Analysis by the Legislative Reference Bureau

Rule-making procedures

Current law sets forth a procedure for the promulgation of administrative rules (rules). Generally, that procedure consists of the following steps:

1. The agency planning to promulgate the rule prepares a statement of the scope of the proposed rule, which the governor and the agency head must approve before any state employee or official may perform any activity in connection with the drafting of the proposed rule.

2. The agency drafts the proposed rule, together with an economic impact analysis, plain language analysis, and fiscal estimate for the proposed rule, and submits those materials to the Legislative Council Staff for review.

3. Subject to certain exceptions, a public hearing is held on the proposed rule.

4. The final draft of the proposed rule is submitted to the governor for approval.

SENATE BILL 591

5. The final draft of the proposed rule, together with an economic impact analysis, plain language analysis, and fiscal estimate for the proposed rule, are submitted to the legislature for review by one standing committee in each house and by the Joint Committee for Review of Administrative Rules.

6. The proposed rule is filed with the Legislative Reference Bureau (LRB) for publication in the Wisconsin Administrative Code (code) and the Wisconsin Administrative Register (register), and, subject to certain exceptions, the rule becomes effective on the first day of the first month beginning after publication.

Under this bill, if a bill that repeals or modifies a rule is enacted, the ordinary rule-making procedures under current law do not apply. Instead, the LRB must publish the repeal or modification, in the code and the register, and the repeal or modification, subject to certain exceptions, takes effect on the first day of the first month beginning after publication.

Closing hours

Under current law, the Department of Natural Resources (DNR) designates a system of state trails as part of the state park system. Under DNR's current rules, with certain exceptions, no person may enter or be within the boundaries of any state park between the hours of 11:00 p.m. and the following 6:00 a.m. The bill amends DNR rules to exempt users of state trails from these nighttime closing hours, but allows DNR discretion to close a state trail or portion of a state trail at night by posting notice of closing hours.

Current law requires, with certain exceptions, that state parks be open to hunting, fishing, and trapping by persons who hold the appropriate hunting, fishing, or trapping license, permit, or other approval. Under current DNR rules, one exception to state park closing hours is for hunters who enter the land no earlier than one hour before the opening of hunting hours on that land. This bill amends DNR rules to add a similar exception for trappers entering land no earlier than one hour prior to the opening of trapping hours on the land. If there are no established hunting hours on the land, the bill amends DNR rules to allow hunters to enter no earlier than one hour prior to sunrise.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:
