The kinship care relative applies to the county department for payments under this subsection and the county department determines that there is a need for the child to be placed with the kinship care relative and that the placement with the kinship care relative is in the best interests of the child.

2. The county department determines that the child meets one or more of the criteria specified in s. 48.13 or 938.13 or that the child would be at risk of meeting one or more of those criteria if the child were to remain in his or her home.

4. The county department conducts a background investigation under sub. (3p) of the kinship care relative, the employes and prospective employes of the kinship care relative who have or would have regular contact with the child for whom the payments would be made and any other adult resident of the kinship care relative's home to determine if the kinship care relative or adult resident has any arrests or convictions that could adversely affect the child or the kinship care relative's ability to care for the child.

or prospective employe of the kinship care relative who would have regular contact with the child has any arrests or convictions that could adversely affect the child or the kinship care relative's ability to care for the child.

5. The kinship care relative cooperates with the county department in the application process, including applying for other forms of assistance for which the kinship care relative may be eligible.

(b) 1. The county department shall refer to the attorney responsible for support enforcement under s. 59.458 (1) the name of the parent or parents of a child for whom a payment is made under par. (am).

If a child who is the beneficiary of a payment under this subsection is also the beneficiary of support under a judgment or order that includes support for one or more children who are not the beneficiaries of payments under this subsection, any support payment made under the judgment or order is assigned to the state in the amount that is the proportionate share of the child who is the beneficiary of the payment made under this subsection, except as otherwise ordered by the court on the motion of a party.

(c) The county department shall require the parent or parents of a child for whom a payment is made under par. (am) to initiate or continue health care insurance coverage for the child.

A county department shall make payments in the amount of \$215 per month to a kinship care relative who is providing care and maintenance for a child if all of the following conditions are met:

(d) A county department shall review a placement of a child for which the county department makes payments under par. 3. Before a person that is receiving payments under sub. 2. A person receiving payments under sub. (3m) may provisionally employ a person in a position in which that person would have regular contact with the child for whom those payments are being made or provisionally permit a person to be an adult resident if the person receiving those payments states to the county department that the employe or adult resident does not have any arrests or convictions that could adversely affect the child or the ability of the person receiving payments to care for the child. A person receiving payments under sub. (3m) may not finally employ a person in a position in which that person would have regular contact with the child for whom those payments are being made or finally permit a person to be an adult resident until the county department receives information from the department of justice indicating that the person's conviction record under the law of this state is satisfactory according to the criteria specified in par. (g) 1. to 3. and the county department so advises the department and the person receiving payments under sub. (3m). A person receiving payments under sub. (3m) may finally employ a person in a position in which that person would have regular contact with the child for whom those payments are being made or finally permit a person to be an adult resident conditioned on the receipt of information from the county department that the federal bureau of investigation indicates that the person's conviction record under the law of any other state or under federal law is satisfactory according to the criteria specified in par. An employer that does not meet the criteria established under this section is ineligible to receive any subsidy for any position provided to a participant.

SECTION 88. 49.147 of the statutes is created to read:

49.147 Wisconsin works; work programs and job access loans. (1) DEFINITION. (a) *Definition.* In this section, "unsubsidized employment" means employment for which the Wisconsin works agency provides no wage subsidy to the employer including self-employment and entrepreneurial activities.

(2) UNSUBSIDIZED EMPLOYMENT. (a) *Job search, orientation and training activities.* 1. An individual who applies for a Wisconsin works employment position may be required by the Wisconsin works agency to search for unsubsidized employment during the period that his or her application is being processed as a condition of eligibility. A participant in a Wisconsin works employment position shall search for unsubsidized employment throughout his or her participation. The department shall define by rule satisfactory search efforts for unsubsidized employment.

2. A Wisconsin works agency may require an applicant for a Wisconsin works employment position to participate in job orientation during the period that his or her application is being processed as a condition of eligibility. A Wisconsin works agency may require a participant in a Wisconsin works employment position to engage in training activities in accordance with rules promulgated

by the department as part of the participant’s participation requirements.

(b) *Job search assistance.* A Wisconsin works agency shall assist a participant in his or her search for unsubsidized employment. (3) TRIAL JOBS. (a) *Administration.* A Wisconsin works agency shall administer a trial job program as part of its administration of the Wisconsin works program to improve the employability of individuals who are not otherwise able to obtain unsubsidized employment, as determined by the Wisconsin works agency, by providing work experience and training to assist them to move promptly into unsubsidized employment. In determining an appropriate placement for a participant, a Wisconsin works agency shall give priority to placement under this subsection over placements under subs. (4) and (5). The wage subsidy may not exceed \$300 per month for full-time employment of a participant. For less than full-time employment of a participant during a month, the wage subsidy may not exceed a dollar amount determined by multiplying \$300 by a fraction, the numerator of which is the number of hours worked by the participant in the month and the denominator of which is the number of hours which would be required for full-time employment in that month.

(am) *Education or training activities.* A trial job includes education and training activities, as prescribed by the employer as an integral part of work performed in the trial job employment.

(b) *Worker’s compensation.* The employer shall provide the participant with worker’s compensation coverage.

(4) COMMUNITY SERVICE JOB. (a) *Administration.* A Wisconsin works agency shall administer a community service job program as part of its administration of Wisconsin works to improve the employability of individuals who are not otherwise able to obtain employment, as determined by the Wisconsin works agency, by providing work experience and training to assist them to move promptly into unsubsidized public or private employment or a trial job. In determining an appropriate placement for a participant, a Wisconsin works agency shall give placement under this subsection priority over placements under sub. (5). An individual may participate in more than one community service job, but may not exceed a total of 24 months of participation under this subsection. The months need not be consecutive. The department or, with the approval of the department, the Wisconsin works agency may grant an extension to the 24-month limit on a case-by-case basis if the Wisconsin works agency determines that the individual has made all appropriate efforts to find unsubsidized employment and has been unable to find unsubsidized employment because local labor market conditions preclude a reasonable employment opportunity in unsubsidized employment for that participant, as determined by a Wisconsin works agency and approved by the department, and if the Wisconsin works agency determines, and the department agrees, that no trial job opportunities are available in the specified local labor market.

(c) *Worker's compensation.* A participant under this subsection is an employe of the Wisconsin works agency for purposes of worker's compensation coverage, except to the extent that the person for whom the participant is performing work provides worker's compensation coverage.

under s. 49.145, all of the following conditions are met with respect to the individual:

2. Notwithstanding subd. 1. b. and c., “qualifying coverage” does not include a high cost-share health benefit plan that is linked to a tax-preferred savings plan for payment of medical expenses if the employer that provides the individual’s new coverage offers its eligible employes a choice of health benefit plan options that includes a high cost-share health benefit plan that may be linked to a tax-preferred savings plan for payment of medical expenses and the individual’s new coverage is not such a high cost-share health benefit plan.

(g) “Self-insured health plan” means a self-insured health plan of the state or a county, city, village, town or school district.

(3) PORTABILITY. (a) A group health benefit plan, or a self-insured health plan, shall waive any period applicable to a preexisting condition exclusion or limitation period with respect to particular services for the period that an individual was previously covered by qualifying coverage that was not sponsored by the employer sponsoring the group health benefit plan or the self-insured health plan and that provided benefits with respect to such services, if the qualifying coverage terminated not more than 60 days before the effective date of the new coverage.

(b) Paragraph (a) does not prohibit the application of a waiting period to all new enrollees under a group health benefit plan or a self-insured health plan; however, a waiting period may not be applied when determining whether the qualifying coverage terminated not more than 60 days before the effective date of the new coverage.

Vetoed In Part (c) If the federal government enacts legislation providing for a federal income tax exemption for amounts deposited in a savings plan for payment of medical expenses that is linked to a high cost-share health benefit plan, and for any interest, dividends or other gain that accrues in the savings plan if redeposited in the savings plan, 6 years after the enactment of the federal legislation the commissioner shall conduct a study of individuals and groups that had coverage under a high cost-share health benefit plan linked to a tax-preferred savings plan for payment of medical expenses and that terminated that coverage in order to enroll in a health benefit plan that was not such a high cost-share health plan. If as a result of the study the commissioner determines that s. 632.745 (1) (f) 2. is not necessary for the purpose for which it was intended, the commissioner shall certify that determination to the revisor of statutes. Upon the certification, the revisor of statutes shall publish notice in the Wisconsin administrative register of the determination, the date of the certification and that after 30 days after the date of the certification s. 632.745 (1) (f) 2. is not effective.

(b) An insurer may vary its minimum participation requirements and minimum employer contribution requirements only by the size of the employer group based on the number of eligible employees.

(c) In applying minimum participation requirements with respect to an employer, an insurer may not count eligible employees who have other coverage that is qualifying coverage in determining whether the applicable percentage of participation is met, except that an insurer may count eligible employees who have coverage under another health benefit plan that is sponsored by that employer and that is qualifying coverage.

(d) An insurer may not increase a requirement for minimum employee participation or a requirement for minimum employer contribution that applies to an employer after the employer has been accepted for coverage.

(e) This subsection does not apply to a group health benefit plan offered by the state under s. 40.51 (6) or by the group insurance board under s. 40.51 (7).

(5) PROHIBITED COVERAGE PRACTICES. (a) 1. Except as provided in rules promulgated under subd. 3., if an insurer offers a group health benefit plan to an employer, the insurer shall offer coverage to all of the eligible employees of the employer and their dependents. 2. Except as provided in rules promulgated under subd. 3., if the state or a county, city, village, town or school district offers coverage under a self-insured health plan, it shall offer coverage to all of its eligible employees and their dependents. The rules shall conform to the intent of subds. 1. and 2. and may not allow the state or the group insurance board to refuse to

offer coverage to an eligible employe or dependent for reasons related to health condition.

(b) 1. An insurer may not modify a group health benefit plan with respect to an employer or an eligible employe or dependent, through riders, endorsements or otherwise, to restrict or exclude coverage for certain diseases or medical conditions otherwise covered by the group health benefit plan.

2. The state or a county, city, village, town or school district may not modify a self-insured health plan with respect to an eligible employe or dependent, through riders, endorsements or otherwise, to restrict or exclude coverage for certain diseases or medical conditions otherwise covered by the self-insured health plan.

3. Nothing in this paragraph limits the authority of the group insurance board to fulfill its obligations as trustee under s. 40.03 (6) (d) or to design or modify procedures or provisions pertaining to enrollment, premium transmitted or coverage of eligible employes for health care benefits under s. 40.51 (1).

Such assignment shall be approved by order of the court granting the maintenance payments or support money, and may be terminated in like manner; except that it shall not be terminated in cases where there is any delinquency in the amount of maintenance payments and support money previously ordered or adjudged to be paid to the assignee without the written consent of the assignee or upon notice to the assignee and hearing. When an assignment of maintenance payments or support money, or both, has been approved by the order, the assignee shall be deemed a real party in interest within s. 803.01 but solely for the purpose of securing payment of unpaid maintenance payments or support money adjudged or ordered to be paid, by participating in proceedings to secure the payment thereof. Notwithstanding assignment under this subsection, and without further order of the court, the clerk of court, upon receiving notice that a party or a minor child of the parties is receiving aid under s. 49.19, shall forward all support assigned under s. 48.57 (3m) (b) 2. 49.19 (4) (h) 1. or 49.45 (19) to the department of industry, labor and human relations.

SECTION 269. 767.29 (4) of the statutes is amended to read:

767.29 (4) If an order or judgment providing for the support of one or more children not receiving aid under s. 48.57 (3m) or 49.19 includes support for a minor who is the beneficiary of aid under s. 48.57 (3m) or 49.19, any support payment made under the order or judgment is assigned to the state under s. 48.57 (3m) (b) 2. or 49.19 (4) (h) 1. b. in the amount that is the proportionate share of the minor receiving aid under s. 48.57 (3m) or 49.19, except as otherwise ordered by the court on the motion of a party.

SECTION 270. 767.32 (1) (a) of the statutes, as affected by 1995 Wisconsin Act 77, is amended to read:

767.32 (1) (a) After a judgment or order providing for child support under this chapter or s. 48.355 (2) (b) 4., 48.357 (5m), 48.363 (2), 938.183 (2), 938.355 (2) (b) 4., 938.357 (5m), 938.363 (2) or 948.22 (7), maintenance payments under s. 767.26 or family support payments under this chapter, or for the appointment of trustees under s. 767.31, the court may, from time to time, on the petition, motion or order to show cause of either of the parties, or upon the petition, motion or order to show cause of the department of health and family services, a county department under s. 46.215, 46.22 or 46.23 or a child support program designee under s. 59.07 (97) if an assignment has been made under s. 46.261, 48.57 (3m) (b) 2., 49.153 (3). 49.19 (4) (h) or 49.45 (19) or if either party or their minor children receive aid under s. 48.57 (3m) or ch. 49, and upon notice to the family court commissioner, revise and alter such judgment or order respecting the amount of such maintenance or child support and the payment thereof, and also respecting the appropriation and payment of the principal and income of the property so held in trust, and may make any judgment or order respecting any of the matters that such court might have made in the original action, except that a judgment or order that waives maintenance payments for either party shall not thereafter be revised or altered in that respect nor shall the provisions of a judgment or order with respect to final division of property be subject to revision or modification. A revision, under this section, of a judgment or order with respect to an amount of child or family support may be made only upon a finding of a substantial change in circumstances. In any action under this section to revise a judgment or order with respect to maintenance payments, a substantial change in the cost of living by either party or as measured by the federal bureau of labor statistics may be sufficient to justify a revision of judgment or order with respect to the amount of maintenance, except that a change in an obligor's cost of living is not in itself sufficient if payments are expressed as a percentage of income.

SECTION 271. 767.32 (1) (b) 1. of the statutes is amended to read:

767.32 (1) (b) 1. Commencement of receipt of aid to families with dependent children under s. 49.19 or participation in Wisconsin works under ss. 49.141 to 49.161 by either parent since the entry of the last child support order, including a revision of a child support order under this section.
