the clerk by certified mail and for transmitting the statements and certificates the circuit or supplemental court commissioner shall receive \$1.

(f) *Circuit and supplemental court commissioners.* The board at any session thereof may as provided in par. (d) 2. examine and allow any statement, account or claim of any circuit or supplemental court commissioner which is on file with the clerk before the opening of the session of the board.

(g) *Payment of juror, witness, interpreter, attorney, guardian ad litem and transcript fees; penalty.* If a county is liable for juror fees or for witness, interpreter, attorney, guardian ad litem or transcript fees which are on the part of the state or of the defendant in any action or proceeding before a judge of the circuit court or before the medical examiner of the county, the procedure to secure payment of the fees shall be as follows:

1. The clerk of the respective court, the register of probate, or the medical examiner as the case may be shall issue to the person an order directing the treasurer to make payment of the fee. The order shall state the name of the person to whom payable, the time served, the number of miles traveled by the person, and the amount of compensation to which the person is entitled, together with the title of the action in which the person served, the capacity in which the person served and the date or dates of service, or in case of transcript fees, the title of the action and the dates on which the testimony for the transcript was taken.

2. The person to whom the certificate or order is issued shall be required to endorse it prior to receiving payment and thereby indicate that he or she is the person mentioned in the certificate or order, that the number of miles traveled and the capacity in which he or she served and the work which he or she performed is true and correct as stated and that he or she has not at any time received any compensation therefor.

3. Upon presentation of the certificate or order properly signed and endorsed, the treasurer shall pay to the holder, upon surrender of the certificate or order, the amount set forth in the certificate or order, and the order or certificate shall in all other respects be handled by the treasurer in the same manner as all other county orders drawn upon him or her are handled.

4. Any judge or circuit or supplemental court commissioner, juror, witness, interpreter, attorney, guardian ad litem or recipient of transcript fees who makes, signs or endorses any such certificate or order which is untrue in respect to anything material, which he or she knows to be false, or which he or she does not have good reason to believe is true, shall be punished as provided in s. 946.12.

(2) **SPECIAL COUNTIES; CLASSIFICATION OF CLAIMS.** In counties with a population of more than 300,000, the county auditor shall classify all such claims according to the budgetary funds provided

for in s. 59.60, against which they are chargeable, before such claims are laid before such board. The county auditor shall then submit with the claims chargeable against each fund, a statement of the balance in such fund against which no county orders have been issued. If such balance in any fund is less than the total of the claims chargeable against such fund, the auditor shall call the attention of the board to that fact, and such board shall not issue county orders in excess of such balance without previously appropriating to such fund an additional sum at least sufficient to cover such orders. If any claims are for a purpose for which no specific appropriation has been made in the budget, such claims shall be considered as chargeable against the contingent fund. When the county auditor countersigns any order on the treasurer for the payment of a claim allowed the auditor shall charge such order against the fund appropriated for that purpose.

(3) **ACTION ON CLAIMS BY BOARD.** The clerk shall, on the first day of any meeting of the board, lay before said board all such claims, statements of which have been filed in the clerk's office since the last meeting of such board, with a schedule of the same showing the amount thereof and the order in which the same were filed; and the board shall act upon all such claims before the adjournment of the next annual session of such board after such statements were filed with the clerk, and shall examine and allow or disallow the same in whole or in part unless withdrawn by leave of the board; and in case of the disallowance of a part of an account or other claim composed of separate items the board shall designate particularly each item disallowed; and when the amount allowed for any claim shall have been accepted and received by the claimant, and no action shall be brought to recover the remainder thereof, no further sum shall thereafter be allowed or paid thereon by the board. The board, or a committee of the board, for the purpose of ascertaining the facts in relation to any claim presented for the board's or committee's exemption and allowance, may take such testimony as it considers necessary.

(4) **COUNTY ORDERS AND SCRIP.** (a) *Issuance; limitations.* When any claim is allowed by a board, either in whole or in part, the board shall direct an order to be drawn upon the treasurer in favor of the claimant for the amount so allowed, but no order except for the per diem and mileage of the members of the board may be drawn in favor of any claimant within 5 days after the allowance of his or her claim. Any person whose claim has been allowed in part may receive the order drawn for the part so allowed without prejudice to his or her right to appeal as to the part disallowed. No board may issue a greater amount of orders, scrip and certificates of indebtedness than the amount of the county taxes levied in the county for that year. The board may authorize the issuance of orders, scrip or certificates of indebtedness at a rate of interest specified thereon, but not to exceed 6 percent per year; except that the orders, scrip and certificates of indebtedness shall bear no interest if paid and payable within one month from date of issuance, and shall bear no interest after date of publication of redemption notice as provided in this paragraph. The treasurer may publish a class 1 notice, under ch. 985, that the county will redeem certain outstanding orders, scrip or certificates, which notice shall specify the particular orders, scrip or certificates, or series thereof, then redeemable.

(b) *Disbursements on.* In all counties with a population of less than 300,000, all disbursements from the county treasury shall be made by the treasurer upon the written order of the clerk after proper vouchers have been filed in the office of the clerk; and in all cases where the statutes provide for payment by the treasurer without an order of the clerk, it shall be the duty of the clerk to draw and deliver to the treasurer an order for payment before or at the time when the payment is required to be made by the treasurer. The provisions of this paragraph shall apply to all special and general provisions of the statutes relative to the disbursement of money from the county treasury.

(c) *Special counties; countersigned by auditor.* In all counties with a population of 300,000 or more all orders and warrants drawn upon or against county funds shall be countersigned by the

county auditor; and the treasurer of the county shall make no payments of county funds for any purpose unless the order, warrant, certificate, direction or authority given the treasurer for the payment is countersigned by the county auditor. This provision requiring the countersigning by the auditor shall apply to all laws and statutes, special and general, relative to the payment of county funds by the treasurer except certificates or orders issued for the payment of juror, witness, interpreter, attorney, guardian ad litem and transcript fees.

(d) *Examination of.* The board at its annual session, or more often if it considers it necessary, shall carefully examine the county orders returned paid by the treasurer by comparing each order with the record of orders in the clerk's office, and cause to be entered in the record opposite to the entry of each order issued the date when the order was canceled. The board shall also make a complete list of the orders so canceled, specifying the number, date, amount, and person to whom the same is made payable, except in counties having a population of more than 750,000, the name of the person to whom the same is made payable may be omitted, which statement shall be entered at length on the journal of the board; and immediately after the above requirements are complied with the orders so canceled shall be destroyed in the presence of the board.

(e) *Uncalled for orders; cancellation; reissue.* The clerk shall prepare and present to the board, at each annual session, a descriptive list giving the amount, date and payee of all county orders which have remained in the clerk's office for 2 years uncalled for by the payee. The board shall cause the orders to be compared with the list, and when found or made correct the list shall be entered at length on the journal of the board and filed in the office of the clerk; all the orders shall be canceled and destroyed. The person in whose favor the order was drawn, except those issued under sub. (1) (d), may, upon application to the chairperson of the board and clerk, made within 6 years from the date of the order, have a new order issued for the amount of the original, without interest.

The class action statute, s. 260.12 [now s. 803.08], is part of title XXV of the statutes [now chs. 801 to 823], and the scope of title XXV is restricted to civil actions in courts of record. The county board is not a court of record. The class action statute can have no application to making claims against a county. Multiple claims must identify each claimant and show each claimant's authorization. *Hicks v. Milwaukee County*, 71 Wis. 2d 401, 238 N.W.2d 509 (1974). But see *Townsend v. 59.65 Publication of financial report. A board shall cause to be made out and published in the county, as a class 1 notice, under ch. 985, immediately after its annual meeting, a report of the receipts and expenditures of the immediately preceding year and the accounts allowed. The board may waive the publication of names of needy soldiers, sailors, marines and United States war veterans and the amount of aid provided under s. 45.81 (3) and shall publish in lieu thereof the total disbursements thereunder.

59.66 Unclaimed funds. (1) **DISPOSITION OF UNCLAIMED FUNDS BY COURT CLERKS.** (a) On or before January 10 of every odd-numbered year the circuit court clerk shall file with the treasurer of his or her county a written report under oath of all moneys, securities or funds in his or her hands or under his or her possession or control where, for a period of 4 years or more, no order was made, or no step or proceeding had or taken in the case, action, or proceeding in, by or through which the moneys, securities or funds may have been deposited or left with the clerk or his or her predecessors in office, and where no valid claim was made upon or for any such moneys, securities or funds for a period of 4 years or more, and where the owner or ownership of the moneys, securities or funds is unknown, or undetermined, and the clerk or his or her successor in office shall hold the moneys, securities or funds, together with all interest or profits, until one year after the making

of the report unless sooner demanded by and turned over to the legal owners thereof.

(b) One year after the filing of the report the clerk of any circuit court holding or having in his or her possession any such moneys, securities or funds shall turn them over to the treasurer, unless sooner demanded by and turned over to the legal owners thereof under order of the court in which the case, action or proceeding was pending.

(c) 1. On or before March 1 of the year that the circuit court clerk turns over money or securities to the treasurer under par. (b), the treasurer shall provide notice in any of the following manners:

a. By providing in the county a class 3 notice, under ch. 985, of the names and last-known addresses of the owners of unclaimed moneys, securities, or funds that have a value of at least \$20 and that are in the treasurer's possession for disposition.

b. By providing in the county a class 1 notice, under ch. 985, of the names and last-known addresses of the owners of unclaimed moneys, securities, or funds that have a value of at least \$20 and are in the treasurer's possession for disposition, and, beginning the week after the class 1 notice, providing a class 2 notice, under ch. 985, that a list of names and last-known addresses of the owners of unclaimed moneys, securities, or funds that have a value of at least \$20 and that are in the treasurer's possession for disposition is available on the county's Internet site, on the Wisconsin newspapers legal notices Internet site, as defined in s. 985.01 (7), and at the treasurer's office. If the treasurer provides notice under this subd. 1. b., the treasurer shall make available the list of names and last-known addresses of the owners of unclaimed moneys, securities, or funds that have a value of at least \$20 and that are in the treasurer's possession for disposition on the county's Internet site and at the treasurer's office.

2. If no legal claim is made for the moneys, securities, or funds within 90 days after the last publication provided for under subd. 1., then the treasurer shall deposit the moneys, securities, or funds, together with all interest and profits thereon, in the general fund of the county treasury, and no action may thereafter be maintained by any person, firm, or corporation against the county or the treasurer for the moneys, securities, or funds.

(2) **UNCLAIMED FUNDS IN PUBLIC TREASURY.** (a) 1. On or before January 10 of every odd-numbered year, each officer of a municipality and county, and each clerk of every court of record, shall file with the treasurer of that person's county a written report under oath giving the names and the last-known addresses of all persons for whom any such officer or clerk holds money or security, and which has not been claimed for at least one year, and showing the amount of the money or the nature of the security in detail. A duplicate report shall also be mailed to the department of financial institutions.

1g. Upon receiving the reports under subd. 1., the treasurer shall, on or before February 1 of the same year, provide notice in any of the following manners:

a. By providing a class 3 notice, under ch. 985, of the names and last-known addresses of the owners of unclaimed money or security that has a value of at least \$20. Each notice under this subd. 1g. a. shall state that unless the owner requests and proves ownership of the money or security within 6 months from the time of the completed publication, the treasurer will take possession of the money or security.

b. By providing a class 1 notice, under ch. 985, of the names and last-known addresses of the owners of unclaimed money or security that has a value of at least \$20, and, beginning the week after the class 1 notice, providing a class 2 notice, under ch. 985, that a list of names and last-known addresses of the owners of unclaimed money or security that has a value of at least \$20 is available on the county's Internet site, on the Wisconsin newspapers legal notices Internet site, as defined in s. 985.01 (7), and at the treasurer's office. Each notice under this subd. 1g. b. shall state that unless the owner requests and proves ownership of the money or security within 6 months from the time of the completed

publication, the treasurer will take possession of the money or security. If the treasurer provides notice under this subd. 1g. b., the treasurer shall make available the list of names and last-known addresses of the owners of unclaimed money or security that has a value of at least \$20 on the county's Internet site and at the treasurer's office.

1t. At the end of the 6 months from the time of the completed notice procedure under subd. 1g., the treasurer shall take possession or control of all money or security of persons for whom an officer of a municipality and county, and each clerk of every court of record, holds money or security, and which has not been claimed for at least one year, if the money or security has a value of less than \$20.

2. In counties with a population of 750,000 or more, the treasurer shall distribute to as many community-based newspapers as possible, that are published in the county, a copy of a notice that is described in subd. 1g. The treasurer shall distribute these copies of notices at the same time that he or she causes the notices to be published.

(am) Any money or security of which the treasurer has taken possession or control under par. (a) and has had in his or her possession or control for more than one year shall, to the extent possible, be deposited in the county's general revenue fund. Money or security that is deposited under this paragraph may remain in the county's general revenue fund or may be used by the county until the money or security is paid or delivered to its owner, or becomes the property of the county, under par. (b).

(b) If within 10 years from the time any such money or security is delivered to the treasurer the owner of the money or security proves to the satisfaction of the treasurer the owner's right to the possession of the money or security, it shall be paid or delivered to the owner. If no such proof is made, then at the end of the 10-year period the money or property shall become the property of the county. Nothing in this subsection shall be construed to deprive the owner of any such property of the owner's right to proceed by court action for the recovery of such money or security from the treasurer.

(c) Any person violating this subsection shall, upon conviction, be fined not less than \$50 nor more than \$200 or imprisoned for not less than 30 days nor more than 6 months.

(3) DISPOSITION OF UNCLAIMED PERSONAL PROPERTY OTHER THAN MONEY OR SECURITIES HELD BY COUNTY INSTITUTIONS, CORONERS, MEDICAL EXAMINERS, OR SHERIFFS. All personal property other than money or securities of a deceased person who at the time of his or her death is a patient at any county institution or whose body is taken in charge by the coroner or medical examiner shall be preserved by the superintendent of the institution, the coroner, or the medical examiner for one year unless the property is claimed sooner by a person having the legal right to the property. Annually on July 1 the superintendent, coroner, or medical examiner shall make a verified written report listing all personal property which has remained in that person's custody for one year without being claimed and giving all facts as to ownership of the property as that person's records contain. The superintendent, coroner, or medical examiner shall file the report with the sheriff of the county and deliver the property to the sheriff, who shall issue a receipt for the property. Thereupon the superintendent, coroner, or medical examiner shall be discharged from further liability for the property, title to which shall then vest in the county. Any property which is left at the county jail for a period of one year after the prisoner has been discharged, transferred, or committed and any property, found or stolen, which comes into the hands of the sheriff and in any case remains unclaimed for a period of one year, shall be sold as prescribed in this subsection. The sheriff shall, on or before August 1 annually, post a notice in 3 public places in the county, briefly describing the property and stating that the sheriff will sell the property at public auction on a certain date and at a specified physical location or Internet site, which auction shall be held accordingly. Any of the property which is

not disposed of at the auction shall be sold for the best price obtainable, and if the property cannot be disposed of by sale, shall be destroyed in the presence of the sheriff. The sheriff shall, on or before September 1 annually, remit the proceeds of the auction or general sale to the treasurer and shall file a verified report of the sheriff's action in connection therewith. The proceeds shall become a part of the general fund of the county.

(2). *OAG 9-09.*

SUBCHAPTER VII

LAND USE, INFORMATION AND REGULATION, ENVIRONMENTAL PROTECTION, SURVEYS, PLANNING AND ZONING

59.69 Planning and zoning authority. (1) PURPOSE. It is the purpose of this section to promote the public health, safety, convenience and general welfare; to encourage planned and orderly land use development; to protect property values and the property tax base; to permit the careful planning and efficient maintenance of highway systems; to ensure adequate highway, utility, health, educational and recreational facilities; to recognize the needs of agriculture, forestry, industry and business in future growth; to encourage uses of land and other natural resources which are in accordance with their character and adaptability; to provide adequate light and air, including access to sunlight for solar collectors and to wind for wind energy systems; to encourage the protection of groundwater resources; to preserve wetlands; to conserve soil, water and forest resources; to protect the beauty and amenities of landscape and man-made developments; to provide healthy surroundings for family life; and to promote the efficient and economical use of public funds. To accomplish this purpose the board may plan for the physical development and zoning of territory within the county as set forth in this section and shall incorporate therein the master plan adopted under s. 62.23 (2) or (3) and the official map of any city or village in the county adopted under s. 62.23 (6).

(2) PLANNING AND ZONING AGENCY OR COMMISSION. (a) 1. Except as provided under subd. 2., the board may create a planning and zoning committee as a county board agency or may create a planning and zoning commission consisting wholly or partially of persons who are not members of the board, designated the county zoning agency. In lieu of creating a committee or commission for this purpose, the board may designate a previously established committee or commission as the county zoning agency, authorized to act in all matters pertaining to county planning and zoning.

2. If the board in a county with a county executive authorizes the creation of a county planning and zoning commission, designated the county zoning agency, the county executive shall appoint the commission, subject to confirmation by the board.

3. If a county planning and zoning commission is created under subd. 2., the county executive may appoint, for staggered 3-year terms, 2 alternate members of the commission, who are subject to confirmation by the board. Annually, the county executive shall designate one of the alternate members as first alternate and the other as 2nd alternate. The first alternate shall act, with full power, only when a member of the commission refuses to vote because of a conflict of interest or when a member is absent. The 2nd alternate shall act only when the first alternate refuses to vote because of a conflict of interest or is absent, or if more than one member of the commission refuses to vote because of a conflict of interest or is absent.

(b) From its members, the county zoning agency shall elect a chairperson whose term shall be for 2 years, and the county zoning agency may create and fill other offices.

(bm) The head of the county zoning agency appointed under sub. (10) (b) 2. shall have the administrative powers and duties specified for the county zoning agency under this section, and the county zoning agency shall be only a policy-making body determining the broad outlines and principles governing such administrative powers and duties and shall be a quasi-judicial body with decision-making power that includes but is not limited to conditional use, planned unit development and rezoning. The building inspector shall enforce all laws, ordinances, rules and regulations under this section.

(bs) As part of its approval process for granting a conditional use permit under this section, a county may not impose on a permit applicant a requirement that is expressly preempted by federal or state law.

(c) Subject to change by the board, the county zoning agency may adopt such rules and regulations governing its procedure as it considers necessary or advisable. The county zoning agency shall keep a record of its planning and zoning studies, its resolutions, transactions, findings and determinations.

(cm) In addition to the members who serve on, or are appointed to, a planning and zoning committee, commission, or agency under par. (a), the committee, commission, or agency shall also include, as a nonvoting member, a representative from a military base or installation, with at least 200 assigned military personnel or that contains at least 2,000 acres, that is located in the county, if the base's or installation's commanding officer appoints such a representative.

(d) The county may accept, review and expend funds, grants and services and may contract with respect thereto and may provide such information and reports as may be necessary to secure such financial aid and services, and within such funds as may be made available, the county zoning agency may employ, or contract for the services of, such professional planning technicians and staff as are considered necessary for the discharge of the duties and responsibilities of the county zoning agency.

(e) Wherever a public hearing is specified under this section, the hearing shall be conducted by the county zoning agency in the county courthouse or in such other appropriate place as may be selected by the county zoning agency. The county zoning agency shall give notice of the public hearing by publication in the county as a class 2 notice under ch. 985, and shall consider any comments made, or submitted by, the commanding officer, or the officer's designee, of a military base or installation, with at least 200 assigned military personnel or that contains at least 2,000 acres, that is located in or near the county.

(f) Whenever a county development plan, part thereof or amendment thereto is adopted by, or a zoning ordinance or amendment thereto is enacted by, the board, a duplicate copy shall be certified by the clerk and sent to the municipal clerks of the municipalities affected thereby, and also to the commanding officer, or the officer's designee, of any military base or installation, with at least 200 assigned military personnel or that contains at least 2,000 acres, that is located in or near the county.

(g) Neither the board nor the county zoning agency may condition or withhold approval of a permit under this section based upon the property owner entering into a contract, or discontinuing, modifying, extending, or renewing any contract, with a 3rd party under which the 3rd party is engaging in a lawful use of the property.

(3) THE COUNTY DEVELOPMENT PLAN. (a) The county zoning agency may direct the preparation of a county development plan or parts of the plan for the physical development of the unincorporated territory within the county and areas within incorporated jurisdictions whose governing bodies by resolution agree to having their areas included in the county's development plan. The plan may be adopted in whole or in part and may be amended by

the board and endorsed by the governing bodies of incorporated jurisdictions included in the plan. The county development plan, in whole or in part, in its original form or as amended, is hereafter referred to as the development plan. To the extent that the development plan applies to unincorporated areas of a county with the population described in s. 60.23 (34), it applies only to those unincorporated areas that are subject to county zoning. Beginning on January 1, 2010, or, if the county is exempt under s. 66.1001 (3m), the date under s. 66.1001 (3m) (b), if the county engages in any program or action described in s. 66.1001 (3), the development plan shall contain at least all of the elements specified in s. 66.1001 (2).

(b) The development plan shall include the master plan, if any, of any city or village, that was adopted under s. 62.23 (2) or (3) and the official map, if any, of such city or village, that was adopted under s. 62.23 (6) in the county, without change. In counties with a population of at least 485,000, the development plan shall also include, and integrate, the master plan and the official map of a town that was adopted under s. 60.62 (6) (a) or (b), without change.

(c) The development plan may be in the form of descriptive material, reports, charts, diagrams or maps. Each element of the development plan shall describe its relationship to other elements of the plan and to statements of goals, objectives, principles, policies or standards.

(d) The county zoning agency shall hold a public hearing on the development plan before approving it. After approval of the plan the county zoning agency shall submit the plan to the board for its approval and adoption. The plan shall be adopted by resolution and when adopted it shall be certified as provided in sub. (2) (f). The development plan shall serve as a guide for public and private actions and decisions to assure the development of public and private property in appropriate relationships.

(e) Except for a town that has adopted a master plan and official map as described in par. (b), a master plan adopted under s. 62.23 (2) and (3) and an official map that is established under s. 62.23 (6) shall control in unincorporated territory in a county affected thereby, whether or not such action occurs before the adoption of a development plan.

(4) EXTENT OF POWER. For the purpose of promoting the public health, safety and general welfare the board may by ordinance effective within the areas within such county outside the limits of incorporated villages and cities establish districts of such number, shape and area, and adopt such regulations for each such district as the board considers best suited to carry out the purposes of this section. The board may establish mixed-use districts that contain any combination of uses, such as industrial, commercial, public, or residential uses, in a compact urban form. The board may not enact a development moratorium, as defined in s. 66.1002 (1) (b), under this section or s. 59.03, by acting under ch. 236, or by acting under any other law, except that this prohibition does not limit any authority of the board to impose a moratorium that is not a development moratorium. The powers granted by this section shall be exercised through an ordinance which may, subject to sub. (4e), determine, establish, regulate and restrict:

(a) The areas within which agriculture, forestry, industry, mining, trades, business and recreation may be conducted, except that no ordinance enacted under this subsection may prohibit forestry operations that are in accordance with generally accepted forestry management practices, as defined under s. 823.075 (1) (d).

(b) The areas in which residential uses may be regulated or prohibited.

(5) FORMATION OF ZONING ORDINANCE; PROCEDURE. (a) When the county zoning agency has completed a draft of a proposed zoning ordinance, it shall hold a public hearing thereon, following publication in the county of a class 2 notice under ch. 985. The proposed zoning ordinance may specify whether it would apply in all or part of a town's territory. If the proposed ordinance has the effect of changing the allowable use of any property, the notice

shall include either a map showing the property affected by the ordinance or a description of the property affected by the ordinance and a statement that a map may be obtained from the zoning agency. After such hearing the agency may make such revisions in the draft as it considers necessary, or it may submit the draft without revision to the board with recommendations for adoption. Proof of publication of the notice of the public hearing held by such agency shall be attached to its report to the board.

(b) When the draft of the ordinance, recommended for enactment by the zoning agency, is received by the board, it may enact the ordinance as submitted, or reject it, or return it to the agency with such recommendations as the board may see fit to make. The board may enact an ordinance that applies in all or part of a town's territory, including applying in all of the territory of some towns in the county and in only part of the territory of other towns in the county. In the event of such return subsequent procedure by the agency shall be as if the agency were acting under the original directions. When enacted, a copy of the ordinance shall be submitted by the clerk to each town clerk, under par. (g), for consideration by the town board.

(c) A county ordinance enacted under this section shall not be effective in any town until it has been approved by the town board. If the town board approves an ordinance enacted by the county board, under this section, a certified copy of the approving resolution attached to one of the copies of such ordinance submitted to the town board shall promptly be filed with the county clerk by the town. The ordinance shall become effective in the town as of the date of the filing, which filing shall be recorded by the county clerk in the clerk's office, reported to the town board and the county board, and printed in the proceedings of the county board. The ordinance shall supersede any prior town ordinance in conflict therewith or which is concerned with zoning, except as provided by s. 60.62. A town board may withdraw from coverage of a county zoning ordinance as provided under s. 60.23 (34).

(d) The board may by a single ordinance repeal an existing county zoning ordinance and reenact a comprehensive revision thereto in accordance with this section. "Comprehensive revision", in this paragraph, means a complete rewriting of an existing zoning ordinance which changes numerous zoning provisions and alters or adds zoning districts. The comprehensive revision may provide that the existing ordinance shall remain in effect in a town for a period of up to one year or until the comprehensive revision is approved by the town board, whichever period is shorter. If the town board fails to approve the comprehensive revision within a year neither the existing ordinance nor the comprehensive revision shall be in force in that town. Any repeal and reenactment prior to November 12, 1965, which would be valid under this paragraph is hereby validated.

(e) The board may amend an ordinance or change the district boundaries. The procedure for such amendments or changes is as follows:

1. A petition for amendment of a county zoning ordinance may be made by a property owner in the area to be affected by the amendment, by the town board of any town in which the ordinance is in effect; by any member of the board or by the agency designated by the board to consider county zoning matters as provided in sub. (2) (a). The petition shall be filed with the clerk who shall immediately refer it to the county zoning agency for its consideration, report and recommendations. Immediate notice of the petition shall be sent to the county supervisor of any affected district. A report of all petitions referred under this paragraph shall be made to the county board at its next succeeding meeting.

2. Upon receipt of the petition by the agency it shall call a public hearing on the petition. Notice of the time and place of the hearing shall be given by publication in the county of a class 2 notice, under ch. 985. If an amendment to an ordinance, as described in the petition, has the effect of changing the allowable use of any property, the notice shall include either a map showing the property affected by the amendment or a description of the property affected by the amendment and a statement that a map may be

obtained from the zoning agency. A copy of the notice shall be submitted by the clerk under par. (g) to the town clerk of each town affected by the proposed amendment at least 10 days prior to the date of such hearing. If the petition is for any change in an airport affected area, as defined in s. 62.23 (6) (am) 1. b., the agency shall mail a copy of the notice to the owner or operator of the airport bordered by the airport affected area.

3. Except as provided under subd. 3m., if a town affected by the proposed amendment disapproves of the proposed amendment, the town board of the town may file a certified copy of the resolution adopted by the board disapproving of the petition with the agency before, at or within 10 days after the public hearing. If the town board of the town affected in the case of an ordinance relating to the location of boundaries of districts files such a resolution, or the town boards of a majority of the towns affected in the case of all other amendatory ordinances file such resolutions, the agency may not recommend approval of the petition without change, but may only recommend approval with change or recommend disapproval.

3m. A town may extend its time for disapproving any proposed amendment under subd. 3. by 20 days if the town board adopts a resolution providing for the extension and files a certified copy of the resolution with the clerk of the county in which the town is located. The 20-day extension shall remain in effect until the town board adopts a resolution rescinding the 20-day extension and files a certified copy of the resolution with the clerk of the county in which the town is located.

4. As soon as possible after the public hearing, the agency shall act, subject to subd. 3., on the petition either approving, modifying and approving, or disapproving it. If its action is favorable to granting the requested change or any modification thereof, it shall cause an ordinance to be drafted effectuating its determination and shall submit the proposed ordinance directly to the board with its recommendations. If the agency after its public hearing recommends denial of the petition it shall report its recommendation directly to the board with its reasons for the action. Proof of publication of the notice of the public hearing held by the agency and proof of the giving of notice to the town clerk of the hearing shall be attached to either report. Notification of town board resolutions filed under subd. 3. shall be attached to either such report.

5. Upon receipt of the agency report the board may enact the ordinance as drafted by the zoning agency or with amendments, or it may deny the petition for amendment, or it may refuse to deny the petition as recommended by the agency in which case it shall rerefer the petition to the agency with directions to draft an ordinance to effectuate the petition and report the ordinance back to the board which may then enact or reject the ordinance.

5m. If a proposed amendment under this paragraph would make any change in an airport affected area, as defined under s. 62.23 (6) (am) 1. b., and the owner or operator of the airport bordered by the airport affected area files a protest against the proposed amendment with the clerk at least 24 hours prior to the date of the meeting of the board at which the report of the zoning agency under subd. 4. is to be considered, no ordinance which makes such a change may be enacted except by the affirmative vote of two-thirds of the members of the board present and voting.

6. If an amendatory ordinance makes only the change sought in the petition and if the petition was not disapproved prior to, at or within 10 days under subd. 3. or 30 days under subd. 3m., whichever is applicable, after the public hearing by the town board of the town affected in the case of an ordinance relating to the location of district boundaries or by the town boards of a majority of the towns affected in the case of all other amendatory ordinances, it shall become effective on passage. The county clerk shall record in the clerk's office the date on which the ordinance becomes effective and notify the town clerk of all towns affected by the ordinance of the effective date and also insert the effective date in the proceedings of the county board. The county clerk shall submit a copy of any other amendatory ordinance, under par. (g), within 7 days of its enactment, to the town clerk of each town in

which lands affected by the ordinance are located. If after 40 days from the date of the enactment a majority of the towns have not filed certified copies of resolutions disapproving the amendment with the county clerk, or if, within a shorter time a majority of the towns in which the ordinance is in effect have filed certified copies of resolutions approving the amendment with the county clerk, the amendment shall be in effect in all of the towns affected by the ordinance. The county clerk shall submit under par. (g), within 7 days of its enactment, any ordinance relating to the location of boundaries of districts only to the town clerk of the town in which the lands affected by the change are located. Such an ordinance shall become effective 40 days after enactment of the ordinance by the county board unless such town board prior to such date files a certified copy of a resolution disapproving of the ordinance with the county clerk. If such town board approves the ordinance, the ordinance shall become effective upon the filing of the resolution of the town board approving the ordinance with the county clerk. The clerk shall record in the clerk's office the date on which the ordinance becomes effective and notify the town clerk of all towns affected by such ordinance of such effective date and also make such report to the county board, which report shall be printed in the proceedings of the county board.

7. When any lands previously under the jurisdiction of a county zoning ordinance have been finally removed from such jurisdiction by reason of annexation to an incorporated municipality, and after the regulations imposed by the county zoning ordinance have ceased to be effective as provided in sub. (7), the board may, on the recommendation of its zoning agency, enact amendatory ordinances that remove or delete the annexed lands from the official zoning map or written descriptions without following any of the procedures provided in subs. 1. to 6., and such amendatory ordinances shall become effective upon enactment and publication. A copy of the ordinance shall be forwarded by the clerk to the clerk of each town in which the lands affected were previously located. Nothing in this paragraph shall be construed to nullify or supersede s. 66.1031.

(f) The county zoning agency shall maintain a list of persons who submit a written or electronic request to receive notice of any proposed ordinance or amendment that affects the allowable use of the property owned by the person. Annually, the agency shall inform residents of the county that they may add their names to the list. The agency may satisfy this requirement to provide such information by any of the following means: publishing a 1st class notice under ch. 985; publishing on the county's Internet site; 1st class mail; or including the information in a mailing that is sent to all property owners. If the county zoning agency completes a draft of a proposed zoning ordinance under par. (a) or if the agency receives a petition under par. (e) 2., the agency shall send a notice, which contains a copy or summary of the proposed ordinance or petition, to each person on the list whose property, the allowable use or size or density requirements of which, may be affected by the proposed ordinance or amendment. The notice shall be by mail or in any reasonable form that is agreed to by the person and the agency, including electronic mail, voice mail, or text message. The agency may charge each person on the list who receives a notice by 1st class mail a fee that does not exceed the approximate cost of providing the notice to the person. An ordinance or amendment that is subject to this paragraph may take effect even if the agency fails to send the notice that is required by this paragraph.

(g) 1. Except as provided in subd. 2., when a county clerk is required to submit materials to a town clerk as described in pars. (b) and (e) 2. and 6., the county clerk shall submit the materials by certified mail.

2. A county clerk may submit to a town clerk by electronic mail the materials described in subd. 1. if the county clerk includes with the electronic mail a request that the town clerk promptly confirm receipt of the materials by return electronic mail. If the county clerk does not receive such confirmation within 2 business

days, the county clerk shall submit the materials to the town clerk by certified mail.

(5e) CONDITIONAL USE PERMITS. (a) In this subsection:

1. "Conditional use" means a use allowed under a conditional use permit, special exception, or other special zoning permission issued by a county, but does not include a variance.

2. "Substantial evidence" means facts and information, other than merely personal preferences or speculation, directly pertaining to the requirements and conditions an applicant must meet to obtain a conditional use permit and that reasonable persons would accept in support of a conclusion.

(b) 1. If an applicant for a conditional use permit meets or agrees to meet all of the requirements and conditions specified in the county ordinance or those imposed by the county zoning board, the county shall grant the conditional use permit. Any condition imposed must be related to the purpose of the ordinance and be based on substantial evidence.

2. The requirements and conditions described under subd. 1. must be reasonable and, to the extent practicable, measurable and may include conditions such as the permit's duration, transfer, or renewal. The applicant must demonstrate that the application and all requirements and conditions established by the county relating to the conditional use are or shall be satisfied, both of which must be supported by substantial evidence. The county's decision to approve or deny the permit must be supported by substantial evidence.

(c) Upon receipt of a conditional use permit application, and following publication in the county of a class 2 notice under ch. 985, the county shall hold a public hearing on the application.

(d) Once granted, a conditional use permit shall remain in effect as long as the conditions upon which the permit was issued are followed, but the county may impose conditions such as the permit's duration, transfer, or renewal, in addition to any other conditions specified in the zoning ordinance or by the county zoning board.

(e) If a county denies a person's conditional use permit application, the person may appeal the decision to the circuit court under the procedures contained in s. 59.694 (10) (a), or if the decision is on an application for an approval, as defined in s. 781.10 (1) (a), under the procedures described in s. 59.694 (10) (b). Notwithstanding s. 59.694 (4), a county may provide by ordinance that the county's decision on a conditional use permit application is not reviewable by the board of adjustment and may be appealed directly to the circuit court under the procedures contained in s. 59.694 (10).

(5m) TERMINATION OF COUNTY ZONING. (a) Subject to par. (b), if a county clerk receives a notice from a town under s. 60.23 (34) (b) 1. before July 1 of the year before a year in which a town may withdraw from county zoning under s. 60.23 (34), a county board may enact an ordinance, before October 1 of the year in which the county clerk receives the notice, to repeal all of its zoning ordinances enacted under this section if it so notifies, in writing, all of the towns that are subject to its zoning ordinances. If a county does not repeal all of its zoning ordinances as described in this paragraph, it shall amend its zoning ordinances to specify that the ordinances do not apply in the town from which it received the notice.

(b) An ordinance enacted under par. (a) shall have a delayed effective date of one year. No county board may repeal under this subsection a county shoreland zoning or floodplain zoning ordinance.

(6) OPTIONAL ADDITIONAL PROCEDURES. Nothing in this section shall be construed to prohibit the zoning agency, the board or a town board from adopting any procedures in addition to those prescribed in this section and not in conflict therewith. Such procedures may, but are not required to, provide for public hearings before the county board. The public hearing provided by sub. (5)

(a) and (e) 2. is deemed to be sufficient for the requirements of due process whether or not the county board holds a further public hearing thereafter.

(7) CONTINUED EFFECT OF ORDINANCE. Whenever an area which has been subject to a county zoning ordinance petitions to become part of a city or village, the regulations imposed by the county zoning ordinance shall continue in effect, without change, and shall be enforced by the city or village until the regulations have been changed by official action of the governing body of the city or village, except that in the event an ordinance of annexation is contested in the courts, the county zoning shall prevail and the county shall have jurisdiction over the zoning in the area affected until ultimate determination of the court action.

(9) ZONING OF COUNTY-OWNED LANDS. (a) The county board may by ordinance zone and rezone lands owned by the county without necessity of securing the approval of the town boards of the towns wherein the lands are situated and without following the procedure outlined in sub. (5), provided that the county board shall give written notice to the town board of the town wherein the lands are situated of its intent to so rezone and shall hold a public hearing on the proposed rezoning ordinance and give notice of the hearing by posting in 5 public places in the town.

(b) This subsection does not apply to land that is subject to a town zoning ordinance which is purchased by the county for use as a solid or hazardous waste disposal facility or hazardous waste storage or treatment facility, as these terms are defined under s. 289.01.

(10) NONCONFORMING USES. (ab) In this subsection “nonconforming use” means a use of land, a dwelling, or a building that existed lawfully before the current zoning ordinance was enacted or amended, but that does not conform with the use restrictions in the current ordinance.

(am) An ordinance enacted under this section may not prohibit the continuance of the lawful use of any building, premises, structure, or fixture for any trade or industry for which such building, premises, structure, or fixture is used at the time that the ordinances take effect, but the alteration of, or addition to, or repair in excess of 50 percent of its assessed value of any existing building, premises, structure, or fixture for the purpose of carrying on any prohibited trade or new industry within the district where such buildings, premises, structures, or fixtures are located, may be prohibited. The continuance of the nonconforming use of a temporary structure may be prohibited. If the nonconforming use is discontinued for a period of 12 months, any future use of the building, premises, structure, or fixture shall conform to the ordinance.

(at) Notwithstanding par. (am), a manufactured home community licensed under s. 101.935 that is a legal nonconforming use continues to be a legal nonconforming use notwithstanding the occurrence of any of the following activities within the community:

1. Repair or replacement of homes.
2. Repair or replacement of infrastructure.

(b) 1. Except as provided under subd. 2., the board shall designate an officer to administer the zoning ordinance, who may be the secretary of the zoning agency, a building inspector appointed under s. 59.698 or other appropriate person.

2. Notwithstanding subd. 1. and s. 59.698, in a county with a county zoning agency and a county executive or county administrator, the county executive or county administrator shall appoint and supervise the head of the county zoning agency and the county building inspector, in separate or combined positions. The appointment is subject to confirmation by the board unless the board, by ordinance, elects to waive confirmation or unless the appointment is made under a civil service system competitive examination procedure established under s. 59.52 (8) or ch. 63. The board, by resolution or ordinance, may provide that, notwithstanding s. 17.10 (6), the head of the county zoning agency and the county building inspector, whether serving in a separate or com-

bined position, if appointed under this subdivision, may not be removed from his or her position except for cause.

3. The officer designated under subd. 1. or 2. shall cause a record to be made immediately after the enactment of an ordinance or amendment thereto, or change in district boundary, approved by the town board, of all lands, premises and buildings in the town used for purposes not conforming to the regulations applicable to the district in which they are situated. The record shall include the legal description of the lands, the nature and extent of the uses therein, and the names and addresses of the owner or occupant or both. Promptly on its completion the record shall be published in the county as a class 1 notice, under ch. 985. The record, as corrected, shall be on file with the register of deeds 60 days after the last publication and shall be prima facie evidence of the extent and number of nonconforming uses existing on the effective date of the ordinance in the town. Corrections before the filing of the record with the register of deeds may be made on the filing of sworn proof in writing, satisfactory to the officer administering the zoning ordinance.

(c) The board shall prescribe a procedure for the annual listing of nonconforming uses, discontinued or created, since the previous listing and for all other nonconforming uses. Discontinued and newly created nonconforming uses shall be recorded with the register of deeds immediately after the annual listing.

(d) Paragraphs (b) and (c) shall not apply to counties issuing building permits or occupancy permits as a means of enforcing the zoning ordinance or to counties which have provided other procedures for this purpose.

(e) 1. In this paragraph, “amortization ordinance” means an ordinance that allows the continuance of the lawful use of a nonconforming building, premises, structure, or fixture that may be lawfully used as described under par. (am), but only for a specified period of time, after which the lawful use of such building, premises, structure, or fixture must be discontinued without the payment of just compensation.

2. Subject to par. (am), an ordinance enacted under this section may not require the removal of a nonconforming building, premises, structure, or fixture by an amortization ordinance.

(10e) REPAIR, REBUILDING, AND MAINTENANCE OF CERTAIN NONCONFORMING STRUCTURES. (a) In this subsection:

1. “Development regulations” means the part of a zoning ordinance that applies to elements including setback, height, lot coverage, and side yard.

2. “Nonconforming structure” means a dwelling or other building that existed lawfully before the current zoning ordinance was enacted or amended, but that does not conform with one or more of the development regulations in the current zoning ordinance.

(b) An ordinance may not prohibit, limit based on cost, or require a variance for the repair, maintenance, renovation, rebuilding, or remodeling of a nonconforming structure or any part of a nonconforming structure.

(10m) RESTORATION OF CERTAIN NONCONFORMING STRUCTURES. (a) Restrictions that are applicable to damaged or destroyed nonconforming structures and that are contained in an ordinance enacted under this section may not prohibit the restoration of a nonconforming structure if the structure will be restored to the size, subject to par. (b), location, and use that it had immediately before the damage or destruction occurred, or impose any limits on the costs of the repair, reconstruction, or improvement if all of the following apply:

1. The nonconforming structure was damaged or destroyed on or after March 2, 2006.

2. The damage or destruction was caused by violent wind, vandalism, fire, flood, ice, snow, mold, or infestation.

(b) An ordinance enacted under this section to which par. (a) applies shall allow for the size of a structure to be larger than the size it was immediately before the damage or destruction if neces-

sary for the structure to comply with applicable state or federal requirements.

(11) PROCEDURE FOR ENFORCEMENT OF COUNTY ZONING ORDINANCE. The board shall prescribe rules, regulations and administrative procedures, and provide such administrative personnel as it considers necessary for the enforcement of this section, and all ordinances enacted in pursuance thereof. The rules and regulations and the districts, setback building lines and regulations authorized by this section, shall be prescribed by ordinances which shall be declared to be for the purpose of promoting the public health, safety and general welfare. The ordinances shall be enforced by appropriate forfeitures. Compliance with such ordinances may also be enforced by injunctive order at the suit of the county or an owner of real estate within the district affected by the regulation.

(12) PRIOR ORDINANCES EFFECTIVE. Nothing in this section shall invalidate any county zoning ordinance enacted under statutes in effect before July 20, 1951.

(13) CONSTRUCTION OF SECTION. The powers granted in this section shall be liberally construed in favor of the county exercising them, and this section shall not be construed to limit or repeal any powers now possessed by a county.

(14) LIMITATION OF ACTIONS. A landowner, occupant or other person who is affected by a county zoning ordinance or amendment, who claims that the ordinance or amendment is invalid because procedures prescribed by the statutes or the ordinance were not followed, shall commence an action within the time provided by s. 893.73 (1), except this subsection and s. 893.73 (1) do not apply unless there has been at least one publication of a notice of a zoning hearing in a local newspaper of general circulation and unless there has been held a public hearing on the ordinance or amendment at the time and place specified in the notice.

(15) COMMUNITY AND OTHER LIVING ARRANGEMENTS. For purposes of this section, the location of a community living arrangement for adults, as defined in s. 46.03 (22), a community living arrangement for children, as defined in s. 48.743 (1), a foster home, as defined in s. 48.02 (6), or an adult family home, as defined in s. 50.01 (1), in any municipality, shall be subject to the following criteria:

(a) No community living arrangement may be established after March 28, 1978, within 2,500 feet, or any lesser distance established by an ordinance of a municipality, of any other such facility. Agents of a facility may apply for an exception to this requirement, and such exceptions may be granted at the discretion of the municipality. Two community living arrangements may be adjacent if the municipality authorizes that arrangement and if both facilities comprise essential components of a single program.

(b) 1. Community living arrangements shall be permitted in each municipality without restriction as to the number of facilities, so long as the total capacity of the community living arrangements does not exceed 25 or 1 percent of the municipality's population, whichever is greater. When the capacity of the community living arrangements in the municipality reaches that total, the municipality may prohibit additional community living arrangements from locating in the municipality. In any municipality, when the capacity of community living arrangements in an aldermanic district in a city or a ward in a village or town reaches 25 or 1 percent of the population, whichever is greater, of the district or ward, the municipality may prohibit additional community living arrangements from being located within the district or ward. Agents of a facility may apply for an exception to the requirements of this subdivision, and such exceptions may be granted at the discretion of the municipality.

2. No community living arrangement may be established after January 1, 1995, within 2,500 feet, or any lesser distance established by an ordinance of the municipality, of any other such facility. Agents of a facility may apply for an exception to this requirement, and exceptions may be granted at the discretion of the municipality. Two community living arrangements may be adja-

cent if the municipality authorizes that arrangement and if both facilities comprise essential components of a single program.

(bm) A foster home that is the primary domicile of a foster parent and that is licensed under s. 48.62 or an adult family home certified under s. 50.032 (1m) (b) shall be a permitted use in all residential areas and is not subject to pars. (a) and (b) except that foster homes operated by corporations, child welfare agencies, religious associations, as defined in s. 157.061 (15), associations, or public agencies shall be subject to pars. (a) and (b).

(br) 1. No adult family home described in s. 50.01 (1) (b) may be established within 2,500 feet, or any lesser distance established by an ordinance of the municipality, of any other adult family home described in s. 50.01 (1) (b) or any community living arrangement. An agent of an adult family home described in s. 50.01 (1) (b) may apply for an exception to this requirement, and the exception may be granted at the discretion of the municipality.

2. An adult family home described in s. 50.01 (1) (b) that meets the criteria specified in subd. 1. and that is licensed under s. 50.033 (1m) (b) is permitted in the municipality without restriction as to the number of adult family homes and may locate in any residential zone, without being required to obtain special zoning permission except as provided in par. (i).

(c) If the community living arrangement has capacity for 8 or fewer persons being served by the program, meets the criteria listed in pars. (a) and (b), and is licensed, operated, or permitted under the authority of the department of health services or the department of children and families, that facility is entitled to locate in any residential zone, without being required to obtain special zoning permission except as provided in par. (i).

(d) If the community living arrangement has capacity for 9 to 15 persons being served by the program, meets the criteria listed in pars. (a) and (b), and is licensed, operated, or permitted under the authority of the department of health services or the department of children and families, the facility is entitled to locate in any residential area except areas zoned exclusively for single-family or 2-family residences, except as provided in par. (i), but is entitled to apply for special zoning permission to locate in those areas. The municipality may grant special zoning permission at its discretion and shall make a procedure available to enable such facilities to request such permission.

(e) If the community living arrangement has capacity for serving 16 or more persons, meets the criteria listed in pars. (a) and (b), and is licensed, operated, or permitted under the authority of the department of health services or the department of children and families, that facility is entitled to apply for special zoning permission to locate in areas zoned for residential use. The municipality may grant special zoning permission at its discretion and shall make a procedure available to enable such facilities to request such permission.

(f) The department of health services shall designate a single subunit within that department to maintain appropriate records indicating the location and the capacity of each community living arrangement for adults, and the information shall be available to the public. The department of children and families shall designate a single subunit within that department to maintain appropriate records indicating the location and the capacity of each community living arrangement for children, and the information shall be available to the public.

(g) In this subsection, "special zoning permission" includes, but is not limited to, the following: special exception, special permit, conditional use, zoning variance, conditional permit and words of similar intent.

(h) The attorney general shall take action, upon the request of the department of health services or the department of children and families, to enforce compliance with this subsection.

(i) Not less than 11 months nor more than 13 months after the first licensure of an adult family home under s. 50.033 or of a community living arrangement and every year thereafter, the common council or village or town board of a municipality in which a

licensed adult family home or a community living arrangement is located may make a determination as to the effect of the adult family home or community living arrangement on the health, safety or welfare of the residents of the municipality. The determination shall be made according to the procedures provided under par. (j). If the common council or village or town board determines that the existence in the municipality of a licensed adult family home or a community living arrangement poses a threat to the health, safety or welfare of the residents of the municipality, the common council or village or town board may order the adult family home or community living arrangement to cease operation unless special zoning permission is obtained. The order is subject to judicial review under s. 68.13, except that a free copy of the transcript may not be provided to the licensed adult family home or community living arrangement. The licensed adult family home or community living arrangement shall cease operation within 90 days after the date of the order, or the date of final judicial review of the order, or the date of the denial of special zoning permission, whichever is later.

(im) The fact that an individual with acquired immunodeficiency syndrome or a positive HIV test, as defined in s. 252.01 (2m), resides in a community living arrangement with a capacity for 8 or fewer persons may not be used under par. (i) to assert or prove that the existence of the community living arrangement in the municipality poses a threat to the health, safety or welfare of the residents of the municipality.

(j) A determination under par. (i) shall be made after a hearing before the common council or village or town board. The municipality shall provide at least 30 days' notice to the licensed adult family home or the community living arrangement that such a hearing will be held. At the hearing, the licensed adult family home or the community living arrangement may be represented by counsel and may present evidence and call and examine witnesses and cross-examine other witnesses called. The common council or village or town board may call witnesses and may issue subpoenas. All witnesses shall be sworn by the common council, town board or village board. The common council or village or town board shall take notes of the testimony and shall mark and preserve all exhibits. The common council or village or town board may, and upon request of the licensed adult family home or the community living arrangement shall, cause the proceedings to be taken by a stenographer or by a recording device, the expense thereof to be paid by the municipality. Within 20 days after the hearing, the common council or village or town board shall mail or deliver to the licensed adult family home or the community living arrangement its written determination stating the reasons therefor. The determination shall be a final determination.

NOTE: 2003 Wis. Act 214, which affected this section, contains extensive explanatory notes.

A zoning ordinance may distinguish between foster homes and therapeutic homes for the care of children. *Browndale International v. Board of Adjustment*, 60 Wis. 2d 182, 208 N.W.2d 121 (1973).

A plaintiff is not required to exhaust administrative remedies when the plaintiff's claim is that a zoning ordinance is unconstitutional, but may ask for a declaratory judgment. An ordinance classifying land as agricultural when it is unfit for agriculture is unreasonable and amounts to a taking of the land without compensation. *Kmicic v. Town of Spider Lake*, 60 Wis. 2d 640, 211 N.W.2d 471 (1973).

A property owner does not acquire a "vested interest" in the continuance of a nonconforming use, and such status will be denied if the specific use was casual and occasional, or if the use was merely accessory or incidental to the principal use. *Walworth County v. Hartwell*, 62 Wis. 2d 57, 214 N.W.2d 288 (1974).

Under s. 59.97 (5) (c) [now sub. (5) (c)], a county zoning ordinance becomes effective in a town upon approval of the text by the town board and the filing of the approving resolution with the town clerk and not when it merely adopts a zoning map. *Racine County v. Alby*, 65 Wis. 2d 574, 223 N.W.2d 438 (1974).

Zoning ordinances, being in derogation of common law, are to be construed in favor of the free use of private property. *Cohen v. Dane County Board of Adjustment*, 74 Wis. 2d 87, 246 N.W.2d 112 (1976).

A municipality is not required to show irreparable injury before obtaining an injunction under s. 59.97 (11) [now sub. (11)]. *County of Columbia v. Bylewski*, 94 Wis. 2d 153, 288 N.W.2d 129 (1980).

Under s. 59.97 (9) [now sub. (9)], a county may rezone county-owned land contrary to town zoning laws and without town approval. *Town of Ringle v. County of Marathon*, 104 Wis. 2d 297, 311 N.W.2d 595 (1981).

The primary authority to enact, repeal, and amend a zoning ordinance is at the county, not town, level. The county is responsible for any liabilities that may arise from adoption. No liability arises to a town from the town's approval of a county ordinance enacted following the repeal of a prior effective ordinance. *M&I Marshall Bank v. Town of Somers*, 141 Wis. 2d 271, 414 N.W.2d 824 (1987).

When it is claimed that zoning resulted in a taking of land without compensation, there is no compensable taking unless the regulation resulted in a diminution of value so great that it amounts to a confiscation. *M&I Marshall Bank v. Town of Somers*, 141 Wis. 2d 271, 414 N.W.2d 824 (1987).

For purposes of determining a nonconforming use for a quarry site, all land that contains the mineral and is integral to the operation is included, although a particular portion may not be under actual excavation. *Smart v. Dane County Board of Adjustment*, 177 Wis. 2d 445, 501 N.W.2d 782 (1993).

The power to regulate nonconforming uses includes the power to limit the extension or expansion of the use if it results in a change in the character of the use. *Waukesha County v. Pewaukee Marina, Inc.*, 187 Wis. 2d 18, 522 N.W.2d 536 (Ct. App. 1994).

When a zoning ordinance is changed, a builder may have a vested right, enforceable by mandamus, to build under the previously existing ordinance if the builder has submitted, prior to the change, an application for a permit in strict and complete conformance with the ordinance then in effect. *Lake Bluff Housing Partners v. City of South Milwaukee*, 197 Wis. 2d 157, 540 N.W.2d 189 (1995), 94-1155.

Unless the zoning ordinance provides otherwise, a court should measure the sufficiency of a conditional use application at the time that notice of the final public hearing is first given. *Weber v. Town of Saukville*, 209 Wis. 2d 214, 562 N.W.2d 412 (1997), 94-2336.

A permit issued for a use prohibited by a zoning ordinance is illegal per se. A conditional use permit only allows a property owner to put the property to a use that is expressly permitted as long as conditions have been met. A use begun under an illegal permit cannot be a prior nonconforming use. *Foresight, Inc. v. Babl*, 211 Wis. 2d 599, 565 N.W.2d 279 (Ct. App. 1997), 96-1964.

A nonconforming use, regardless of its duration, may be prohibited or restricted if it also constitutes a public nuisance or is harmful to public health, safety, or welfare. *Town of Delafield v. Sharpley*, 212 Wis. 2d 332, 568 N.W.2d 779 (Ct. App. 1997), 96-2458.

A county executive's power to veto ordinances and resolutions extends to rezoning petitions that are in essence proposed amendments to the county zoning ordinance. The veto is subject to limited judicial review. *Schmeling v. Phelps*, 212 Wis. 2d 898, 569 N.W.2d 784 (Ct. App. 1997), 96-2661.

Sub. (11) does not eliminate the traditional equitable power of a circuit court. It is within the power of the court to deny a county's request for injunctive relief when a zoning ordinance violation is proven. The court should take evidence and weigh equitable considerations including that of the state's citizens. *Forest County v. Goode*, 219 Wis. 2d 654, 579 N.W.2d 715 (1998), 96-3592.

Construction in violation of zoning regulations, even when authorized by a voluntarily issued permit, is unlawful. However, in rare cases, there may be compelling equitable reasons when a requested order of abatement should not be issued. *Lake Bluff Housing Partners v. City of South Milwaukee*, 222 Wis. 2d 222, 588 N.W.2d 45 (Ct. App. 1998), 97-1339.

A conditional use permit did not impose a condition that the conditional use not be conducted outside the permitted area. It was improper to revoke the permit based on that use. An enforcement action in relation to the parcel where the use was not permitted was an appropriate remedy. *Bettendorf v. St. Croix County Board of Adjustment*, 224 Wis. 2d 735, 591 N.W.2d 916 (Ct. App. 1999), 98-2327.

Once a municipality has shown an illegal change in use to a nonconforming use, the municipality is entitled to terminate the entire nonconforming use. The decision is not within the discretion of the court reviewing the order. *Village of Menomonee Falls v. Preuss*, 225 Wis. 2d 746, 593 N.W.2d 496 (Ct. App. 1999), 98-0384.

To violate substantive due process guarantees, a zoning decision must involve more than simple errors in law or an improper exercise of discretion; it must shock the conscience. The city's violation of a purported agreement regarding zoning was not a violation. A court cannot compel a political body to adhere to an agreement regrading zoning if that body has legitimate reasons for breaching. *Eternalist Foundation, Inc. v. City of Platteville*, 225 Wis. 2d 759, 593 N.W.2d 84 (Ct. App. 1999), 98-1944.

While the Department of Natural Resources has the authority to regulate the operation of game farms, its authority does not negate the power to enforce zoning ordinances against game farms. Both are applicable. *Willow Creek Ranch v. Town of Shelby*, 2000 WI 56, 235 Wis. 2d 409, 611 N.W.2d 693, 97-2075.

Financial investment is a factor to consider when determining whether a zoning violation must be abated, but it does not outweigh all other equitable factors to be considered. *Lake Bluff Housing Partners v. City of South Milwaukee*, 2001 WI App 150, 246 Wis. 2d 785, 632 N.W.2d 485, 00-1958.

A change in method or quantity of production of a nonconforming use is not a new use when the original character of the use remains the same. The incorporation of modern technology into the business of the operator of a nonconforming use is allowed. *Racine County v. Cape*, 2002 WI App 19, 250 Wis. 2d 44, 639 N.W.2d 782, 01-0740.

While a mere increase in the volume, intensity, or frequency of a nonconforming use is not sufficient to invalidate it, if the increase in volume, intensity, or frequency of use is coupled with some identifiable change or extension, the enlargement will invalidate a legal nonconforming use. A proposed elimination of cabins and the expansion from 21 to 44 RV sites was an identifiable change in a campground and extension of the use for which it had been licensed. *Lessard v. Burnett County Board of Adjustment*, 2002 WI App 186, 256 Wis. 2d 821, 649 N.W.2d 728, 01–2986.

To find discontinuance of a nonconforming use, proof of intent to abandon the nonconforming use is not required. *Lessard v. Burnett County Board of Adjustment*, 2002 WI App 186, 256 Wis. 2d 821, 649 N.W.2d 728, 01–2986.

A conditional use permit (CUP) is not a contract. A CUP is issued under an ordinance. A municipality has discretion to issue a permit and the right to seek enforcement of it. Noncompliance with the terms of a CUP is tantamount to noncompliance with the ordinance. *Town of Cedarburg v. Shewczyk*, 2003 WI App 10, 259 Wis. 2d 818, 656 N.W.2d 491, 02–0902.

Spot zoning grants privileges to a single lot or area that are not granted or extended to other land in the same use district. Spot zoning is not per se illegal but, absent any showing that a refusal to rezone will in effect confiscate the property by depriving all beneficial use thereof, should only be indulged in when it is in the public interest and not solely for the benefit of the property owner who requests the rezoning. *Step Now Citizens Group v. Town of Utica*, 2003 WI App 109, 264 Wis. 2d 662, 663 N.W.2d 833, 02–2760.

The failure to comply with an ordinance's notice requirements, when all statutory notice requirements were met, did not defeat the purpose of the ordinance's notice provision. *Step Now Citizens Group v. Town of Utica*, 2003 WI App 109, 264 Wis. 2d 662, 663 N.W.2d 833, 02–2760.

Under *Goode*, 219 Wis. 2d 654 (1998), a landowner may contest whether he or she is in violation of the zoning ordinance and, if so, can further contest on equitable grounds the enforcement of a sanction for the violation. *Town of Delafield v. Winkelman*, 2004 WI 17, 269 Wis. 2d 109, 675 N.W.2d 470, 02–0979.

A municipality cannot be estopped from seeking to enforce a zoning ordinance, but a circuit court has authority to exercise its discretion in deciding whether to grant enforcement. Upon the determination of an ordinance violation, the proper procedure for a circuit court is to grant an injunction enforcing the ordinance, except when it is presented with compelling equitable reasons to deny it. *Village of Hobart v. Brown County*, 2005 WI 78, 281 Wis. 2d 628, 698 N.W.2d 83, 03–1907.

An existing conditional use permit (CUP) is not a vested property right and the revocation of the permit is not an unconstitutional taking. A CUP merely represents a species of zoning designations. Because landowners have no property interest in zoning designations applicable to their properties, a CUP is not property and no taking occurs by virtue of a revocation. *Rainbow Springs Golf Company, Inc. v. Town of Mukwonago*, 2005 WI App 163, 284 Wis. 2d 519, 702 N.W.2d 40, 04–1771.

A municipality may not effect a zoning change by simply printing a new map marked "official map." *Village of Hobart v. Brown County*, 2007 WI App 250, 306 Wis. 2d 263, 742 N.W.2d 907, 07–0891.

Zoning that restricts land so that the landowner has no permitted use as of right must bear a substantial relation to the health, safety, morals, or general welfare of the public in order to withstand constitutional scrutiny. *Town of Rhine v. Bizzell*, 2008 WI 76, 311 Wis. 2d 1, 751 N.W.2d 780, 06–0450.

Having a vested interest in the continuance of a use is fundamental to protection of a nonconforming use. There can be no vested interest if the use is not actually and actively occurring at the time the ordinance amendment takes effect. However, it does not follow that any use that is actually occurring on the effective date of the amendment is sufficient to give the owner a vested interest in its continued use. To have a vested interest in the continuance of a use requires that if the continuance of the use were to be prohibited, substantial rights would be adversely affected, which will ordinarily mean that there has been a substantial investment in the use. The longevity of a use and the degree of development of a use are subsumed in an analysis of what investments an owner has made, rather than separate factors to be considered. *Town of Cross Plains v. Kitt's "Field of Dreams" Korner, Inc.*, 2009 WI App 142, 321 Wis. 2d 671, 775 N.W.2d 283, 08–0546.

There must be reasonable reliance on the existing law in order to acquire a vested interest in a nonconforming use. Reasonable reliance on the existing law was not present when the owners knew the existing law was soon to change at the time the use was begun. *Town of Cross Plains v. Kitt's "Field of Dreams" Korner, Inc.*, 2009 WI App 142, 321 Wis. 2d 671, 775 N.W.2d 283, 08–0546.

The town board's recommendation on a form that was signed by the town board clerk and dated but not certified as a resolution by the town clerk did not effectively satisfy the statutory elements of a certified copy of a resolution under sub. (5) (e) 3. Although the legislature intended the town board to serve as a political check on the otherwise unfettered discretion of the county board in wielding its legislative zoning power, it prescribed a specific procedure by which towns perform that function. *Johnson v. Washburn County*, 2010 WI App 50, 324 Wis. 2d 366, 781 N.W.2d 706, 09–0371.

When a village eliminated the selling of cars as a conditional use in general business districts, a previously granted conditional use permit (CUP) was voided, the property owner was left with a legal nonconforming use to sell cars, and the village could not enforce the strictures of the CUP against the property owner. Therefore, the owner could continue to sell cars in accordance with the historical use of the property, but if the use were to go beyond the historical use of the property, the village could seek to eliminate the property's status as a legal nonconforming use. *Hussein v. Village of Germantown Board of Zoning Appeals*, 2011 WI App 96, 334 Wis. 2d 764, 800 N.W.2d 551, 10–2178.

A county has the authority under both subs. (1) and (4) and s. 59.70 (22) to enact ordinances regulating billboards and other similar structures. When a town approves a county zoning ordinance under sub. (5) (c) that includes a billboard ordinance, the town's billboard ordinance adopted under s. 60.23 (29) does not preempt a county's authority to regulate billboards in that town. *Adams Outdoor Advertising, L.P. v. County of Dane*, 2012 WI App 28, 340 Wis. 2d 175, 811 N.W.2d 421, 10–0178.

A municipality has the flexibility to regulate land use through zoning up until the point when a developer obtains a building permit. Once a building permit has been obtained, a developer may make expenditures in reliance on a zoning classification. Wisconsin follows the bright-line building permit rule that a property owner's rights do not vest until the developer has submitted an application for a building permit that conforms to the zoning or building code requirements in effect at the time of applica-

tion. *McKee Family I, LLC v. City of Fitchburg*, 2017 WI 34, 366 Wis. 2d 329, 873 N.W.2d 99, 14–1914.

The building permit rule is a bright-line rule vesting the right to use property consistent with current zoning at the time a building permit application that strictly conforms to all applicable zoning regulations is filed. The rule extends to all land specifically identified in a building permit application as part of the project. *Golden Sands Dairy LLC v. Town of Saratoga*, 2018 WI 61, 381 Wis. 2d 704, 913 N.W.2d 118, 15–1258.

Whether an association has authority to maintain an enforcement action under sub. (11) is not based upon the law of standing itself, but rather on the text of the statute. In this case, a lake association did not fall within the statutory categories of individuals that may maintain an action to enforce a county ordinance, and it had no authority to bring an enforcement action under sub. (11). *Carlin Lake Ass'n v. Carlin Club Properties, LLC*, 2019 WI App 24, 387 Wis. 2d 640, 929 N.W.2d 228, 17–2439.

A party pursuing an enforcement action under sub. (11) need not wait until a county zoning violation has actually occurred before seeking an injunction. Instead, the party must show a "sufficient probability" that a county zoning ordinance violation will occur. *Carlin Lake Ass'n v. Carlin Club Properties, LLC*, 2019 WI App 24, 387 Wis. 2d 640, 929 N.W.2d 228, 17–2439.

The following factors are relevant to a court's determination of whether it is equitable to enjoin a violation of a county zoning ordinance: 1) the interest of the citizens of the jurisdiction that has established the zoning requirements in enforcing the requirements; 2) the extent of the zoning violation; 3) whether the parties to the action have acted in good faith; 4) whether the violator of the zoning requirements has available any other equitable defenses, such as laches, estoppel, or unclean hands; 5) the degree of hardship compliance with the zoning requirements will create; and 6) what role, if any, the government played in contributing to the violation. *Carlin Lake Ass'n v. Carlin Club Properties, LLC*, 2019 WI App 24, 387 Wis. 2d 640, 929 N.W.2d 228, 17–2439.

Nothing in sub. (11) reanimates void conditions. Landowners therefore enjoy no better footing than a county in an attempt to enforce unlawful conditions. *Enbridge Energy Co. v. Dane County*, 2019 WI 78, 387 Wis. 2d 687, 929 N.W.2d 572, 16–2503.

Wisconsin law requires two elements for abandonment of a legal nonconforming use: 1) actual cessation of the nonconforming use; and 2) an intent to abandon the nonconforming use. In this case, the property owner sought and obtained rezoning from agricultural to residential; entered into a subdivision development agreement restricting the property to residential use; recorded a declaration of covenants, conditions, and restrictions that explicitly stated that the property owner intended to develop a subdivision for residences; installed residential infrastructure; and built two homes on the property. Although the property owner's specific acts may have signified an intent to abandon the nonconforming use, the undisputed fact that the property owner continued farming on the property after the rezoning confirmed that there was no actual cessation of the nonconforming use. *Village of Slinger v. Polk Properties, LLC*, 2021 WI 29, 396 Wis. 2d 342, 957 N.W.2d 229, 17–2244.

A county's power under sub. (4) is broad enough to encompass regulation of the storage of junked, unused, unlicensed, or abandoned motor vehicles on private property. Because sub. 59.691 Required notice on certain approvals. (1) In this section, "wetland" has the meaning given in s. 23.32 (1).

(2) (a) Except as provided in par. (b), a county that issues a building permit or other approval for construction activity, shall give the applicant a written notice as specified in subs. (3) and (4) at the time the building permit is issued.

(b) 1. A county is not required to give the notice under par. (a) at the time that it issues a building permit if the county issues the building permit on a standard building permit form prescribed by the department of safety and professional services.

2. A county is not required to give the notice under par. (a) at the time that it issues a building permit or other approval if the building permit or other approval is for construction activity that does not involve any land disturbing activity including removing protective ground cover or vegetation, or excavating, filling, covering, or grading land.

(3) Each notice shall contain the following language: “YOU ARE RESPONSIBLE FOR COMPLYING WITH STATE AND FEDERAL LAWS CONCERNING CONSTRUCTION NEAR OR ON WETLANDS, LAKES, AND STREAMS. WETLANDS THAT ARE NOT ASSOCIATED WITH OPEN WATER CAN BE DIFFICULT TO IDENTIFY. FAILURE TO COMPLY MAY RESULT IN REMOVAL OR MODIFICATION OF CONSTRUCTION THAT VIOLATES THE LAW OR OTHER PENALTIES OR COSTS. FOR MORE INFORMATION, VISIT THE DEPARTMENT OF NATURAL RESOURCES WETLANDS IDENTIFICATION WEB PAGE OR CONTACT A DEPARTMENT OF NATURAL RESOURCES SERVICE CENTER.”

(4) The notice required in sub. (2) (a) shall contain the electronic website address that gives the recipient of the notice direct contact with that website.

(5) A county in issuing a notice under this section shall require that the applicant for the building permit sign a statement acknowledging that the person has received the notice.

59.692 Zoning of shorelands on navigable waters.

(1) In this section:

(a) “Department” means the department of natural resources.

(ar) “Roadway” has the meaning given in s. 340.01 (54).

(b) “Shorelands” means the area within the following distances from the ordinary high–water mark of navigable waters, as defined under s. 281.31 (2) (d):

1. One thousand feet from a lake, pond or flowage. If the navigable water is a glacial pothole lake, this distance shall be measured from the high–water mark of the lake.

2. Three hundred feet from a river or stream or to the landward side of the floodplain, whichever distance is greater.

(bn) “Shoreland setback area” means an area in a shoreland that is within a certain distance of the ordinary high–water mark in which the construction or placement of structures has been limited or prohibited under an ordinance enacted under this section.

(c) “Shoreland zoning standard” means a standard for ordinances enacted under this section that is promulgated as a rule by the department.

(d) “Special zoning permission” has the meaning given in s. 59.69 (15) (g).

(e) “Structure” means a principal structure or any accessory structure including a garage, shed, boathouse, sidewalk, stairway, walkway, patio, deck, retaining wall, porch, or fire pit.

(1c) To effect the purposes of s. 281.31 and to promote the public health, safety and general welfare, each county shall zone by ordinance all shorelands in its unincorporated area. The requirements in this ordinance shall relate to the purposes in s. 281.31 (1). This ordinance may be enacted separately from ordinances enacted under s. 59.69.

(1d) (a) An ordinance enacted under this section may not regulate a matter more restrictively than the matter is regulated by a shoreland zoning standard.

(b) Paragraph (a) does not prohibit a county from enacting a shoreland zoning ordinance that regulates a matter that is not regulated by a shoreland zoning standard.

(1f) (a) A county shoreland zoning ordinance may not require a person to do any of the following:

1. Establish a vegetative buffer zone on previously developed land.

2. Expand an existing vegetative buffer zone.

(b) A county shoreland zoning ordinance may require a person to maintain a vegetative buffer zone that exists on July 14, 2015, if the ordinance also does all of the following:

1. Allows the buffer zone to contain an access and viewing corridor. A county shoreland zoning ordinance may not establish a maximum width along the shoreline for an access and viewing corridor that is less than 10 feet or 35 percent of the shoreline frontage, whichever is greater, except that the ordinance may not permit the width of an access and viewing corridor to exceed 200 feet.

2. Allows a viewing corridor to run contiguously for the entire maximum width established under subd. 1.

(1h) If a professional land surveyor licensed under ch. 443, in measuring a setback from an ordinary high–water mark of a navigable water as required by an ordinance enacted under this section, relies on a map, plat, or survey that incorporates or approximates the ordinary high–water mark in accordance with s. 236.025, the setback measured is the setback with respect to a structure constructed on that property if all of the following apply:

(a) The map, plat, or survey is prepared by a professional land surveyor, licensed under ch. 443, after April 28, 2016. The same professional land surveyor may prepare the map, plat, or survey and measure the setback.

(b) The department has not identified the ordinary high–water mark on its Internet site as is required under s. 30.102 at the time the setback is measured.

(1k) (a) The department may not impair the interest of a landowner in shoreland property by establishing a shoreland zoning standard, and a county may not impair the interest of a landowner in shoreland property by enacting or enforcing a shoreland zoning ordinance, that does any of the following:

1. Requires any approval to install or maintain outdoor lighting in shorelands, imposes any fee or mitigation requirement to install or maintain outdoor lighting in shorelands, or otherwise prohibits or regulates outdoor lighting in shorelands if the lighting is designed or intended for residential use.

2. Except as provided in par. (b), requires any approval or imposes any fee or mitigation requirement for, or otherwise prohibits or regulates, the maintenance, repair, replacement, restoration, rebuilding, or remodeling of all or any part of any of the following if the activity does not expand the footprint of the structure:

a. A nonconforming structure.

b. A structure of which any part is legally located in the shoreland setback area by operation of a variance granted before July 13, 2015.

c. A building or structure in violation of a county shoreland zoning ordinance that, under sub. (1t), may not be enforced.

2m. Except as provided in pars. (b) and (bm), requires any approval or imposes any fee or mitigation requirement for, or otherwise prohibits or regulates, the maintenance, repair, replacement, restoration, rebuilding, or remodeling of all or any part of a structure listed under sub. (1n) (d) that was legally constructed wholly or partially within the shoreland setback area if the activity does not expand the footprint of the existing structure.

3. Requires any inspection or upgrade of a structure before the sale or other transfer of the structure may be made.

4. Requires any approval or imposes any fee or mitigation requirement for, or otherwise prohibits or regulates, the vertical

expansion of a nonconforming structure or a structure of which any part is legally located in the shoreland setback area by operation of a variance granted before July 13, 2015, unless the vertical expansion would extend more than 35 feet above grade level.

6. Prohibits placement in a shoreland setback area of a device or system authorized under par. (am) 1.

(am) The department may not impair the interest of a landowner in shoreland property by establishing a shoreland zoning standard, and a county may not impair the interest of a landowner in shoreland property by enacting or enforcing a shoreland zoning ordinance, that establishes standards for impervious surfaces unless all of the following apply:

1. The standards provide that a surface is considered pervious if the runoff from the surface is treated by a device or system, or is discharged to an internally drained pervious area, that retains the runoff on or off the parcel to allow infiltration into the soil.

2. If the standards allow a greater amount of impervious surface on areas with highly developed shorelines than areas with shorelines that are not highly developed, as determined by the department, the standards also require an area with highly developed shorelines to include at least 500 feet of shoreline and require that one of the following applies:

a. The area is composed of a majority of lots with more than 30 percent impervious surface area, as calculated by the county and approved by the department.

b. The area is composed of a majority of lots that are less than 20,000 square feet in area.

c. The area is located on a lake and served by a sewerage system, as defined in s. 281.01 (14).

3. The standards prohibit considering a roadway or a sidewalk, as defined in s. 340.01 (58), as impervious surfaces.

(b) A county shoreland zoning ordinance shall allow an activity specified under par. (a) 2. and 2m. to expand the footprint of a nonconforming structure, a structure listed under sub. (1n) (d), or a structure of which any part is legally located in the shoreland setback area by operation of a variance granted before July 13, 2015, if the expansion is necessary for the structure to comply with applicable state or federal requirements.

(bm) A county shoreland zoning ordinance may prohibit an activity specified under par. (a) 2m. from expanding a structure listed under sub. (1n) (d) beyond the 3-dimensional building envelope of the existing structure.

(c) 1. Nothing in this section prohibits the department from establishing a shoreland zoning standard that allows the vertical or lateral expansion of a nonconforming structure.

2. Nothing in this section prohibits a county from enacting a shoreland zoning ordinance that allows the vertical or lateral expansion of a nonconforming structure if the ordinance does not conflict with shoreland zoning standards established by the department.

(1n) (a) In this subsection, “setback” means the distance that a shoreland setback area extends from the ordinary high-water mark.

(am) Except as provided under pars. (b), (bm), (c), and (d), a county shoreland zoning ordinance shall establish a setback of 75 feet.

(b) Except as provided in pars. (bm) and (c), if the closest principal structure in each direction along the shoreline to a proposed principal structure exists on an adjacent lot and within 250 feet of the proposed principal structure and both of the existing principal structures are set back less than 75 feet from the ordinary high-water mark, a county shoreland zoning ordinance shall establish a setback equal to the average of the distances that those structures are set back from the ordinary high-water mark but no less than 35 feet.

(bm) If a principal structure exists on an adjacent lot and within 250 feet of a proposed principal structure in only one direction along the shoreline, is the closest principal structure to the pro-

posed principal structure, and is set back less than 75 feet from the ordinary high-water mark, a county shoreland zoning ordinance may establish a setback equal to the average of 75 feet and the distance that the existing structure is set back from the ordinary high-water mark but no less than 35 feet.

(c) 1. Except as provided in subd. 2., if the closest principal structure in each direction along the shoreline to a proposed principal structure exists on an adjacent lot and within 200 feet of the proposed principal structure and both of the existing principal structures are set back more than 75 feet from the ordinary high-water mark at or farther landward from the setback that was required at the time each structure was built, a county shoreland zoning ordinance may establish a setback equal to the average of the setbacks required for those structures at the time they were built.

2. Subdivision 1. does not apply if the resulting setback limits the placement of the proposed principal structure to an area on which the structure cannot be built.

(d) A county shoreland zoning ordinance may not prohibit the construction of any of the following structures within the 75-foot setback requirement under par. (am):

1. A boathouse, as defined in s. 30.01 (1d), that is located entirely above the ordinary high-water mark.

2. A structure that satisfies the requirements in sub. (1v).

3. A fishing raft for which the department has issued a permit under s. 30.126.

4. A broadcast signal receiver, including a satellite dish, or an antenna that is no more than one meter in diameter and a satellite earth station antenna that is no more than 2 meters in diameter.

5. A utility transmission line, utility distribution line, pole, tower, water tower, pumping station, well pumphouse cover, private on-site wastewater treatment system that complies with ch. 145, and any other utility structure for which no feasible alternative location outside of the setback exists and which is constructed and placed using best management practices to infiltrate or otherwise control storm water runoff from the structure.

6. A walkway, stairway, or rail system that is necessary to provide pedestrian access to the shoreline and is no more than 60 inches in width.

7. A fence that is all of the following:

a. No taller than 15 feet.

b. Located no less than 2 feet landward of the ordinary high-water mark.

c. Located entirely outside of a highway right-of-way, no less than 10 feet from the edge of a roadway, and no more than 40 feet from the edge of a roadway or highway right-of-way, whichever is greater.

d. Generally perpendicular to the shoreline.

8. A bridge for which the department has issued a permit under s. 30.123.

(1o) The department may not promulgate a standard and a county may not enact an ordinance under this section that prohibits the owner of a boathouse in the shoreland setback area that has a flat roof from using the roof as a deck if the roof has no side walls or screens or from having or installing a railing around that roof if the railing is not inconsistent with standards promulgated by the department of safety and professional services under ch. 101.

(1p) This section does not authorize a county to impose a requirement, condition, or restriction on land that is not shoreland within the county.

(1r) An ordinance enacted under this section may not prohibit the maintenance of stairs, platforms or decks that were constructed before August 15, 1991, and that are located in any of the following shorelands:

(a) The shoreland of Lake Wissota in Chippewa County.

(b) The shorelands of Lake Holcombe in Chippewa and Rusk counties.

(1t) A county or the department may not commence an enforcement action against a person who owns a building or structure that is in violation of a shoreland zoning standard or an ordinance enacted under this section if the building or structure has been in place for more than 10 years.

(1v) A county shall grant special zoning permission for the construction or placement of a structure on property in a shoreland setback area if all of the following apply:

(a) The part of the structure that is nearest to the water is located at least 35 feet landward from the ordinary high–water mark.

(b) The total floor area of all of the structures in the shoreland setback area of the property will not exceed 200 square feet. In calculating this square footage, boathouses shall be excluded.

(c) The structure that is the subject of the request for special zoning permission has no sides or has open or screened sides.

(d) The county must approve a plan that will be implemented by the owner of the property to preserve or establish a vegetative buffer zone that covers at least 70 percent of the half of the shoreland setback area that is nearest to the water.

(2) (a) Except as otherwise specified, all provisions of s. 59.69 apply to ordinances and their amendments enacted under this section whether or not enacted separately from ordinances enacted under s. 59.69, but the ordinances and amendments shall not require approval or be subject to disapproval by any town or town board.

(b) If an existing town ordinance relating to shorelands is more restrictive than an ordinance later enacted under this section affecting the same shorelands, it continues as a town ordinance in all respects to the extent of the greater restrictions, but not otherwise.

(bg) A town may enact a zoning ordinance affecting the same shorelands as an ordinance enacted under this section, subject to the restrictions in ss. 60.61 (3r) and 60.62 (5).

(bm) If a town ordinance enacted by a town that is located entirely on an island in Lake Superior and authorized to exercise village powers under s. 60.22 (3) is more restrictive than an ordinance enacted under this section affecting the same shorelands, regardless of the order of enactment, the town ordinance applies in all respects to the extent of the greater restrictions, but not otherwise.

(c) Ordinances that are enacted under this section shall accord and be consistent with any comprehensive zoning plan or general zoning ordinance applicable to the enacting counties, so far as practicable.

(2m) A county shoreland zoning ordinance may not regulate the construction of a structure on a substandard lot in a manner that is more restrictive than the shoreland zoning standards for substandard lots.

(3) All powers granted to a county under s. 236.45 may be exercised by it with respect to shorelands, but the county must have or provide a planning agency as defined in s. 236.02 (3).

(4) (a) Section 66.0301 applies to this section, except that for the purposes of this section an agreement under s. 66.0301 shall be effected by ordinance. If the municipalities as defined in s. 281.31 are served by a regional planning commission under s. 66.0309, the commission may, with its consent, be empowered by the ordinance of agreement to administer each ordinance enacted hereunder throughout its enacting municipality, whether or not the area otherwise served by the commission includes all of that municipality.

(b) Variances and appeals regarding shorelands within a county are for the board of adjustment for that county under s. 59.694, and the procedures of that section apply. Notwithstanding s. 59.694 (4), the department may not appeal a decision of the county to grant or deny a variance under this section but may, upon the request of a county board of adjustment, issue an opinion on whether a variance should be granted or denied.

(5) An ordinance enacted under this section supersedes all provisions of an ordinance enacted under s. 59.69 that relate to shorelands.

(5m) If a county has in effect on or after July 14, 2015, a provision in an ordinance that is inconsistent with sub. (1d), (1f), (1k), or (2m), the provision does not apply and may not be enforced.

(6) If a county does not enact an ordinance by January 1, 1968, or if the department, after notice and hearing, determines that a county has enacted an ordinance that fails to meet the shoreland zoning standards, the department shall adopt such an ordinance for the county. As far as possible, s. 87.30 shall apply to this subsection.

(6m) For an amendment to an ordinance enacted under this section that affects an activity that meets all of the requirements under s. 281.165 (2), (3) (a), or (4) (a), the department may not proceed under sub. (6), or otherwise review the amendment, to determine whether the ordinance, as amended, fails to meet the shoreland zoning standards.

(7) (a) In this subsection, “facility” means any property or equipment of a public utility, as defined in s. 196.01 (5), or a cooperative association organized under ch. 185 for the purpose of producing or furnishing heat, light, or power to its members only, that is used for the transmission, delivery, or furnishing of natural gas, heat, light, or power.

(b) The construction and maintenance of a facility is considered to satisfy the requirements of this section and any county ordinance enacted under this section if any of the following applies:

1. The department has issued all required permits or approvals authorizing the construction or maintenance under ch. 30, 31, 281, or 283.

2. No department permit or approval under subd. 1. is required for the construction or maintenance and the construction or maintenance is conducted in a manner that employs best management practices to infiltrate or otherwise control storm water runoff from the facility.

The legal standard of unnecessary hardship requires that the property owner demonstrate that without a variance there is no reasonable use for the property. When the property owner has a reasonable use for the property, the statute takes precedence and the variance should be denied. *State v. The state, in administering the Fair Housing Act, may not order a zoning board to issue a variance based on characteristics unique to the landowner rather than the land. *County of Sawyer Zoning Board v. DWD*, 231 Wis. 2d 534, 605 N.W.2d 627 (Ct. App. 1999), 99–0707.

In evaluating whether to grant an area variance to a zoning ordinance, a board of adjustment should focus on the purpose of the zoning law at issue in determining whether an unnecessary hardship exists for the property owner seeking the variance. The facts of the case should be analyzed in light of that purpose, and boards of adjustment must be afforded flexibility so that they may appropriately exercise their discretion. *State v. Waushara County Board of Adjustment*, 2004 WI 56, 271 Wis. 2d 547, 679 N.W.2d 514, 02–2400.

The term “floor area” in sub. (1v) (b) unambiguously encompasses only the surface portion of a deck’s floorboards and, therefore, does not include portions of the deck’s support system that extend beyond the floorboards. If a portion of a structure is outside the setback area, that part is not in the setback area and it is not the portion “extending into” that area for purposes of calculating the 200 square foot restriction in sub. (1v) (b). *Propp v. Sauk County Board of Adjustment*, 2010 WI App 25, 323 Wis. 2d 495, 779 N.W.2d 705, 09–0209.

Appellants appropriately relied on the county’s zoning map to identify the ordinary high water mark of a nearby lake and determine that the sign’s proposed location was outside the county’s 1,000 foot zone of shoreland authority. It was reasonable for the appellant to rely on the map rather than conduct on-site measurements. *Oneida*

County v. Collins Outdoor Advertising, Inc., 2011 WI App 60, 333 Wis. 2d 216, 798 N.W.2d 724, 10–0084.

By enactment of this section and s. 281.31, the legislature intended that towns would not have authority to regulate shorelands except where such regulation fell within the language of sub. (2) (b) [now sub. (2) (b), (bg), and (bm)]. That statutory scheme does not distinguish between towns with village powers and those without. *Hegwood v. Town of Eagle Zoning Board of Appeals*, 2013 WI App 118, 351 Wis. 2d 196, 839 N.W.2d 111, 12–2058.

Although they often work together, zoning and subdivision regulations provide separate and distinct means of regulating the development of land. There are areas of overlap between the two powers, but there are also key differences. Subdivision control is concerned with the initial division of undeveloped land, while zoning more specifically regulates the further use of this land. *State ex rel. Anderson v. Town of Newbold*, 2021 WI 6, 395 Wis. 2d 351, 954 N.W.2d 323, 18–0547.

In this case, the town's ordinance set minimum lot frontage requirements for each lake within its borders. Pursuant to the *Zwiefelhofer*, 2012 WI 7, factors, the town's ordinance was not a zoning ordinance. It did not concern land use, and it did not separate compatible and incompatible land uses, which is a key purpose of a zoning ordinance. Because it was not a zoning ordinance, the restrictions on town enactment of zoning ordinances set by this section did not apply, and the ordinance was a permissible exercise of the town's subdivision authority pursuant to s. 236.45. *State ex rel. Anderson v. Town of Newbold*, 2021 WI 6, 395 Wis. 2d 351, 954 N.W.2d 323, 18–0547.

The “relate to shorelands” language in sub. (5) does not prohibit counties from enacting and enforcing provisions in general zoning ordinances under s. 59.69 applicable to all property in the counties, including shorelands. The only reasonable meaning of that phrase is general ordinance provisions that address issues that are specific to shoreland property and that serve the purpose of protecting shorelands and navigable waters. In other words, provisions that “relate to shorelands” means the subset of general ordinance provisions that “specifically” relate to shorelands. In this case, the county's general zoning ordinance side yard setback and land use permit provisions, which applied to all property in the county, were by their terms not connected specifically with shorelands or the purposes of and interests protected by shoreland zoning. *Waupaca County v. Golla*, 2022 WI App 40, 404 Wis. 2d 141, 978 N.W.2d 558, 21–1076.

The reasonable interpretation of the phrase “a provision in an ordinance” in sub. (5m) is a provision in a shoreland zoning ordinance enacted under this section or a provision in a general zoning ordinance enacted under s. 59.69 that relates to shorelands. *Waupaca County v. Golla*, 2022 WI App 40, 404 Wis. 2d 141, 978 N.W.2d 558, 21–1076.

The term “utility” as used in sub. (1n) (d) 5. encompasses municipal sanitary districts and is not limited to the definition of “public utility” in s. 196.01 (5). *Delavan Lake Sanitary District v. Walworth County Board of Adjustment*, 2023 WI App 22, 407 Wis. 2d 628, 990 N.W.2d 783, 22–0289.

County floodplain zoning ordinances may be adopted under s. 59.971 [now this section] and do not require the approval of town boards in order to become effective within the unincorporated areas of the county. 62 Atty. Gen. 264.

Counties may zone lands located within 300 feet of an artificial ditch that is navigable in fact. 63 Atty. Gen. 57.

County shoreland zoning of unincorporated areas adopted under s. 59.971 [now this section] is not superseded by municipal extraterritorial zoning under s. 62.23 (7a). Discussing ss. 59.971, 62.23 (7) and (7a), and 144.26 [now s. 281.31]. Municipal extraterritorial zoning within shorelands is effective insofar as it is consistent with, or more restrictive than, the county shoreland zoning regulations. 63 Atty. Gen. 69.

A county may not enact a shoreland zoning ordinance without a provision regulating nonconforming uses that have been discontinued for 12 months or longer. A county may enact an ordinance without the 50 percent provision under s. 59.69 (10) (a) [now s. 59.69 (10) (am)], in which case common law controls. OAG 2–97.

A county is not prohibited from imposing elements of its general zoning ordinance in the shorelands in a town even if the town has not adopted the county's general zoning ordinance under s. 59.69 (5) (c), so long as those elements are consistent with this section. OAG 1–19.

59.693 Construction site erosion control and storm water management zoning. (1) DEFINITION. In this section, “department” means the department of natural resources.

(2) AUTHORITY TO ENACT ORDINANCE. To effect the purposes of s. 281.33 and to promote the public health, safety and general welfare, a county may enact a zoning ordinance, that is applicable to all of its unincorporated area, except as provided in s. 60.627 (2) (b), for construction site erosion control at sites described in s. 281.33 (3) (a) 1. a. and b. and for storm water management. This ordinance may be enacted separately from ordinances enacted under s. 59.69. An ordinance enacted under this subsection is subject to the strict conformity requirements under s. 281.33 (3m).

(4) APPLICABILITY OF COUNTY ZONING PROVISIONS; TOWN APPROVAL. (a) Except as otherwise specified in this section, s. 59.69 applies to any ordinance or amendment to an ordinance enacted under this section, but an ordinance or amendment to an

ordinance enacted under this section does not require approval and is not subject to disapproval by any town or town board.

(b) Variances and appeals regarding construction site erosion control and storm water management regulations under this section are to be determined by the board of adjustment for that county. Procedures under s. 59.694 apply to these determinations.

(c) An ordinance enacted under this section supersedes all provisions of an ordinance enacted under s. 59.69 that relate to construction site erosion control or storm water management regulation.

(6) APPLICABILITY OF COMPREHENSIVE ZONING PLAN OR GENERAL ZONING ORDINANCE. Ordinances that are enacted under this section shall accord and be consistent with any comprehensive zoning plan or general zoning ordinance applicable to the enacting counties, so far as practicable.

(7) APPLICABILITY OF LOCAL SUBDIVISION REGULATION. All powers granted to a county under s. 236.45 may be exercised by the county with respect to construction site erosion control at sites described in s. 281.33 (3) (a) 1. a. and b. or with respect to storm water management regulation, if the county has or provides a county planning agency as defined in s. 236.02 (3).

(8) APPLICABILITY TO LOCAL GOVERNMENTS AND AGENCIES. An ordinance that is enacted under this section is applicable to activities conducted by a unit of local government and an agency of that unit of government. An ordinance that is enacted under this section is not applicable to activities conducted by an agency, as defined under s. 227.01 (1) but also including the office of district attorney, which is subject to the state plan promulgated or a memorandum of understanding entered into under s. 281.33 (2).

(9) INTERGOVERNMENTAL COOPERATION. (a) Except as provided in par. (c), s. 66.0301 applies to this section, but for the purposes of this section an agreement under s. 66.0301 shall be effected by ordinance.

(b) If a county is served by a regional planning commission under s. 66.0309 and if the commission consents, the county may empower the commission by ordinance to administer an ordinance that is enacted under this section throughout the county, whether or not the area otherwise served by the commission includes all of that county.

(c) If the board of commissioners of the Dane County Lakes and Watershed Commission consents, Dane County may empower the commission by ordinance to administer an ordinance that is enacted under this section whether or not the area otherwise served by the commission includes all of Dane County. Section 66.0301 does not apply to this paragraph.

(10) VALIDITY UPON ANNEXATION. An ordinance that is enacted under this section by a county that is in effect in an area immediately before the area is annexed by a city or village continues in effect in the area after annexation unless the city or village enacts, maintains and enforces a city or village ordinance which complies with minimum standards established by the department and which is at least as restrictive as the county ordinance enacted under this section. If, after providing notice and conducting a hearing on the matter, the department determines that an ordinance that is enacted by a city or village which is applicable to the annexed area does not meet these standards or is not as restrictive as the county ordinance, the department shall issue an order declaring the city or village ordinance void and reinstating the applicability of the county ordinance to the annexed area.

(11) UTILITY FACILITIES. (a) In this subsection, “facility” means any property or equipment of a public utility, as defined in s. 196.01 (5), or a cooperative association organized under ch. 185 for the purpose of producing or furnishing heat, light, or power to its members only, that is used for the transmission, delivery, or furnishing of natural gas, heat, light, or power.

(b) The construction and maintenance of a facility is considered to satisfy the requirements of this section and any county

ordinance enacted under this section if any of the following applies:

1. The department has issued all required permits or approvals authorizing the construction or maintenance under ch. 30, 31, 281, or 283.

2. No department permit or approval under subd. 1. is required for the construction or maintenance and the construction or maintenance is conducted in a manner that employs best management practices to infiltrate or otherwise control storm water runoff from the facility.

59.694 County zoning, adjustment board. (1) APPOINTMENT, POWER. The county board may provide for the appointment of a board of adjustment, and in the regulations and restrictions adopted under s. 59.69 may provide that the board of adjustment may, in appropriate cases and subject to appropriate conditions and safeguards, make special exceptions to the terms of the ordinance in harmony with its general purpose and intent and in accordance with general or specific rules therein contained. Nothing in this subsection precludes the granting of special exceptions by the county zoning agency designated under s. 59.69 (2) (a) or the county board in accordance with regulations and restrictions adopted under s. 59.69 which were in effect on July 7, 1973, or adopted after that date.

(2) PERSONNEL. (a) In counties with a population of less than 750,000, the board of adjustment shall consist of not more than 5 members as determined by resolution of the county board. The chairperson of the county board shall appoint the members with the approval of the county board for terms of 3 years beginning July 1. The incumbent members shall continue to serve until their terms expire. The county board resolution increasing the size of the board of adjustment shall indicate how many members shall be appointed for 1, 2 and 3 years prior to July 1 of the year in which the change takes effect in making the first appointments. If the county board, by resolution, determines to reduce the membership of the board of adjustment below 5 but not less than 3, one of the positions for which the term expires as determined by lot shall not be filled each year until the requisite number of positions has been reached.

(am) The chairperson of the county board to which par. (a) applies shall appoint, for staggered 3-year terms, 2 alternate members of the board of adjustment, who are subject to the approval of the county board. Annually, the chairperson of the county board shall designate one of the alternate members as the first alternate and the other as 2nd alternate. The first alternate shall act, with full power, only when a member of the board of adjustment refuses to vote because of a conflict of interest or when a member is absent. The 2nd alternate shall act only when the first alternate refuses to vote because of a conflict of interest or is absent, or if more than one member of the board of adjustment refuses to vote because of a conflict of interest or is absent.

(b) In counties with a population of 750,000 or more, the board of adjustment shall consist of 3 members who are residents of the county, elected by the county board for terms of 1, 2 and 3 years, respectively, and until their successors are elected and qualify.

(bm) The chairperson of the county board to which par. (b) applies shall appoint, for staggered 3-year terms, 2 alternate members of the board of adjustment, who are subject to the approval of the county board. Annually, the chairperson of the county board shall designate one of the alternate members as the first alternate and the other as 2nd alternate. The first alternate shall act, with full power, only when a member of the board of adjustment refuses to vote because of a conflict of interest or when a member is absent. The 2nd alternate shall act only when the first alternate refuses to vote because of a conflict of interest or is absent, or if more than one member of the board of adjustment refuses to vote because of a conflict of interest or is absent.

(c) The members of the board of adjustment, including alternate members, shall all reside within the county and outside of the limits of incorporated cities and villages; provided, however, that no 2 members shall reside in the same town. The board of adjustment shall choose its own chairperson. Office room shall be provided by the county board, and the actual and necessary expenses incurred by the board of adjustment in the performance of its duties shall be paid and allowed as in cases of other claims against the county. The county board may likewise compensate the members of the board of adjustment, including alternate members, and the assistants as may be authorized by the county board. Vacancies shall be filled for the unexpired term of any member whose term becomes vacant.

(3) RULES, MEETINGS, MINUTES. The county board shall adopt rules for the conduct of the business of the board of adjustment, in accordance with the provisions of any ordinance enacted under s. 59.69. The board of adjustment may adopt further rules as necessary to carry into effect the regulations of the county board. Meetings of the board of adjustment shall be held at the call of the chairperson and at such other times as the board of adjustment may determine. The chairperson, or in his or her absence the acting chairperson, may administer oaths and compel the attendance of witnesses. All meetings of the board of adjustment shall be open to the public. The board of adjustment shall keep minutes of its proceedings, showing the vote of each member upon each question, or, if absent or failing to vote, indicating such fact, and shall keep records of its examinations and other official actions, all of which shall be immediately filed in the office of the board of adjustment and shall be a public record.

(3m) QUORUM REQUIREMENTS. If a quorum is present, the board of adjustment may take action under this section by a majority vote of the members present.

(4) APPEALS TO BOARD. Appeals to the board of adjustment may be taken by any person aggrieved or by any officer, department, board or bureau of the municipality affected by any decision of the building inspector or other administrative officer. Such appeal shall be taken within a reasonable time, as provided by the rules of the board of adjustment, by filing with the officer from whom the appeal is taken and with the board of adjustment a notice of appeal specifying the grounds thereof. The officer from whom the appeal is taken shall forthwith transmit to the board of adjustment all the papers constituting the record upon which the action appealed from was taken.

(5) STAYS. An appeal shall stay all proceedings in furtherance of the action appealed from, unless the officer from whom the appeal is taken shall certify to the board of adjustment after the notice of appeal shall have been filed with that officer that by reason of facts stated in the certificate a stay would cause imminent peril to life or property. In such case proceedings shall not be stayed otherwise than by a restraining order, which may be granted upon application to the board of adjustment or by petition to a court of record, with notice to the officer from whom the appeal is taken.

(6) HEARING APPEALS. The board of adjustment shall fix a reasonable time for the hearing of the appeal and publish a class 2 notice thereof under ch. 985, as well as give due notice to the parties in interest, and decide the same within a reasonable time. Upon the hearing, a party may appear in person or by agent or attorney. In an action involving a historic property, as defined in s. 44.31 (3), the board of adjustment shall consider any suggested alternatives or recommended decision submitted by the landmarks commission or the planning and zoning committee or commission.

(7) POWERS OF BOARD. The board of adjustment shall have all of the following powers:

(a) To hear and decide appeals where it is alleged there is error in an order, requirement, decision or determination made by an

administrative official in the enforcement of s. 59.69 or of any ordinance enacted pursuant thereto.

(b) To hear and decide special exceptions to the terms of the ordinance upon which the board is required to pass under such ordinance.

(c) 1. In this paragraph:

a. “Area variance” means a modification to a dimensional, physical, or locational requirement such as the setback, frontage, height, bulk, or density restriction for a structure that is granted by the board of adjustment under this subsection.

b. “Use variance” means an authorization by the board of adjustment under this subsection for the use of land for a purpose that is otherwise not allowed or is prohibited by the applicable zoning ordinance.

2. To authorize upon appeal in specific cases variances from the terms of the ordinance that will not be contrary to the public interest, where, owing to special conditions, a literal enforcement of the provisions of the ordinance will result in unnecessary hardship, and so that the spirit of the ordinance shall be observed and substantial justice done.

3. A property owner bears the burden of proving “unnecessary hardship,” as that term is used in this paragraph, for an area variance, by demonstrating that strict compliance with a zoning ordinance would unreasonably prevent the property owner from using the property owner’s property for a permitted purpose or would render conformity with the zoning ordinance unnecessarily burdensome or, for a use variance, by demonstrating that strict compliance with the zoning ordinance would leave the property owner with no reasonable use of the property in the absence of a variance. In all circumstances, a property owner bears the burden of proving that the unnecessary hardship is based on conditions unique to the property, rather than considerations personal to the property owner, and that the unnecessary hardship was not created by the property owner.

4. A county board may enact an ordinance specifying an expiration date for a variance granted under this paragraph if that date relates to a specific date by which the action authorized by the variance must be commenced or completed. If no such ordinance is in effect at the time a variance is granted, or if the board of adjustment does not specify an expiration date for the variance, a variance granted under this paragraph does not expire unless, at the time it is granted, the board of adjustment specifies in the variance a specific date by which the action authorized by the variance must be commenced or completed. An ordinance enacted after April 5, 2012, may not specify an expiration date for a variance that was granted before April 5, 2012.

5. A variance granted under this paragraph runs with the land.

(d) To grant special exceptions and variances for renewable energy resource systems. If the board denies an application for a special exception or variance for such a system, the board shall provide a written statement of its reasons for denying the application. In this paragraph, “renewable energy resource system” means a solar energy system, a waste conversion energy system, a wind energy system or any other energy system which relies on a renewable energy resource.

(8) ORDER ON APPEAL. In exercising the powers under this section, the board of adjustment may, in conformity with the provisions of this section, reverse or affirm, wholly or partly, or may modify the order, requirement, decision or determination appealed from, and may make the order, requirement, decision or determination as ought to be made, and to that end shall have all the powers of the officer from whom the appeal is taken.

(9) MAJORITY RULE. A majority vote of the board of adjustment shall be necessary to reverse any order, requirement, decision or determination of any such administrative official, or to decide in favor of the applicant on any matter upon which it is required to pass under any such ordinance, or to effect any variation in such ordinance.

(10) CERTIORARI. (a) A person aggrieved by any decision of the board of adjustment, or a taxpayer, or any officer, department, board or bureau of the municipality, may, within 30 days after the filing of the decision in the office of the board, commence an action seeking the remedy available by certiorari. The court shall not stay the decision appealed from, but may, with notice to the board, grant a restraining order. The board of adjustment shall not be required to return the original papers acted upon by it, but it shall be sufficient to return certified or sworn copies thereof. If necessary for the proper disposition of the matter, the court may take evidence, or appoint a referee to take evidence and report findings of fact and conclusions of law as it directs, which shall constitute a part of the proceedings upon which the determination of the court shall be made. The court may reverse or affirm, wholly or partly, or may modify, the decision brought up for review.

(b) Notwithstanding par. (a), a decision of the board of adjustment on an application for an approval, as defined in s. 781.10 (1) (a), is subject to review under the procedures contained in s. 781.10.

(14) COSTS. Costs shall not be allowed against the board of adjustment unless it shall appear to the court that it acted with gross negligence, or in bad faith, or with malice in making the decision appealed from. All issues in any proceeding under this section shall have preference over all other civil actions and proceedings.

Judicial Council Note, 1981: Subsections (11), (12) and (13) have been repealed as unnecessary because in large part they merely describe the remedy of certiorari, which is now available in an ordinary action. See s. 781.01, stats., and the note thereto. Those provisions of the repealed subsections which permit departure from ordinary certiorari procedures, such as augmentation of the record by the court, have been placed in sub. (10). No substantive change in the scope or standard of review is intended. [Bill 613–A]

There is no significant difference between “unnecessary hardship” under s. 59.99 (7) (c) [now sub. (7) (c)] and “practical difficulties.” Discussing grounds for variances. *Snyder v. Waukesha County Zoning Board*, 74 Wis. 2d 468, 247 N.W.2d 98 (1976).

An aggrieved person has the right to appeal to the board of adjustment from a zoning committee’s decision to grant conditional use permits. *League of Women Voters v. Outagamie County*, 113 Wis. 2d 313, 334 N.W.2d 887 (1983).

Aggrieved residents had the right to appeal even though they did not appear at committee hearings. Commencement of construction, not publication of hearing notices, constituted notice to residents that a permit had been issued. Discussing the standard of review. *State ex rel. Brookside v. Jefferson County Board of Adjustment*, 131 Wis. 2d 101, 388 N.W.2d 593 (1986).

Filing of a petition for a writ of certiorari, without more, did not satisfy the requirement under s. 59.99 (10) [now sub. (10)] that an action be commenced within 30 days. *Schwochert v. Marquette County Board*, 132 Wis. 2d 196, 389 N.W.2d 841 (Ct. App. 1986).

A trial court must exercise discretion when taking additional evidence pursuant to s. 59.99 (10) [now sub. (10)]. If evidence taken is substantially similar to that which the board received, review is confined to a certiorari standard. *Klinger v. Oneida County*, 149 Wis. 2d 838, 440 N.W.2d 348 (1989).

Under *Brookside*, 131 Wis. 2d 101 (1986), the appeal time begins to run at the time notice is given, if the zoning ordinance has a notice provision, and if there is no notice provision, when the aggrieved parties find out about the decision. *State ex rel. DNR v. Walworth County Board of Adjustment*, 170 Wis. 2d 406, 489 N.W.2d 631 (Ct. App. 1992).

The 30-day limitation period for commencing a certiorari action under s. 59.99 (10) [now sub. (10)] applies to the time allowed for filing an action that is commenced by a complaint and applies to the time allowed for service when commenced by writ. *State ex rel. DNR v. Walworth County Board of Adjustment*, 170 Wis. 2d 406, 489 N.W.2d 631 (Ct. App. 1992).

General, rather than explicit, standards regarding the granting of special exceptions may be adopted and applied by a governing body. The applicant has the burden of formulating conditions showing that the proposed use meets the standards. Upon approval, additional conditions may be imposed by the governing body. *Kraemer & Sons v. Sauk County Adjustment Board*, 183 Wis. 2d 1, 515 N.W.2d 256 (1994).

The 30-day period to appeal a decision under s. 59.99 (10) [now sub. (10)] runs from the entry of the original decision in a matter and is not extended by filing a motion to reconsider unless the motion raises a new issue. *Bettendorf v. St. Croix County Board of Adjustment*, 188 Wis. 2d 311, 525 N.W.2d 89 (Ct. App. 1994).

A variance may be granted if application of the zoning ordinance results in unnecessary hardship and the condition is unique to the parcel. Concerns over the most profitable use of a parcel are not proper grounds for granting variances. *State v. Winnebago County*, 196 Wis. 2d 836, 540 N.W.2d 6 (Ct. App. 1995), 94–3199.

The legal standard of unnecessary hardship requires that the property owner demonstrate that without a variance there is no reasonable use for the property. When the property owner has a reasonable use for the property, the statute takes precedence and the variance should be denied. *State v. Kenosha County Board of Adjustment*, 218 Wis. 2d 396, 577 N.W.2d 813 (1998), 96–1235. See also *State v. Outagamie*, 2001 WI 78, 244 Wis. 2d 613, 628 N.W.2d 376, 98–1046.

Failure to join an indispensable party in a certiorari action under sub. (10) is not jurisdictional. Filing the certiorari action tolls the 30–day period of limitations. Failure to name the party within the 30–day statutory period does not require dismissal. *County of Rusk v. Rusk County Board of Adjustment*, 221 Wis. 2d 526, 585 N.W.2d 706 (Ct. App. 1998), 98–0298.

The burden is on the applicant for a variance to demonstrate through evidence that without the variance he or she is prevented from enjoying any reasonable use of the property. *State ex rel. Spinner v. Kenosha County Board of Adjustment*, 223 Wis. 2d 99, 588 N.W.2d 662 (Ct. App. 1998), 97–2094.

The notice of claim provisions of s. 893.80 do not apply to certiorari actions under sub. (10). *Kapischke v. County of Walworth*, 226 Wis. 2d 320, 595 N.W.2d 42 (Ct. App. 1999), 98–0796.

Review of a certiorari action is limited to determining: 1) whether the board kept within its jurisdiction; 2) whether the board proceeded on a correct theory of law; 3) whether the board’s action was arbitrary, oppressive, or unreasonable; and 4) whether the evidence was such that the board might reasonably make its order. *Kapischke v. County of Walworth*, 226 Wis. 2d 320, 595 N.W.2d 42 (Ct. App. 1999), 98–0796.

The state, in administering the Fair Housing Act, may not order a zoning board to issue a variance based on characteristics unique to the landowner rather than the land. *County of Sawyer Zoning Board v. DWD*, 231 Wis. 2d 534, 605 N.W.2d 627 (Ct. App. 1999), 99–0707.

A variance authorizes a landowner to establish or maintain a use prohibited by zoning regulations. A special exception allows the landowner to put the property to a use expressly permitted but that conflicts with some requirement of the ordinance. The grant of a special exception does not require the showing of hardship required for a variance. *Fabyan v. Waukesha County Board of Adjustment*, 2001 WI App 162, 246 Wis. 2d 851, 632 N.W.2d 116, 00–3103.

The public policy of promoting confidence in impartial tribunals may justify expansion of the certiorari record when evidence outside of the record demonstrates procedural unfairness. However, before a circuit court may authorize expansion, the party alleging bias must make a prima facie showing of wrongdoing. *Sills v. Walworth County Land Management Committee*, 2002 WI App 111, 254 Wis. 2d 538, 648 N.W.2d 878, 01–0901.

An ordinance requirement that no special use permit will be granted unless it is “necessary for the public convenience” meant that the petitioner had to present sufficient evidence that the proposed use was essential to the community as a whole. *Hearst–Argyle Stations v. Board of Zoning Appeals*, 2003 WI App 48, 260 Wis. 2d 494, 659 N.W.2d 424, 02–0596.

Area variance applicants need not meet the no reasonable use of the property standard that is applicable to use variance applications. The standard for unnecessary hardship required in area variance cases is whether compliance with the strict letter of the restrictions governing area, set backs, frontage, height, bulk, or density would unreasonably prevent the owner from using the property for a permitted purpose or would render conformity with those restrictions unnecessarily burdensome. *Ziervogel v. Washington County Board of Adjustment*, 2004 WI 23, 269 Wis. 2d 549, 676 N.W.2d 401, 02–1618.

In evaluating whether to grant an area variance to a zoning ordinance, a board of adjustment should focus on the purpose of the zoning law at issue in determining whether an unnecessary hardship exists for the property owner seeking the variance. The facts of the case should be analyzed in light of that purpose, and boards of adjustment must be afforded flexibility so that they may appropriately exercise their discretion. *State v. Waushara County Board of Adjustment*, 2004 WI 56, 271 Wis. 2d 547, 679 N.W.2d 514, 02–2400.

When reviewing a decision to grant or deny a conditional use permit, a county board of adjustment has the authority to conduct a de novo review of the record and substitute its judgment for the county zoning committee’s judgment. Moreover, under the applicable state statute, a board has authority to take new evidence. *Osterhues v. Board of Adjustment for Washburn County*, 2005 WI 92, 282 Wis. 2d 228, 698 N.W.2d 701, 03–2194.

A board of appeals may not simply grant or deny an application with conclusory statements that the application does or does not satisfy the statutory criteria, but shall express, on the record, its reasoning why an application does or does not meet the statutory criteria. Even when a board’s decision is dictated by a minority, these controlling members of the board ought to be able to articulate why an applicant has not satisfied its burden of proof on unnecessary hardship or why the facts of record cannot be reconciled with some requirement of the ordinance or statute. A written decision is not required as long as a board’s reasoning is clear from the transcript of its proceedings. *Lamar Central Outdoor, Inc. v. Board of Zoning Appeals*, 2005 WI 117, 284 Wis. 2d 1, 700 N.W.2d 87, 01–3105.

Although a county’s ordinance used the term “variance” to describe an exception to the setback standard, it did not have the technical legal meaning commonly used in a zoning context. Rather, under the terms of the ordinance, a “variance” could be granted as part of the conditional use permit process, not as a separate determination based on the demonstration of a hardship. *Roberts v. Manitowoc County Board of Adjustment*, 2006 WI App 169, 295 Wis. 2d 522, 721 N.W.2d 499, 05–2111.

The court’s opinion that a deck was optimally located in its current position was not the relevant inquiry in regard to the granting of an area variance. The board of adjustment was justified in determining that the property owner’s desire for the variance to retain their nonconforming deck was based on a personal inconvenience rather than an unnecessary hardship. *Block v. Waupaca County Board of Zoning Adjustment*, 2007 WI App 199, 305 Wis. 2d 325, 738 N.W.2d 132, 06–3067.

Ziervogel, 2004 WI 23, did not state that use cannot be a factor in an area variance analysis. It stated that use cannot overwhelm all other considerations in the analysis, rendering irrelevant any inquiry into the uniqueness of the property, the purpose of the ordinance, and the effect of a variance on the public interest. Here, the board properly considered the purpose of the zoning code, the effect on neighboring properties, and the hardship alleged. *Driehaus v. Walworth County*, 2009 WI App 63, 317 Wis. 2d 734, 767 N.W.2d 343, 08–0947.

Nothing in sub. (10) prevented an applicant whose conditional use permit (CUP) was denied from filing a second CUP application rather than seeking certiorari review. A municipality may enact a rule prohibiting a party whose application to the zoning board has been denied from filing a new application absent a substantial change in circumstances, but that was not done in this case. *O’Connor v. Buffalo County Board of Adjustment*, 2014 WI App 60, 354 Wis. 2d 231, 847 N.W.2d 881, 13–2097.

Zoning ordinances are in derogation of the common law and are to be construed in favor of the free use of private property. To operate in derogation of the common law, the provisions of a zoning ordinance must be clear and unambiguous. *HEEF Realty & Investments, LLP v. City of Cedarburg Board of Appeals*, 2015 WI App 23, 361 Wis. 2d 185, 861 N.W.2d 797, 14–0062.

Short–term rental was a permitted use for property in a single–family residential district under the city of Cedarburg’s zoning code. A zoning board cannot arbitrarily impose time or occupancy restrictions in a residential zone where there are none adopted democratically by the city. There is nothing inherent in the concept of residence or dwelling that includes time. *HEEF Realty & Investments, LLP v. City of Cedarburg Board of Appeals*, 2015 WI App 23, 361 Wis. 2d 185, 861 N.W.2d 797, 14–0062.

The decision to grant a conditional use permit (CUP) is discretionary. The burden is on the party seeking a CUP to establish that it has met the conditions. *Earney v. Buffalo County Board of Adjustment*, 2016 WI App 66, 371 Wis. 2d 505, 885 N.W.2d 167, 15–1762.

Sub. (10) expressly authorizes the reviewing court on certiorari to modify the decision under review. Striking the unenforceable conditions in the conditional use permit was an appropriate remedy. *Enbridge Energy Co. v. Dane County*, 2019 WI 78, 387 Wis. 2d 687, 929 N.W.2d 572, 16–2503.

City or village residents are not eligible for service on a county zoning board of adjustment. 61 Atty. Gen. 262.

A self–created or self–imposed hardship does not constitute an unnecessary hardship for which a county zoning board of adjustment may grant a variance under the provisions of s. 59.99 (7) (c) [now sub. (7) (c)]. 62 Atty. Gen. 111.

59.696 Zoning; filing fees. The board may enact ordinances establishing schedules of reasonable filing fees for the filing of petitions to amend county zoning ordinances and notices of appeal to the board of adjustment from determinations of county zoning authorities and providing for the charging and collection of such filing fees; such fees to be used to partially defray the expenses of holding hearings and giving notices of hearings prescribed in ss. 59.69 and 59.694.

History: 1995 a. 201 s. 126.

59.697 Fees for zoning appeals. The board may establish a schedule of fees to be charged for the filing of petitions for amendment and notices of appeal under ss. 59.69 and 59.694, relating to zoning ordinances.

59.698 Zoning, building inspector. Except as provided under s. 59.69 (2) (bm), for the enforcement of all laws, ordinances, rules and regulations enacted under s. 59.69, the board may appoint a building inspector, define the building inspector’s duties and fix the building inspector’s term of office and compensation. This section does not apply to a county with a population of 750,000 or more.

History: 1995 a. 201 s. 125; 2013 a. 14.

(1) BUILDING AND SANITARY CODES. The board may enact building and sanitary codes, make necessary rules and regulations in relation thereto and provide for enforcement of the codes, rules and regulations by forfeiture or otherwise. The codes, rules and regulations do not apply within municipalities which have enacted ordinances or codes concerning the same subject matter. “Sanitary code” does not include a private on–site wastewater treatment system ordinance enacted under sub. (5). “Building and sanitary codes” does not include well or heat exchange drillhole ordinances enacted under sub. (6).

(2) **SOLID WASTE MANAGEMENT.** The board of any county may establish and operate a solid waste management system or participate in such system jointly with other counties or municipalities. Except in counties having a population of 750,000 or more, the board of a county or the boards of a combination of counties establishing a solid waste management system may create a solid waste management board to operate the system and such board, in a county that does not combine with another county, shall be composed of not less than 9 nor more than 15 persons of recognized ability and demonstrated interest in the problems of solid waste management, but not more than 5 of the board members may be appointed from the county board of supervisors. In any combination of counties, the solid waste management board shall be composed of 11 members with 3 additional members for each combining county in excess of 2. Appointments shall be made by the county boards of supervisors of the combining counties in a manner acceptable to the combining counties, but each of the combining counties may appoint to the solid waste management board not more than 3 members from its county board of supervisors. The term of office of any member of the solid waste management board shall be 3 years, but of the members first appointed, at least one-third shall be appointed for one year; at least one-third for 2 years; and the remainder for 3 years. Vacancies shall be filled for the residue of the unexpired term in the manner that original appointments are made. Any solid waste management board member may be removed from office by a two-thirds vote of the appointing authority. The solid waste management board may employ a manager for the system. The manager shall be trained and experienced in solid waste management. For the purpose of operating the solid waste management system, the solid waste management board may exercise the following powers:

- (a) Develop a plan for a solid waste management system.
- (b) Within such county or joint county, collect, transport, dispose of, destroy or transform wastes, including, without limitation because of enumeration, garbage, ashes, or incinerator residue, municipal, domestic, agricultural, industrial and commercial rubbish, waste or refuse material, including explosives, pathological wastes, chemical wastes, herbicide and pesticide wastes.
- (c) Acquire lands within the county by purchase, lease, donation or eminent domain, within the county, for use in the solid waste management system.
- (d) Authorize employees or agents to enter lands to conduct reasonable and necessary investigations and tests to determine the suitability of sites for solid waste management activities whenever permission is obtained from the property owner.
- (e) Acquire by purchase, lease, donation or eminent domain easements or other limited interests in lands that are desired or needed to assure compatible land uses in the environs of any site that is part of the solid waste disposal system.
- (f) Establish operations and methods of waste management that are considered appropriate. Waste burial operations shall be in accordance with sanitary landfill methods and the sites shall, insofar as practicable, be restored and made suitable for attractive recreational or productive use upon completion of waste disposal operations.
- (g) Acquire the necessary equipment, use such equipment and facilities of the county highway agency, and construct, equip and operate incinerators or other structures to be used in the solid waste management system.
- (h) Enact and enforce ordinances necessary for the conduct of the solid waste management system and provide forfeitures for violations.
- (i) Contract with private collectors, transporters or municipalities to receive and dispose of wastes.
- (j) Engage in, sponsor or cosponsor research and demonstration projects that are intended to improve the techniques of solid waste management or to increase the extent of reuse or recycling of materials and resources included within the wastes.

(k) Accept funds that are derived from state or federal grant or assistance programs and enter into necessary contracts or agreements.

(L) Appropriate funds and levy taxes to provide funds for acquisition or lease of sites, easements, necessary facilities and equipment and for all other costs required for the solid waste management system except that no municipality which operates its own solid waste management program under s. 287.09 (2) (a) or waste collection and disposal facility, or property therein, shall be subject to any tax levied hereunder to cover the capital and operating costs of these functions. Such appropriations may be treated as a revolving capital fund to be reimbursed from proceeds of the system.

(m) Make payments to any municipality in which county disposal sites or facilities are located to cover the reasonable costs of services that are rendered to such sites or facilities.

(n) Charge or assess reasonable fees, approximately commensurate with the costs of services rendered to persons using the services of the county solid waste management system. The fees may include a reasonable charge for depreciation which shall create a reserve for future capital outlays for waste disposal facilities or equipment. All assessments for liquid waste shall be assessed by volume.

(o) Create service districts which provide different types of solid waste collection or disposal services. Different regulations and cost allocations may be applied to each service district. Costs allocated to such service districts may be provided by general tax upon the property of the respective districts or by allocation of charges to the municipalities whose territory is included within such districts.

(p) Utilize or dispose of by sale or otherwise all products or by-products of the solid waste management system.

(q) Impose fees, in addition to the fees imposed under ch. 289, upon persons who dispose of solid waste at publicly owned solid waste disposal sites in the county for the purpose of cleaning up closed or abandoned solid waste disposal sites within the county, subject to all of the following conditions:

1. The fees are based on the amount of solid waste that is disposed of by each person.
2. The fees may not exceed 20 percent of the amount that is charged for the disposal of the solid waste.
3. The effective date of the fees and any increase in the fees is January 1 and such effective date is at least 120 days after the date on which the board adopts the fee increase.
4. The cleanup of the site is conducted under the supervision of the department of natural resources.
5. The board may prevent the implementation of, or may terminate, fees imposed by the solid waste management board.

(3) **RECYCLING OR RESOURCE RECOVERY FACILITIES.** The board may establish and require use of facilities for the recycling of solid waste or for the recovery of resources from solid waste as provided under s. 287.13.

(5) **PRIVATE ON-SITE WASTEWATER TREATMENT SYSTEM ORDINANCE.** (a) Every governmental unit responsible for the regulation of private on-site wastewater treatment systems, as defined under s. 145.01 (5), shall enact an ordinance governing private on-site wastewater treatment systems, as defined in s. 145.01 (12), which conforms with the state plumbing code. The ordinance shall apply to the entire area of the governmental unit responsible for the regulation of private on-site wastewater treatment systems, as defined under s. 145.01 (5). After July 1, 1980, no municipality may enact or enforce a private on-site wastewater treatment system ordinance unless it is a governmental unit responsible for the regulation of private on-site wastewater treatment systems, as defined under s. 145.01 (5).

(b) The governmental unit responsible for the regulation of private on-site wastewater treatment systems, as defined under s. 145.01 (5), shall administer the private on-site wastewater treat-

ment system ordinance under s. 145.20 and the rules promulgated under s. 145.20.

(6) OPTIONAL WELL AND HEAT EXCHANGE DRILLHOLE ORDINANCES. (a) *Definitions.* In this subsection:

1. “Department” means the department of natural resources.
2. “Private well” has the meaning specified by rule by the department under s. 280.21 (2).
3. “Well” has the meaning specified under s. 280.01 (6).

(b) *Permits.* If authorized by the department under s. 280.21 (1), a county may enact and enforce a well construction, heat exchange drillhole construction, or pump installation ordinance or both. Provisions of the ordinance shall be in strict conformity with ch. 280 and with rules of the department under ch. 280. The ordinance may require that a permit be obtained before construction, installation, reconstruction or rehabilitation of a private well or installation or substantial modification of a pump on a private well, other than replacement of a pump with a substantially similar pump. The county may establish a schedule of fees for issuance of the permits and for related inspections. The department, under s. 280.21 (4), may revoke the authority of a county to enforce its ordinance if the department finds that the ordinance or enforcement of the ordinance does not conform to ch. 280 and rules of the department under ch. 280.

(c) *Existing wells.* With the approval of the department under s. 280.21 (1), a county may enact and enforce an ordinance in strict conformity with ch. 280 and with department rules under ch. 280, as they relate to existing private wells. The department, under s. 280.21 (4), may revoke the authority of a county to enforce its ordinance if the department finds that the ordinance or enforcement of the ordinance does not conform to ch. 280 and rules of the department under ch. 280.

(d) *Enforcement.* A county may provide for enforcement of ordinances enacted under this subsection by forfeiture or injunction or both. The district attorney or county corporation counsel may bring enforcement actions.

(e) *Other municipalities.* No municipality may enact or enforce an ordinance regulating matters covered by ch. 280 or by department rules under ch. 280.

(7) SOIL CONSERVATION. The board of any county with a population of less than 750,000 may contract to do soil conservation work on privately owned land either directly or through a committee designated by it.

(8) INLAND LAKE PROTECTION AND REHABILITATION. The board may establish an inland lake protection and rehabilitation program and may create, develop and implement inland lake protection and rehabilitation projects similar to projects which an inland lake protection and rehabilitation district is authorized to create, develop and implement under ch. 33. In this subsection, “lake rehabilitation”, “program”, “project” and “lake” have the meanings specified under s. 33.01 (4), (6), (7) and (8), respectively.

(8m) HARBOR IMPROVEMENT. The board may establish, own, operate, lease, equip, and improve harbor facilities on land owned by the county that is located in this state or in another state, subject to the laws of the state in which the land is located, and may appropriate money for the activities specified in this subsection, except that in a county with a population of 750,000 or more, the county executive shall be in charge of the operation of the harbor facilities.

(9) IMPROVEMENT OF ARTIFICIAL LAKES. The board may appropriate money for the purpose of maintaining, dredging and improving any artificial lake existing on July 1, 1955, all or a portion of which is adjacent to or within a county park, and for the acquisition of land required in connection therewith.

(10) DRAINAGE DISTRICT BONDS. The board may purchase drainage district bonds at market value or at a discount to salvage the equity of the county in the lands affected and to secure resumption of tax payments thereon and so permit the dissolution of the district.

(11) ACQUISITION OF RECYCLING OR RESOURCE RECOVERY FACILITIES WITHOUT BIDS. The board may contract for the acquisition of any element of a recycling or resource recovery facility without submitting the contract for bids as required under s. 59.52 (29) if the board invites developers to submit proposals to provide a completed project and evaluates proposals according to site, cost, design and the developers’ experience in other similar projects.

(12) MOSQUITO CONTROL DISTRICTS. (a) A county or 2 or more contiguous counties may establish a district to control mosquitoes, upon a majority vote of each board, except that the board of a county with a population of 750,000 or more may not take any action under this subsection or sub. (13).

(b) 1. If a county establishes a district, the board shall elect 3 county supervisors to a commission. If 2 or more contiguous counties establish a district, each board in the district shall elect 2 county supervisors to a commission. The elected county supervisors shall serve as members of the commission until the expiration of their terms as county supervisors, as provided in s. 59.10 (1) (b), (2) (b), (3) (d) or (5). Each board in the district shall elect supervisors as replacements when vacancies occur in the commission. The commission shall operate the mosquito control district.

2. The commission shall elect a chairperson, vice chairperson and secretary at its first meeting each year as provided under subd. 3. The chairperson, or vice chairperson, in the chairperson’s absence, shall preside at meetings and shall sign contracts and other written instruments of the commission. The secretary shall keep a record of the minutes of each meeting that is available for public inspection at all reasonable times, and shall mail notices to all members of the time and place of meetings.

3. The commission shall meet on the first Thursday after the first Monday in January to select officers of the commission and to conduct other organizational business. The commission shall also meet if the chairperson calls a meeting, or within 48 hours if a majority of the members of the commission request a meeting in writing, specifying the time and place for the meeting. The commission shall give adequate public notice of the time, place and purpose of each meeting. All business of the commission shall be open to the public.

4. The board of each county in the district shall reimburse commissioners representing that county in the manner provided in s. 59.13 for board committee members.

(13) COMMISSION; POWERS AND DUTIES. (a) The commission may:

1. Adopt bylaws to regulate its proceedings.
2. Employ the persons and contract for services to carry out the mosquito control program. The commission may not employ any person who is related to a commissioner.
3. Reimburse employees for expenses that are incurred or paid in the performance of their duties, and provide a reasonable daily reimbursement.
4. Purchase the materials, supplies and equipment to carry out the mosquito control program.
5. Take measures to control mosquitoes in accordance with expert and technical plans.
6. Accept gifts of property to control mosquitoes.
7. Dispose of property of the commission or mosquito control district, if it is no longer needed to control mosquitoes, by selling the property on competitive bids after 2 weeks’ published notice.
8. Obtain public liability insurance and worker’s compensation insurance.
9. Enter into agreements with other political subdivisions of the state outside the mosquito control district to conduct mosquito control activities within these political subdivisions, to promote mosquito control in the district.

10. Enter into agreements with contiguous states or political subdivisions in contiguous states, as provided in s. 66.0303, to conduct mosquito control activities within those states or political

subdivisions, to promote mosquito control in the mosquito control district.

11. Collect money from all counties in the district for operation of the district.

12. Require the employees of the commission who handle commission funds to furnish surety bonds, in amounts the commission may determine.

13. Perform other acts that are reasonable and necessary to carry out the functions of the commission.

(b) Members or employees of the commission may request admission onto any property within the district at reasonable times to determine if mosquito breeding is present. If the owner or occupant refuses admission, the commission member or employee shall seek a warrant to inspect the property as a potential mosquito breeding ground. Commission members or employees may enter upon property to clean up stagnant pools of water or shores of lakes or streams, and may spray mosquito breeding areas with insecticides subject to the approval of the district director and the department of natural resources. The commission shall notify the property owner of any pending action under this paragraph and shall provide the property owner with a hearing prior to acting under this paragraph if the owner objects to the commission's actions.

(c) The commission shall:

1. Submit to the board of each county that is participating in the mosquito control district, at the end of each year, a complete audit of the financial transactions concluded and a progress report indicating the actions taken to control mosquitoes.

2. Publish a notice for general circulation in each of the counties in the district for bids at least 10 days prior to purchasing materials or services costing more than \$2,500. The notice shall state the nature of the work or purchase, the terms and conditions upon which the contract will be awarded, and the time and place where bids will be received, opened and read publicly. The commission may reject all bids after the reading or shall award the contract to the lowest responsible bidder. The commission may award the contract to any unit of government without the intervention of bidding, under s. 66.0131 (2). The district business administrator shall execute all contracts in writing, and may require the contracting party to provide a bond to ensure performance of the contract. The commission may direct the business administrator to purchase materials or services costing \$5,000 or less on the open market at the lowest price available, without securing competitive bids, if the commission declares that an emergency exists by an affirmative vote of five-sixths of the commission. In this subdivision, an "emergency" is an unforeseen circumstance that jeopardizes life or property.

3. Employ and fix the duties and compensation of a full-time or part-time entomologist to act as director of the mosquito control program, who shall develop and supervise the program.

4. Employ and fix the duties and compensation of a full-time or part-time business administrator, who shall administer the business affairs of the commission and who shall keep an account of all receipts and disbursements by date, source and amount.

(14) ADVERSE INTEREST OF COMMISSIONERS. No commissioner may have any personal or financial interest in any contract made by the commission. Any violation of this subsection resulting in a conviction shall void the contract, and shall disqualify the commissioner convicted of the violation from membership on the commission.

(15) FINANCING. On or before October 1 of each year, the commission shall require each county within the mosquito control district to contribute an amount per resident of the county to carry out the purposes of subs. (12) to (16). The commission shall determine the amount to charge per resident. The commission shall certify in writing to the clerk of each county participating in the mosquito control district, the total amount of the county's contribution to the mosquito control district.

(16) DISSOLUTION OF THE DISTRICT. (a) 1. A county may terminate its participation in the district upon a majority vote of the board and 12 months' notice to the chairperson of the commission. If a county terminates its participation in the district, a board of appraisers as established in subd. 2. shall appraise the property of the commission.

2. The board of appraisers shall consist of 3 members, one who is appointed by the terminating county, one by the commission and one by the other 2 members of the appraisal board. If the 2 appraisers cannot agree on the appointment of the 3rd appraiser within 30 days, the commission may appoint the 3rd appraiser. The commission shall pay to the treasurer of the terminating county an amount equal to that county's share in the net assets of the commission, proportionate to the county's financial contribution to the mosquito control district. The terminating county shall remain liable for its allocated share of the contractual obligations of the mosquito control district.

(b) If the district dissolves, the commission shall sell all of its property. The proceeds of the sale remaining after payment of all debts, obligations and liabilities of the district, plus any balance in the fund, shall be divided and paid to the treasurers of the member counties in proportion to each county's financial contribution to the district. Member counties shall remain liable for unpaid debts after the dissolution of the district.

(17) WORMS, INSECTS, WEEDS, ANIMAL DISEASES, APPROPRIATION. (a) The board may appropriate money for the control of insect and worm pests, weeds, or plant or animal diseases within the county, and select from its members a committee which, upon advice from the county agent that an emergency exists because of the destruction which is being or may be wrought to farmlands, livestock or crops in the county by any such pests, may take steps necessary to suppress and control such pests. The clerk shall within 10 days notify the department of agriculture, trade and consumer protection of such appropriation and of the members of such committee. The state entomologist and said department shall cooperate with such committee in the execution of measures necessary for the suppression and control of such pests.

(b) When such an emergency exists the committee may draw on the contingent fund, if available, an amount not to exceed \$5,000 which shall be disbursed upon certification of the committee for the purposes specified in par. (a) as they relate to worm or insect pests; the treasurer shall pay the amounts so certified. No disbursement shall be made by the committee unless the owner of the premises affected has requested the committee to take steps to suppress or control the pests or when steps have been undertaken by another authority.

(18) LAND CLEARING AND WEED CONTROL. The board may purchase or accept by gift or grant tractors, bulldozers and other equipment for clearing and draining land and controlling weeds on same, and for such purposes to operate or lease the same for work on private lands. The board may charge fees for such service and for rental of such equipment on a cost basis.

(19) LAND CONSERVATION COMMITTEE. Each board shall create a land conservation committee.

(20) LAND CONSERVATION. (a) *Soil and water conservation.* Each board is responsible for developing and implementing a soil and water conservation program, that is specified under ch. 92, through its land conservation committee.

(b) *Committee powers and duties.* The land conservation committee created by the board has the powers and duties that are specified for that committee under ch. 92.

(c) *Appropriation of funds.* The board may appropriate funds for soil and water conservation and for other purposes that relate to land conservation.

(d) *Land use and land management.* The board may enact ordinances under s. 92.11 that regulate land use and land management practices to promote soil and water conservation.

(21) CONSERVATION CONGRESS. The board may appropriate money to defray the expenses of county delegates to the annual convention and other activities of the Wisconsin conservation congress.

(22) BILLBOARD REGULATION. The board may regulate, by ordinance, the maintenance and construction of billboards and other similar structures on premises abutting on highways maintained by the county so as to promote the safety of public travel thereon. Such ordinances shall not apply within cities, villages and towns which have enacted ordinances regulating the same subject matter.

(23) COUNTY NATURAL BEAUTY COUNCILS. The board may create a county natural beauty council as a committee of the board, composed of such board members, public members and governmental personnel as the board designates. The council shall advise governmental bodies and citizens in the county on matters affecting the preservation and enhancement of the county's natural beauty, and aid and facilitate the aims and objectives of the natural beauty council described in s. 144.76 (3) (intro.), 1973 stats.

(24) LIME TO FARMERS. The board may manufacture agricultural lime and sell and distribute it at cost to farmers and may acquire lands for such purposes.

(25) INTERSTATE HAZARDOUS LIQUID PIPELINES. A county may not require an operator of an interstate hazardous liquid pipeline to obtain insurance if the pipeline operating company carries comprehensive general liability insurance coverage that includes coverage for sudden and accidental pollution liability.

History: 1995 a. 201 ss. 108, 109, 133, 150, 161, 163, 172, 214 to 216, 218 to 221, 437 to 442, 438, 449 to 451, 455, 456; 1995 a. 227; 1997 a. 35; 1999 a. 150 s. 672; 2005 a. 149; 2011 a. 146, 150; 2013 a. 14, 165; 2015 a. 55; 2015 a. 197 s. 51; 2017 a. 207 s. 5.

Sub. (25) preempts county-imposed insurance requirements for pipeline operators that carry comprehensive general liability insurance policies including pollution liability coverage. When the pipeline operator's insurance policy included coverage broader than the statutorily-described insurance, sub. (25) precluded a county from requiring the pipeline operator to obtain additional insurance. *Enbridge Energy Co. v. Dane County*, 2019 WI 78, 387 Wis. 2d 687, 929 N.W.2d 572, 16–2503.

The insured's "time element" pollution insurance was congruent with the "sudden and accidental" coverage referenced in sub. (25). That subsection does not require coverage for all unexpected and unintended pollution regardless of when the pollution event is discovered or reported to the insurer. *Enbridge Energy Co. v. Dane County*, 2019 WI 78, 387 Wis. 2d 687, 929 N.W.2d 572, 16–2503.

Discussing the authority of a county to enact and enforce a minimum standards housing code. 59 Atty. Gen. 248.

Section 59.07 (49) [now sub. (22)] authorizes billboard regulations relating solely to highway safety. 61 Atty. Gen. 191.

The county board may delegate relatively broad powers to the land conservation committee in connection with the lease or purchase of real property for the purposes of soil and water conservation, but such property transactions are subject to the approval of the county board. 74 Atty. Gen. 227.

A board established under s. 59.07 (135) [now sub. (2)] is restricted to performing advisory, policy-making, or legislative functions. 77 Atty. Gen. 98.

Section 59.07 (135) (L) [now sub. (2) (L)] authorizes counties that are responsible units of government to levy taxes for capital and operating expenses incurred in the operation of the county's recycling program only upon local governments that are not responsible units of government. Counties may levy taxes for both operating and capital expenses incurred in connection with any other form of solid waste management activity only on local governments participating in that activity. 80 Atty. Gen. 312.

Section 59.18 (2) (b) transfers the authority to supervise the administration of county departments from boards and commissions to department heads appointed by the county administrator. Section 59.18 (2) therefore entirely negates sub. (2) insofar as it provides that the board may "employ" a system manager. In a county with a county administrator, the solid waste management board is purely an advisory body to the county administrator and to the county board and a policy-making body for the solid waste management department as a whole. OAG 1–12.

59.71 Special counties; record keeping. (1) In this section, "eminent domain proceedings" means the laying out, widening, extending or vacating of any street, alley, water channel, park, highway or other public place by any court, legislature, county board, common council, village board or town board.

(2) When the county board of a county with a population of 250,000 or more, according to the last state or United States census, prepares and compiles in book form an eminent domain record containing an abstract of facts relating to eminent domain proceedings and makes an order that the record, with an index thereto, be thereafter maintained and kept up, and provides a suitable book for that purpose, the register of deeds shall thereafter maintain and keep up the record and index.

(e) “Local governmental unit” has the meaning given in s. 66.0131 (1) (a).

(2) **LIMITATION ON AGREEMENTS.** (a) Subject to par. (b), before an agreement may take effect and become binding on a county, it must be approved by the executive council. If the county enters into an agreement, the executive council shall meet as soon as practicable to vote on the agreement.

(b) With regard to an intergovernmental cooperation agreement under s. 66.0301, the requirements under par. (a) apply only to any single contract, or group of contracts between the same parties which generally relate to the same transaction, with a value or aggregate value of more than \$300,000.

(3) **LIMITATIONS ON BOARD AUTHORITY.** (a) Notwithstanding the provisions of s. 59.51, the board may not exercise day-to-day control of any county department or subunit of a department. Such control may be exercised only by the county executive as described in s. 59.17.

(b) A board may require, as necessary, the attendance of any county employee or officer at a board meeting to provide information and answer questions. Except as provided in par. (d), for the purpose of inquiry, or to refer a specific constituent concern, the board and its members may deal with county departments and subunits of departments solely through the county executive, and no supervisor may give instructions or orders to any subordinate of the county executive that would conflict with this section.

(c) The board may not create any county department or subunit of a department, except as provided in s. 59.17 (2) (b) 2.

(d) The board may use the legal services of the corporation counsel under s. 59.42 (2).

(e) The board may not terminate, lower the salary or benefits of, or eliminate the position of, any county employee who works in the office of the county executive unless a similar change is made which affects county employees, on a countywide basis, in all other county departments. This paragraph does not apply after the county board supervisors who are elected in the 2016 spring election take office.

History: 2013 a. 14.

The verbs “provide, fix, or change” under s. 59.22 (2) (c) 1. a. establish a broad power for county boards to determine compensation levels for all unclassified county positions. However, under s. 59.22 (2) (a), the power is controlled by the power of the Milwaukee County Executive under sub. (3) to exercise day-to-day control of any county department or subunit of a department. In other words, the Milwaukee County Board of Supervisors can provide, fix, or change the pay of unclassified employees, unless and until board action interferes with the Milwaukee County Executive’s day-to-day control of a county department or subunit. *Lipscomb v. Abele*, 2018 WI App 58, 384 Wis. 2d 1, 918 N.W.2d 434, 17–1023.

The Milwaukee County Executive’s day-to-day control power under sub. (3) (a) has the express intent of removing and clarifying some authority of the Milwaukee County Board of Supervisors (Board) under s. 59.22 (2) and increasing and clarifying the authority of the Milwaukee County Executive. The Milwaukee County Executive’s day-to-day control power prevents the Board from taking actions that effectively direct what duties may or must be accomplished by employees or officers or how they may or must perform those duties, even when a Board action may result in a compensation change. *Lipscomb v. Abele*, 2018 WI App 58, 384 Wis. 2d 1, 918 N.W.2d 434, 17–1023.

The Milwaukee County Executive is included in the definition of any “officer” whose appearance the Milwaukee County Board of Supervisors may require under sub. (3) (b) to provide information and answer questions. The board as a whole may require an appearance under sub. (3) (b), not a board committee or other subset of board supervisors. *Lipscomb v. Abele*, 2018 WI App 58, 384 Wis. 2d 1, 918 N.W.2d 434, 17–1023.

This section is not applicable to the clerk of circuit court or any other depository specifically designated by a court of law or by a donor or other bailor even if the other depository retains control over such funds and the ultimate disposition. The treasurer may commingle this cash with general revenue cash and subject these funds to a common investment policy. Any interest earned on such investment reverts to the general fund of the county.

(4) The nonstock, nonprofit corporation under sub. (1) (a) shall give a 45-day written notice to a municipality that is located in the county whenever the nonprofit corporation intends to enter into a transaction that entails moving a research or technology business or facility from the municipality to the research and technology park.

59.84 Expressways and mass transit facilities in populous counties. (1) **DEFINITIONS.** In this section, unless the context indicates otherwise:

(a) “Board” means the county board of supervisors in any county with a population of 750,000 or more.

(b) “Expressway” means a divided arterial highway for through traffic with full or partial control of access and, generally, with grade separations at intersections.

(bm) “Full control of access” means that the authority to control access is exercised to give preference to through traffic by providing access connections with selected public roads only and by prohibiting crossings at grade or direct private driveway connections.

(c) “Expressway project” means an integral portion of the expressway that may be put to public use independently of other expressway projects.

(d) “Expressway project budget” means the plan of financial operation embodying an estimate of proposed expenditures for an expressway project and the proposed means of financing them.

(e) “Mass transit” includes, without limitation because of enumeration, exclusive or preferential bus lanes if those lanes are limited to abandoned railroad rights-of-way or existing expressways constructed before May 17, 1978, highway control devices, bus passenger loading areas and terminal facilities, including shelters, and fringe and corridor parking facilities to serve bus and other public mass transportation passengers, together with the acquisition, construction, reconstruction and maintenance of lands and facilities for the development, improvement and use of public mass transportation systems for the transportation of passengers.

(em) “Partial control of access” means that the authority to control access is exercised to give preference to through traffic to a degree that, in addition to access connections with selected public roads, there may be some crossings at grade and some private driveway connections.

(f) “Prior expressway project expenditures” means obligations incurred and expenditures financed from funds obtained from local tax levy sources, or from the proceeds of the sale of bonds, by a municipality in the county for the acquisition and clearing of the right-of-way and construction of expressway projects which are incomplete and have not been substantially put to public use at the time the county expressway commission was created and the transfer of the function to the commission was effectuated under s. 59.965, 1977 stats., together with any funds so financed in the state treasury under control of the department of transportation to the credit of an expressway project, any funds which the municipality, subsequent to the creation of the county expressway commission under s. 59.965, 1977 stats., and prior to May 17, 1980, transmitted to the department of transportation for credit to an expressway project that is authorized by the county expressway commission and any funds which the municipality may, subsequent to May 17, 1980, transmit to the department of transportation for credit to an expressway project authorized by the board.

(2) **POWERS AND DUTIES.** The board is charged with the duty and vested with all powers necessary to plan, acquire the right-of-way for and construct an expressway system and mass transit facilities in the county and to administer each expressway and mass transit project until it is certified as completed; to coordinate planning of expressways and mass transit facilities by other public agencies to the extent required to ensure that an acceptable general plan of expressways and mass transit facilities to serve the entire county will be achieved; to determine whether full control of access or partial control of access shall be exercised; to cooperate with public and private agencies in mass transit and expressway applications; including, without limitation because of enumeration, the power to contract and the following powers and duties:

(a) *Plans for expressways.* The board shall consider and tentatively adopt a general plan of expressways to serve the entire county. The plan shall be presented to the governing body of each municipality through which a part of the expressway system is routed for its consideration and approval. The board may by formal action modify the general plan to meet objections raised by the governing body of any municipality through which a route of the expressway passes. If the approval of the governing body is not granted within 60 days from the date of submission, the board shall present the general plan to the department of transportation, which shall hold a public hearing on that part of the plan which is located in such municipality. After the hearing, the department of transportation shall make recommendations to the board with reference to the matters objected to by the municipal governing body. Thereafter the board shall incorporate the recommendations in its general plan. When the approval of the necessary local governing bodies has been obtained or the recommendation of the depart-

ment of transportation has been obtained in lieu thereof, the general plan shall be finally adopted by the board. Thereafter, the board may amend the general plan as it considers proper.

(b) *Procedure upon adoption of plan.* The board shall adopt tentative expressway project budgets for the units of the comprehensive plan adopted under par. (a) and in order of construction as the board considers proper. Each budget shall give reasonably detailed estimates of expenditures required to complete the expressway project and shall also give an estimate of the state and federal aid which will become available for the project. The board shall determine the amount of the county's share of the cost of the project and the financing thereof, either from the authorization of county expressway bonds under s. 67.04, or by determining the amounts to be included in the budgets during the construction years, or by transfer from unappropriated surplus under s. 59.60 (5), or by any combination of the foregoing. When the board determines that county funds for an expressway project shall be financed in whole or in part from current budgets, the county auditor shall include such amounts in the proper proposed budget under s. 59.60 (5). The board shall adopt expressway project budgets with such changes as it considers proper. When adopted, the county contribution to the expressway project shall constitute a legal appropriation and shall be expendable to the extent that expressway bonds have been authorized or money otherwise provided. The board may amend any expressway project budget and may transfer appropriations from one expressway project to another.

(c) *Acceptance of gifts.* The board may accept grants, conveyances and devises of land, improvements thereon and all interests whatsoever therein and bequests and donations of money to be used for expressway purposes.

(d) *Acquisition of lands and interests therein.* 1. The board may acquire in the name of the county or in the name of the state when so directed by the department of transportation, by donation, purchase, condemnation or otherwise, such lands, including any improvements on the lands, and any interests, easements, franchises, rights and privileges in or pertaining to lands, of whatever nature and by whomsoever owned, as the board considers necessary and required for expressway purposes, and to dispose of such lands. The board may use expressway lands for the location or relocation of any facility for mass transportation, including private or public utilities. The board may purchase or accept donation of remnants of tracts or parcels of land remaining at the time or after it has acquired by condemnation or after or coincident with its acquisition by purchase or donation portions of such tracts or parcels for expressway purposes where in the judgment of the board such action would assist in rendering just compensation to a landowner, a part of whose lands are required for expressway purposes, and would serve to minimize the overall cost of such necessary taking by the public. The county may dispose of such remnants. No lands or interest in lands that are acquired as provided in this paragraph shall be disposed of by the county without the consent of the board, and all money that is received for any such lands, improvements or interests in land, so disposed of, shall be credited to the land acquisition account as an abatement of expense. No lands acquired by the board, as provided in this subsection, in the name of or in trust for the state, shall be disposed of by the county without prior approval of the state, and the proceeds of the sale shall be remitted to the state or retained and used for expressway purposes when so directed by the department of transportation.

2. After the general plan of expressways has been adopted, the board may, for specific approved highway projects or otherwise, acquire lands and interests therein of the nature and in the manner specified in this paragraph for the right-of-way of the expressways in advance of the time of the adoption of an expressway project budget including the lands and interests. Such power may be exercised when in the judgment of the board the public interest will be served and economy effected by forestalling development of the lands which will entail greater acquisition costs if acquired

at a later date. Upon such acquisition the board may improve, use, maintain or lease the lands until the same are required for expressway construction. It is recognized that there may necessarily be a period of time between the acquisition of needed lands for right-of-way and the commencement of actual site clearance and construction, but such fact shall not minimize the public purpose of the acquisition. The owners of the lands at the time of the acquisition shall have the first right to enter into leases thereof with the county until the lands are needed for expressway construction. Lands so leased for more than one year shall be subject to general property taxation during the term of the lease. All rentals shall be credited to the project or to the expressway land acquisition account. The board may provide out of funds acquired by bond issue or otherwise a land acquisition fund not in excess of \$5,000,000 of expendable funds at any one time, to be used primarily for the acquisition of lands, improvements thereon and interests therein as specified in this subsection prior to the approval of the specific expressway project for which the lands or interests will be required. The fund shall be adjusted to reflect acquisition costs for lands and interests therein thereafter incorporated in specific approved expressway projects by transferring both the appropriations and the acquisition costs thereto for the proper expressway improvement expenditures account.

3. When an expressways project for which lands, improvements thereon and all interests therein have been paid for from any expressway land acquisition fund or account becomes activated by the board, the department of transportation may reimburse the expressway land acquisition fund by allocation of funds which may be made available under any state or federal statute to reimburse prior disbursements from the land acquisition fund to acquire the lands, improvements thereon or interests therein or appurtenant thereto. All state or federal funds thus received shall be used for expressway purposes.

4. The board, in acquiring lands, improvements on lands and interests in lands and appurtenant to lands, as provided in this subsection, may acquire the lands in fee simple or by easement for highway purposes as it may by order determine. In any such acquisition, the board may, and shall when requested by the department of transportation, act in the name of the state as the agent of the department of transportation and in other cases shall act in the name of the county. The board in making the acquisition may proceed under ch. 32.

5. Whenever, before actual expressway project construction, a saving is shown to be probable in the cost of constructing a proposed new municipal or privately owned public utility, which, if presently installed in a public way in a proposed normal manner, would ultimately be interfered with by expressway construction, by initially constructing the municipal or privately owned public utility in other than a normal manner to accommodate future expressway construction, in order to effect savings by avoiding reconstruction and relocating at a later date, the board may contract with the municipal government or utility company involved for the construction of the public utility in other than normal manner and to pay to the municipal government or utility company the portion of the cost of the special construction in excess of the cost if constructed in the proposed normal manner, the funds for which may be taken from the land acquisition fund authorized in subd. 2.

6. When the board has acquired title to lands in fee either for the county or the state, the county or a person authorized by the county may use and develop any portion of the lands not directly needed for expressway–roadway purposes and which do not interfere with the primary expressway purpose, and without limitation because of enumeration may use the subsoil beneath the ground, the ground level area or air space above the ground, for parking, storage or building purposes subject to municipal land use zoning regulations except as to parking, but if the expressway right-of-way area is either on the federal interstate system or on a state trunk highway, the county shall obtain the consent of the department of transportation to the development and use prior to con-

struction or initiation of that use. The state shall receive a share of the rentals or sale price derived from the use in the proportion that the amount of federal or state funds used in the purchase of the site bears to the total cost of the land and improvement which is the subject of the sale or rental. Such sharing shall not be made until the county or the person authorized by the county has been reimbursed for all sums expended by it, in the developments referred to in this paragraph, and such sharing shall terminate when the fair proportion of the federal and state funds allocable to the purchase of the area so developed has been reimbursed. In lieu of sharing in the proportion of the amount of federal or state funds used in the purchase of the site to the total cost of the land and improvement which is the subject of the sale or rental, the state and the county or the person authorized by the county may share the rentals or sale price on the basis of a different formula for such sharing if the department of transportation and the county agree to a different formula.

7. Before the county authorizes any person to use or develop lands under subd. 6., the county shall make a reasonable effort to determine whether any institution of higher education in the vicinity of the lands has demonstrated to the county an interest in the use or development of the lands. The county shall give preference to proposals for the use or development of lands under subd. 6. which are submitted by an institution of higher education in the vicinity of those lands and which provide for reasonable payment to the county under a lease of or other authority to use or develop those lands.

(e) *Contracts.* The board may construct and administer projects under its jurisdiction, and may contract in the name of the county with the department of transportation as may be necessary under state and federal statutes to secure state and federal aid on expressway projects.

(f) *Vacation, relocation, reconstruction of streets, alleys, etc.*
1. Whenever the board determines that it is necessary for the proper construction of an expressway project that streets or alleys be vacated in whole or in part, or be dead-ended at the expressway right-of-way line; that existing streets or alleys be relocated; that new streets or alleys be laid out and opened; that accessory streets or ramps to serve as approaches to the expressway be constructed; that existing streets leading to or from expressway ramps be designated as one-way streets for such reasonable distance as is necessary for the proper operation of the facility; that the grade of existing streets be changed or that the traveled portion of existing streets be widened and improved so as to facilitate entrance to the expressway, it shall formulate a tentative order evidencing such requirement and file a certified copy thereof with the municipal clerk of each municipality affected by the tentative order for consideration thereof by the governing body of the municipality.

2. The governing body or the committee which the governing body designates shall hold a public hearing to consider the tentative order and shall publish in the county a class 2 notice, under ch. 985, of the hearing.

3. If the tentative order is not approved within 90 days from the date of the filing, the board shall present the tentative order to the department of transportation, which shall hold a public hearing on the order, of which hearing the municipality in question shall be given notice. The department of transportation shall have jurisdiction to pass upon the necessity and reasonableness of the proposed tentative order, and it may approve, modify and approve or disapprove the order. The department's decision shall be final, with no review allowed under ch. 227.

4. If the tentative order is approved by the governing body of the municipality affected, or if it is approved or modified and approved by the department of transportation, the board may thereafter issue a final order identical with the original tentative order as modified by the department's decision. A certified copy of the final order shall be filed with the municipal clerk of the municipality affected. Notice of the making of the order shall be published in the county as a class 1 notice, under ch. 985.

5. The governing body of the municipality shall, within 30 days after filing, take the necessary action to comply with the order and in so doing shall not be limited by the objections of an abutting owner, and s. 66.1005 (2) shall not be applicable to any vacation or discontinuance required by the order, and any such municipality may act upon the initiative of its governing body without the necessity of obtaining the consent of an abutting owner, notwithstanding chs. 60, 61, 62 and 66 and s. 66.1005 (2) and any other provisions of law to the contrary.

6. If the municipality does not comply with the order within a reasonable time, the board may perform the work required by the order with its own forces or by contract and in so doing and for such purpose shall have the same powers and freedom from limitations as are vested by chs. 60, 61, 62 and 66 and this subsection in the governing body of the municipality.

7. The plans, specifications, proposed contracts and the appraisal of damages, if any, caused to abutting owners by compliance with the order shall be subject to approval by the board before the commencement of any work under the order but the requirement for approval of the order shall not affect the abutting property owners' rights of appeal from the determination of damages by the commissioner of public works of the city or by any other authorized person or body.

8. The cost of performing such work as may be required by any order of the board under this subsection, including damages granted for changes of legally established grade or necessary acquisition of lands, shall be paid by the county from expressway funds as an item of the particular expressway project budget upon presentation of vouchers which have been approved for payment by the governing body of the municipality and the board. If the payment made by the county has been increased by reason of the municipality requesting an expenditure in excess of replacement or termination costs, the municipality shall reimburse the county for the excess cost. The reimbursement shall be credited by the county to abatement of the respective expense for which it was received.

(g) *Relocation of municipal utilities.* 1. The board, subject to approval by the public service commission after public hearing to all interested parties in cases in which the public service commission would have jurisdiction, may by order require any municipality through which an expressway project is to be constructed to remove, relocate and replace in kind or with equal facilities, or if the municipality shall request enlarged facilities, any sewer, street lighting or other like utility service the location of which interferes with construction of an expressway project. If enlarged facilities are requested the municipality shall bear that part of the cost of the improvement which exceeds the cost of the replacement of the existing facility in kind or with equal materials or facilities. However the board shall bear the excess cost where the installation of the enlarged facility is caused by designed construction and use of the expressway. A certified copy of the order shall be filed with the municipal clerk of each municipality affected and upon the filing each municipality shall within 30 days take the necessary action to comply with the order. All plans, specifications and contracts for any of the work shall be subject to approval by the board. When the work under specific contracts has been completed and approved by the governing body of the municipality and the board, the county shall pay for the work from expressway funds as an item of the particular expressway project budget. If the payments made by the county exceed the replacement costs and the additional cost was incurred at the specific request of the municipality, the municipality shall reimburse the county therefor. The reimbursement shall be credited by the county as an abatement of the expenses for which the reimbursement is received. If considered feasible and desirable by the board any work provided for in this paragraph may be performed by the board or directly by contract. In such cases the municipality in which the work is performed shall cooperate with the board.

2. With respect to any water utility of any municipality which utility, in addition to providing water for human consumption, performs governmental functions in the way of providing water for fire protection, sewerage operation, street sanitation, park bathing pools and the like, the board shall have the same powers and be subject to the same obligations as are provided in subd. 1. However, water storage tanks, water pumping stations and water reservoirs may be removed, relocated and replaced by the board only with the consent and approval of the municipality owning and operating the facilities.

(h) *Private occupancy of streets; relocation.* 1. All persons other than those mentioned in par. (g) lawfully having buildings, structures, works, conduits, mains, pipes, wires, poles, tracks or any other physical facilities in, over or under the public lands, streets, highways, alleys, parks or parkways of the county, or of any municipality therein, which in the opinion of the board in any manner interfere with the construction of an expressway project or the relocation or maintenance of such a project, shall upon order by the board promptly so accommodate, relocate or remove the interfering physical facilities.

2. Whenever the board proposes to consider adoption of an expressway project, it shall give notice of the proposal to each privately owned public utility or other person affected by the project indicating in the notice the action which it desires the utility or person to take, and the utility or person shall within 90 days after receipt of the notice furnish to the board its plan to comply with the request.

3. When the utility, under the board's order, proceeds with the work in a manner satisfactory to the board, the county shall pay the utility from expressways funds upon monthly estimates of work performed and submitted for payment by the utility, two-thirds of the net cost incurred by the utility in performing the work, after deducting reasonable and fair credits for items salvaged, for any betterments made at the option of the company and for the value as carried on the utility's books, of the used life of a facility retired from use if the service life of the new facility will extend beyond the expectancy of the one removed. The county shall not be liable to pay any value for utility facilities where use of the facilities has been abandoned for reasons other than the construction or proposed construction of an expressway project even though the installation is intact.

4. The board and any utility that is required to accommodate, relocate or remove a utility facility described in subd. 1. may by agreement provide for the respective amounts of the cost to be borne by each so as to resolve a dispute as to the allowance of charges and credits set forth in this paragraph. When the agreement has been concluded, the county shall pay out of expressway funds its share of the cost upon monthly estimates of work performed and submitted for payment by the utility.

5. If the board and any privately owned public utility are unable to agree as to the division of the costs, either may appeal to the public service commission, which shall determine the proper amounts of reimbursement according to the provisions expressed in this paragraph. Either party may petition the circuit court for review of the public service commission's decision in the manner provided in s. 227.53. If it is determined upon such review that the county has paid more than two-thirds of the net cost of compliance by a utility with the board's order, any overage shall be reimbursed to the county by the utility.

6. No appeal shall delay the construction of the expressway project or compliance by the privately owned public utilities with the orders of the board. Compliance shall not prejudice the rights of either the board or the utilities in any pending appeal.

7. If a person refuses to comply with an order of the board as promulgated under this paragraph, the board may apply to the circuit court for a writ of assistance to compel compliance, and the person shall be liable for all damages caused to the board by the delay.

8. If a railroad track and an expressway project cross, ss. 195.28 to 195.29 shall apply.

9. The reimbursement of private utilities under this paragraph shall be limited to expressway projects as provided in this section.

(i) *Entry on private lands.* The board, its agents or servants, may enter any land in the county for the purpose of making surveys, test borings or any other type of examination necessary in the performance of its duties and shall be liable to restore the surface of the lands to the same or as good condition as existed at the time of the entry and for any other actual and demonstrable damage caused to the lands by the entry.

(j) *Traffic types and speed limits.* After an expressway project has been certified as completed, the public body having jurisdiction over the maintenance thereof shall have the power to regulate the type of vehicular use of such portion of the expressway except as limited by federal and state laws and regulations, and the power to fix speed limits thereon not in excess of the maximum speed limits for state trunk highways, and to provide and enforce reasonable penalties for infraction of such vehicular use regulation or speed limits. Notwithstanding s. 346.16 (2), the use of the expressways by pedestrians, mopeds, motor bicycles, motor scooters, bicycles, electric scooters, electric personal assistive mobility devices, off-road utility vehicles, lightweight utility vehicles as defined in s. 346.94 (21) (a) 2. except when used to cross an expressway, funeral processions, and animals on foot and the hauling of oversized equipment without special permit shall be prohibited when an ordinance in conformity with this section and, with respect to prohibiting the use of electric personal assistive mobility devices, in conformity with s. 349.236 (1) (a) or (b), and with respect to prohibiting the use of electric scooters, in conformity with s. 349.237, is enacted by the board, but a forfeiture provided therein shall not exceed the maximum forfeiture under s. 346.17 (2). The board may not prohibit the towing of disabled vehicles on expressways, except that the board may prohibit the towing of disabled vehicles during the peak hours of 7 a.m. to 9 a.m. and 4 p.m. to 6:30 p.m. as established under county ordinance and except that the board may establish procedures for and may contract for the towing of vehicles which have become disabled on the expressway.

(k) *Building permits on lands in expressway routes.* Each municipality through which a route of the approved expressway plan, as amended from time to time, shall pass, shall be given a formal notice of the route and a map thereof. Thereafter, when an owner of land within the right-of-way of an expressway indicated on the map applies for a building permit affecting such lands, final action on the application shall be deferred for a reasonable time not exceeding 60 days and the municipality shall within 5 days after receipt of the application notify the board thereof.

(L) *Forces to construct expressway projects.* The board may use its own employees to construct expressway projects in whole or in part.

(m) *Rules and regulations.* The board shall have power to make all rules and regulations concerning its work.

(n) *Meetings; reports.* The board shall hold meetings for the transaction of business under this section and all such meetings shall be open to the public. The board shall prepare annually a report of its official transactions and expenditures under this section and shall mail the statement to the governor, to the mayor of the largest city in the county and to the chief executive officer of the governing bodies of all municipalities in the county.

(o) *Applicability of pars. (a) to (n).* Paragraphs (a) to (n) also apply, as far as applicable, to the exercise of the powers and duties of the board in the planning and construction of mass transit facilities.

(4) **TRANSFER OF PRIOR EXPRESSWAY STUDIES AND REPORTS.** The county expressway and transportation commission that is created under s. 59.965 (2), 1977 stats., and the governmental authorities of the largest city in the county shall transfer and deliver to

the board the original or certified copy of all maps and engineering studies and reports pertaining to an expressways system in the city and county, together with all contracts pertaining to the creation and construction of expressways. Upon demand by the board the largest city in the county with the approval of the common council shall execute and deliver to the county quitclaim deeds of all lands acquired, dedicated or owned by the city and needed for the purpose of right-of-way for the expressways, if the cost of the lands was included in the determination of prior expressway expenditures.

(6) REIMBURSEMENT FOR PRIOR EXPRESSWAY FINANCING. Municipalities shall be reimbursed for prior expressway project expenditures. Expressway projects under construction at the time the county expressway and transportation commission was created and the transfer of functions to the commission was effectuated under s. 59.965, 1977 stats., shall be completed by the board. Such municipalities shall be reimbursed for prior expressway expenditures and obligations incurred for the cost of right-of-way acquisition and clearance, construction engineering, and actual construction to the extent of the municipalities' contribution from tax levy or bond funds. Each such municipality shall calculate its contribution and certify the contribution with full data to the board. It shall then be subject to consideration, audit and approval by the board. If approved by the board, reimbursement shall be made on a 10-year installment basis by levying a tax against all the municipalities of the county on an equalized valuation basis, and offsetting the amount thereof to the municipalities entitled to reimbursement.

(7) AGREEMENTS FOR USE OF FEDERAL AID TO RETIRE MATURITIES. The department of transportation and the board may enter into an agreement providing that when the proceeds of bonds issued by the county are expended in the improvement of a portion of the federal aid highway system as a part of the comprehensive expressway system in the county, and are so expended under ch. 84, and in compliance with section 5 of the federal aid highway act of 1950, or acts amendatory to such section, and regulations applicable thereto, the sum of money derived from federal aid for highways which may be authorized by the congress and apportioned to this state for any fiscal year as shall be stipulated in the agreement may be applied to aid in retirement of annual maturities of the principal indebtedness of such bonds, and that to the extent that federal aid can be claimed and received by the state for such purpose, it will upon receipt be paid to the county. Any money so paid shall be deposited by the county in the sinking fund provided for the retirement of the bond issue of which the bonds formed a part.

(8) AGREEMENTS FOR STATE AID TO RETIRE MATURITIES. The department of transportation may enter into a contract with the board providing that, to the extent that the proceeds of bonds issued by the county are expended under ch. 84 in the improvement of state trunk highways or connecting highways, in addition to the agreed county share of the improvement and for which the county has not been or will not be reimbursed with federal funds, such sum as may be approved by the department of transportation in any fiscal year will be paid to the county to aid in retirement of the annual maturities of the principal indebtedness of the bonds from funds appropriated and available to the department of transportation for the improvement of state trunk highways or connecting highways. Payments may be made under the agreement, before or after the bonds mature, from funds appropriated and available to the department of transportation for the improvement of state trunk highways or connecting highways after making provision for adequate maintenance and traffic service, but this section or the agreement shall not constitute a commitment on the part of this state or the county to provide the funds. Any money so paid shall be deposited by the county in its sinking fund created for the purpose of payment of the bond issue of which the bonds formed a part.

(9) STAFF. (a) *Other departments and officers.* The staff of the county highway department, under the direction of the county

highway commissioner, shall perform all technical work required by the board. Any municipality having an expressway staff shall, upon request of the county board, transfer the staff to the county, and the agents and employees of the municipal staff shall thereupon become integrated into county civil service in the county highway department. The board may hire upon a contract basis such expert consultant services as it considers necessary to assist in the planning of the expressway system.

(b) *Records and equipment.* The board shall provide a suitable place where the maps, plans, documents, and records of the board that relate to this section shall be kept, subject to public inspection at all reasonable hours and under reasonable regulations that the board may prescribe.

(10) MAINTENANCE AND OPERATION. (a) *Maintenance and operation.* Whenever any expressway project is opened to traffic, the certification of such fact shall be filed with the clerk of the municipality in which the project is located. The notice shall be filed by the department of transportation in all cases where the construction contract has been awarded by the department of transportation, or by the board where the construction contract has been awarded by the board. Thereafter the portion of the expressway system included in such opening shall be operated and maintained by the county, but if an expressway project is selected and designated as a state trunk or interstate highway that portion of the expressway shall be maintained by the state. The maintenance responsibility of the county or state shall include all areas within the right-of-way fence lines and between the right-of-way fence lines and the curb lines of adjacent streets, except that connecting ramps constructed as a part of the expressway system shall be included in such maintenance to the near curb lines of the street with which they connect. All areas not specifically included within these described limits shall be maintained by the municipality in which the expressway is located, except that the state or county shall maintain the structural parts of bridges carrying local traffic over the expressway, including generally the footings, piers, columns, abutments and structural girders.

(b) *Policing of expressways.* Expressways shall be policed by the sheriff who may, when necessary, request and shall receive cooperation and assistance from the police departments of each municipality in which expressways are located, but nothing in this paragraph shall be construed to deprive such police departments of the power of exercising law enforcement on such expressways within their respective jurisdictions.

(11) DESIGNATED STANDING COMMITTEE. The board may designate a standing committee to perform the duties and to exercise the powers of the board under this section, except those powers and duties in sub. (2) (a) and (b). All actions of the standing committee under this section may be modified and shall be approved or disapproved by the board.

NOTE: 2003 Wis. Act 214, which affected this section, contains extensive explanatory notes.

59.85 Appropriation bonds for payment of employee retirement system liability in populous counties.

(1) DEFINITIONS. In this section:

(a) "Appropriation bond" means a bond issued by a county to evidence its obligation to repay a certain amount of borrowed money that is payable from all of the following:

1. Moneys annually appropriated by law for debt service due with respect to such appropriation bond in that year.
2. Proceeds of the sale of such appropriation bonds.
3. Payments received for that purpose under agreements and ancillary arrangements described in s. 59.86.
4. Investment earnings on amounts in subds. 1. to 3.

(b) “Board” means the county board of supervisors in any county.

(c) “Bond” means any bond, note, or other obligation of a county issued under this section.

(d) “County” means any county having a population of 750,000 or more.

(e) “Refunding bond” means an appropriation bond issued to fund or refund all or any part of one or more outstanding pension-related bonds.

(1m) LEGISLATIVE FINDING AND DETERMINATION. Recognizing that a county, by prepaying part or all of the county’s unfunded prior service liability with respect to an employee retirement system of the county, may reduce its costs and better ensure the timely and full payment of retirement benefits to participants and their beneficiaries under the employee retirement system, the legislature finds and determines that it is in the public interest for the county to issue appropriation bonds to obtain proceeds to pay its unfunded prior service liability.

(2) AUTHORIZATION OF APPROPRIATION BONDS. (a) A board shall have all powers necessary and convenient to carry out its duties, and to exercise its authority, under this section.

(b) Subject to pars. (c) and (d), a county may issue appropriation bonds under this section to pay all or any part of the county’s unfunded prior service liability with respect to an employee retirement system of the county, or to fund or refund outstanding appropriation bonds issued under this section. A county may use proceeds of appropriation bonds to pay issuance or administrative expenses, to make deposits to reserve funds, to pay accrued or funded interest, to pay the costs of credit enhancement, to make payments under other agreements entered into under s. 59.86, or to make deposits to stabilization funds established under s. 59.87.

(c) Other than refunding bonds issued under sub. (6), all bonds must be issued simultaneously.

(d) 1. Before a county may issue appropriation bonds under par. (b), its board shall enact an ordinance that establishes a 5-year strategic and financial plan related to the payment of all or any part of the county’s unfunded prior service liability with respect to an employee retirement system of the county. The strategic and financial plan shall provide that future annual pension liabilities are funded on a current basis. The strategic and financial plan shall contain quantifiable benchmarks to measure compliance with the plan. The board shall make a determination that the ordinance meets the requirements of this subdivision and, absent manifest error, the board’s determination shall be conclusive. The board shall submit to the governor and to the chief clerk of each house of the legislature, for distribution to the legislature under s. 13.172 (2), a copy of the strategic and financial plan.

2. Annually, the county comptroller under s. 59.255 shall submit to the governor, the department of revenue, and the department of administration, and to the chief clerk of each house of the legislature, for distribution to the legislature under s. 13.172 (2), a report that includes all of the following:

- a. The county’s progress in meeting the benchmarks in the strategic and financial plan.
- b. Any proposed modifications to the plan.
- c. The status of any stabilization fund that is established under s. 59.87 (3).
- d. The most current actuarial report related to the county’s employee retirement system.
- e. The amount, if any, by which the county’s contributions to the employee retirement system for the prior year is less than the normal cost contribution for that year as specified in the initial actuarial report for the county’s employee retirement system for that year.
- f. The amount that the actuary determines is the county’s required contribution to the employee retirement system for that year.

(2m) PENALTY FOR INADEQUATE CONTRIBUTION. If the county’s contributions to the employee retirement system for the prior year is less than the lower of the required contribution for that year, as described in sub. (2) (d) 2. f., or the normal cost for that year, the department of revenue shall reduce and withhold the amount of the shared revenue payments to the county under subch. I of ch. 79, in the following year, by an amount equal to the difference between the required cost contribution for that prior year and the county’s actual contribution in that prior year. The department of revenue shall deposit the amount of the reduced and withheld shared revenue payment into the county’s employee retirement system.

(3) TERMS. (a) A county may borrow moneys and issue appropriation bonds in evidence of the borrowing pursuant to one or more written authorizing resolutions under sub. (4). Unless otherwise provided in an authorizing resolution, the county may issue appropriation bonds at any time, in any specific amounts, at any rates of interest, for any term, payable at any intervals, at any place, in any manner, and having any other terms or conditions that the board considers necessary or desirable. Appropriation bonds may bear interest at variable or fixed rates, bear no interest, or bear interest payable only at maturity or upon redemption prior to maturity.

(b) The board may authorize appropriation bonds having any provisions for prepayment the board considers necessary or desirable, including the payment of any premium.

(c) Interest shall cease to accrue on an appropriation bond on the date that the appropriation bond becomes due for payment if payment is made or duly provided for.

(d) All moneys borrowed by a county that is evidenced by appropriation bonds issued under this section shall be lawful money of the United States, and all appropriation bonds shall be payable in such money.

(e) All appropriation bonds owned or held by a fund of the county are outstanding in all respects and the board or other governing body controlling the fund shall have the same rights with respect to an appropriation bond as a private party, but if any sinking fund acquires appropriation bonds that gave rise to such fund, the appropriation bonds are considered paid for all purposes and no longer outstanding and shall be canceled as provided in sub. (7) (d).

(f) A county shall not be generally liable on appropriation bonds, and appropriation bonds shall not be a debt of the county for any purpose whatsoever. Appropriation bonds, including the principal thereof and interest thereon, shall be payable only from amounts that the board may, from year to year, appropriate for the payment thereof.

(4) PROCEDURES. (a) No appropriation bonds may be issued by a county unless the issuance is pursuant to a written authorizing resolution adopted by a majority of a quorum of the board. The resolution may be in the form of a resolution or trust indenture, and shall set forth the aggregate principal amount of appropriation bonds authorized thereby, the manner of their sale, and the form and terms thereof. The resolution or trust indenture may establish such funds and accounts, including a reserve fund, as the board determines.

(b) Appropriation bonds may be sold at either public or private sale and may be sold at any price or percentage of par value. All appropriation bonds sold at public sale shall be noticed as provided in the authorizing resolution. Any bid received at public sale may be rejected.

(5) FORM. (a) As determined by the board, appropriation bonds may be issued in book-entry form or in certificated form. Notwithstanding s. 403.104 (1), every evidence of appropriation bond is a negotiable instrument.

(b) Every appropriation bond shall be executed in the name of and for the county by the chairperson of the board and county clerk, and shall be sealed with the seal of the county, if any. Fac-

simile signatures of either officer may be imprinted in lieu of manual signatures, but the signature of at least one such officer shall be manual. An appropriation bond bearing the manual or facsimile signature of a person in office at the same time the signature was signed or imprinted shall be fully valid notwithstanding that before or after the delivery of such appropriation bond the person ceased to hold such office.

(c) Every appropriation bond shall be dated not later than the date it is issued, shall contain a reference by date to the appropriate authorizing resolution, shall state the limitation established in sub. (3) (f), and shall be in accordance with the appropriate authorizing resolution in all respects.

(d) An appropriation bond shall be substantially in such form and contain such statements or terms as determined by the board, and may not conflict with law or with the appropriate authorizing resolution.

(6) REFUNDING BONDS. (a) 1. A board may authorize the issuance of refunding appropriation bonds. Refunding appropriation bonds may be issued, subject to any contract rights vested in owners of the appropriation bonds being refunded, to refund all or any part of one or more issues of appropriation bonds notwithstanding that the appropriation bonds may have been issued at different times or issues of general obligation promissory notes under s. 67.12 (12) were issued to pay unfunded prior service liability with respect to an employee retirement system. The principal amount of the refunding appropriation bonds may not exceed the sum of: the principal amount of the appropriation bonds or general obligation promissory notes being refunded; applicable redemption premiums; unpaid interest on the refunded appropriation bonds or general obligation promissory notes to the date of delivery or exchange of the refunding appropriation bonds; in the event the proceeds are to be deposited in trust as provided in par. (c), interest to accrue on the appropriation bonds or general obligation promissory notes to be refunded from the date of delivery to the date of maturity or to the redemption date selected by the board, whichever is earlier; and the expenses incurred in the issuance of the refunding appropriation bonds and the payment of the refunded appropriation bonds or general obligation promissory notes.

2. A board may authorize the issuance of general obligation promissory notes under s. 67.12 (12) (a) to refund appropriation bonds, notwithstanding s. 67.01 (9) (intro).

(b) If a board determines to exchange refunding appropriation bonds, they may be exchanged privately for, and in payment and discharge of, any of the outstanding appropriation bonds being refunded. Refunding appropriation bonds may be exchanged for such principal amount of the appropriation bonds being exchanged therefor as may be determined by the board to be necessary or desirable. The owners of the appropriation bonds being refunded who elect to exchange need not pay accrued interest on the refunding appropriation bonds if and to the extent that interest is accrued and unpaid on the appropriation bonds being refunded and to be surrendered. If any of the appropriation bonds to be refunded are to be called for redemption, the board shall determine which redemption dates are to be used, if more than one date is applicable and shall, prior to the issuance of the refunding appropriation bonds, provide for notice of redemption to be given in the manner and at the times required by the resolution authorizing the appropriation bonds to be refunded.

(c) 1. The principal proceeds from the sale of any refunding appropriation bonds shall be applied either to the immediate payment and retirement of the appropriation bonds or general obligation promissory notes being refunded or, if the bonds or general obligation promissory notes have not matured and are not presently redeemable, to the creation of a trust for, and shall be pledged to the payment of, the appropriation bonds or general obligation promissory notes being refunded.

2. If a trust is created, a separate deposit shall be made for each issue of appropriation bonds or general obligation promissory notes being refunded. Each deposit shall be with a bank or trust

company authorized by the laws of the United States or of a state in which it is located to conduct banking or trust company business. If the total amount of any deposit, including moneys other than sale proceeds but legally available for such purpose, is less than the principal amount of the appropriation bonds or general obligation promissory notes being refunded and for the payment of which the deposit has been created and pledged, together with applicable redemption premiums and interest accrued and to accrue to maturity or to the date of redemption, then the application of the sale proceeds shall be legally sufficient only if the moneys deposited are invested in securities issued by the United States or one of its agencies, or securities fully guaranteed by the United States, and only if the principal amount of the securities at maturity and the income therefrom to maturity will be sufficient and available, without the need for any further investment or reinvestment, to pay at maturity or upon redemption the principal amount of the appropriation bonds or general obligation promissory notes being refunded together with applicable redemption premiums and interest accrued and to accrue to maturity or to the date of redemption. The income from the principal proceeds of the securities shall be applied solely to the payment of the principal of and interest and redemption premiums on the appropriation bonds or general obligation promissory notes being refunded, but provision may be made for the pledging and disposition of any surplus.

3. Nothing in this paragraph may be construed as a limitation on the duration of any deposit in trust for the retirement of appropriation bonds or general obligation promissory notes being refunded that have not matured and that are not presently redeemable. Nothing in this paragraph may be constructed to prohibit reinvestment of the income of a trust if the reinvestments will mature at such times that sufficient moneys will be available to pay interest, applicable premiums, and principal on the appropriation bonds or general obligation promissory notes being refunded.

(7) FISCAL REGULATIONS. (a) All appropriation bonds shall be registered by the county clerk or county treasurer of the county issuing the appropriation bonds, or such other officers or agents, including fiscal agents, as the board may determine. After registration, no transfer of an appropriation bond is valid unless made by the registered owner's duly authorized attorney, on the records of the county and similarly noted on the appropriation bond. The county may treat the registered owner as the owner of the appropriation bond for all purposes. Payments of principal and interest shall be by electronic funds transfer, check, share draft, or other draft to the registered owner at the owner's address as it appears on the register, unless the board has otherwise provided. Information in the register is not available for inspection and copying under s. 19.35 (1). The board may make any other provision respecting registration as it considers necessary or desirable.

(b) The board may appoint one or more trustees or fiscal agents for each issue of appropriation bonds. The county treasurer may be designated as the trustee and the sole fiscal agent or as cofiscal agent for any issue of appropriation bonds. Every other fiscal agent shall be an incorporated bank or trust company authorized by the laws of the United States or of the state in which it is located to conduct banking or trust company business. There may be deposited with a trustee, in a special account, moneys to be used only for the purposes expressly provided in the resolution authorizing the issuance of appropriation bonds or an agreement between the county and the trustee. The board may make other provisions respecting trustees and fiscal agents as the board considers necessary or desirable and may enter into contracts with any trustee or fiscal agent containing such terms, including compensation, and conditions in regard to the trustee or fiscal agent as the board considers necessary or desirable.

(c) If any appropriation bond is destroyed, lost, or stolen, the county shall execute and deliver a new appropriation bond, upon filing with the board evidence satisfactory to the board that the appropriation bond has been destroyed, lost, or stolen, upon providing proof of ownership thereof, and upon furnishing the board

with indemnity satisfactory to it and complying with such other rules of the county and paying any expenses that the county may incur. The board shall cancel the appropriation bond surrendered to the county.

(d) Unless otherwise directed by the board, every appropriation bond paid or otherwise retired shall be marked “canceled” and delivered to the county treasurer, or to such other fiscal agent as applicable with respect to the appropriation bond, who shall destroy them and deliver a certificate to that effect to the county clerk.

(8) APPROPRIATION BONDS AS LEGAL INVESTMENTS. Any of the following may legally invest any sinking funds, moneys, or other funds belonging to them or under their control in any appropriation bonds issued under this section:

(a) The state, the investment board, public officers, municipal corporations, political subdivisions, and public bodies.

(b) Banks and bankers, savings and loan associations, credit unions, trust companies, savings banks and institutions, investment companies, insurance companies, insurance associations, and other persons carrying on a banking or insurance business.

(c) Personal representatives, guardians, trustees, and other fiduciaries.

(9) MORAL OBLIGATION PLEDGE. If the board considers it necessary or desirable to do so, it may express in a resolution authorizing appropriation bonds its expectation and aspiration to make timely appropriations sufficient to pay the principal and interest due with respect to such appropriation bonds, to make deposits into a reserve fund created under sub. (4) (a) with respect to such appropriation bonds, to make payments under any agreement or ancillary arrangement entered into under s. 59.86 with respect to such appropriation bonds, to make deposits into any stabilization fund established or continued under s. 59.87 with respect to such appropriation bonds, or to pay related issuance or administrative expenses.

(10) PENSION STUDY COMMITTEE. The 2 public members of the pension study committee, created by chapter 405, laws of 1965, shall have at least 10 years of financial experience.

(11) APPLICABILITY. This section does not apply if a county does not issue appropriation bonds as authorized under sub. (2).
