### *Analysis by the Legislative Reference Bureau*

Under current law, there is established, to be administered by the Higher Educational Aids Board (HEAB), a higher education grant program for postsecondary resident students enrolled at least half-time and registered as freshmen, sophomores, juniors, or seniors in the University of Wisconsin System, a technical college, or a tribal college in this state. Currently, grants under that program are referred to as “Wisconsin higher education grants” and the titles to the appropriations funding those grants specify the students funded under each appropriation, specifically, “Wisconsin higher education grants; University of Wisconsin System students,” “Wisconsin higher education grants; technical college students,” and “Wisconsin higher education grants; tribal college students.” This bill changes the name of those grants to “Wisconsin grants” and conforms the titles to the appropriations funding those grants accordingly.

Similarly, there is established, to be administered by HEAB, a tuition grant program for resident students enrolled at least half-time and registered as freshmen, sophomores, juniors, or seniors in accredited, nonprofit, post-high school,

educational institutions in this state (private colleges). Currently, the appropriation funding those grants is entitled "Tuition grants" and the statute section authorizing those grants is entitled "Grants." This bill changes the titles of the appropriation funding those grants and the statute section authorizing those grants to "Wisconsin grants; private, nonprofit college students."
